1	NH/Sianglowr/WO/R&M/2026/2370-73 dated 13/01/2026	Running and Maintenance services of the office \, field hostels/transit camp. Electrical and mechanical installation of siang lower H.E. Project at Pasighat Arunarchal pradesh.	Work Order	M/s T.M. Construction Arzoo, PO& PS Anini, dist, dibang valley Arunachal Pradesh 792101	Rs 13,40,407/- (Rupees thirteen thousand four hundred seven) only	Siang Lower H.E. Project is proposed on the River Siang in East Siang District (Arunachal Pradesh). A field unit office of Siang Lower Project under control of RO -Itanagar is running at old NHPC Residential cum Office Complex, Pasighat since Feb '2022 to take over the project from erstwhile private developer . NHPC has been entrusted in 1st week of April 2022 to prepare the PFR and DPR of the Siang Upper Multipurpose Storage Project (USMSP) with funding from IWRDS , CWC component of RBM scheme of Ministry of Jal Shakti (MoJS). Field unit of Siang Lower Project is responsible for field works in the preparation of PFR / DPR of Siang Upper Multipurpose Project mandated by Ministry of Jal Shakti . Strength of Employees has been increased, due to time to -time posting of employees at the Siang Lower/Siang Basin H.E project by the corporation as per requirements . Due to the increase numbers of employees / official , accomodation problem arises for official works , as without propoer official room ,it is unable to run day to day official works smoothly . But the then existing office building was in dilapidated condition , which cannot be use as office room without proper repair and maintenance works considering the need of hour ,it was proposed to repair the old of Executive Director Office Building located at NHPC Complex Pasighat.	Due to MS. Roushan enterprise failing to provide the same service as per the contract agreement, their contract had to be canceled. Additionally, the process of bidding for a new contract on the GeM portal took some times. Running and maintenance services for the siang lower HE Project in Pasighat are essential for its Smooth operation. therefore, considering the work of Ms. TM. Construction, this contract was awarded.
