	Status of approval for diversion of forest land for non-forestry use.	 i. MoEF&CC accorded diversion of 89.4266 ha of forest land (67.4295ha surface land and 21.9971ha underground land) on 23.05.2008. After acquisition of LTHPL by NHPC Ltd. w.e.f. 09.10.2019, the Forest Clearance transferred in favour of LTHPL (A wholly owned subsidiary of NHPC Ltd.) vide MoEF&CC's letter dated 12.03.2021. ii. MoEF&CC, Eastern Regional Office, Bhubaneswar vide letter dated 11.09.2007 approved diversion of 0.6935 ha of forest land for link road and bridge at Tarkhola. Transfer of Forest Clearance for 0.6935 ha forest land in favour of LTHPL (A wholly owned subsidiary of NHPC Ltd.) is under consideration of Integrated Regional Office, MoEF&CC, Kolkata. iii. MoEF&CC, RO, Shillong vide letter dated 27.10.2008 approved diversion of 0.096 ha of forest land for laying of water supply pipe line to the colony and other locations of Teesta-VI HE Project. Transfer of Forest Clearance for 0.096 ha Forest Land in favour of LTHPL (A wholly owned subsidiary of NHPC Ltd.) is under consideration of Integrated Regional Office, MoEF&CC, Kolkata.
11.	Status of construction a) Date of commencement (Actual and / or planned) b) Date of completion (actual and / or planned)	 a) March 2007 by Lanco Energy Pvt. Ltd. and date of restart: 08.03.2019 by Lanco Teesta Hydro Power Ltd. (A wholly owned subsidiary of NHPC Ltd.) i.e. date of Investment Approval by Govt. of India. b) Planned: August 2026 (i.e. 60 months from Investment Approval)
12.	planned) Reasons for the delay, if the project is yet to be started	 Investment Approval). Project was started by LTHPL in March 2007. However, the construction of the Project stuck up since 2012 and subsequent to approval of Resolution Plan by Hon'ble National Company Law Tribunal, NHPC Ltd. has acquired the LTHPL w.e.f. 09.10.2019. The pending construction works of Project is being carried out by Lanco Teesta Hydro Power Ltd. (A wholly owned subsidiary of NHPC Ltd.).
13.	Details of site visit a) By Monitoring Committee b) By Regional Office	 A new monitoring committee constituted by Additional Director (IA), MoEF&CC, New Delhi vide letter dated 03.09.2009. Some meetings had been conducted by LTHPL. However, due to stuck up of the project, further meetings could not be conducted. The monitoring committee re-constituted vide MoEF&CC letter no. F.No. J-12011/35/2006-IA.1(R) Pt1 dated 25.05.2022. The re-constituted Multi-Disciplinary Monitoring Committee have visited the Project site on

50.1 6 g 50

		27.02.2023 and first meeting of re-constituted Monitoring Committee has been held at the Forest and Environment Department, Government of Sikkim, Gangtok on 04.03. 2023.
14	Brief Note on the Status of compliance of the conditions stipulated by MOEF&CC.	Enclosed as Annexure-II

#As per Environment Management Plan Report approved by MoEF&CC and subsequent revision by State Government.

^{*}Funds have been deposited by LTHPL with Sikkim CAMPA, Forest & Environment Deptt., Govt. of Sikkim, Directorate of Fisheries, Govt. of Sikkim, respectively.

Brief Note on the Status of compliance of the conditions stipulated by MoEF&CC

S.No.	PART - A: Specific Conditions	Compliance Status
i.	Biodiversity conservation plan as proposed in the EMP should be implemented in toto in the identified locations.	 As per EMP, the allocated amount of Biodiversity Conservation Plan Rs. 169.12 lakh including Rs. 50 lakh for Fish Management Plan was deposited with the nodal agency i.e. Forest & Environment Department, Govt. of Sikkim on 14.11.2009. As per EMP, the allocated amount of Soil Conservation & Forest Protection Plan of Rs. 183.53 lakh was deposited to Forest & Environment Department, Govt. of Sikkim on 14.11.2009. State Forest Department vide letter dated 22.03.2021 has submitted the Utilization Certificate of Rs. 95.34 lakh towards Rs. 119.12 lakh under Biodiversity Conservation Plan till 31.03.2020. A check post at Pamphok village has been installed by the Forest Deptt. to check trespassers. Demarcation and fencing of diverted forest land were done to avoid damage to nearby area not diverted for the purpose. However, the Soil Conservation & Forest Protection Plan has not yet incorporated in APO by State Forest Department.
ii.	For propagation of migratory fishes, a fish farm/hatchery shall be developed as proposed vide letter dated 18th August 2006. As breeding of Mahseer fish is difficult in captivity, procedure to be adopted for propagation of Mahseer in hatchery should be submitted within six months from the date of issue of this letter.	 Consultancy work for fish farm/ hatchery for propagation of migratory fish species was awarded to Directorate of Coldwater Fisheries Research (DCFR, Bhimtal (Formerly National Research Centre on Cold Water Fisheries (NRCCWF). Scientists from DCFR, Bhimtal visited the area and identified the site for development of Fish Farm. Rs. 50 lakh deposited to State Forest Department for Fish Management under Biodiversity Management Plan. Project vide letter dated 11.01.2020 requested the State Forest Department for submission of status of Fish Management Plan. Director (Fisheries), Govt. of Sikkim vide letter dated 10.08.2021 submitted afresh proposal for implementation of fish farm and hatchery and river ranching of indigenous species based on latest Sikkim Schedule of Rates, 2021 with revised budget estimate of about Rs. 170 lakh and raised a demand note for additional fund of about Rs. 120 lakh. For ascertaining the suitability of land for establishment of Fish Farm-cum-hatchery Unit, a joint inspection of officials of LTHPL and Fisheries Department, Govt. of Sikkim was carried out on 08.12.2021. An alternative site at Chittrey, Borong-Phamtam GPU, Near Ravangla, District Namchi for establishment of Fish

Fisheries Department as the land (area 0.1460 ha available at this site belongs to State Fisheries Department. Project vide letter dated 14.12.2021 requested State Fisheries Department for submission of revised proposal along with the revised demand note and mandate form. Additional Director (Fisheries) vide letter dated 20.12.2021 submitted the revised proposal for establishment of Fish Farm-cum-Hatchery Unit a Chittrey village, Namchi District with revised budge estimate of Rs. 1,69,99,987/- and raised Demand Note for additional fund of Rs. 1,19.99,987/- Balance amount of Rs. 120 lakh out of Rs. 170 lakh deposited in the account of Directorate of Fisheries Govt. of Sikkim on 30.03.2022. State Fisheries Department has initiated the process for awarding the work for construction of Fish Farm-cum-Hatchery Unit. Work for construction of Fish Farm-cum-Hatchery Unit has been awarded by State Fisheries Departmen on 25.01.2023 and construction is going on. Amount of Rs. 98.173 lakh towards CAT plan was deposited by LTHPL in Sikkim CAMPA. State Forest Department revised the cost of CAT plan on account of increase in wages rates and submitter revised cost of Rs. 1831.95 lakh vide letter dated 02.06.2012. Thus, difference of Rs. 850.22 lakh in CAMPA. First instalment of Rs. 141.00 lakh paid by LTHPL on 08.08.2012 in favour of PCCF-cum-Secretary, Depth of Forests through letter dated 11.08.2012. Balanc payment of Rs. 709.22 lakh had not been deposited by erstwhile LTHPL due to stuck up of the project work. State Forest Department vide letter dated 22.03.202 submitted the Utilization Certificate of fixen Ill 31.03.2020 Project vide letters dated 09.04.2020 and 11.06.202 requested State Forest Department of Rs. 709.22 lakh. However, APCCF-cum-Nodal Officer (FCA), Forest & Environment Department, Govt. of Sikkim raised the demand of Rs. 12.87,44,747/- on 11.03.2022 for deposition in Sikkim CAMPA as balance cost o revised CAT Plant. Balance revised amount of Rs. 12,87,44,747/- deposited				Farm-cum-Hatchery Unit has been proposed by State
available at this site belongs to State Fisheries Department. Project vide letter dated 14.12.2021 requested State Fisheries Department for submission of revises proposal along with the revised demand note and mandate form. Additional Director (Fisheries) vide letter dated 20.12.2021 submitted the revised proposal for establishment of Fish Farm-cum-Hatchery Unit a Chittrey village, Namchi District with revised budge estimate of Rs. 1,69,99,987/a marked Demand Note for additional fund of Rs. 1,19,99,987/ Balance amount of Rs. 120 lakh out of Rs. 170 lakl deposited in the account of Directorate of Fisheries Govt. of Sikkim on 30.03.2022. State Fisheries Department has initiated the process for awarding the work for construction of Fish Farm-cum-Hatchery Unit. Work for construction of Fish Farm-cum-Hatchery Unit has been awarded by State Fisheries Departmen as has been proposed should be completed in four years. The plan is attached as Annex-III: **The Catchment Area Treatment Plan** a mount of Rs. 981.73 lakh towards CAT plan was deposited by LTHPL in Sikkim CAMPA. State Forest Department revised the cost of CAT plan on account of increase in wages rates and submittee revised cost of Rs. 1831.95 lakh vide letter dated 02.06.2012. Thus, difference of Rs. 850.22 lakh in CAT plan is attached as Annex-III: **The Catchment Area Treatment Plan** a state Forest Department revised the cost of CAT plan on account of increase in wages rates and submittee revised cost of Rs. 1831.95 lakh vide letter dated 02.06.2012. -			Limited) to State CAMPA through NEFT on 26.04.2022.
		5. Exp. 1	• As such, total amount of Rs. 2410.18 lakh deposited towards CAT plan of Teesta-VI out of which utilization of Rs. 1091.27 lakh has been submitted by Govt. of Sikkim.
	iv.	Considering the landslide prone areas, the tunnelling should be done, with great care under close supervision.	For landslide prone area, tunnelling is being carried out with proper controlled blasting or by mechanical means and by providing adequate support system.
	V.	A monitoring committee should be constituted which must include representatives of project affected persons from SC/ST Category and a women beneficiary.	 The monitoring committee constituted by Additional Director (IA), MoEF&CC, New Delhi vide letter dated 03.09.2009. Some meetings had been conducted. However, due to stuck up of the project further monitoring committee meetings could not be conducted. MoEF&CC vide letter dated 25.05.2022 has reconstituted the Multidisciplinary Monitoring Committee. Project vide letter dated 28.09.2022 requested CCF (HQ), Forest & Environment Department, Govt. of Sikkim for taking necessary action for conductance of first meeting of re-constituted Multidisciplinary Monitoring Committee for Teesta-VI HE Project. The re-constituted Multi-Disciplinary Monitoring Committee have visited the Project site on 27.02.2023 and first meeting of re-constituted Monitoring Committee has been held at the Forest and Environment Department, Government of Sikkim, Gangtok on
	vi.	All the assurances/ commitments given by the project authority in the public hearing must be honoured in letter and spirit.	04.03.2023. The same is being complied.
	vii.	Forest Clearance should be obtained for acquiring 67.43 Hectare forest land & submitted.	 Forest Clearance (Stage-II) accorded by MoEF&CC vide letter dated 23.05.2008 for 89.4266 ha forest land (67.4295ha surface land and 21.9971ha underground land). Lanco Teesta Hydro Power Limited (LTHPL) became a wholly owned subsidiary of NHPC Limited w.e.f. 09.10.2019. After that the change of name of User Agency from LTHPL (A wholly owned subsidiary of NHPC Limited) has been accepted by MoEF&CC, New Delhi vide letter dated 12.03.2021.
x.	viii.	During the lean season 10% of available water (82.5 cumecs) should be released downstream of the dam for sustenance of aquatic life.	In view of Hon'ble NGT orders on E-Flow dated 07.09.2020, State Pollution Control Board - Sikkim vide letter dated 01.10.2022 finalized the quantity of 15 % minimum environmental flow (e-flow) of 16.60 cumecs during lean season (December-March) for Teesta-VI HEP. Suitable provision is being kept in the design of barrage so that minimum e-flow of 16.60 cumecs could be released

 $^{1}\times$

103		downstream after commissioning of the project for sustenance of aquatic life.
ix.	Any other clearance from any other organization if required should be obtained.	All required clearances are obtained as per requirement.
	PART - B: General Conditions	
i.	Adequate free fuel arrangement should be made for the labour force engaged in the construction work at project cost so that indiscriminate felling of tress is prevented.	Presently, mess facility is being provided by the Contractor to the engaged manpower.
ii.	Fuel depot may be opened at the site to provide the fuel (kerosene/wood). Medical facilities as well as recreational facilities should also be provided to the labourers.	 Fuel (LPG & Kerosene) is being procured by the Contractors from the local market as and when required. Contractors' camps are being equipped with recreation facilities etc. Medical facilities are provided by the Contractors to the labourers.
iii.	All the labourers to be engaged for construction works should be thoroughly examined by health personnel and adequately treated before issuing them work permit.	 Health screening and check-ups of labourers are carried out before engaging them in works. Medical facility is being provided to the labourers. Free vaccination of the labourers for COVID-19 carried out by LTHPL / Contractors.
iv.	Restoration of construction area including dumping site of excavated materials should be ensured by levelling, filling up of burrow pits, landscaping etc. The area should be properly treated with suitable plantation.	 Environment friendly measures are undertaken for dumping of Muck at designated dump yards. Dumping areas are being provided with adequate retaining structures such as crate walls, RRM walls, etc. as per requirement. After dumping the areas are being levelled. Since the works have commenced recently, the nallahs and river sections as per site requirement are being provided with adequate protection measures such as crate wall and concrete plugs. All precautionary measures are being taken as per the statutory requirements with progress of works.
V.	Financial provision should be made in the total budget of the project for implementation of the above suggested safeguard measures.	 Pursuant to award of works to the contractors, mobilization and initial preparation of works along with execution at certain work fronts have been taken up by the contractors. Brief details are as under: Posters and slogans will be used extensively to spread awareness among the labourers about importance of safety. Safety instructions are given to labourers and staff regularly for each and every activity which includes tunnelling. Regular safety trainings and Tool box meetings are being organized for staffs. Accident investigations and Analysis are immediately communicated to the all concerned to ensure corrective and preventive action (CAPA).

3 8

		• Periodic evaluation of the status of legal requirements is being carried out.
-(3))		 Emergency response plan is being prepared for different emergencies. Training and mock drill will be conducted.
		 Health, Safety & Environmental (HSE) Audit will be conducted on periodic basis.
	sed beingen met tet er sett i	• Standard Operating Procedures (SOPs) for all critical activities are being prepared since the works are in initial stage of execution.
		 Hazard identification and risk assessment of all activities are being done and operational controls shall be designed accordingly.
		 Proper illumination and ventilation system are being installed and the same shall be maintained for tunnelling works.
		 National Safety Day (4th March) is celebrated to raise awareness and motivate workers on safety practice.
		 Safety Officers have been nominated and posted for effective monitoring and implementation of Safety related issues.
		All labourers and staffs are provided with safety kits as per work requirement.
vi.	A Multidisciplinary committee should be constituted with representatives from various disciplines of forestry, ecology, wildlife, soil conversation, NGO etc. to oversee the effective implementation of the suggested	 The monitoring committee constituted by Additional Director (IA), MoEF&CC vide letter dated 03.09.2009.
