Jt. Director (S), RO, MoEF & CC, Chandigarh visited the project with EMC on 28.11.18. Deputy Director, MoEF&CC, Jammu visited and inspected the project on 14.09.2025. District Pollution Control Board Officials visited the Power Station in the month of August, 2024 for inspection.		
14.	Brief note on the status of compliance of the conditions stipulated by MOEF&CC	Refer Annex -A		

Annex – A

Status of Compliance of conditions stipulated by MoEF, Govt. of India in Environment Clearance letter No.J-2011/14/2004-IA-I dated 13/8/2004.

Part A: Specific Conditions

S.No.	Specific Condition	Compliance Status
i	<i>Project Authorities shall implement the Biodiversity Conservation Plan through the State Authorities for which a sum of Rs.50.92 lakh has been earmarked. The Plan will suggest measures for in-situ conservation of floristic and faunastic diversity in two areas namely Boniyar Nalla sub-watershed and Salamabad sub-watershed.</i>	Biodiversity Conservation Plan was implemented through J&K State Government. An expenditure of Rs. 50.00 lakh was incurred under biodiversity Conservation plan. Condition complied with.
ii	<i>A representative from the affected families shall be included in the project Environment Monitoring Committee.</i>	Environmental monitoring committee was constituted in 2006. Condition was complied with.
iii	<i>Catchment area treatment plan as has been proposed should be completed in 6 years. The treatment will include various biological and engineering measures.</i>	J&K Forest Dept. is the executing agency for CAT works. An amount of Rs.1112.87 lakh was earmarked for its implementation. Extension Plan of CAT Plan amounting to Rs.341.13 lakh has also been approved by MoEF&CC vide letter dated 14.07.2015. An amount of Rs.1437.32 lakh has been released to the State Forest Department for implementation of CAT plan. Utilization report for the fund released is awaited.

Part B: General Conditions

S.No.	General Condition	Compliance Status
iv	<i>Clearance of NCSDP of Central Water Commission should be obtained for earthquake parameters. Seismic stations shall be installed to record and monitor seismic forces before impounding and maintained and monitored during and after impounding.</i>	Condition is being complied with. Clearance has been obtained from NCSDP of CWC for earthquake parameters. Accelerographs have been installed at Dam site and are working satisfactorily.
v	<i>Adequate free fuel arrangement should be made for labour force engaged in the</i>	Condition was complied with. Project has been commissioned. Further, project has

	<i>construction work at project cost so that indiscriminate felling of trees is prevented</i>	distributed 475 free LPG connections to the land oustees under Energy Conservation Measures.
vi	<i>Fuel depot may be opened at site to provide the fuel (kerosene/LPG). Medical facilities as well as recreational facilities should be provided to labourers.</i>	Condition was complied with. Project has been commissioned.
vii	<i>Restoration of construction area including dumping site of excavated materials should be ensured by leveling, filling up of borrow areas, landscaping etc. The area should be afforested by suitable plantation.</i>	The excavation works in the project are complete. Special care for disposal of muck has been taken and it has been ensured that muck is dumped at designated dumping sites and wire crates and gabion have been provided for stabilization of muck dumping slopes. Presently restoration works of dumping sites no. S-4 & S-5 is being done by State Forest Department and Rs. 167.50 Lakhs (including interest) was released for the same out of which utilization of Rs. 129.55 Lakhs has been received. An amount of ₹36.00 lakh has been earmarked for the development of Dumping Site S-5 by establishing a Van Vatika through the Forest Department, Government of J&K. In this regard, ₹ 21.3 lakh has been released to the JV Division, Baramulla. The details provided by the Department of Forests are enclosed as <i>Annexure-I</i> .
viii	<i>A multidisciplinary committee should be constituted with representative from various disciplines of forestry, ecology, wildlife, soil conservation, NGO etc. to oversee the effective implementation of suggested environmental safeguards.</i>	Condition was complied with. Multidisciplinary committee was constituted vide office order dated 06.05.2006.
ix	<i>Financial provision should be made in the total budget of the project for implementation of the above suggested safeguard measures.</i>	Condition was complied with. Necessary provision was kept in the DPR
x	<i>Six monthly progress report be submitted</i>	Condition is being complied with. Six

	to the Ministry and its Regional Office, Chandigarh for review.	monthly reports are being sent regularly to the MoEF&CC and its Regional Office.
--	---	--

Environmental & Other Safeguard Measures

1. Resettlement & Rehabilitation: The Govt. of J&K had accorded approval to R&R plan with financial implication of Rs.149 lakh and against which an amount of Rs.100 lakh was deposited with Collector Land Acquisition (CLA), out of which Rs. 80.08 Lacs was disbursed to 91 No. PAFs falling under houseless category as houseless grant (@ Rs. 80000) and transportation grant (@ Rs.8000). Due to increase in acquisition of private land, the number of PAFs is 521 nos. The list of land oustees whose 100%, more than 50% or less than 50% land has been acquired, and who are eligible to receive R&R grant was received from the Revenue authorities and payment for the same has been released. Based on the demand of Collector Land Acquisition, an amount of Rs. 3.74 Crore was deposited with the Collector and same was disbursed to Land Ousteas as R&R Grant which also includes expenditure under Houseless Grant.

2. Fisheries Development: The project had disbursed Rs.100.00 lakh to Commissioner Secretary, Forests & Fisheries to start the plan. The project has handed over the land for the Fish farm to the Fisheries department and also provided a small house for establishment of Office at the site. Utilization certification for Rs.90.70 lakhs has been received till date and utilization of balance Rs. 9.30 lakhs is still awaited from J & K Fisheries Department.

3. Sewage & Solid waste disposal: For sewage disposal, septic tanks with soak pits have been provided in all the colonies. Dustbins have been provided in colonies / camps, and for collection and safe disposal of solid wastes. Biomedical and food waste are disposed safely in separate pits constructed for this purpose. Sewage Treatment Plant (STP) of 5KLD capacity has been installed at power house.

4. Green Belt Development: The project had assigned the work of Rim Reservoir Treatment & Creation of Green belt around Reservoir to State Soil Conservation department. The department had submitted the revised proposal for tune of Rs.107.60 Lakh. The State Soil Conservation Department has completed the civil, plantation and fencing works and utilization certificate for Rs.101.88 lakh has been received.

Sub: Accord of Administrative Approval for the work "Restoration of Dumping Site S-5 of Uri-II Power Station – Work at Muck Disposal Sites".

Ref: 1. Environment Clearance accorded vide letter no. J-12011/14/2004-IA-I dated 13.08.2004
2. Your letter no. FD/CFN/Plg/2023-24/Nagar-Van/519-20 dated - 21-07-2023

Sir,

Please refer to your letter mentioned under reference at sr. no.-2 on the work cited above in the subject. In this regard, it is to intimate that the Competent Authority has accorded Administrative Approval for taking up the works under "Restoration of Muck Disposal Site (S-5) of Uri-II Power Station (240 MW), Nowpora / Salamabad, Tehsil - Uri" under scheme of Environment Management Plan of the Uri-II PS, to the tune of Rs. 35,93,335/- (Rupees Thirty-Five Lakhs Ninety-Three Thousand Three Hundred and Thirty-Five only). It is to mention here that Forest Department will ensure that execution of the works are within administratively approved amount and NHPC Ltd. shall not be responsible for the expenditure amount over and above the administratively approved amount. It is to further intimate that the works mentioned in your above referred letter shall be the scope of the work to be undertaken in true spirit under **Restoration of Dumping Site S-5 of Uri-II Power Station – Work at Muck Disposal Sites**. Your above letter is attached herewith as **Annexure – I** for ready reference and shall be an integral part of this letter.

In view of the above, it is to request that necessary actions viz. tendering process as the per codal formalities for the mentioned works/supplies be initiated at the earliest with a copy of status/information to this office also. The funds shall be released as per the requirements raised by the executing agency (Department of Forests). With regard to the release of payment, 10% of the administratively approved amount shall be released during the finalisation of tendering process. However, except for 1st installment, for release of subsequent installment your department has to furnish utilisation certificate for previously released installment in time bound manner for reconciliation of the accounts at our end on time.

This issues with the approval of the Competent Authority.

Thanking you,

Encl: As above

Yours sincerely,

(Naseem S. Bhat)

Senior Manager (Env).

Sub: Upgradation of S-5 environmental park, Salamabad into Nagar Van-reg.

Sir,

Kindly refer to above cited subject. In this connection, it is to say that project namely S-5 Environmental Park was taken by Project Officer, Uri CAT-II Division for rehabilitation of dumping site Uri Power Project.

2. That the funding for this project was provided by your agency to the tune of Rs 105.00 Lacs out of which 100.00 Lacs has been utilized for rehabilitation of dumping site by way of levelling undulating site, construction of retaining wall, parapet wall, crate work, DRSM, fixing of ornamental grill, gate and plantation work.

3. That the said site has become tourist spot as it is located enroute to Aman Setu post which is now often visited by tourists for recreation purpose.

4. Now, the Govt has directed to Forest department to upgrade this closure into Nagar Van being located in close vicinity of Uri ULB.

5. In this connection, it is kindly requested to provide additional funds to the tune of Rs 36.60 Lacs (with details in Annexure) so that said spot is developed into Nagar Van please.
