		9	Health and Hygiene plan	50.00	15.17	
		10	Disaster Management plan	100.00	0.24	
		11	Environmental Monitoring Plan	60.00	8.09	
			Total (A)	1199.00	859.43	
		12	R&R Plan	Compensation for houses & structures	257.00	146.08
				R&R Package	108.00	153.28
			Total (B)	365.00	299.36	
		13	Sustenance of Riverine Fisheries	65.00	25.00	
			Grand Total	1629.00	1183.79	
Note: <ul style="list-style-type: none">• Including Rs. 0.78 lakh for reimbursement to JKPDC, Rs. 20 lakh for expenditure during stage-II development and escalation factor.• Cost for providing free fuel, health facilities to labourers and protection works at dumping sites by the contractor is included in the unit price for other items of civil works.• Disaster Management plan (DMP) related activities already done under the different budget head/provision.						
10.	Forest Land requirements a) Status of approval for diversion of forest land for non - forestry use b) The status of clear felling in forest land	a) 49.336 ha forest land b) Total clear felling = 883 nos.				
11	Status of construction a) Date of commencement b) Date of completion	(a)Actual commencement: September, 2003 (b)Actual commissioning: 24.07.2010.				
12	Reason for the delay. If the project is yet to be started	Not applicable.				
13.	Detail of site visits. a) By Monitoring Committee b) By Regional Office	The 7 th meeting of Multidisciplinary Monitoring committee held on 15-16 th March 2013, wherein it was decided that no further meeting of this committee was required, since most of the works related to EMP have been completed and project has been commissioned in 2010. ----				
14.	Brief note on the status of compliance of the conditions stipulated by MOEF	Enclosed as Annex- I				

Brief note on the Status of compliance of the conditions stipulated by MOEF in the Environment Clearance letter no. J-12011/38/2001 – IA-I dated 07.03.2003.

S.No.	Part-A Specific Conditions	Status of Compliance
(i)	86 families of the 2 villages of Gatti & Mashka will be affected. The affected families should be rehabilitated as per R & R plan proposed & approved by the State Government vide letter No.LAJ266 dated 27.12.2002. The economic rehabilitation of the affected population should be covered through vocational training e.g. apiculture, rabbit farming, poultry farming & sericulture activities.	R&R plan was approved in 2005. Payment/works as per approved R & R Plan stands completed, except for payment of compensation to partially affected families (losing part land only) as disbursement is pending with the Collectorate.
(ii)	The solatium for the project affected families be increased from 15 per cent to 30 per cent in line with the Government of India guidelines.	Complied with.
(iii)	3256 ha severely degraded and very severely degraded catchment area should be completed in four years as proposed.	Completed.
(iv)	The conservation of medicinal plant as proposed should be carried out in consultation with monitoring committee setup by the state government.	Completed.
(v)	The basic data of ambient area quality, noise level and ground water quality, bio-chemical oxygen demand (BOD) and coliform count of surface water should be monitored periodically and reports submitted.	Complied with.
(vi)	The minimum flow of water should be 6 cusecs during the lean season in the pools immediately downstream of the dam.	Complied with.

	Part B: General Conditions:	
(i)	Adequate free fuel arrangement should be made for the labour force engaged in the construction work at project cost so that indiscriminate felling of tree is prevented.	Complied with.
(ii)	Fuel depot may be opened at the site to provide the fuel (kerosene/ wood/ LPG). Medical facilities as well as recreational facilities should also be provided to the labourers.	Complied with.
(iii)	All the labourers to be engaged for construction works should be thoroughly examined by health personnel and adequately treated before issuing them work permit.	Complied with.
(iv)	Restoration of construction area including dumping site of excavated materials should be ensured by leveling, filling up of burrow pits, landscaping etc. The area should be properly treated with suitable plantation.	Completed.
(v)	Financial provision should be made in the total budget of the project for implementation of the above suggested safeguard measures.	Complied with.
(vi)	A Multidisciplinary committee should be constituted with representatives from various disciplines of forestry, ecology, wildlife, soil conservation, NGO etc. to oversee the effective implementation of the suggested safeguard measures.	Complied with.
(vii)	Six monthly monitoring reports should be submitted to the Ministry and its Regional Office.	Six-monthly progress reports are being regularly submitted to MoEF&CC and its Regional Office.
