**ANNUAL  
REPORT  
2020-21**

**Corporate Social  
Responsibility  
& Sustainability**

## Message

Corporate Social Responsibility is first and foremost an opportunity for the corporates to serve the society. Over a period of time, CSR as a concept has evolved more into social responsiveness than responsibility. As an activity, it is no longer an act of mere adherence to legalities or as an ethical and philanthropic function. Today, CSR as a process is not separated from the core business of the company, but expresses itself in the very nature of the business.

NHPC, being a socially responsible corporate citizen has always put emphasis on inclusive growth of all stakeholders. Our focus has been on activities which have long term benefits and accordingly major expenditure has been done on activities like education, health, sanitation and rural development. We have not restricted ourselves to the minimum expenditure mandated by the law. Our efforts have been towards making meaningful difference to the life of people we serve.

During the COVID pandemic, we have extended our reach and have tried our best to help the needy sections of the society, and provide them with requisite basic needs. The relief measures extended by NHPC during the COVID pandemic have been appreciated by one and all.

I am glad to learn that CSR&SD Division is publishing its Annual Report for the FY 2020-21. I appreciate the efforts put in by CSR&SD Division of Corporate office/ROs/Projects/Power Stations in documenting our various activities and initiatives in the field of CSR, which as always are aimed at all round upliftment of the society. I extend my best wishes to entire team members engaged in CSR&SD works and expect the team to keep pace with changing environment and act swiftly.

**(Abhay Kumar Singh)**  
Chairman & Managing Director

## Message

Right from the times when we commenced construction of our first hydro power project, we have experienced the day to day difficulties being faced by local inhabitants. In order to alleviate their hardships, NHPC started operating welfare measures in the best possible manner with right earnest. It not only helped in having goodwill relations with the locals but also created a conducive environment for project implementation in a sustainable manner with numerous employment opportunities.

NHPC has been continuously working for many years on the philosophy of inclusive & sustainable growth of all our stakeholders. Based on this philosophy, we have collectively embarked on a journey to advance so that every stakeholder of ours, thrives. We consider ourselves as partners, promoters and facilitators of meaningful changes in the society driven by our CSR initiatives.

It gives me immense pleasure & satisfaction in highlighting that the beneficiaries of our CSR activities has increased manifold. Our CSR projects have brought remarkable sustainable changes in the lives of many. Being a responsible corporate entity, this exhibits the greater sense of accountability towards the welfare of the society at a large.

The annual CSR report, which underlines the major CSR initiatives undertaken during the year, would definitely be very useful in showcasing the best practices implemented by NHPC in the field of CSR.

I compliment the entire team of CSR & SD Division of Corporate Office/ROs/Projects/Power Stations for preparing this compendium and extend my best wishes for all future endeavours and commend them for their commitment to the cause of CSR.

**(Biswajit Basu)**

Director (Projects)

## Message

It gives me great pleasure to highlight that NHPC has been undertaking the task of social welfare even much before the implementation of Companies Act, 2013. After the issuance of Companies Act, 2013, NHPC CSR policy has been aligned with the Act and is revised from time to time to incorporate latest guidelines of Govt. of India.

CSR has now emerged as a strategic tool for the companies to demonstrate their commitment towards achieving larger social objectives and facilitating harmonious relationships with societies in their respective operational areas.

NHPC is performing CSR activities as per the expectations of Govt. and its stakeholders. It is playing a significant role in pushing flagship programs for the greater good of the needy sections of the society. Many path breaking and innovative projects have been implemented in different sectors during the years.

The dynamic management approach & constant support has encouraged the entire CSR&SD team to put in their dedicated & sincere efforts which has resulted into increased CSR expenditure & no. of beneficiaries in different sectors & larger coverage across the country.

I extend my best wishes to entire team of CSR & SD Division of Corporate office/ROs/Projects/Power Stations for putting their best in compilation of major CSR activities undertaken during FY 2020-21 and publishing it in the form of annual CSR report. I am very much hopeful that CSR works shall be carried forward with even more zeal and compassion in the future as well.

(Uday Shanker Sahi)

Executive Director (CSR & SD)

## INTRODUCTION

An inspiring and inclusive vision that draws people together in the pursuit of an uplifting common purpose i.e. investing in society and generations, growing & nurturing them hand in hand for the sake of attaining a healthy, efficient and progressive way of life, for the good of the country and overall economy. It is necessary to ensure the participation of all stakeholders in the community (public, civil and private sectors) to bridge the social gaps through services and initiatives. Winston Churchill once said “If the human race wishes to have a prolonged and indefinite period of material prosperity, they have only got to behave in a peaceful and helpful way toward one another”. The aim is to help people live better and enable the less privileged section of the society.

NHPC, known for its technical expertise and one of the biggest Hydro power developer and Hydro Power producer company with its presence in Himalayan region in India and neighbouring countries, supports a comprehensive CSR programme covering a gamut of initiatives including health support and sanitation programme, Education, Skill Development, women Empowerment, Environment, promoting Art and culture, Pure Drinking water Projects in Rural Areas and Asset creation for the communities under Community development Programme around the our establishments and few other places across the country. NHPC is working with an inspiring model of community well-being and national identity.

NHPC is conducting its business in a socially responsible way to win the trust and confidence of all stakeholders.

NHPC is playing a significant role in the area of CSR by addressing the social, economic and environmental concerns of key stakeholders including those directly impacted by its operations and activities.

### NHPC Vision

- To be a global leading organization for

sustainable development of clean power through competent, responsible and innovative values.

### NHPC Mission

- To achieve excellence in development of clean power at international standards.
- To execute & operate projects through efficient and competent contract management and innovative R&D in environment friendly and socio-economically responsive manner.
- To develop, nurture and empower the human capital to leverage its full potential.
- To practice the best corporate governance and competent value based management for a strong corporate identity and showing concern for employees, customer, environment and society.
- To adopt & innovate state-of-the-art technologies and optimize use of natural resources through effective management.

### NHPC's CSR Vision

- To contribute to sustainable development and inclusive growth while taking care of People, Planet and Organizational goals/ growth.

### NHPC's CSR Mission

- To become socially responsible corporate entity committed to improving the quality of life of the society at large.
- To create and develop facilities for the communities we engage with.
- To balance economic, environmental and welfare development objectives through collective and unified effort of all stakeholders.

### Thrust areas of CSR activities

- Minimize the inequalities existing in the Society
- Focus of activities amongst the marginalized and underprivileged sections of Society

- All inclusive Social development interventions adopted
- Bridging gaps prevalent in Rural Infrastructure
- Propagating Sustainable practices
- Focused efforts on reinforcing Basic and Higher Education
- Skilling and gainful Training to the youth
- Extending the outreach of Medical facilities
- Propagating GoI Missions, deep into inaccessible locations of the country
- Empowering Women

#### **Selection of CSR Activities**

- Activities selected in accordance with Schedule VII of Act.
- Preference to the Local area - 80% allocation
- Other locations may be chosen, based on the needs and as per Govt. directives on national schemes.
- The proposals received are compiled and further scrutinized in accordance with Schedule-VII of Companies Act, 2013 as well as the availability of funds.
- The proposals are initially evaluated by a Committee and then recommended for consideration of the Committee of Directors on CSR & Sustainability.

- Selection is done solely on the merit of proposals.

#### **Monitoring and Evaluation of CSR Activities**

- Institutional arrangement exists for Implementation, Monitoring and Evaluation of the CSR & Sustainability activities of the corporation.
- The 03 tier Management structure for Implementation, Monitoring and Evaluating the progress of CSR schemes/activities in NHPC are as under:
  - i) The Board level Committee on CSR headed by an Independent Director
  - ii) Nodal Officer of the Rank of Executive Director assisted by his team
  - iii) Regional ED/ Project Head/ Unit Head and his team for implementation and monitoring
- The progress of CSR & Sustainability schemes under implementation at each of the location is being reported by the Unit Head to Nodal Officer at Corporate Office, on a monthly basis.
- Records are being maintained along with photographs/videos to show progress of works.

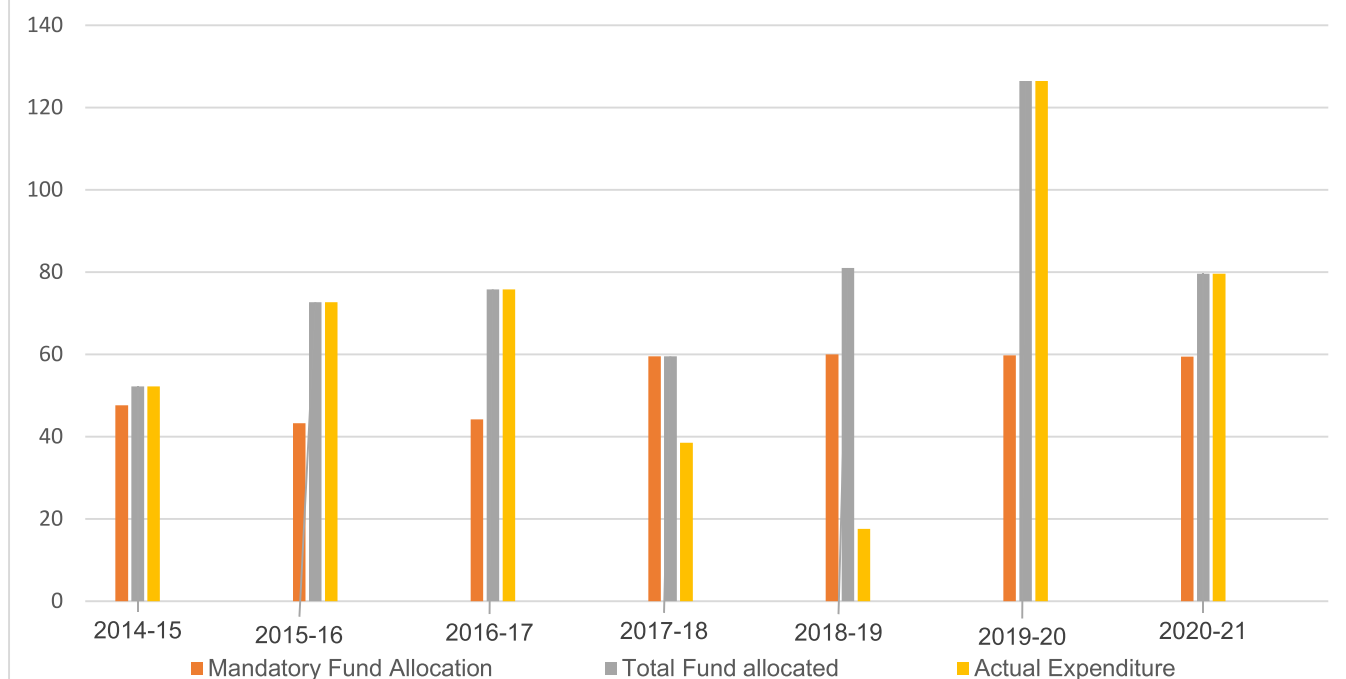

Quarterly Reports regarding the progress of implementation of CSR and Sustainability activities are reviewed by CSR Committee and NHPC Board.

## 1. RO-JAMMU:

### HEALTH & SANITATION

#### Procurement of Cold Chain Equipment for Covid-19 Vaccination

To support and strengthen the health infrasture in UT of Jammu & Kashmir during COVID pandemic, NHPC took intiative to augment the Govt. initiative in vaccination programme. NHPC has procured 176 no. Cold Chain Equipment such as Walk-In Freezer-01 no., Ice Lined Refrigerator-112 no., Deep Freezer- 64 no. for an amount of Rs. 1.60 cr. These medical equipment were handed over to the Department of Family Welfare, MCH & Immunization, Govt. of J&K (UT) in phased manner in the March-21 & April-21.

NHPC Regional Office, Jammu spent Rs. 160.10 lakh to purchase Walk in Freezer (01 nos.), ILR (Small -83 nos., Large - 29 nos.), Deep Freezer (Small - 62 nos., Large - 01 nos.) under Corporate Social Responsibility.

Handing over of Cold Chain Equipment by RO-Jammu to Govt. of J&K (UT) for Covid-19 Vaccination Program.

### 2. SALAL POWER STATION

#### EDUCATION AND SKILL DEVELOPMENT:

- चार स्कूलों का जीर्णोद्धार और अन्य आधारभूत निर्माण कार्यों का निष्पादन:

स्थानीय प्रशासन एवं शिक्षा विभाग के अनुरोध पर सलाल पावर स्टेशन द्वारा वित्त वर्ष 2020-21 में सीएसआर एवं एसडी योजना के तहत अपने परियोजना क्षेत्र में आने वाले सरकारी विद्यालयों में रु 36.41 लाख की लागत से जीर्णोद्धार

और अन्य आधारभूत निर्माण कार्य जैसे कि प्ले/एसेम्बली ग्राउण्ड, बाउन्ड्री, वाल, रसोई घर, क्लास रूम, सीढ़ियाँ और टॉयलेट आदि का निर्माण तथा कुछ मरम्मत कार्य करवाये गए। सलाल पावर स्टेशन की इस सीएसआर गतिविधि से लाभान्वित होने वाले सरकारी विद्यालयों में गवर्नमेंट मिडिल स्कूल, बक्कल, गवर्नमेंट हाई स्कूल, खैरल, गवर्नमेंट हाई स्कूल, कुंडरा और गवर्नमेंट प्राईमरी स्कूल त्रिथा शामिल हैं। इस गतिविधि से प्रतिवर्ष लगभग कुल 500 से ज्यादा विद्यार्थियों को लाभ मिल रहा है।

## RURAL DEVELOPMENT

- बिड्डा गांव में आरसीसी पानी की टंकी का निर्माण

परियोजना परिक्षेत्र के बिड्डा गांव को स्थानीय पंचायत और निवासियों द्वारा "आदर्श ग्राम" बनाने की गुजारिश की गई थी, जिसके फलस्वरूप सलाल पावर स्टेशन ने इस गाँव को गोद लिया है। सलाल पावर स्टेशन द्वारा गाँव को सुचारु जल आपूर्ति के लिए रु. 10.97 लाख की लागत से 1.25 लाख लीटर की क्षमता वाली आरसीसी पानी का टैंक बनवाया। इससे पहले इस क्षेत्र में मात्र 25000 लीटर की क्षमता वाली टैंक से जल-आपूर्ति किया जाता था, जोकि वहां के स्थानीय जन के लिए अपर्याप्त था। इस पानी के टैंक बनाने से लगभग 1250 लोगों को लाभ मिल रहा है।

बिड्डा गांव में 1.25 लाख लीटर की क्षमता के आरसीसी वाटर टैंक का निर्माण

## 6. CHUTAK POWER STATION

### DISASTER MANAGEMENT:

- **Distribution of COVID related items**

The people residing near Chutak power Station have limited access to health amenities and medical care owing to remoteness of the place. Therefore, in order to equip the District Administration to fight with COVID pandemic, power station has provided COVID related items such as Mask, Sanitizer, Gloves, Shoe cover, Disposable Gown, Sanitizer Machine etc. amounting to rupees 97,000/- to the District Medical Authorities.

Distribution of COVID related items

## HEALTH & SANITATION

- **Door-to-door drinking water supply through water tanker**

Geographically Kargil district has a very challenging terrain where availability of drinking water for the locals is a big issue. In order to meet out the drinking water requirement, local residents are solely dependant on surface water sources and springs. During FY 2020-21, Chutak Power Station undertook the scheme of providing door-to-door drinking water supply through water tanker for the local residents residing in the surrounding villages and approximately, 5 to 6 villages are directly benefitted from this initiative.

Door-to-door drinking water supply through water tanker

## 7. NIMOO-BAZGO POWER STATION

### HEALTH AND SANITATION:

- **Medical Expenditure through NHPC Hospital and Dispensary for local residents:**

The Power Station carries out numerous CSR activities in various sectors for the people residing nearby or at remote places with health as a major area of concern. During the COVID-19 outbreak wherein, an emergency situation arrived to contain this virus, Power Station's dispensary distributed COVID medicines to contain the pandemic and sustain the health standards of villages in the vicinity of the project including labourers and security personnel.

Distribution of COVID medicines

**DISASTER MANAGEMENT:**

Sanitization of Building is under progress

**8. SEWA-II POWER STATION****RURAL DEVELOPMENT**

- **Construction of Rain shelters cum Passenger Shed**

Power Station has constructed two Rain shelters cum Passenger Sheds at village Chandiya located in Tehsil Bani and Saroga ward located in Tehsil-Basohli, Distt- Kathua. Nearly 550 villagers benefitted from this facility.

Handing over of Rain shelter cum passenger shed

Rain shelter/ Passenger Shed at Saroga

- **Construction of a new community centre complex**

In the absence of any facility/place for performing the marriage ceremonies and other social functions, Power Station took the initiative to construct a community centre complex with toilet facilities at Khaddi village. Local people have appreciated such support of Sewa-II Power Station for fulfilling their demand.

Construction of Community Hall at Khaddi

Construction of Toilet at Khaddi

### Disaster Management

- **Distribution of Hand Sanitizers and Masks**

Power Station distributed Hand Sanitizers and Masks to local people of Hutt and Draman Villages/ Panchayat to fight against Covid-19 Pandemic. The efforts of Power Station to contain the pandemic have been appreciated by the village level committee & local administration. More than 700 local people have been benefitted from this activity.

Handing over of COVID kit to Sarpanch, Hutt Village

Handing over of COVID kit to Sarpanch, Draman Village

### Environment

- **Renovation of Storage Water tank for drinking and household needs**

Cleaning of small water body near Sewa-II Power House and repair of adjoining storage water tank for the drinking and household needs was done under CSR initiative for the villagers of Mashka and more than 150 villagers were benefitted by this activity. Being on the road side, People use this water body. Local villagers & Panchayat appreciated this work of NHPC.

Renovation of Storage Water tank

### • Reconstruction and repair work of Manjiri Park

Reconstruction and repair work of Flood ravaged Manjiri Park at Bani was undertaken by Sewa-II Power Station during the FY 2020-21. This park was developed by the Power Station from time to time for the ecological upliftment as well as Recreational amenities for the People of Bani.

Repair &amp; development of Manjiri Park

## 9. BAIRASIUL POWER STATION

### EDUCATION:

- Providing financial assistance for Adarsh Khel Vidyalaya for improvement of Sports activities in 12 Schools of Distt. Chamba.

Adarsh Khel Vidyalaya Yojna is a scheme for promoting Sportsmanship in aspiring children. District Administration had requested for providing Sports facilities in 12 Schools situated in the vicinity of Bairasiul Power Station, Surangani. Accordingly, various sports items such as Kabaddi Mat, Volleyball, Badminton, Adjustable Bench etc for Boys and Carromboard, Chessboard, skipping ropes for girls were provided to the School. At present total 225 students are estimated to be benefitted. The total expenditure of Rs. 2.43 Lakh has been incurred on the above CSR activity.

Distribution of Sports item under Adarsh Khel Vidyalaya yojna

## HEALTH & SANITATION

### • Providing Medical facilities through NHPC Hospital/Dispensaries to local residents

Due to non-availability of proper medical facility in the vicinity of Power Station, local residents and villagers of surrounding area regularly visit Bairasiul Project Hospital for getting medical treatment & check ups. Patients with critical cases are also attended and given indoor treatment in the hospital ward. During FY 2020-21, approximately 3620 people got benefitted from these facilities and an expenditure of Rs. 39.86 lakhs was made under this activity.

Health check-ups & medical treatment of local residents

## SWACHH VIDYALAYA ABHIYAN

### • Construction of toilet at Govt. Primary School Sarowa, Lesui, Teh- Churah, Chamba

Govt. Primary School, Sarowa is located near to dam of the Power Station. The village and school authorities have been requesting for providing toilet facilities for girl students as there was no proper toilet facility for them. Power Station

constructed the toilets in the school under Swachh Vidyalaya Abhiyan and an amount of Rs. 2.86 Lakhs was spent in carrying out the said activity. About 28 students are benefitted through this CSR activity.

Construction of toilet at Govt. Primary School, Sarowa

## RURAL DEVELOPMENT

### • Renovation of class room at Govt. Primary School Bhandar

The existing class rooms of Govt. Primary School Bhandar were in dilapidated state and it was dangerous for the students as well as teachers. Owing to its poor condition, Power Station has received a request for its renovation. Accordingly, the class rooms were got renovated by Power Station and handed over to the school in good condition. The School Management Committee was very much obliged and thanked for the help extended by Power Station under their CSR initiative. The activity is benefitting to approximately 58 students. An expenditure of Rs. 2.66 Lakh was incurred on said CSR Work.

Renovation of class room at Govt. Primary School Bhandar

#### • Re-Construction of Surangani Bus Stand

Surangani bus stand was very old & in dilapidated condition, which was unsafe & dangerous for the commuters. A population of about 1500 persons frequently use this bus stand to commute anywhere. Surangani experiences inclement weather and most of the time, rain occurs which causes trouble to the local villagers who wait for Bus and other vehicles at Surangani. The Panchayat Pradhan of Byana and other villagers requested the Power Station to re-construct the Bus stand so that it may serve the cause of the local people. Power Station at the request of Panchayat & villagers, reconstructed the bus stand at an expenditure of Rs. 9.06 Lakhs

Reconstructed Bus Stand at Surangani

#### Disaster Management

##### • Emergent activities for COVID-19 and others

After the onset of COVID-19, there has been widespread panic and a sense of insecurity among the local population. Power station has distributed face masks, sanitizers, Dettol soap, cleaning materials, hand wash etc among the villagers and it helped them in taking precautions to fight against COVID. Approximately 1030 villagers got benefitted. Apart from that a quarantine centre was also established in the Power Station as per the direction of the District Administration and many patients were treated in this centre. During quarantine period, patients were also provided food and other facilities free of cost. An expenditure of Rs. 1.00 Lakh was made against this activity.

Distribution of COVID protection medical items

## 12. CHAMERA-III POWER STATION

### EDUCATION

- Renovation of Kitchen and Dining hall at State Tribal Girls Hostel, Bharmour:

Chamera-III Power Station took up various development activities for Government Schools / Hostels in the vicinity of Power Station to improve

their infrastructure facilities. The State Tribal Girls Hostel located at Bharmour near Chourasi Mandir comprises of rooms, store and basement dining hall & Kitchen where due to lack of natural light, flow and seepage the walls became shabby and floor got damaged. The condition of said area was highly unhygienic and unhealthy and indirectly affecting the health of people residing / working there.

Therefore, a proposal was received from Addl. District Magistrate, Bharmour requesting to Power Station for renovation of Kitchen and dining hall at State Tribal Girls Hostel, Bharmour.

To make the area of girls' hostel livable & hygienic the renovation works of Kitchen & dining hall at hostel had been taken up by the Power Station under the CSR initiative. The renovation work including tiling and painting work and modification of Kitchen area etc. was carried out at an expenditure of Rs. 5.0 Lakhs.

### 15. धौलीगंगा पावर स्टेशन

#### EDUCATION

- बाँध के निकट राजकीय इंटर कॉलेज में ओडिटोरियम का निर्माण :

धौलीगंगा पावर स्टेशन के बांध स्थल, छिरकीला के समीपवर्ती ग्राम खेला में प्रदेश सरकार द्वारा एक इंटर कॉलेज स्थापित है। पावर स्टेशन के सम्पूर्ण जलग्रह (catchment) क्षेत्र व दारमा घाटी में स्थापित यह एक मात्र इंटर कॉलेज है। वर्तमान में इस कॉलेज में पूरी घाटी के दुर्गम क्षेत्र में स्थित गाँवों के निर्धन/ मध्यमवर्गीय परिवारों के कुल 154 छात्र/ छात्राएं अध्ययनरत हैं। विगत वर्ष 2013 में उत्तराखंड में आई प्राकृतिक आपदा में इस कॉलेज की तीन इमारतें क्षतिग्रस्त हो गई थी। कक्षाओं के लिए कमरों की कमी होने से पठन-पाठन के कार्य में असुविधा

होने लगी जिससे इन ग्रामों से पलायन कर लोग आस-पास के कस्बों में जाने को बाध्य हो गए। आपदाग्रस्त इस कॉलेज में स्थान की भी कमी होने के कारण कॉलेज प्रशासन द्वारा एनएचपीसी से एक ओडिटोरियम निर्माण का अनुरोध किया गया ताकि बच्चों को सामूहिक रूप से भी पढ़ाया जा सके। कार्य के महत्व व आवश्यकता को देखते हुए एनएचपीसी द्वारा ओडिटोरियम निर्माण का कार्य किया जा रहा है। इस कार्य से जहां इस वर्ष के 154 बच्चों को लाभ होगा वहीं कार्य के जीवन पर्यन्त तक 7700 से अधिक बच्चे लाभान्वित होंगे साथ ही ग्रामों से पलायन भी रुक जाएगा। यह कार्य संबंधित क्षेत्र के सामाजिक एवं आर्थिक विकास में भी लाभकारी सिद्ध होगा। अभी तक इस कार्य में कुल 6.09 लाख रुपये की लागत आई है। कार्य अभी प्रगतिशील है और वित्त वर्ष 2020-21 में पूर्ण न होने के कारण, इसे वर्ष 2021-22 में पूरा किया जाना सुनिश्चित किया गया है। इस कार्य के लाभार्थियों का विवरण निम्न सारणी में दर्शाया गया है:-

### HEALTH AND SANITATION

### • धौलीगंगा पावर स्टेशन द्वारा भारत-तिब्बत-चीन सीमांत क्षेत्र के गांवों में चिकित्सा शिविरों का आयोजन-

तहसील धारचूला के सीमांत क्षेत्र व्यास घाटी के अत्यंत दुर्गम एवं सुदूरवर्ती ग्रामों के ग्रामीणों की स्वास्थ्य संबंधी समस्याओं को देखते हुए धौलीगंगा पावर स्टेशन की टीम द्वारा व्यास घाटी के सीमांत ग्रामों नाबी, रोंगकोंग, गब्यांग एवं कुट्टी आदि के निवासियों के स्वास्थ्य लाभ हेतु चिकित्सा शिविरों का आयोजन किया गया। ये गांव भारत-तिब्बत/चीन सीमा पर व्यास घाटी में बसे भारतवर्ष के सबसे अंतिम गांव हैं और इसके आगे कोई आबादी नहीं है एवं इन गांवों के आस-पास कोई भी चिकित्सालय या औषधि केंद्र नहीं है। कैलाश-मानसरोवर यात्रा मार्ग पर व्यास घाटी में स्थित इस अत्यंत दुर्गम एवं सीमांत क्षेत्र में निशुल्क चिकित्सा शिविरों का आयोजन किया जाना स्वयं में एक महत्वपूर्ण उपलब्धि है एवं अपने सामाजिक दायित्वों के निर्वहन के प्रति एनएचपीसी लिमिटेड की प्रतिबद्धता को दर्शाता है।

कोविड-19 के कारण उत्पन्न विषम परिस्थितियों को देखते हुए धारचूला तहसील के सुदूरवर्ती ग्रामों के ग्रामीण अपने स्वास्थ्य संबंधी समस्याओं के लिए धारचूला स्थित राजकीय चिकित्सालय तक नहीं पहुंच पा रहे हैं क्योंकि इन सुदूर ग्रामों के दुर्गम मार्गों पर वाहनों का आवागमन बर्फबारी, खराब मौसम तथा

सड़कों की स्थिति ठीक नहीं होने के कारण अधिकांशतः बंद ही रहता है। इन क्षेत्रों में नेटवर्क/टेलीफोन की कोई सुविधा नहीं है एवं इन क्षेत्रों के ग्रामीण अभी भी मूलभूत आवश्यकताओं की कमी से जूझ रहे हैं।

धौलीगंगा पावर स्टेशन के चिकित्सकों द्वारा दिनांक 07 सितंबर, 2020 को भारत-तिब्बत-चीन सीमा पर भारतवर्ष के अंतिम गांव "कुट्टी" में 128 ग्रामीणों को चिकित्सा जाँच कर दवाईयाँ वितरित की गई। कुट्टी गांव से 16 किमी आगे आदि कैलाश के पास आईटीबीपी कैंप, जोंगलिंगकोंग तक के ग्रामीणों को एनएचपीसी चिकित्सकों द्वारा दवाईयाँ वितरित की गई। दिनांक 08 सितंबर को "नाबी" गांव में 70 ग्रामीणों को तथा "रोंगकोंग" गांव में 106 ग्रामीणों को चिकित्सा जाँच के उपरांत दवाईयाँ वितरित की गई। दिनांक 09 सितंबर को "गब्यांग" गांव में 74 ग्रामीणों को चिकित्सीय परीक्षण के उपरांत निशुल्क दवाईयाँ वितरित की गई। एनएचपीसी के चिकित्सकों द्वारा वृद्ध एवं चलने-फिरने में अक्षम लोगों के घरों में जाकर भी चिकित्सा जाँच कर दवाईयाँ वितरित की गई। पावर स्टेशन के चिकित्सकों द्वारा "बोंगलिंग" में 170 तथा "सेला गांव" में 65 ग्रामीणों को चिकित्सीय जाँच के उपरांत निशुल्क दवाईयाँ वितरित की गई। उपरोक्त कार्य के क्रियान्वयन में रु. 3.47 लाख का खर्च वहन किया गया।

इस कार्य से लाभान्वित हुए व्यक्तियों का विवरण निम्न सारणी में दर्शाया गया है:-

#### HEALTH AND SANITATION:

- **Providing Medical equipment to the District Hospital, West Sikkim towards Hospital up-gradation: -**

Power Station with a view to create a better infrastructural facilities in West Sikkim district (An Aspirational district) in the field of Health sector, signed an MoU with District Collector, & CMO, District Hospital, West Sikkim for providing state of the art medical equipment like ventilator (Adult & Paediatric) and Infusion Pump with an estimated cost of Rs. 6.50 lacs. The handing over event was organized with the District Administration in the presence of the Hon'ble Chief Minister of Sikkim.

(Handing over of the medical equipments to the District Hospital, West Sikkim in the presence of the Hon'ble Chief Minister of Sikkim).

- **Medical expenditure through NHPC Hospital / Dispensaries for local residents**

The project dispensary of Power Station is a real boon for the locals residing in nearby locality/villages. Earlier due to hilly terrain and remoteness of the place, timely availability of proper medical health care to patients in time was difficult but now it is easily available with a team of good project doctors. Local residents are largely benefitted from the project dispensary as free treatment, medical check ups and free medicine distribution are carried routinely. During COVID pandemic, project dispensary has played a critical role in providing medical assistance to locals.

लंकू गाँव में खाद्य सामग्री और पीपीई किट का वितर

प्रभात खबर 3/10

## कोरोना से जंग: एनएचपीसी ने लंकू गांव व आसपास के इलाके में बांटी खाद्य सामग्री

प्रतिनिधि > शिलीगुड़ी

कोरोना वायरस के कारण उत्पन्न परीस्थितियों को ध्यान में रखते हुए विगत एक सप्ताह से सीएसआर-एनपीसी एनपीसी के अंतर्गत एनएचपीसी की सीस्टा ली डैम-IV पावर स्टेशन, नवलीझोड़ा द्वारा प्रभावित लोगों तक खाद्य सामग्री व हैंड वाश व सैनिटाइजर वितरित किया जा रहा है।

इसी क्रम में बुधवार को लंकू तथा आसपास के गांव में रह रहे जलजलधियों की आवश्यकतानुसार पीपीई और खाद्य सामग्री का वितरण किया गया। सीस्टा ली डैम-IV पावर स्टेशन के महाप्रबंधक (प्रभारी) सुधीर कुमार यादव स्वयं अपनी निगरानी में राहत सामग्री का वितरण करा रहे हैं। उनकी अध्यक्षता में एक अधिकारी अधिकारियों द्वारा राहत कार्य में भागग्राहक ली, एनएचपीसी के अधिकारियों और कार्यवाहियों का प्रयास है कि जो दिखे लोगों को जलजल मिल सके, जो किसी कारणवश अपने घरों तक नहीं पहुंच सके और जिन्हें खाद्य सामग्री की निमित्त आवश्यकता है, गांव में रह रहे किसान और मजदूर जिन्हें वर्तमान परीस्थितियों की वजह से खाद्य सामग्री की आपूर्ति नहीं हो पा रही है, उनकी सहायता सामग्री के साथ मिल कर किया जा रहा है तथा तत्काल से उन्हें राहत सामग्री भूतिया कराई जा रही है।

कोरोना संक्रमण को रोकने के लिए जलजलता अभियान भी साथ-साथ चलाया जा रहा है। इसके तहत लोगों में सैनिटाइजेशन से संबंधित सामग्री जैसे सैनिटाइजर और हैंड सैनिटाइजर का वितरण भी किया जा रहा है। इस अवसर पर सीस्टा ली डैम-IV पावर स्टेशन के महाप्रबंधक पी.के. राय ने लोगों में स्वयं सामग्री वितरण करते हुए उनसे अपील की कि जो कोरोना वायरस से बचने के लिए सरकार द्वारा जारी निर्देशों का पालन करें, स्वयं अनुशासित होकर अपने घरों में रहें और स्वच्छता का विशेष तौर पर ध्यान रखें। इस मौके पर उनके साथ उप-महाप्रबंधक (मानव संसाधन) पी.के.लाकरा एवं अन्य अधिकारी और कार्यवाह भीजुत थे। स्वस्थता लोगों ने एनएचपीसी के इस पहल को प्रशंसित की एवं पावर स्टेशन व आसपास के गांवों में इस तरह के अभियान की एक अपेक्षित कदम बताया।

लंकू गांव में खाद्य सामग्री व हैंड सैनिटाइजर बांटते एनएचपीसी की सीस्टा ली डैम-IV पावर स्टेशन के अधिकारी।

## 22. LOKTAK POWER STATION

### RURAL DEVELOPMENT

- IMPROVEMENT IN SOLID WASTE MANAGEMENT SYSTEM UNDER SWACHH BHARAT ABHIYAN IN NINGTHOUKHONG**

Power Station under their CSR initiative undertook the improvement work in solid waste management system set up at Ningthoukhong, Bishnupur District. At this facility, solid waste from Ningthoukhong and nearby areas will be segregated, processed and then disposed properly. The operation and maintenance will be done by Ningthoukhong Municipal Council. Power Station has spent Rs. 10.66 Lakhs for this work and about 13000 persons of the surrounding area shall be benefitted from this.

Improvement work in solid waste management system in Ningthoukhong

Distribution of COVID related essential medical items to Police Force

## DISASTER MANAGEMENT

### • Emergent activities for COVID-19 & Other

To contain the COVID pandemic essential items such as face mask, hand sanitizer, liquid hand wash and soaps were distributed among the local population & Police force in the nearby areas of Loktak Power Station.

Distribution of COVID related essential medical items to locals

## HEALTH & SANITATION

### • Medical expenditure through NHPC Hospital/Dispensary for local residents

Loktak Power Station under this CSR initiative to provide medical facilities to locals of surrounding areas keeps on arranging free health check camps, medicine distribution camps and other activities at their dispensary. During the FY 2020-21, an expenditure of Rs. 82.43 Lakhs was made on outside patients and about 1795 took the benefit of the facility.

## EDUCATION

### • Expenditure on Kandriya Vidyalaya/other schools for local residents

To provide quality education in the area and upgrade education level, Power Station makes substantial expenditure on the school located in its campus. Due to the absence of good school in the nearby vicinity, large no. of local students are enrolled in this school. During the FY 2020-21, an expenditure of Rs. 2.77 crore were made and about 434 local children are directly benefitted.

## 23. SUBANSIRI LOWER HE PROJECT

Subansiri Lower HE Project has been carrying out lot of CSR activities for the welfare of the society at large in the field of rural development, health care, education, swachh vidyalay abhiyan etc. These activities have been taken up near to as well as far flung areas of the project locations. Following are

the activities carried out by the Project during FY 2020-21 under various sectors:

## EDUCATION

To mitigate the COVID pandemic, hand Sanitizer (100 litre), mask (6000 nos), surgeon cap (10000 nos), pulse oximeter (5 nos), infrared thermometer (5 nos), hand gloves (3500 nos.) were handed over to the Government

Headquarters hospital, Periyakulam, Distt. Theni, Tamilnadu by the project management officials. Dr. K.S. Kumar, Superintendent (in charge), along with other officers of the hospital praised NHPCL Ltd for this initiative and requested to undertake more CSR initiatives in future which will prove to be beneficial to the public.

Handing over medical aid to Govt. Hospital, Periyakulam, Theni, Tamilnadu.

## 28. CSR ACTIVITIES CARRIED OUT BY CORPORATE OFFICE:

Apart from various units/Power Stations/Projects, Corporate Office of NHPC also carries out lots of development activities under CSR & SD initiatives across different locations of the country. Following activities were carried out by Corporate Office during FY 2020-21 under various sectors:

### EDUCATION

#### • Construction of Hydro Engineering College, Bandla, Bilaspur (H.P.) –

To keep pace with higher technical education requirement and to fulfil its social obligation for providing better infrastructural facility for the aspiring engineering students, NHPC has joined hands with Technical Education Department of Govt. of Himachal Pradesh for providing financial assistance in setting up state of the art Hydro Engineering College in Bandla, Distt. Bilaspur (H.P). This college is pride of the state being first of its kind. The status of the progress is monitored regularly at the highest level in Govt. of India as well as Govt. of Himachal Pradesh. NHPC being one of the industry partner has provided a total financial support of Rs. 52.50 cr including contribution of Rs. 15.0 cr. in FY 2020-21. Number of students from home state as well as from other states shall be directly benefitted with the establishment of this college.

Academic & Hostel block of Hydro Engineering College

#### • Construction of 06 nos. class rooms at Munderi Govt. Higher Secondary School, Kannur, Kerala under the 'Development, Renovation and Advancement Plan-

A financial support of Rs. 2.10 Crore has been allotted for the 'Development, Renovation and Advancement Plan' to Munderi Government Higher Secondary School, located in Kanhirode village, Munderi Gram Panchayat, under Kannur District. It caters to the educational needs of children from providing class six onwards. NHPC supported the activity for providing free and excellent quality education to the most deserving sections of the society including those who are economically and socially backward. Works undertaken as part of the Munderi higher secondary school Development, Renovation and Academic Advancement plan are:

- i) Classrooms buildings
- ii) Smart learning facility/equipment
- iii) Conveniently designed furniture
- iv) Library building & facilities

- v) Science laboratory building & facilities vi) Building for new administrative block/ staff rooms

During FY 2020-21, six class rooms were constructed in this school with the support of NHPC CSR fund. It is expected that about 1000 students would be directly benefitted through this school. The construction of the project is being executed by the ULCCS (Uralungal Labour Contract Society) on behalf of District Secretary Panchayat, Kannur. Rs. 926 lac utilized during FY - 2021.

Construction of class rooms at Munderi Govt. Higher Secondary School, Kannur, Kerala

- **Providing RO system to National Association for the Blind, Haryana State Branch, Faridabad:-**

During FY 2020-21 an expenditure of Rs. 1,25,000/- Lakh was incurred on installation of 250 LPM capacity of RO water system at National Association for the Blind (NAB), a school engaged in the welfare of the blind with the aim to provide help & support to the visually impaired children. The association also provides the best opportunities to visually impaired children to become responsible and contributing members of the society. This CSR activity has directly benefitted to many children as there was scarcity of drinking water and the details of beneficiaries is as under:

- **CSR support for setting up a Project Management Unit (PMU) for institutionalizing “Shikshit Haryana” Project to improve pass percentage of Govt. schools.**

सीएसआर व एसडी के अंतर्गत “शिक्षित हरियाणा” परियोजना को एनएचपीसी द्वारा रु 12,00,000 की सहायता एवं योगदान को मंजूरी प्रदान की गई। उपरोक्त परियोजना को कार्यान्वयन हेतु एनएचपीसी व जिलाधिकारी, फरीदाबाद के बीच दिनांक 24.08.2020 को एमओयू पर हस्ताक्षर किए गए। परियोजना को स्वीकृत राशि का भुगतान किया जा चुका है।

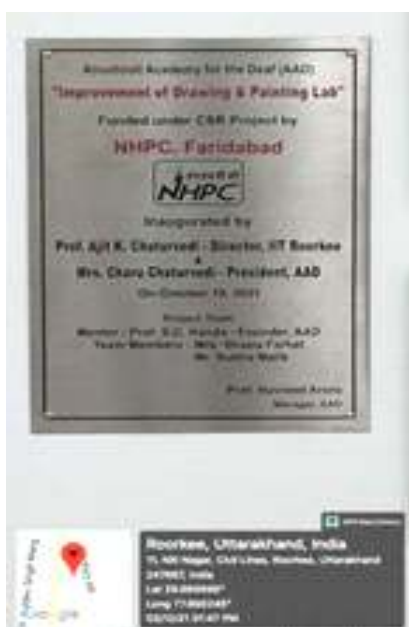

शिक्षित हरियाणा परियोजना को राष्ट्रीय स्तर पर एन.सी.ई. आर.टी द्वारा बेस्ट आई.सी.टी. प्रोग्राम के लिये चुना गया है। इस परियोजना में सरकारी स्कूलों के अध्यापकों ने आई0आई0एम0 अहमदाबाद द्वारा बनाई गई पेडागोजी के तहत वर्ल्ड क्लास एजुकेशनल लैक्चर बनाए व 1 लाख से अधिक बच्चों को कोविड के दौरान शिक्षण देने में सहायता दी जोकि अपने आपमें राष्ट्रीय स्तर की एक बड़ी उपलब्धि है व हरियाणा का एकलौता बेस्ट आई.सी.टी. प्रोग्राम है। इस परियोजना को हरियाणा गुड गर्वनेस अवार्ड, 2020 से सम्मानित भी किया जा चुका है। शिक्षित हरियाणा प्रोजेक्ट से जुड़े सभी एजेंसियों को एक समारोह में हरियाणा के माननीय मुख्यमंत्री श्री मनोहर लाल खट्टर ने इस योगदान के लिए एनएचपीसी को सम्मानित भी किया है।

श्री उदय शंकर साही, कार्यपालक निदेशक, एनएचपीसी सम्मान ग्रहण करते हुए।

- **Financial support to Anushruti Academy for the Deaf (AAD), IIT Roorkee for Improving the Drawing & Painting Lab.**

Anushruti Academy for the Deaf (AAD), a social initiative of IIT Roorkee, is a special school for educating DEAF children of Roorkee and nearby area. Roorkee School for the Deaf now known as Anushruti Academy for the Deaf (AAD), was established on the campus of the then University of Roorkee (now IIT Roorkee) in 1989. This is the only school for the disabled children which exists in the campus of this High-Tech institute. The prime objective of this school is to educate the deaf children so as make them self reliant. NHPC under its CSR initiative has provided a financial assistance of Rs. 5.80 Lakhs to support and improve the drawing and painting lab of the school.

- **CSR support on collaborative mode for Providing Bus service for movement of Disabled students from outer rural areas to Hansraj College, University of Delhi.**

Hansraj College is a constituent college of the University of Delhi. It has made significant and unparalleled contribution to Society in terms of producing numerous dignitaries' scholars, intellectuals and sports persons who served different domains not only in our own country but even at international levels.

To facilitate the transport needs and to provide easy and safe travel to the students with physical disabilities, NHPC under its CSR initiative has provided a support of Rs. 10.0 lac to purchase the bus to Hansraj College on collaborative mode for movement of Disabled students from outer rural areas to College. The students with physical disabilities residing within a radius of 5 to 20 km of Hansraj College are directly benefitted and ease of their mobility has also improved.

During FY 2020-21, under this activity an expenditure of Rs. 9.0 lakhs was incurred to procure the bus.

Providing Bus to Hansraj College, Delhi University

## HEALTH & SENITATION

- Support for “Arranging urgent facilities/ Procurement of equipment's for testing and treatment of COVID 19 cases in Govt. Medical College, Periyaram, Kannur, Kerala”

For the upgradation of health care facility and testing & treatment of COVID-19 cases in Govt. Medical College, Periyaram, Kannur, Kerala, various health care medical equipments such as Emergency Trolley, Air Purifiers, Portable UVC Sterilising Unit, Air Conditioning, Multi Para Monitor, Mobile Static Pressure Reducer, etc. have been provided by NHPC under its CSR initiative. An expenditure of Rs. 9.85 Lakh was incurred in this activity during FY 2020-21.

Emergency trolley

Air Purifiers

Portable UVC Sterilizing Unit

Air Conditioning unit

## WOMEN EMPOWERMENT

- Providing 10 nos. of Industrial Sewing machines to Shirdi Sai Baba Temple Society, Faridabad:**

Shirdi Sai Baba Temple Society is primarily engaged in Socio-economic upliftment of the needy section of the society through its various social welfare activities. To augment their social works for needy people, NHPC has joined hands with the Sai Baba Society and provided a fund of Rs. 2,03,840/- under its CSR support. The funds were provided for the purchase of 10 no. Industrial Sewing machines under Skill Development programme to Shirdi Sai Baba Temple Society, Faridabad. These Industrial Sewing machines have been provided to girls hailing from poorer sections of the community, who often discontinued their studies at the school level. These sewing machines shall boost the vocational training programs of the society that requires little effort and less education.

With the support of these sewing machines, vocational trainings programs like tailoring, industrial sewing, dress designing, beauty culture, hospitality etc. can be imparted so as to make them self-reliant. Thus, empowerment of girls will not only improve their socio-economic wellbeing but of their families too.

Industrial Sewing machines to Shirdi Sai Baba Temple Society, Faridabad
