NHPC Recognized for Outstanding Contribution to Education with KYAN-based Smart Classrooms under CSR Initiative

NHPC has been honoured for its exemplary contribution to the education sector through the successful implementation of KYAN-based smart classrooms in 50 government schools across Champawat and Pithoragarh districts of Uttarakhand. This significant achievement was recognized at a prestigious award ceremony held at State council of Educational Research and Training Uttarakhand, Dehradun on July 24, 2024.

The Hon'ble Chief Minister of Uttarakhand, Shri Pushkar Singh Dhami, and the Hon'ble Education Minister, Shri. Dhan Singh Rawat, presented this esteemed award to NHPC Limited, acknowledging our efforts in enhancing the educational infrastructure and digital learning capabilities in the region.

This project was implemented by NHPC in collaboration with Social Empowerment & Economic Development Society, New Delhi under its CSR Initiative. This collaboration ensured that students in remote areas now have access to quality educational resources and interactive learning experiences.

KYAN-based smart classrooms represent a leap forward in our mission to integrate advanced technology in education. This initiative aligns with our commitment to community development and educational empowerment.

This award is a testament to NHPC's dedication to fostering educational excellence and making a tangible difference in the lives of young learners.
