1	GEMC-511687742045840 Date : 08-Nov-2025	Purchase of spare parts for B-Check Maintenance of 1000 KVA DG sets (DG#1 & DG#2) of Cummins	PAC Basis	M/s Pal Svam Power Solutions Pvt. Ltd, Baddi (HP)	4,88,763	The spare parts for B-Check maintenance of Cummin make DG sets are required to purchase on PAC basis from the authorised dealer of the OEM to ensure the compatibility, fitment and proper functioning of the equipment.
2	GEMC-511687723925622 Dated 17-Nov-2025	AMC of elevators installed at Dam & Power House of CPS-1	Single Tender Basis	M/s OMEGA Elevators, Ahmedabad	7,70,455	Two elevators, each with a capacity of 20 persons / 1360 kg, have been installed at the Dam and Power House of Chamera Power Station-I by M/s Omega Elevator, Ahmedabad. Elevator installed at the Dam is absolutely essential for the operation and maintenance of the sluice gates at the Dam, as well as for the operation and upkeep of other equipment installed within the Dam premises. Whereas the elevator installed in the Power House is used by Power House Officials & Staffs to commute between the various floor levels for daily mandatory inspection of various equipment—spanning from the Transformer Gallery down to the Turbine Floor. As per directives of the Lift Inspector and Executive Engineer of the PWD, Himachal Pradesh the routine and preventive maintenance of the lifts be undertaken exclusively by the Original Equipment Manufacturer (OEM). Therefore, the Annual Maintenance Contract (AMC) for the elevators installed at both the Dam and the Power House was awarded to OEM i.e. M/s Omega Elevator, Ahmedabad.
