

CITIZEN'S CHARTER

NHPC LIMITED

(A Govt. of India Enterprise)

Corporate Office- NHPC Office Complex,
Sector-33, Faridabad,
Haryana-121003.

BRIEF COMPANY PROFILE

NHPC Limited is India's 100% green energy NAVRATNA Company under Ministry of Power, Government of India. NHPC champions clean, renewable energy with minimal carbon footprints, supporting the national grid and integrating solar and wind energy into the power system.

Currently, NHPC's total installed capacity is 9332.90 MW and the company is presently engaged in the construction of projects aggregating to 9204 MW. At present, NHPC is working on more than 50000 MW capacity projects and it spearheads around 60% of all hydro projects under construction in India. Among its flagship endeavours, the 2000 MW Subansiri Lower project stands as a testament to NHPC's prowess, representing one of India's largest hydroelectric projects. Similarly, the 2880 MW Dibang Multi-purpose project underlines NHPC's commitment to pioneering initiatives in power generation and flood moderation.

As of September 30th 2025, NHPC boasts an authorized share capital of Rs. 17,500 crore and total investment base (Assets) of 98463.90 Crore (standalone). Having successfully concluded its IPO in 2009, NHPC is listed on both the NSE and BSE. NHPC's is a financially robust company which has consistently shown strong financial performance since its inception. The company registered a Profit after Tax (PAT) of Rs. 3617.80 crore (standalone) for FY 2025-26.

In line with the Government of India's clean energy transition objectives, NHPC is steadfastly working towards achieving an installed capacity of 23000 MW by 2032 and 50000 MW by 2047. This trajectory will elevate NHPC amongst the world's top 10 hydropower companies.

NHPC is not only playing a crucial role in India's energy security but is also empowering the people at large with its CSR initiatives aiming at overall socio-economic development of the common masses.

CORPORATE VISION

- To be a global leading organization for sustainable development of clean power through competent, responsible and innovative values.

CORPORATE MISSION

- To achieve excellence in development of clean power at international standards.
- To execute & operate projects through efficient and competent contract management and innovative R&D in environment friendly and socio-economically responsive manner.
- To develop, nurture and empower the human capital to leverage its full potential.
- To practice the best corporate governance and competent value based management for a strong corporate identity and showing concern for employees, customer, environment and society.
- To adopt & innovate state-of-the-art technologies and optimize use of natural resources through effective management.

OBJECTIVES

- To Plan, promote and organize an integrated and efficient development of power in all its aspects through Conventional and Non-Conventional Sources in India and Abroad, including planning, investigation, research, design and preparation of preliminary, feasibility and definite project reports, construction, generation, operation and maintenance of power stations and projects, transmission, distribution, trading and sale of power generated at Stations in accordance with the national economic policy and objectives laid down by the Central Government from time to time and release of water and other needs to the State Govt. as per the agreed parameters.
- To undertake, where necessary, the construction of inter-state transmission lines and ancillary works for timely and coordinated inter-state exchange of power
- To coordinate the activities of its subsidiaries, to determine their economic and financial objectives / targets and to review, control, guide and direct their performance with a view to secure optimum utilization of all resources placed at their disposal.
- To act as an agent of Government / Public Sector financial institutions, to exercise all the rights and powers exercisable at any meeting of any Company engaged in the planning, investigation, research, design and preparation of preliminary, feasibility and definite project reports, construction, generation, operation, maintenance of Power Stations and Projects, transmission, distribution, trading and sale of power in respect of any shares held by the Government, Public financial institutions, nationalized banks, nationalized insurance companies with a view to secure the most effective utilization of the financial investments and loans in such companies and the most efficient development of the concerned
- To carry on the business of purchasing, selling, importing, exporting, producing, trading, manufacturing or otherwise dealing in all aspects of planning, investigation, research, design and preparation of preliminary, feasibility and definite project reports, construction, generation, operation and maintenance of Power Stations and Projects, transmission, distribution and sale of Power, Power Development, including forward, backward or horizontal integration ancillary and other allied industries and for that purpose to install, operate and manage all necessary plants, establishments and works.

COMMITMENTS

- Promote excellence in generation of quality power
- Maintain international quality standard.
- Maintain international environmental management system.
- Promote optimum utilization of natural resources and sustainable development.
- Develop human resources through training.
- Ensure optimum gestation period for project development and maintaining harmony with nature.
- Socially responsible Corporate Citizen.
- Introduce latest technology in Power Sectors through R&D to improve productivity.
- Ensure transparency in quality policy and citizen's charter.
- Promote the need to meet customer requirements and regulatory/statutory requirements.
- Ensure that service quality objectives & complaints handling objectives are established.

CORPORATE SOCIAL RESPONSIBILITY (CSR) IN NHPC

Corporate Social Responsibility (CSR) is integral to NHPC's commitment to addressing social, economic, and environmental concerns in the regions it serves. NHPC has undertaken numerous CSR initiatives for communities residing in and around its projects, power stations, and units, focusing on healthcare, education, sanitation, rural development, skill development, environmental sustainability, women empowerment, and other areas outlined in Schedule VII of the Companies Act, 2013. These efforts aim to foster inclusive growth, support marginalized communities, and contribute to national development.

CSR POLICY OF NHPC

NHPC has a CSR & Sustainability Policy aligned with the provisions of CSR under Section 135 of the Companies Act, 2013, the Companies (Corporate Social Responsibility Policy) Rules, 2014, and subsequent amendments issued by the Ministry of Corporate Affairs, Government of India. NHPC also aims to adhere to the CSR guidelines issued by the Department of Public Enterprises (DPE). NHPC has strengthened its commitment to CSR in line with Statutory Provisions.

NHPC's CSR & Sustainability Policy, inter alia, includes the following:

- In terms of Section 135 of Companies Act 2013, the Company shall spend, in every financial year, at least two percent of the average net profits made during the three immediately preceding financial years. Accordingly, an annual budget for CSR activities is allocated and approved by the Board of Directors based on the recommendation of the Committee of Directors on CSR & Sustainability.
- At least 80% of the CSR schemes/ activities are to be executed in and around NHPC's Projects, Power Stations and offices preferably within 25 km and in the district where the project is located. However, other locations may also be chosen based on the needs and as per the direction of Govt. of India on National schemes/ campaign.
- Any changes in statutory provisions or government guidelines shall be deemed to have been adopted, as applicable, in accordance with the provisions issued from time to time.

OUTREACH OF NHPC's CSR INITIATIVES

NHPC has implemented CSR initiatives across various regions in India. The beneficiary States / Union Territories over the past five years include Himachal Pradesh, Jammu & Kashmir, Ladakh, West Bengal, Uttarakhand, Assam, Arunachal Pradesh, Sikkim, Manipur, Haryana, Uttar Pradesh, Delhi, Bihar, Gujarat, Madhya Pradesh, Rajasthan, Punjab, Chandigarh, Kerala, Tamil Nadu, Maharashtra, Tripura, Nagaland, and Andhra Pradesh. It is also relevant to mention that NHPC has been mandated to support four Aspirational Districts, namely Baramulla and Kupwara in Jammu & Kashmir, Chamba in Himachal Pradesh, and Soreng in Sikkim.

AMOUNT SPENT ON CSR INITIATIVES BY NHPC DURING THE LAST 5 YEARS

SI. No.	Financial Year	Mandatory CSR Spending Requirement (2% of the Average Net Profits of the Preceding Three Financial Years) (₹ in Crore)	Amount spent (₹ in Crore)
1	2021-22	65.45	105.29
