<b>Request Pertains to :</b>	
<p><b>Information Sought</b> Respected Sir,</p> <p>: We refer to Tender/ RFQ No. SPS/SM (E)/CONT (E&amp;M)/17-18/NIT-05/1050-61 dated 08/07/2017 Tender ID: 2017_NHPC_220528_1 floated by NHPC Limited, Salal Power Station, Jyoti Puram, Dist: Reasi, PIN: 182312 Jammu &amp; Kashmir (J&amp;K) towards requirement of Name of Work: Supply, Erection, Testing &amp; Commissioning of 2 Nos. 11KV DG Sets Not less than 1020 KVA Capacity along-with Acoustic Enclosure &amp; Standard accessories.</p> <p>As per Technical Evaluation done on 09/09/2017 and as seen from Portal, one of the 4 Bidder Namely M/s Prasha Technologies Limited bided underpowered/ wrong engine model which generates less than 900 KVA output at site conditions mentioned as against 1020 KVA requirement as mentioned in Name of Work. We observed this on the date of Technical Bid opening and informed concern officers by email dated 01/09/2017 (copy attached) and also upon technical Evaluation done on 09/09/2017. However NHPC Limited ignored this vital input from our end and gone ahead with Price Bid opening on 09/09/2017 considering this said Agency M/s Prasha... as Technical Qualified bidder. However on technical ground this agency must be rejected during technical Evaluation stage it-self.</p> <p>We need concrete documents based on which NHPC Limited taken decision to qualify M/s Prasha.... Copy of all documents/ Emails we submitted to NHPC Limited on various stages as under as attached...</p> <p>(1) After Technical Bid opening vide our Email dated 01/09/2017</p> <p>(2) After Technical Evaluation carried out and declared M/s Prasha as Qualified for Price Bid opening stage. i.e. our Email dated 09/09/2017 wherein we requested NHPC to stop Price Bid opening and review their decision of qualifying M/s Prasha.... We also spoke to Sh. Gurusharan Singh - SM(E)-P&amp;C, NHPC, Salal on his cell no.: 9419169957</p> <p>(3) NHPC Technical evaluation reports as downloaded from their portal.</p> <p>Because of this intentional/ unintentional act by NHPC, Price of all Bidders are now opened and agency which is supposed to be disqualified is now seems lowest bidder (because of wrong model). As per CVC guideline, this tender should be recalled after proper investigation done and this results in loss of Time as well of NHPC as well as all bidders.</p> <p><u>We need following minimum documents:</u></p> <p>✓1) Basis on which M/s Prasha Techno... agency is qualified in-spite of our in-time inputs with supporting proofs stating they quoted underpowered / wrong Engine Model.</p> <p>✓2) What actions NHPC Limited is now taking to this situation. We need all documents towards actions being taken after Price Bid opened on 09/09/2017 till Tender is awarded or recalled including internal documents proving actions taken against all concerns who are part of this wrong decision.</p> <p>Regards, Divyakant Shah</p>

This document is being released  
under the RTI act. Page No. 2

- b) Offline documents, if received by the Employer after the deadline for submission of hard copies, then it will be considered as late bid even if the bidder has uploaded the bid online within the dead line. In such a case, the bid uploaded on the portal shall not be considered and accordingly the bid shall be treated as "Late Bids."

**Late Bids:** On line submission of the bid will not be permitted on the portal after expiry of submission time and the bidder shall not be permitted to submit the same by any other mode. Similarly, hard copies of the off line documents, if received by the Employer after the deadline for submission of Bids prescribed in Bidding Data, then it will be considered as "Late Bid" notwithstanding the fact that the bidder has uploaded the bid online within the stipulated deadline. In such a case, the uploaded online bid on the portal shall be considered as non-responsive and shall not be processed further.

## 2. QUALIFYING CRITERIA FOR BIDDERS:

The bidder shall meet the following qualifying criterion:

- i) The Bidder should be manufacture of the DG Set / system of the required capacity/configuration.

Or

Authorized dealer of a manufacturer of the DG Set /system to quote on behalf of their manufacturer in case manufacturer does not quote directly. In such a case, the authorized dealer shall have to submit relevant 'Authorized Dealership' certificate from the manufacturer. Authorization issued with reference to the specific tender in favour of particular dealer/bidder will not be entertained.

- ii) The bidder/manufacturer should have valid ISO certification.  
iii) In case a dealer is participating in a tender on behalf of one manufacturer, he is not allowed to participate/quote on behalf of another manufacturer, he is not allowed to participate /quote on behalf of another manufacturer in this tender or in a parallel tender for the same. All such bids with same make/manufacture will be rejected.  
iv) Bidder should have supplied at least two similar equipments( i.e., DG Sets) of same capacity or higher in previous seven years.  
v) The equipment supplied should have performed satisfactorily for one year from the date of commissioning.

2. Documents to be submitted by bidders in support of their meeting the specified QR shall be as under:

- i) The bidders should submit authenticated copies of supply orders for the type and model of offered DG Set issued by various clients.  
ii) The bidders should furnish the performance report from the clients, wherever applicable in support of 1 (v) above.

**Note: 1. The bidder should submit the notarized copies of supply orders, performance certificates issued by various clients and ISO certificate in support of their meeting the qualifying criteria.**

**2. The bidders are requested to submit all the above/requisite documents along with their technical bid. Bids shall be evaluated on the available documents submitted by the bidder. Any bid found short of above/requisite documents is summarily liable to be rejected.**

## AUTHORIZATION OF BIDDERS:

- (i) The tenderers other than manufacturers shall clearly state in their offer whether they are authorized dealers or distributors and accordingly they must enclose a certified photocopy of the
