57	GEMC-51168770083 4839 25/06/2021	Urgent Purchase of Counter Raceway for Turbine Shaft Seal of TLD-III PS	Single Tender	M/s Kisan Machine Tools, Haridwar	868480	Natural calamities and emergencies declared by the Government <input type="checkbox"/>	From past experience it has been observed that severe water leakage has been observed from shaft seal arrangement of the units due to failure / damage of Counter raceway which results in forced outage of the Unit. At present 02(two) numbers of healthy Counter raceway spares are available at site. A case file for purchase of 08(eight) numbers of counter raceway was floated on open tender through Custom Catalogue based bid on GeM Portal, but none of the bidders meet the qualifying criteria and hence cancelled. As the monsoon season is on its verge and re-tendering and award will take more time, therefore urgent purchase of 04(four) sets of Counter Raceways have been processed on single tender basis through M/s Kisan Machine Tools for meeting any exigency due to shaft seal failure during this monsoon season and to avoid loss of generation. M/s Kisan Machine Tools, Haridwar had supplied the	Complied <input checked="" type="checkbox"/>	Complied

<b>Power Station :URI-II POWER STATION</b>									
76	NH/URI-II/E&M/2021/211 24/04/2021	Repair of 63 KVA, 11/0.433KV Distribution Transformer installed at Surge Shaft area Uri-II PS	Work Order	M/s Asif Engineering Works	55780	Natural calamities and emergencies declared by the Government <input type="checkbox"/>	One no. 63 KVA 11/0.44 KV Distribution Transformer is installed at Surge shaft area for providing necessary power supply to the motoring load of Surge Shaft Gate operation and illumination/lighting system. Presently for surge shaft gate operation, the necessary auxiliary 3-Ph AC power supply is not available. As, the water conducting system of underground power house is a complex integral part of power house. It is therefore, emergency lowering/ raising operation of surge shaft gate may need at any time. Also considering the standard operational procedures of hydropower stations, necessary/emergent power supply must be in healthy condition round O clock to avoid the catastrophic failure of Generating Units of Power House. Otherwise, it may leads to huge Generation and financial loss. - Justification as provided by the Indenting Division	Complied <input type="checkbox"/>	Complied
