Vedanta puts \$2.5-billion steel business sale on hold

BAIJU KALESH & SAIKAT DAS August 8

VEDANTA HAS PUT a plan to sell its steel business on hold after a \$1-billion share sale gave the company more breathing room with its finances, and as environmental and regulatory concerns deter potential bidders,

sources said. Anil Agarwal-controlled Vedanta had been working with advisers on a sale of the business, which includes ironore and manganese mines, to raise about \$2.5 billion to help reduce the group's debt load, the sources said.

Vedanta's billion-dollar fundraising through a share placement last month has eased some of the debt pressure and reduced the need to

Last year, the Organised Crime and Corruption Reporting Project published an investigation that said Vedanta lobbied the government to weaken key environmental regulations during the Covid pandemic.

Vedanta entered the steel business in 2018 when it bought a 90% stake in ESL Steel, which has operations in Bokaro. Its products include pig iron, billets, TMT bars, wire rods and ductile iron pipes, the company's website shows.

Considerations for a sale followed Vedanta's board approving a plan last year to split the conglomerate into six different companies. Vedanta said at the time the demerger should be completed this financial year through March -BLOOMBERG
