| 1 | NH/KGPS/PH(Civil)/WO-3/2024/30, Dated 23.08.2024 | Toe protection work to stabilize the slope near foundation of transmission line tower in switchyard area, KGPS, Bandipora, J&K | Spot Work Order | M/s Ghulam Hassan Tantray, Kralpora, Bandipora, J&K | Non Government | Rs. 6,34,978 /- | Transmission line towers situated at d/s of switchyard in Power House area were being affected by soil instability and slope movements. There was a potential risk for rapid and unpredictable movements of soil and rock, which posed a direct threat to the stability of transmission line tower foundations. Power Grid vide letter no. N2BLA/TLM/2024 dated 29.06.2024 also requested for taking up urgent protection measure for stability of tower foundation. In this regard, any mishap may result in severe risk to life of nearing inhabitants and shall result in loss of generation also. | As the Power Grid vide letter dated 29.06.2024 requested to protection of tower. In this regard, any mishap may result in severe risk to life of nearing inhabitants and shall result in loss of generation also. Thus, it was an urgent requirement of toe protection work to stabilize the slope near foundation of transmission line tower. Considering the urgency, the aforementioned work was awarded on a work order basis to M/s Ghulam Hassan Tantray, who is one of the PAF and has performed well in previous works. | 19-Sep-24 | Not applicable | Compiled |
| 2 | NH/KGPS/E&M/PH/2024 /227-29 dated 29/07/2024 | Repair of Four numbers Faulty Microprocessor Modules installed at Kishanganga PS. | Spot Work Order | M/s BHEL, Bengluru | Government | Rs.3,39,840/- | During the operation of Unit#2, after a sudden jerk felt in the grid-supply, Channel-1 of the DAVR became inoperative. It was found that microprocessor module UN0660 AV1 installed in rack "AA" is not working and showing the status as "FAIL". On further checking, the similar module of the same unit was also found faulty. In addition, two nos. spare faulty microprocessor modules UN0660 AV1 are lying at power house. In absence of microprocessor module in AUTO1 channel, there will be no redundancy in case of failure of AUTO2 channel. | As the microprocessor modules are manufactured and supplied by M/s BHEL EDN, Bangalore and the work is of urgent nature, hence the repair of said modules need to be executed by M/s BHEL EDN, Bangalore (OEM) on spot work order basis. The procurement is only possible from a single source, i.e., the OEM. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. | 10-Aug-24 | Not applicable | Compiled |
| 3 | NH/KGPS/HM/2024-25/351 dated 28.08.2024 | Commissioning of Accelerograph for Measuring the Earthquake Intensity at Dam of Kishanganga Power Station | Spot Work Order | M/s AIMIL Ltd., Naimex House , New Delhi | Non Government | Rs.2,72,103/- | The Kishanganga Power Station was commissioned in 2018 by the M/s HCC consortium. The dam instrumentation works are also included in the scope of the M/s HCC consortium. However, to date, the commissioning of the accelerograph for measuring earthquake intensity has not been completed. Corporate Design Wing has repeatedly reminded the Power Station about the need to commission the accelerograph, as the data from this instrument has been requested by the Indus Commissioner under Indus Water Treaty . The accelerograph is essential for monitoring the behavior of the dam structure during an earthquake. | The Kishanganga Power Station is situated on the Kishanganga River, a tributary of the Jhelum River. Since the Jhelum River falls under the Indus Water Treaty, most of the data regarding technical monitoring instruments is requested by the Neutral Expert or the Indus Commissioner. In response to these data requests, work was awarded on an urgent basis to M/s AIMIL Ltd. for the commissioning of an accelerograph to measure earthquake intensity at the dam of the Kishanganga Power Station. The accelerograph instrument installed at the dam belongs to ESS Earth Science Pvt Limited, and M/s AIMIL Ltd. is the only service provider in India. | 26-Sep-24 | Not applicable | Compiled |
| 4 | GEMC-511687784612757 Dated: 28.08.2024 | Purchase of TGB oil cooler & Decompression valve for Kishanganga Power Station. | Single Tender | M/s Bharat Heavy Electricals Limited, Panchkula Haryana. | Government | Rs.30,92,342/- | M/s BHEL who is Original Engineering Manufacturer for Kishanganga Power Station. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. Power station don't have the part drawing of said material and OEM have the same. | The procurement is only possible from a single source, i.e., the OEM. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. | 28-Aug-25 | Compiled | Compiled |
| 5 | GEMC-511687781260174 10.09.2024 | Purchase of Door seal of MIV, Seat ring cover of Nozzle and Upper, Middle & Lower oil scrapper of TGB housing for Kishanganga Power station. | Single Tender | M/s Bharat Heavy Electricals Limited, Panchkula Haryana. | Government | Rs. 116,01,965/- | M/s BHEL who is Original Engineering Manufacturer for Kishanganga Power Station. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. Power station don't have the part drawing of said material and OEM have the same | The procurement is only possible from a single source, i.e., the OEM. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. | 10-Sep-25 | Compiled | Compiled |
| 6 | NH/KG/P&C/PR12024/187/2024/906 Dated: 16.09.2024 | Purchase of Lubricating oil Servo Prime 46 (ISO-VG-46) for 3X110 MW Kishanganga Power Station | Single Tender | M/s Indian Oil Corporation Limited, Jammu Division Office, 22, O/B, JDA Commercial Complex, Rail Head, Gandhi Nagar, Jammu-180012 | Government | Rs. 19,52,664/- | As per OEM (M/s BHEL) Lubricating oil Servo Prime 46 (ISO-VG-46) was used in all three bearings of Generating units in TGB housing, LGB housng, UGB housing, MIV sump and GOV OPU sump since commissioning of the units. An incident was occurred due to cloud bursting at nearby power house area on dated 15 Aug 2024. Thereafter dirty & muddy water entered in the service bay & U # 1 area at machine floor of power house. This muddy water mixed with UGB as well as TGB bearing housing respectively. Due to the above incident 50 barrel (10500 Litr.) were purchased on imergent basis smmoth operation of generating unit. | MOU has been signed between M/s IOCL and NHPC Limited for purchase of Diesel/Petrol and lubricants from Corporate Office. The procurement of above lubricant oil Servo Prime 46 (ISO-VG-46) carried out through M/s IOCL | 23-Sep-24 | Compiled | Compiled |
| 7 | GEMC-511687763384698 Dated: 10.09.2024 | Supply & Repair of Vector Oriented Drive Inverter, Make- SEW EURODRIVE of Dam Intake Gate of Kishanganga Power Statio | Single Tender | M/s Sew Eurodrive India Pvt. Ltd., Vadodara, Gujarat-391243 | Non Government | Rs. 5,10,778/- | M/s Sew Euro drive India Pvt. Ltd. is the OEM of Vector Oriented drive inverter. As per remarks by dam safty team the repair work was urgently required to be executed. Hence case was awarded on single tender basis. Work has been completed. | The procurement is only possible from a single source, i.e., the OEM. There will be a fitment guarantee of items with rest of assembly, if the same shall be procured from OEM. | 25-Oct-24 | Compiled | Compiled |
