1	NH/WPPJ/2025/188, 27/05/2025	Hiring of Qualified Coordinating Agency (QCA) Services for 50MW Wind Power Project of NHPC Limited at Jaisalmer, Rajasthan	10,19,520/-	M/s Manikaran Analytics Ltd.	Work Order	50MW Wind Power Project Jaisalmer of NHPC Limited is connected to 400KV GSS Akal of RVPNL (STU) through 220KV Pooling Sub Station, Dangari of M/s Inox Wind Ltd. As per RERC Guidelines dated 14.09.2017, each Pooling Sub Station shall have one Qualified Coordinating Agency (QCA). The QCA shall be nominated based on consensus and mutually agreed terms & conditions amongst the wind and solar generators. The QCA shall be single point of contact with SLDC on behalf of its coordinated generators connected to a Pooling sub Station. Accordingly, M/s Manikaran Analytics Limited has been nominated as QCA for Dangri Pooling Sub Station based on consensus amongst Wind Generators connected to 220KV PSS Dangri. Hence, work has been awarded to QCA of Dangri PSS, M/s Manikaran Analytics Limited on nomination basis for services for 50MW Wind Power Project Jaisalmer of NHPC Ltd.
