Subject:- ~~Chamera H.E. Project Stage I~~ (3 x 180 MW), H.P.-
Environmental Clearance of:

....

Dear Sir,

I am pleased to inform you that the above project has been considered by the Environmental Appraisal Committee and approved from environmental angle subject to the effective implementation of the following safeguards during the execution of the project:

- (i) Adequate fuel arrangements should be made, free of cost, during the construction for the labour force to avoid indiscriminate felling of trees in the neighbourhood.
- (ii) Restoration of land in the construction area, to the extent possible, should be undertaken to prevent further soil erosion.
- (iii) Extensive afforestation should be taken up in Catchment at project cost. A master plan should be prepared to rehabilitate the oustees.
- (iv) A mechanised lift should be included in the design of the dam to permit transfer of migratory fish species;
- (v) A monitoring committee be constituted in consultation with DOE, to oversee the implementation of the recommendations.

2. Any assistance required for the implementation of the safeguards shall be gladly extended by the Department.

Thanking you,

Yours faithfully

S. Maudgal
