

CORPORATE SOCIAL RESPONSIBILITY & SUSTAINABILITY

ANNUAL REPORT FOR THE FY 2021-22

MESSAGE

The concept of social responsibility is not new to NHPC. It is interwoven in our culture and business model. We have always acknowledged the huge responsibility that rests upon us to make a difference to the lives of people of this great country. NHPC through its Corporate Social Responsibility programs has endeavored to support the less privileged rural communities, with a focus on sections of the vulnerable and marginalized local communities that live in close proximity to the projects. We take pride in the fact that for the right causes we have not limited ourselves to the minimum expenditure mandated by law; in fact time and again we have gone way above it.

We are committed to put our efforts in areas which make a sustained and meaningful positive difference to the life of people. Accordingly we have stressed on activities related to education, health, sanitation and rural development. NHPC shall continue to actively support activities in these areas in future also. We know that a meaningful and sustained impact shall be possible through long term persuasion of our goals.

I congratulate the CSR&SD Division, Corporate Office for successfully documenting the CSR activities undertaken during FY 2021-22. This report succinctly shows how our emphasis and focus on grass root level implementation is helping people and communities. I am sure that this report will help in communicating the effort, both internally among key stakeholders and externally outside the walls of the corporation. I extend my best wishes to the entire CSR & SD team and am sure that they will continue with the good work.

MESSAGE

NHPC has been continuously working for many years on the philosophy of inclusive & sustainable growth of all stakeholders. We consider ourselves as partners, promoters and facilitators of meaningful changes in the society driven by our CSR initiatives.

NHPC is relentlessly pursuing its activities in the field of Education, Health, Women empowerment, Livelihood generation, Community development works in the rural areas i.e. creation of Community centres, Solar street Lights in villages, fresh Drinking water Management, Dedication towards environment and many more. CSR activities of NHPC have generated goodwill and enhanced corporate image of the organization.

It gives me immense pleasure & satisfaction in highlighting that the beneficiaries of our CSR activities have increased manifolds. Our CSR projects have brought remarkable sustainable changes in the lives of many. Being a responsible corporate entity, this exhibits the greater sense of accountability towards the welfare of the society at large.

The annual CSR report, which underlines the major CSR initiatives undertaken during the year, would definitely be very useful in showcasing the best practices implemented by NHPC in the field of CSR.

I compliment the entire team of CSR &SD Division of Corporate Office/ RO's/Projects/Power Stations for preparing the CSR Report and extend my best wishes for all future endeavours and commend them for their commitment to the cause of CSR.

MESSAGE

NHPC's business philosophy encompasses the philosophy of Corporate Social Responsibility. NHPC is playing a significant role in the area of CSR by addressing the social, economic and environmental concerns of key stakeholders including those directly impacted by its operations & activities in a sustainable manner. NHPC has undertaken a number of CSR initiatives for the community living in and around its Projects/Power Stations/Units.

CSR has now emerged as a strategic tool for the companies to demonstrate their commitment towards achieving larger social objectives and facilitating harmonious relationships with societies in their respective operational areas.

NHPC is performing CSR activities as per the expectations of Government and its stakeholders. It is playing a significant role in pushing flagship programs for the greater good of the needy sections of the society. Many path breaking and innovative projects have been implemented in different sectors during the years.

The dynamic management approach & constant support has encouraged the entire CSR & SD team to put in their dedicated and sincere efforts which has resulted into increased CSR expenditure and number of beneficiaries in different sectors & larger coverage across the country.

I express my gratitude to the members of the CSR Committee for their avid support and guidance in the implementation of CSR & SD initiatives.

I extend my best wishes to entire team of CSR & SD Division of Corporate Office/ROs/Projects/Power Stations for putting their best in compilation of major CSR activities undertaken during FY 2021-22 and publishing it in the form of annual CSR report.

INTRODUCTION

As on date NHPC Limited has become the largest organisation for hydropower development in India, with capabilities to undertake all the activities from conceptualization to commissioning in relation to setting up of hydro projects. NHPC Limited has also diversified in the field of Solar & Wind power.

NHPC Limited presently has an installation base of 7071.2 MW from 24 power stations including two no. projects in JV mode. NHPC including its JVs/ Subsidiaries, is presently engaged in the construction of 11 projects aggregating to a total installed capacity of 7539 MW. In addition, 8 projects aggregating to a total installed capacity of 7652 MW are Under Clearance Stage which includes five projects by NHPC on its own and three projects in JV mode. Further, 5 projects aggregating to a total installed capacity of 2455 MW are in Survey & Investigation Stage which includes three Hydroelectric projects (1130 MW) and two Pumped Storage Projects (1325 MW) being undertaken by NHPC.

Corporate Social Responsibility (CSR) has been an integral part of business philosophy of NHPC. NHPC is conducting its business in a socially responsible way by maintaining high level of organizational integrity and ethical behavior, in conformity with expected standards of transparency in reporting and disclosing the performance in all spheres of its activities, demonstration of concern for social welfare, adoption of best management practices and effective operational methods to win the trust and confidence of all stakeholders. NHPC is playing a significant role in the area of Corporate Social Responsibility (CSR) by addressing the social, economic and environmental concerns of key stakeholders including those directly impacted by its operations & activities.

It is necessary to ensure the participation of all stakeholders in the community (public, civil and private sectors) to bridge the social gaps through services and initiatives. Winston Churchill once said “If the human race wishes to have a prolonged and indefinite period of material prosperity, they have only got to behave in a peaceful and helpful way toward one another”. The aim is to help people live better and enable the less privileged section of the society.

NHPC, known for its technical expertise and one of the biggest Hydro power developer and Hydro Power producer company with its presence in Himalayan region in India and neighbouring countries, supports a comprehensive CSR programme covering a gamut of initiatives including Health support and sanitation programme, Education, Skill Development, Women Empowerment, Environment, Promoting Art and culture, Pure Drinking water Projects in Rural Areas and Asset creation for the communities under Community development Programme around the corporation establishments and few other places all across the country. NHPC is working with an inspiring model of community well-being and national identity. NHPC is conducting its business in a socially responsible way to win the trust and confidence of all stakeholders.

NHPC is playing a significant role in the area of CSR by addressing the social, economic and environmental concerns of key stakeholders including those directly impacted by its operations and activities.

2. DULHASTI POWER STATION:

I) Initiatives during COVID-19 & Health Camps

Going beyond the business boundaries, the pro-active approach works towards the sustainability of the society in the face of up-gradation in life style. CSR has become an effective tool to work in the line of sustainable development Goals (SDG's) with a strong focus on social performance indicated in the CSR Projects of the Organisation. The SDG's otherwise known as Global Goals, are a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity.

At present CSR is thriving and even customers are interested in companies contribution in society at large. Indian companies are working side by side with Govt. to tackle some serious challenges faced by communities in the country. The aim is to help people live better and enable the less privileged section of the society. Dulhasti Power Station, NHPC supports a comprehensive CSR programme covering a gamut of initiatives including education and health support programmes for the communities around the Corporation's establishments all across the country.

Dulhasti Power Station of NHPC is one of the highest performing Power Station with its significant presence in Jammu & Kashmir and neighbouring states with the latest skill set. Dulhasti Power Station supports a comprehensive CSR programme covering a gamut of initiatives including health support programme for the communities around the establishment. Dulhasti Power Station is working with an inspiring model of community well-being and national identity.

Dulhasti Power Station has been acting as an agency providing a robust platform to the civil society organisations joining hands for strengthening responsible business practices.

Doctors and medical staff across Dulhasti Power Station sensitized employees and local residents about COVID-19. Posters / pamphlets sourced from Ministry of Health, WHO etc were displayed and webcast on COVID-19 was also organized. Dulhasti Power Station has prepared its plan work with local communities and government to provide suitable sanitizing facilities. Hand sanitizers, masks, gloves and other PPEs have been provided. Office buildings, Markets, installations across power stations, hospitals, community halls and other public areas are being sanitized regularly.

In addition, villages, areas in the vicinity of Power Station have also been sanitized and medical camps were organized with the consent of district administration. In this effort about ten thousand litres of disinfectant and medicines have been distributed. There has been a constant effort to spread awareness regarding inculcating a habit of hygiene and sanitation. The No. of beneficiaries in Medical camps are 327 and the total no. of beneficiaries in Power station Hospital are 4542.

II) Donating Ambulance to Sewa Bharti, Jammu:

The entire health infrastructure in the country is under tremendous pressure & facing huge scarcity of medical infrastructure in wake of sudden spike in COVID patients during the 2nd wave. Therefore, during this pandemic time, it becomes imperative upon NHPC to strengthen the medical infrastructure of the agencies under its CSR initiatives to the extent possible for the wellbeing of the society.

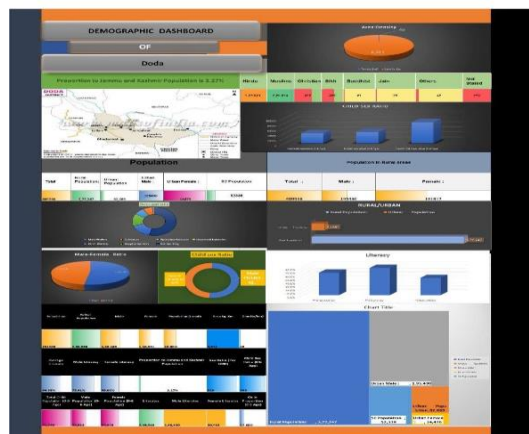

Dulhasti Power Station, NHPC has donated a fully-equipped ambulance to Sewa Bharti (A NGO prominently engaged in the service of Community) at a cost of Rs. 25 Lakh as part of its CSR activities. The ambulance is equipped with advanced life support system and other equipment including a multi-channel monitor, defibrillator, ventilator, oxygen cylinder, humidifier amongst others to support the transportation of patients from far flung areas of Kishtwar, Doda and Udhampur districts in case of an emergency.

A flag off event of the vehicle took place in the presence of Shri Jitendra Singh, Hon. Minister of State, PMO, Govt. of India & M.P.(Lok Sabha) from Udhampur (J& K) and Shri Abhay Kumar Singh, CMD, NHPC on 28.08.2021.

III) “Arogya” Health Care Programme in Doda District

Doda district is full of hilly areas and it is very difficult to transport the critical patients to Jammu. Out of the total Doda population for 2011 census, 7.97 percent lives in urban regions of district. In total 32, 689 people live in urban areas of which males are 18, 211 and females are 14,478.

NHPC CSR activities are focused on three main areas – education, environment and healthcare. Furthering its commitment to improve the well being of the communities in which it operates, NHPC announced the mobile health care programme for Common man in Doda District through its “Arogya” initiative.

Arogya, a project powered by NHPC Ltd., has been providing quick diagnostic tests with quality results free of cost. Using Arogya, over 1962 diagnostic tests have been conducted with over 3,712 beneficiaries (Male patients-1710 & Female patients-2002).

IV) “ Education” initiative through Kendriya Vidyalaya, Kishtwar

As part of NHPC’s Corporate Social Responsibility exercise, Dulhasti Power Station is running school i.e. Kendriya Vidyalaya, Kishtwar within the campus area of Power Station. The school was set up principally for providing education to the children of its staff members. At present, this School confer exclusive expectations of instruction.

Over 938 students attend the School. Instructors at the school are qualified and experienced. Their training strategies are always assessed and changed when necessary.

Supporting the school education today will nurture citizens of tomorrow. It is felt that building a good base for holistic learning will contribute to a developed society. NHPC contributed on education for outsider students through Kendriya Vidyalaya, Kishtwar for the benefit of 862 no of students out of which 482 no. of male and 380 no. of female students. It includes 113 no. of SC, 35 no. of ST, 34 no. of OBC & 680 no of General category students.

V) Swachchh Vidyalaya Abhiyaan

Keeping its commitment towards “Swachchh Vidyalaya Abhiyaan”, Dulhasti Power Station launched an ambitious programme to improve and repair 68 toilets in 34 Schools in Kishtwar Districts and facilitated with water supply and water tanks. The initiative aims to support, complement and significantly contribute to Government of India’s initiative “Swachchh Vidyalaya Abhiyaan” aiming to make India Open Defecation free which is being implemented across the country as a national people’s movement. The key component of the programme is to drive behaviour change communication towards hygiene and sanitation.

VI) Other ongoing long term CSR Programmes

Dulhasti Power Station, NHPC Ltd. is engaged with a number of such projects which focus on building visible assets/ infrastructure with little allocation for community awareness, capacity building of communities, and creation of institutions for maintaining these infrastructures. In order to make the projects sustainable, it is important to integrate community and Panchayat engagement and converge different government departments right from beginning. Sustainability is not a one time exercise rather it is a dynamic and continuous process which needs to be carried out for certain period of time in Power station area. It includes the vision of development of community in the village.

धौलीगंगा पावर स्टेशन के बांध स्थल, छिरकीला के समीपवर्ती ग्राम खेत में राज्य सरकार द्वारा एक इंटर कॉलेज स्थापित है। पावर स्टेशन के सम्पूर्ण जलग्रह (catchment) क्षेत्र व दारमा घाटी में स्थापित यह एक मात्र इंटर कॉलेज है। वर्तमान में इस कॉलेज में पूरी घाटी के दुर्गम क्षेत्र में स्थित गाँवों के निर्धन/ मध्यमवर्गीय परिवारों के कुल 154 छात्र/ छात्राएं अध्ययनरत हैं। वर्ष 2013 में उत्तराखंड में आई प्राकृतिक आपदा में इस कॉलेज की तीन इमारतें क्षतिग्रस्त हो गई थीं। कक्षाओं के लिए कमरों की कमी होने से पठन-पाठन के कार्य में असुविधा होने लगी जिससे इन ग्रामों से पलायन कर लोग आस-पास के कस्बों में जाने को बाध्य हो गए। आपदाग्रस्त इस कॉलेज में स्थान की कमी होने के कारण कॉलेज प्रशासन द्वारा एनएचपीसी से एक ऑडिटोरियम निर्माण का अनुरोध किया गया ताकि बच्चों को सामूहिक रूप से भी पढ़ाया जा सके। कार्य के महत्व व आवश्यकता को देखते हुए एनएचपीसी द्वारा ऑडिटोरियम निर्माण का कार्य किया जा रहा है। इस कार्य से जहां इस वर्ष के 154 बच्चों को लाभ होगा वहीं कार्य के जीवन पर्यंत तक 7700 से अधिक बच्चे लाभान्वित होंगे साथ ही ग्रामों से पलायन भी रुक जाएगा। इस कार्य में कुल 9.59 लाख रुपये की लागत आई है। यह गतिविधि वर्ष 2019-20 में स्वीकृत की गई थी, जिसे वर्ष 2020-21 तक पूर्ण किया जाना था किंतु कोविड-19 की परिस्थितियों के कारण यह गतिविधि वर्ष 2021-22 में पूर्ण हुई। इस गतिविधि को पूरा करने के लिए वर्ष 2021-22 में रुपये 6.09 लाख का बजट प्रावधान रखा गया था जिसके सापेक्ष कुल व्यय रुपये 5.61 लाख हुआ है।

GOVERNMENT OF SIKKIM URBAN DEVELOPMENT DEPARTMENT GANGTOK

No: 323/UDD/Secy.

Dated: 21/03/2022

ADVISORY

The "Sikkim Building Construction Regulations, 1991" regulates all building construction activities within the notified urban areas of the state and based on which Blue Print Plans are approved by the Government. While allowing the constructions; mandatory guidelines / instructions are issued to be followed by the individual/ agency for carrying out such constructions. However, instances have come to the notice of the Department that in several cases, constructions are being carried out duly violating the guidelines and causing damages / obstructions to the public infrastructure, such as roads, drains, footpath, jhoras etc. There is every chance that such actions may lead to disasters in the form of landslide, flash floods, damages to the environment etc. The urban areas with dense habitation and intrusive change of topography are at greater risk of these natural calamities. It is also found that construction materials and household wastes are obstructing the public drains / jhoras, roads and footpath contributing to natural calamities and inconveniencing the public in general.

In view of this, the public in general are hereby advised / reminded to observe the following instructions issued by the Department while carrying out construction works:-
