

# ANNUAL REPORT 2017-18

**Corporate Social  
Responsibility & Sustainability**

*MMU Healthcare CSR Support in Various Tribal Areas of Assam*

## MESSAGE

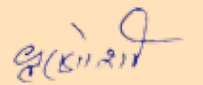

NHPC since its inception has acted as a socially aware and responsible member of the broader society. By producing energy from a sustainable and renewable source we have played our part in overall economic development while nurturing and caring for the environment. We have been proactively fulfilling our social responsibilities, way before CSR as we know today was legislated and made mandatory.

NHPC has focused on key areas like Education, Skill Development, Health care and Sanitation. We have also been associated with many of the flagship programs like SwachhVidyalayAbhiyaan and Saubhagya scheme of Govt of India which provide long term benefits to the society.

I am happy that CSR&SD Division, Corporate Office has successfully documented the CSR activities undertaken during FY 2017-18. This report presents our sustained efforts in improving lives of citizens and helping people and communities.

We have always stressed on programmes/activities which fulfill the present needs while creating a meaningful and better future. We shall continue to focus on areas like Education, healthcare and sanitation. Our efforts shall always be towards betterment of society.

## MESSAGE

As an organisation, our pursuit to make an impact in all walks of life continues unabated, I want to thank you all - our clients, our employees, our partners and our stakeholders, for continuing to repose your trust in us. This is our driving force and encourages us do our best in these exciting challenges turning them into initiatives with our action plans.

As a catalyst NHPC plays a significant role in addressing the social, economic and environmental concerns of key stakeholders and communities at large.

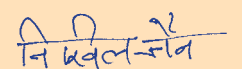

We believe in sustainability that extends across the spheres of economic strategy, environmental action, social support and governance. Within each area, we are focused on creating a meaningful relationship, through CSR activities that have a positive impact in our society. The concept of CSR is one of ethical and moral issues, surrounding corporate decision making and behavior.

The secret in the successful transformation of our core services is the continuous efforts of our people working across the execution chain. We are ENERGISED by our position now, and our excellent progress leaves us in a confident position for the year ahead. But while we are doing so we are very conscious of results as it is all.

*For the society at large under the banner of CSR Initiatives of NHPC. CSR involves the commitment of a company in managing its various roles in society in a responsible manner.*

*CSR and SD division is timely coordinating, mentoring and planning with our Power Stations/ Projects /Units with dedication.*

I value the contributions made by all our employees towards betterment of communities living in and around our projects.
