28th February 2023

Dear Colleagues,

I feel ecstatic to share that the investment approval for implementation of India largest hydropower Project i.e. 2880 MW Dibang Multipurpose Project has been accorded by the Government of India. With the approval of this Project, the Govt. of India has entrusted tremendous faith in us and now it is very important that we give our total commitment and dedication right from start to complete this ambitious project in time. In order to commence works immediately at site, LOT-2 package related to infrastructure works have been awarded on the same date of communication of approval by MOP i.e. 27.02.2023.

NHPC continues to be a financially robust company and this has been reflected in our balance sheet. I am delighted to inform that NHPC has registered a Standalone Profit after Tax (PAT) of Rs. 3264 crore for nine-months ended 31st December 2022 which is a 10% increase from Rs. 2978 crore standalone PAT for the same period of last year. Further, NHPC has declared an interim dividend of Rs 1.40 per share for the financial year 2022-23.

I am proud to that NHPC's performance on various fronts has received recognition at many prestigious platforms.

NHPC secured the "Use of Emerging Technologies Data Centre" Award at Governance Now- 9th PSU Awards & Conference at New Delhi on 16.02.2023. The award has been conferred to NHPC in recognition of its efforts towards building a strong Digital India and vibrant Data Center Ecosystem.

You will be also be happy to know that NHPC was conferred 'Second Best Enterprise award' for Mini Ratna Category from Director General, SCOPE at WIPS (Women in Public Sector) 33rd National meet at Kolkata on 10.02.2023. We are indeed very proud of our lady employees some of whom are heading key divisions in our organization.

During my visit to Subansiri HE Project on 06.02.2023, I witnessed the successful lowering of rotor (approx. 674 Tons and 11.45 meters diameter) of Unit#2 of the Subansiri Lower Project along with my fellow Board of Directors. It is indeed heartening to see good progress of works at Subansiri Lower Project. Other major activities such as plugging of Diversion Tunnel -2, erection

works of 420 kV GIS equipment and the final Erection of Main Inlet Valve of Unit#1 have started during the month of February 2023.

It was an excellent experience for me to be a part of 56th Boori-Boot Yullo Festival-2023 celebrations at Dollungmukh, Arunachal Pradesh on 06.02.2023. The festival had provided an ideal opportunity for reaching out and maintaining cordial relations with several key functionaries of the state as well as the local people.

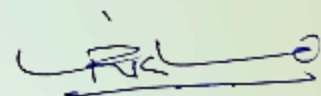

I also had the opportunity to see an Exhibition of Developmental Works of Livelihood Interventions at Dibrugarh (Assam) which showcased the excellent work done by the NHPC in areas Sericulture, Handloom and Piggery in association with its network partners under CSR.

Other highlights of the month are:

- A 'Hindi Kavi Sammelan' under Azadi ka Amrit Mahotsav was organized at Corporate Office on 24th February 2023.
- NHPC's capabilities were showcased at the NHPC pavilion set up during 56th Boori-Boot Yullo Festival-2023 at Dollungmukh, Arunachal Pradesh.
- Shri Y.K. Chaubey, Director (Technical) / Director (Personnel) inaugurated the Induction Training Program 2nd batch for newly inducted Junior Engineers / Sr. Accountants at NPTI, Faridabad on 23.02.2023 and for Trainee Engineers/ Trainee Officers/Sr. Medical Officers at CBIP, Gurugram on 27.02.2023.
- The revenue collection during the month of February 2023 stood at Rs. 364.06 crores and the total cumulative revenue collection up to February 2023 was Rs. 7469.31 crores.
- The total cumulative generation of all NHPC Power Stations stood at 23609.2 MU at the end of February 2023.

I extend my heartiest greetings to you and your family members on the joyous occasion of Holi.

Sincerely Yours,

(R.K. Vishnoi)
