NHAI to ink MoU with SBI for ₹25k-cr loan

PRESS TRUST OF INDIA
New Delhi, August 2

THE NHAI WILL on Friday ink a pact with State Bank of India for a long-term unsecured loan to the tune of ₹25,000 crore. This is SBI's highest long-term unsecured loan to any entity and also the largest-ever loan sanctioned to the NHAI.

"NHAI is getting an unsecured loan of ₹25,000 crore from SBI for 10 years with three years of moratorium on repayments. This is the largest amount of loan to have been sanctioned to the NHAI in one stroke by any institution," the Ministry of Road Transport and Highways said in a statement.

An MoU in this regard will be signed on Friday in the presence of Union minister Nitin Gadkari.

The NHAI had invited an expression of interest (EOI) from scheduled commercial banks for the long-term loan.

"In response to this EOI, SBI offered to fund the entire requirement of ₹25,000 crore based on one-month MCLR

(marginal cost of funds based lending rate)," the statement said. It said there is no principal repayment liability for initial three years and after that the repayment would be done in 14 equal half-yearly installments.

The total sanctioned amount is to be disbursed to the NHAI within March 31, 2019. It can draw the amount in any number of tranches, the statement said.

The NHAI has traditionally relied on borrowing through long-term bonds issued to various investors, including LIC, EPFO and other qualified investors, and tax-free bonds and masala bond issued in 2017.

Gold demand

FE BUREAU
New Delhi, August 2

GOLD DEMAND IN India, the second-largest consumer, dropped almost 7.6% in the April-June period to 187.2 tonne, causing global demand to fall 4% during the quarter, the World Gold Council (WGC) said on Thursday.

WGC managing director (India) Somasundaram PR told FE that a depreciation of the rupee against the dollar, which drove up domestic prices of the precious metal by 8% in the June quarter despite a 5.5% fall internationally, and slow purchases during the inauspicious 'adik maas' that falls once in three years, dented domestic demand.
