

Notice for Vendors Meet

MNRE has launched Green Day Ahead Market for sale of Green Power in Power Exchange from 26th October 2021 onwards.

Power Exchange is having provision of sale of unsold RE Power from Green DAM to routine DAM. Average/day volume traded in DAM is around more than 6000 MW and chances on non-clearance/non sale of Power are minimum.

For sale of Solar Power through Power Exchange, NHPC plans to re-invite EPC bids for development of 75 MW capacity ISTS connected Solar Power Project anywhere in India.

To discuss and formulize the terms and conditions of tender document for the upcoming bid and to ensure better participation in the upcoming tender, a "Vendors Meet" is being organized on 22/Sep/2022 at 03:00 PM.

All interested EPC Vendors are invited to attend the "Vendors Meet" online/ in person at NHPC Corporate Office Complex, Sector-33, Faridabad. EPC Vendors, who intend to participate, may confirm their participation by 21/Sep/2022 through email at re-co@nhpc.nic.in by providing details of their Company Profile as per the attached format along with Name & Designation of the Officers (maximum 2) deputed to attend the Meet.

Meeting Hall Details for offline participants and link for online participants shall be shared with the interested EPC Vendors on/ before 21/Sep/2022 (evening).
