1	NH/Siang Lower/GSM(C)/WO/2024/1423-28 Dated: 06/01/2025	Repairing and Painting of Barracks Building and toilet block in NHPC complex (Old SSB Complex) at Pasighat	Work Order	M/s Rolling Stone Enterprise, Rani Village, PO/PS- Silley Oyang East Siang District Arunachal Pradesh	Rs.15,22,703/- (Rupees Fifteen Lakh Twenty Two Thousand Seven Hundred Three Only) inclusive of all taxes/GST	NHPC Limited has taken over the current infrastructure from the Sashatra Seema Bal (SSB). In this context, 05 plots of SSB land at Pasighat measuring 14029 Sqm were taken over by NHPC in 2010 for which a formal allotment order was issued by the Deputy Commissioner, East Siang district. Nearly all the infrastructure was created or built by the SSB and thus is rather ancient. The majority of the buildings are in poor condition; rainwater leaks from various roof locations, creating an unsanitary environment for residents; most of the wooden posts are rotted, causing split walling to be damaged in many areas of the wall; the existing plastering is worn out in many areas of the wall; and the majority of the doors and windows are completely damaged, necessitating proper repair and maintenance efforts. Presently, 15 executives and 07 Jes/supervisors are posted at this location. These Numbers will further increase in the future and Security personnel for the Siang Upper project will also need residential space therefore for the safe and proper stay of the aforementioned personnel, it is obligatory to carry out appropriate repair and maintenance works in all the existing structures at the SSB complex at, Pasighat.	Vide Letter No.- Home-11/7/2024-HM-Section-A-HM, Dared-09/12/2024, Under Secretary (Home) Gov. of Arunachal Pradesh, Itanagar has requested Providing Requisite Accommodation and Logistics Facilities for Force Deployment in Siang Upper Multipurpose Project. In this regard, the Superintendent of Police, East Siang visited our campus on 13.12.2024 and requested NHPC Officials to repair and paint the barracks building within one month. As the barracks buildings and toilet block were in poor condition. To create accommodation in the barracks building for Force deployment, repairing, and painting work execution is urgently required. The normal tendering process will take more than three months. So, the said work was executed on an exigency basis through Work Order.	Work Order
