क्रम संख्या Sl.No.	आपूर्ति आदेश संख्या एवं दिनांक Supply Order No. and date.	कार्य का विवरण Description of work.	निविदा का प्रकार Mode of Tendering	ठेकेदार/सप्लायर का नाम Name of Contractor/Supplier.	कार्य की राशि Awarded Amount (INR)	एकल निविदा के लिए परिस्थितियों का ब्यौरा Details of Circumstances going for single tender (CVC Circular dated 05/07/2007)
1	GEMC-511687774275599 Dated 04-Dec-2025	AMC of 1000 KVA DG Set (2 Nos) and 500 KVA DG Set (One Nos)	Single Tender Basis	M/s Pal Swam Power Solutions Pvt. Ltd	2,21,250	In view of the specialized nature of the work and the availability of expertise from the OEM/Authorized Service Provider and in accordance with the Point 3 of the CVC guidelines dated 05.07.2007 regarding purchases/works on a nomination basis (i.e., "The supplier or contractor has exclusive rights in respect of goods or services"), the work was awarded on single tender basis to M/s Pal Swam Power Solutions Pvt. Ltd who is the Authorized Service Provider for Cummins make DG Set.
2	NH/CPS-1/P&C/ME-148723/ 2025-26/400 Dated: 11-Dec-2025 (GEMC-511687715762583)	Purchase of Pilot operated directional control hydraulic valve of MIV bypass valve line	PAC Basis	M/s ITL Industries Ltd, Indore, Madhya Pradesh-452015	4,57,368	For MIV/MDV, pilot-operated valves—interchangeability, pressure rating, absolute sealing, reliability, longevity, consistent operational mechanism, and quality are critical parameters. Keeping these factors in mind, it was proposed that the aforementioned pilot-operated valves be procured exclusively from M/s Vickers (Eaton) or their authorized dealer/distributor on a Proprietary Article Certificate (PAC) basis in accordance with Point 3 of the CVC guidelines dated July 5, 2007, regarding purchases/works on a nomination basis (i.e., "The supplier or contractor has exclusive rights in respect of goods or services").
3	GEMC-511687761777603 Date : 20-Dec-2025	Purchase of Spares parts of Ingersoll Rand make HP compressor Installed at PH	PAC Basis	M/s Aadiushmaa Engineers Pvt Ltd, Chandigarh	5,87,063	The HP compressors installed in the Power House are manufactured by Ingersoll Rand; consequently, only spare parts manufactured by M/s Ingersoll Rand are compatible with and suitable for installation in the existing compressors, and their performance has historically been satisfactory. Moreover, this constitutes a new procurement and only the Part Numbers and Model Numbers of the required spare parts are currently available with the Power House. Consequently, to ensure the compatibility and proper fitment of the required spare parts have been procured exclusively from the OEM i.e. M/s Ingersoll Rand on a proprietary basis.
