1	NH/TLDP-IVPS/E&M/WO/2024/2005, DT.25.10.2024	Deputation of Service Engineer for Servicing of 02 Nos. Chiller units of HVAC system installed at TLD-IV Power Station.	Work order	M/S Kirloskar Chillers Pvt Limited, Satara	29,500.00	Contractor has exclusive rights in respect of the goods or services and no reasonable alternative or substitute exists.	Ambient temperature and humidity inside power house and maintenance office areas are day by day increasing which is deteriorating the performance of various auxiliary system installed in power house such as cooling system, electrical panels and other electronic components etc. High temperatures in control rooms or plant areas due to chiller failure can lead to uncomfortable and potentially unsafe working conditions for staff, affecting productivity and increasing the risk of heat-related illnesses. Thus, it has been decided to repair and rectify the non operational Kirloskar Make Chillers from OEM.	NA	Complied
2	NH/TLDP-IV/ E&M/ 2024/SO/2070, DT. 31.12.2024	Purchase of SKF Make Single Row Deep groove bearing 6015.	Purchase on PAC Basis	M/S Kuber Enterprises, Siliguri	12,519.00	Where Procurement is from Single Source only.	Annual Maintenance of generating units (FY 2024-2025) has started from 18.12.2024. Dismantling of Oil header and LVDT arrangement is an activity during annual maintenance. During dismantling of oil header shaft of unit#3, looseness has been observed in bearing installed at the top of oil header shaft. Single Row Deep groove bearing 6015 is installed at the top of leakage tube which is required for attaching LVDT arrangement. This bearing is of utmost importance for smooth functioning of LVDT arrangement. The installed bearing is SKF make Single Row Deep Groove Bearing 6015. The bearing has been in operation since commissioning of generating units. With passage of time and operation of generating units, looseness may have happened in bearings. The bearings have completed its useful. It is pertinent to mention that similar problems may be encountered in bearings of other generating units as well. Thus, it has been decided to purchase SKF Make bearings from SKF authorised dealer.	Complied	Complied

3	NH/TLDP-IV/ E&M/ 2024/LOA/2067, DT. 30.12.2024	Deputation of Service Engineer for Complete Servicing of Fire Extinguishing System at TLD-IV PS	Work order	M/S Technico(India) Pvt. Limited, Kolkata	2,12,400.00	Contractor has exclusive rights in respect of the goods or services and no reasonable alternative or substitute exists.	Water mist spray system for generator in auto mode is a statutory requirement as far as the safety of power station is concerned and the power station has also received IOM from Corporate office for auto operation of generator firefighting system as early as possible. The service engineer of M/s Technico has visited our site and suggested list of spares for complete functioning (auto operation) of firefighting system. A case file for purchase of spares for functioning of fire fighting system was initiated and awarded to M/s Technico (India) Pvt Limited, Kolkata on 12.11.2024. As per LOA, delivery period of the materials is 24.12.2024. After receipt of the material at site, it is proposed to replace the faulty components and complete auto operation of firefighting system by service engineers of M/s Technico(India) Pvt. Limited. Hence, this work is to be undertaken from OEM	NA	Complied
4	NH/TLDP-IV PS/Dam (Civil)/1432, Dated: 21.11.2024	Painting of dam railing, kerbs and gates of TLD-IV Power Station, Kalijhora.	Work Order	M/s Himandri Construction Co. Kalijhora Bazar, Dist- Darjeeling West Bengal	Rs.4,36,370/-	Others	The gates of the power station are just in front of NH10 and also the whole dam structure are visible from NH10. This type of look of the power station affect the overall impression of NHPC Ltd. Due to severe rainfall and humidity in the area, lot of unwanted plants/weeds/algae is very developed on the surface of concrete and steel surface getting corrodes. Which may cause some problem to the structure and create a pale view of the whole structure. It was urgent to paint the structure before 7th Nov 2024, the auspicious occasion of 50th establishment day of NHPC Ltd and time to award through Tender was very short. Therefore awarded through work order.	NA	Complied

6	NH/TLD-IV PS/ Infra (Civil)/2024-25/127 dated: 04.11.2024	Renovation of Sport Centre Room and Toilet at Play Ground of TLD-IV Power Station, Kalijhora	Work Order	M/s Chiranjevi Brothers Enterprise, Vill + PO Kalijhora, Kalijhora Bazar, Distt- Darjeeling	1,65,322.00	Others	NHPC is entering its Golden Jubilee year on 07-11-2024. In this regard, it has been decided by the TLDP-IV Management to celebrate this Golden Jubilee Year on 09.11.2024 of NHPC with great enthusiasm and excitement. It has been decided to organize the program in the administrative office complex premises.Both TLD-III & IV Power station's employees are organize the proud day on the same place i.e TLD-IV Power station's ground. Also VIP/dignitaries are also invited to join this program . On the today inspection, it has been found that the toilet and Sport Centre Room is not working condition. There is no false ceiling is available on the Sport Centre Room room, so it is proposed to fixing the false ceiling in the Sports Centre room. The door of Sport Centre Room and toilet are also damaged deficiently and glasses of windows were broken, So it's need to be changed . Toilet fittings such as wash basin, mirror, towel rail flush, water tank etc is not working condition so it is proposed to change with new ones.As the location of project lies in wet region of North-East India where rainy season occurs from April to October. The color of both toilet and Sport Centre Room were faded , so it is proposed to painting.Since the work is urgent in nature and could not be avoided / awaited through open tender. Therefore, it is proposed to award the work through work order.	NA	Complied
