Therefore, cumulative financial progress of Rs 2109.882 Lakhs has been provided by State authorities to Chamera-III Power Station. During the Environment Monitoring Committee meeting held on 16th & 17th Dec 2020 at Karian, it was decided to reconcile total expenditure incurred under CAT works and availability of balance funds for execution of CAT works. Power Station had requested to CCF, Chamba vide letter dated 20.3.2021 to constitute Biodiversity Conservation Cell as per EMP to expedite CAT works. The reply is awaited. The updated status of CAT works and utilization details of fund thereof have been requested from DFO, Chamba, DFO, Bharmour, DFO (WL), Chamba, DC, Chamba vide Power Station's letter dated 12.4.2021, 29.9.2021, 4.10.2021, 26.05.2022, 21.10.2022, 28.07.2023, 11.10.2023, 18.01.2024 & 07.02.2025. The utilization of expenditure is received from DFO, Bharmour only while the reply from others is awaited.
ii	NHPC should submit the information regarding adequacy of spillway capacity of Chamera-I Dam in case of extreme	NHPC had provided requisite information/data to CWC for analysis. Accordingly, CWC vide letter dated 21.11.2008 conveyed its views, which is confirming that PMF of 24417 cumecs can be passed from spillway and sluices with 10% inoperative condition.

	eventuality of floods from upstream projects to Central Water Commission and any suggestions made by CWC will be taken care of by NHPC.																																									
iii	157 families of the three villages of Churi, Moukhari and Sulakhar will be affected. The affected families should be rehabilitated as per R&R Plan proposed & submitted.	Complied with. (i) The Deputy Commissioner, Chamba (vide letter no. RRO/CBA/R&RScheme/CHEP-III/2010/4809-18 dated 01.03.2011) had notified R&R Scheme for the Project Affected Families (PAF). As per the said scheme, 272 nos. of PAFs have already been given compensation. (ii) In addition, 241 nos. of PAFs have also been given compensation under new land acquisition Act “RFCTLARR, Act 2013 (vide R&R award dated 05.01.2018 & Corrigendum dated 24.3.2018) for acquisition of 93-02-02 bigha land.																																								
	Part B: <u>General Conditions</u>																																									
i	Adequate free fuel arrangement should be made for the labour force engaged in construction work at project cost so that indiscriminate felling of trees is prevented.	Project has been commissioned in 2012. As such no labour is residing at Project site now.																																								
ii	Fuel depot may be opened at the site to provide the fuel (kerosene/wood/LPG). Medical facilities as well as recreational facilities should also be provided to the labourers.	Project has been commissioned in 2012. As such no labour is residing at Project site now. Moreover, Chamera-III Power Station has its own dispensaries at powerhouse and dam site. Doctors and paramedical staffs are available for primary and emergency treatments for NHPC staff as well as local people. One ambulance is also available. Details of patients treated at dispensaries during the last six month period (October 2025 to March 2026) are given below: <table><tr><th>Patient Treated (nos.)</th><th>Oct 2025</th><th>Nov 2025</th><th>Dec 2025</th><th>Jan 2026</th><th>Feb 2026</th><th>March 2026</th><th>Total</th></tr><tr><td>NHPC staff</td><td>85</td><td>82</td><td>113</td><td>68</td><td>135</td><td>146</td><td>629</td></tr><tr><td>Contract Staff/CISF</td><td>16</td><td>23</td><td>10</td><td>20</td><td>43</td><td>26</td><td>138</td></tr><tr><td>Locals/Project affected</td><td>111</td><td>208</td><td>263</td><td>331</td><td>443</td><td>513</td><td>1869</td></tr><tr><td>Total patients treated</td><td>212</td><td>313</td><td>386</td><td>419</td><td>621</td><td>685</td><td>2636</td></tr></table>	Patient Treated (nos.) iii	All the labourers to be engaged for construction works should be thoroughly examined by health personnel and adequately treated before issuing them work permit.	The project has been commissioned. As such no labour is residing at Project site now.																																								

iv	Restoration of construction area including dumping site of excavated materials should be ensured by leveling, filling up of burrow pits, landscaping etc. The area should be properly treated with suitable plantation.	Restoration of Muck disposal sites have been done by suitable plantation through HP State Forest Department. In this regard, Chamara-III Project had released total Rs. 135.55 lakhs (Rs113.21+6.34+16) to H.P. Forest Department for undertaking reclamation/plantation and maintenance works at dumping sites. Out of which, the utilization certificate of fund amounting to Rs 124.14 lakh (up to March 2019) has been submitted by State Forest Deptt (O/o DFO, Chamba) vide letter dated 03.04.2019 for executing reclamation measures (Afforestation, soil conservation) at 14 nos. of dumping sites. Further, progress report/UC in this regard is awaited. Dumping Sites and other forestland (33.33ha) which are not in use of PowerStation has been surrendered back to State Forest Deptt., Chamba vide letter No. NH/CPS-III/CE(civil)/2018-64 dated 13.07.2018. However, acknowledgement of State Forest Department is still awaited. The matter has been appraised to DFO during Environment monitoring committee meeting held on 16th -17th December 2020 at Karian.
v	Financial provision should be made in the total budget of the project for implementation of the above suggested measures.	Complied with. Appropriate financial provision was made in total budget of the project for implementation of the above safeguard measures/EMP.
vi	A monitoring Committee for R & R should be constituted which must include representatives of project affected persons from a woman beneficiary.	R & R Plan was notified by Deputy Commissioner, Chamba on 01.03.2011. Project has requested to Deputy Commissioner, Chamba vide letter no. NH/CH-III/Env.4/2012/652 dated 16.02.2012 for constitution of a monitoring committee to oversee implementation of R&R Plan. Further, it was also requested by Project authorities vide letters dated 11.02.2015, 10.02.2017, 14.10.2017 & 08.03.2018 have also been requested for constitution of monitoring committee for R&R, however reply is awaited. Compensation to the eligible PAF has already been disbursed by the Land Acquisition Officer. R&R works of CPS-III may be considered as completed. During the Meeting of EMC held on 16th & 17th December 2020, the DC, Chamba informed that R&R committee shall be constituted to oversee the matter related to R&R Scheme-2011.
vii	A multidisciplinary committee should be constituted with representative from various disciplines of forestry, ecology, wildlife, soil conservation, NGO etc. to oversee the effective implementation of the suggested safeguard measures.	Complied with. A multidisciplinary Committee was constituted vide circular dated NH/CH- III/Env/10/06/345 dated 15.09.2006 and further revised vide letter NH/CH-III/Env/10/2017/44-57 dated 13.10.2017.

viii	Six monthly monitoring reports should be submitted to the Ministry and its Regional Office, Chandigarh for review.	Six monthly monitoring report is being submitted regularly to MOEF&CC, Regional office, Shimla and MOEF&CC, New Delhi. The last six monthly report was submitted vide letter dt 25.11.2025 as an attachment with email to iro.shimla-mefcc@gov.in , env.iroshimla-moefcc@gov.in and yogendra78@nic.in .
