

Six Monthly Monitoring Report on
Compliance of Conditions Stipulated in Environment Clearance of Parbati Power Station, Stage-III
(For the period October 2025 to March 2026)

1.	Name of the Project	Parbati-III Power Station (520 MW)
2.	Type of Project	Hydro-Electric Project
3.	Clearance latter(s) O.M. No. & Date a) Environmental Clearance b) Forest Clearance	No. J-12011/7/2004-IA-I, dated 16.04.2005 No. F.No.8-31/94FC (Pt) dated 13.06.2005
4.	Locations a) District(s) b) State(s) c) Latitude d) Longitude	Kullu Himachal Pradesh 31° 20' 25" to 32° 25' 0" N 76° 56' 30" to 77° 52' 22" E
5.	Address for Correspondence a) Address of concerned Project Head(with pin code & telephone/ Fax nos.) b) Address of concerned HOD in Corporate Office(with pin code& Telephone/fax nos.)	General Manager (I/c), Parbati –III Power Station, NHPC Ltd., Village-Behali, PO – Larji Distt-Kullu, (HP)-175122. Tel: 01903- 235101, Fax: 01903-235102. Executive Director (Environment & Diversity Management Division), NHPC Office Complex, Sector-33, Faridabad (Haryana)-121003 Tel: 0129-2250111
6.	Details of Environmental Management Plans	As per Annex-I
7.	Break- up of the Project area (Land details) a) Submergence area (Forest & Non-Forest) b) Others	Total Land requirement: 137.2223 ha a)i)Forest Land- 12.9389 ha ii)Non- Forest land- 2.6684 ha b)i)Forest Land - 78.3034 ha ii)Non- Forest land - 43.3116 ha
8.	Breakup of the Project affected population with enumeration of those losing houses/ dwelling units only, agricultural land only, both dwelling unit and agricultural land and landless labourers / artisans. a) SC/ST/Adivasi's b) Others	Total no. of PAFs: 406 a) SC/ST- 71 b) Others - 335

9.	Financial details a) Project cost as originally planned and subsequent revised estimates and the years of price reference. b) Actual expenditure incurred on the project so far c) Allocations made Environmental Management d) Actual expenditure incurred on the environmental management plans so far.	Rs. 2304.55 Cr. (including IDC of Rs. 190.51 Cr.) at May 2005 Price level. Rs 2,539.75 Cr. (approved RCE) Rs 68.09 Crores (Breakup attached as Annex-I) and Rs 5.52 Cr. against NPV. Rs. 107.72 Cr. excluding Rs 5.52 Crores towards NPV of Forest land.
10.	Forest Land requirements a) Status of approval for diversion of forest land for non- forestry use b) The status of clear felling in forest land	(a) Diversion of 91.2423 ha Forest land has been approved by MOEF vide letter No.F.No.8-31/94C (Pt) dated 13.06.2005. (b) H.P. State Forest Deptt. has completed the process of felling of trees from diverted forest land.
11.	Status of construction a) Date of commencement (Actual and /or planned) b) Date of completion (Actual and/or planned)	(a) November 2005 (Actual) (b) 31st March 2014 (Actual)
12.	Reasons for the delay. If the project is yet to be started.	Not applicable. Project has already been commissioned in 2014
13.	Details of site visits a) By Monitoring Committee b) By Regional Office	(a) The 12th meeting of Environment Monitoring Committee was conducted on 19th November, 2025. (b) The representative of RO, MOEF&CC, Shimla Dr. A.K. Das, Asstt. Director participated in the EMC Meeting held on 19th November 2025 at Nagwain.
14.	Brief note on the status of compliance of conditions stipulated by MOEF	Enclosed as Annex-II.

Annex – I

Details of budget allocation and expenditure incurred on Environment Management Plan of Parbati-III Power Station (till March 2026)			
S. No.	Environment Management Plans	Budget Allocation (Rs in lakhs) as per Govt. of HP letter dt. 26.12.2005	Expenditure incurred (Rs in Lakhs)
1	CAT Plan	2529.51	2529.51
2	Compensatory Afforestation	83.11	172.43
3	Fisheries Development	130.00	130.00
4	Green Belt Development	130.00	21.28
5	Landscaping & Restoration	175.00	61.91
6	Muck Disposal Plan	513.15	610.93
7	Free Fuel Provision #	50.00	50.00
8	Reservoir Rim Treatment	115.00	841.50
9	Solid Waste Management/STP	75.00	94.67
10	Disaster Management Plan	300.00	240.80
11	Health Management plan	590.00	511.41
12	Village Road & Community Development Schemes (including LADF)	1800.00	4577.00
13	Resettlement & Rehabilitation (R&R) Plan	238.00	825.74
14	Environment Monitoring	80.00	105.63
	Total(Rs in Lakh)	6808.77	10772.81
# - Under the scope of Contractors as per Contract Agreement.			

Annex-II

Specific Conditions as per EC (Sl. No.3 Part A)	Status of the compliance												
(i) Catchment Area Treatment Plan as has been proposed should be completed in five years.	As per requisition of fund from Forest Department, total fund of Rs 2529.51 lakhs has been released by project in a phased manner against approved CAT Plan as detailed below: - <table border="1" data-bbox="675 577 1445 1032"> <thead> <tr> <th>Year</th><th>Fund released (Rs in Lakhs)</th></tr> </thead> <tbody> <tr> <td>2006 (1st& 2nd installment)</td><td>651.427</td></tr> <tr> <td>2009 (3rd installment)</td><td>1837.5497</td></tr> <tr> <td>2006 to 2009 for vehicle & equipment to Forest Deptt</td><td>22.6741</td></tr> <tr> <td>2011: Balance fund for Vehicle & Equipment</td><td>17.8542</td></tr> <tr> <td>Total</td><td>2529.505</td></tr> </tbody> </table> The implementation of CAT works started during the FY 2010-11 in Seraj Forest Division and Great Himalayan National Park in Sainj Valley. Forest department has raised afforestation over 1116 ha of land under CAT plan so far. The total utilization details of fund amounting to Rs 1669.93 lakhs till March 2025 has been provided by State forest Deptt. CAT works are in progress.	Year	Fund released (Rs in Lakhs)	2006 (1 st & 2 nd installment)	651.427	2009 (3 rd installment)	1837.5497	2006 to 2009 for vehicle & equipment to Forest Deptt	22.6741	2011: Balance fund for Vehicle & Equipment	17.8542	Total	2529.505
Year	Fund released (Rs in Lakhs)												
2006 (1 st & 2 nd installment)	651.427												
2009 (3 rd installment)	1837.5497												
2006 to 2009 for vehicle & equipment to Forest Deptt	22.6741												
2011: Balance fund for Vehicle & Equipment	17.8542												
Total	2529.505												
(ii) The implementation of fishery development plan should be carried out in consultation with the State Fisheries Department and submitted to MOEF within three months from date of issue of this letter.	The Fisheries Development Plan duly prepared by HP State Fisheries Deptt. was submitted to MOEF vide NHPC's letter dated 15.06.2005. The Plan has been implemented by HP State Fisheries Deptt. for which total payment amounting to Rs 130 lakhs was deposited by the Project during January-March 2006. As per the status of progress received from State Fisheries Deptt. in December 2012, the entire amount of Rs 130 lakhs has been fully utilized for part funding of Trout Fish seed farm at Hamni in Distt. Kullu. The fish farm is operational and the capacity of trout fish farm is 8 ton per year. Further, in order to propagate fisheries in Sainj River, Fisheries Department has released about 12000 seeds of brown trout in the upstream of the reservoir Parbati-III HEP on dated 10.04.2019 and 15600 seeds on dated 08.04.2021. The plan stands completed.												

(iii) Detailed R & R Plan should be prepared and submitted to MOEF within three months from the date of issue of this letter.	Detailed R&R Plan was submitted to MOEF vide NHPC's letter dated 12.05.2005. Further, the R&R Scheme for Parbati-III Project was notified by Govt. of Himachal Pradesh during 2006.
(iv) A Management plan for medicinal plant in the catchment area and specifically for those affected by the submergence should be prepared and submitted to MOEF within three months from date of issue of this letter.	Management Plan was prepared through G.B. Pant Institute of Himalayan Environment and Development, Kullu and submitted to MOEF on 24.08.2005. The plan stands completed.
(v) During the lean season 1.15 cumecs water should be released downstream of the dam.	Provision has been made in the dam body to ensure release of required environmental flow during the lean season. An e-flow measuring device has also been installed for online monitoring of e- flow as per direction of HP State Pollution Control Board.
General Conditions as per EC (Sl. No.3 Part B)	
(i) Adequate free fuel arrangement should be made for the labour force engaged in the construction work at project cost so that indiscriminate felling of trees is prevented.	(i) & (ii) The construction work of project has been completed and the project stands commissioned on 31 st March 2014. As such, this condition is no longer relevant.
(ii) Fuel depot may be opened at the site to provide the fuel (kerosene/wood/LPG). Medical facilities as well as recreational facilities should also be provided to the labourers.	
(iii) All the labourers to be engaged for construction works should be thoroughly examined by health personnel and adequately treated before issuing them work permit.	The construction work of project has been completed and the project stands commissioned on 31 st March 2014. As such, this condition is no longer relevant. However, after commissioning of project, the benefits of medical facilities available in project are also being extended to local villagers as well as labourers engaged in Running & Maintenance works.

Details of patients treated in the project dispensaries during the last six months (October 2025 to March 2026) are as under :

Sl. No.	Months-Year	Nos. of patients Treated		
		NHPC Staff	Local Peoples	Contract labour
1.	October 2025	52	97	47
2.	November 2025	63	104	49
3.	December 2025	61	114	56
4.	January 2026	99	84	64
5.	February 2026	70	83	55
6.	March 2026	113	98	56
	Total	458	580	327
Grand Total		1365		

(iv) Restoration of construction area including dumping site of excavated materials should be ensured by leveling, filling up of burrow pits, landscaping etc. The area should be properly treated with suitable plantation.

Out of total 08 dumping sites (DS) the restoration works at seven dumping sites (DS No-1, 2, 4, 5, 6(i), (ii), & DS-7) have been taken up. Further, maintenance/additional plantation works at dumping sites are being carried out in association with State Forest Department (Banjar), for which Project has released payment of Rs. 46.54 lakhs by Parbati-III vide letter dated 03.03.2017. Out of which Forest Department has utilized Rs 45.36 lakhs has been utilized for plantation over DS-4 and DS-7. Further, an amount Rs. 43.44 lakhs (including GST) was also released to State Forest Department in March 2019 by NHPC for restoration of DS-2. At dumping site DS-3, lifting of dumped muck from this site is being done by local crushers as per permission granted by State Mining Deptt.

So far, Dumping sites Nos-4,5,6 (i) & (ii) and DS-7 have been handed over back to State Forest Department on dated 26.06.2018 as per the condition-xiv of Forest clearance dated 13.06.2005.

(v) Financial provision should be made in the total budget of the project for implementation of the above suggested safeguard measures.

Budget Provision for implementation of EMP has been made in total Project cost as per the provision of Govt. of HP letter dated 26.12.2005.

(vi) A Monitoring Committee for

The State Govt. vide its notification dated 17.10.2003 had

R&R should be constituted which must include representatives of project-affected persons from a woman beneficiary.	constituted a <i>District level Parbati Project Oustees Rehabilitation and Advisory committee</i> , which was further extended for two years in June 2006 to monitor the progress of implementation of R&R works.
(vii) A Multidisciplinary committee should be constituted with representatives from various disciplines of forestry, ecology, wildlife, soil conservation, NGO etc. to oversee the effective implementation of the suggested safeguard measures.	A multidisciplinary monitoring committee was constituted in March 2006 to oversee the effective implementation of the environmental safeguards measures. The 12th meeting of the members of Monitoring Committee was held on 19th November, 2025, wherein the implementation status of environment safeguard measures was monitored.
(viii) Six monthly monitoring reports should be submitted to the Ministry and its Regional Office, Chandigarh for review.	Six monthly report was regularly submitted to the Ministry and its concerned Regional Office, Since November 2021, Six monthly Report is being submitted to Integrated Regional Office (IRO, MOEF&CC), Shimla along with MOEF&CC, New Delhi. The last report was submitted to MOEF&CC through letter dt. 25.11.2025 to Integrated Regional Office, Shimla, Himachal Pradesh.
4. Officials from Regional Office MOEF, Chandigarh who would be monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents / data by the project proponents during their inspection.	Power station is extending full co-operation to the officials from RO, MOEF & CC (Chandigarh) & IRO, Shimla during their inspection of sites.
5. The responsibility of implementation of environmental safeguards rests fully with the NHPC & Government of Himachal Pradesh.	Power station is responsibly complying with environmental safeguard measures as per conditions stipulated in EC letter.
6. In case of change in the scope of the project, project would require a fresh appraisal.	Not applicable, as there is no change in scope of Project and it has already been commissioned in 2014.
7. The Ministry reserves the right to add additional safeguard measures subsequently, if found necessary and to take action including revoking of the clearance under the provisions of the Environment (protection) Act, 1986, to ensure effective implementation of the suggested	NHPC shall comply with implementation of environmental safeguard measures as and when suggested by MOEF & CC.

safeguard measures in a time-bound and satisfactory manner.	
8. This clearance letter is valid for a period of five years from the date of issue of this letter for commencement of construction work.	Project has already been commissioned in 2014.
9. A copy of the clearance letter shall be marked to concerned Panchayat, if any, from whom any suggestion representation has been received while processing the proposal.	Complied with.
10. State Pollution Control Board/ Committee should display a copy of the clearance letter at the Regional Office, District Industries Center and Collector's office! Tehsildar's office for 30 days.	Complied with.
11. The project proponent should advertise at least in two local newspapers widely circulated in the region around the project, one of which shall be in the vernacular language of the locality concerned informing that the project has been accorded environmental clearance and copies of clearance letters are available with the State Pollution Control Board / Committee and may also be seen at Website of the Ministry of Environment and Forests at http://www.envfor.nic.in	Complied with.
