ELIGIBLE INVESTORS

All QIBs, and any non-QIB Investors specifically mapped on the EBP Platform.

ELECTRONIC BOOK MECHANISM COMPLIANCE

ISSUE will be in compliance with EBP operating guidelines, allotment and bidding procedure. This General Information Document will be uploaded on BSE Limited/NSE Limited in compliance with the applicable EBP Guidelines of the Stock Exchange.

PRIVATE PLACEMENT

The issue under this GID is being made strictly on a private placement basis. It is not and should not be deemed to constitute an offer to the public in general. It cannot be accepted by any person other than to whom it has been specifically addressed. The contents of this General Information Document are non-transferable and are intended to be used by the parties to whom it is distributed. It is not intended for distribution to any other person and should not be copied / reproduced by the recipient for any purpose whatsoever. The information contained in this document has certain forward-looking statements. Actual result may vary materially from those expressed or implied, depending upon economic conditions, government policies and other factors. Any opinion expressed is given in good faith but is subject to change without notice. No liability is accepted whatsoever for any direct or consequential loss arising from the use of this document. NHPC does not undertake to update this document to reflect subsequent events and thus it should not be relied upon without first confirming the accuracy of such events with NHPC.

TERMS OF EACH ISSUE IN RELEVANT KEY INFORMATION DOCUMENT (KID)

The terms of each Issue shall be set out in the respective Key Information Document. GID provides an overview of each Issue process and certain disclosures of the Issuer and Investor in respect of the Bonds under a Series and each Issue. This General Information Document shall be subject to the terms and conditions pertaining to the Bonds under a Series as modified / supplemented by the terms of the respective Key Information Document filed with the Stock Exchange in relation to such Issue and other documents in relation to such issuance. The terms and conditions contained in this General Information Document shall be read in conjunction with the provisions contained in the respective Key Information Document, and in case of any repugnancy, inconsistency or where there is a conflict between the terms and conditions as are stipulated in the respective Key Information Document on one hand, and the terms and conditions in the General Information Document on the other, the provisions contained in the Key Information Document shall prevail over and override the provisions of this General Information Documents for all intents and purposes.

ISSUER's Absolute Responsibility

NHPC Limited, having made all reasonable inquiries, accepts responsibility for and confirms that this placement document contains all information with regard to NHPC Limited and the issue which is material in the context of the issue, that the information contained in the placement document is true and correct in all material aspects and is not misleading, that the opinions and intentions expressed herein are honestly stated and that there are no other facts, the omission of which make this document as a whole or any of such information or the expression of any such opinions or intentions misleading.

Investment in debt instruments involves a degree of risk and Investors should invest any funds in the Issue only after reading the risk factors in the General Information Document carefully including the risk involved. Specific attention of the investors is invited to the section "Management's perception to Risk Factors" in PAS-4 of General information Document. The securities have not been recommended or approved by SEBI nor does SEBI guarantee the accuracy or adequacy of this Key Information Document.

AUTHORITY TO THE ISSUE

The present issue of Bonds is being made pursuant to:

- I. Board resolution (s) passed by the Board of Directors in its meeting held on 12.12.2024.
- II. Shareholders' approval u/s 180 (1) (c) of the Companies Act 2013 authorizing Board of Directors for borrowings from time to time not exceeding in aggregate at any time of Rs. 50,000 crore obtained through postal ballot process held on 28th August 2024.

DISCLAIMER**GENERAL DISCLAIMER**

This General Information Document is neither a Prospectus nor a Statement in lieu of Prospectus and is prepared in conformity with Form PAS-4 prescribed under Section 42 of Companies (Prospectus and Allotment of Securities) Rules, 2014 and in accordance with SEBI Debt Regulations, as amended. This document does not constitute an offer to the public generally to subscribe for or otherwise acquire the Bonds to be issued by the Issuer. The document is for the exclusive use of the Institution(s)/investors to whom it is delivered and it should not be circulated or distributed to third party(ies). The Company certifies that the disclosures made in this document are generally adequate and are in conformity with the captioned Companies Act provisions and SEBI Debt Regulations. This requirement is to facilitate investors to take an informed decision for making investment in the proposed Issue.

DISCLAIMER OF THE ISSUER

The Issuer confirms that the information contained in this General Information Document is true and correct in all material respects and is not misleading in any material respect. All information considered adequate and relevant about the Issue and the Company has been made available in this General Information Document and relevant Key Information Document for the use and perusal of the potential investors and no selective or additional information would be available for a section of investors in any manner whatsoever. The Company accepts no responsibility for statements made otherwise than in this General Information Document or any other material issued by or at the instance of the Issuer and anyone placing reliance on any other source of information would be doing so at his/her/their own risk. Although every effort has been made to provide accurate and up-to-date information in this document, however, there is the possibility that an unintentional omission or error exists.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC is not responsible for any such unintentional errors or omissions. Prospective subscribers must make their own independent evaluation and judgment before making the investment and are believed to be experienced in investing in debt markets and are able to bear the economic risk of investing in Bonds. It is the responsibility of the prospective subscribers to have obtained all consents, approvals or authorizations required by them to make an offer to subscribe for, and purchase the Bonds. It is the responsibility of the prospective subscribers to verify if they have necessary power and competence to apply for the Bonds under the relevant laws and regulations in force. Prospective subscribers should conduct their own investigation, due diligence and analysis before applying for the Bonds. Nothing in this General Information Document should be construed as advice or recommendation by the Issuer or by the Arrangers to the Issue to subscribers to the Bonds. The prospective subscribers also acknowledge that the Arrangers to the Issue do not owe the subscribers any duty of care in respect of this private placement offer to subscribe for the Bonds. Prospective subscribers should also consult their own advisors on the implications of application, allotment, sale, holding, ownership and redemption of these Bonds and matters incidental thereto.

DISCLAIMER OF THE SECURITIES & EXCHANGE BOARD OF INDIA

The Securities have not been recommended or approved by SEBI nor does SEBI guarantee the accuracy or adequacy of this document. It is to be distinctly understood that this document should not, in any way, be deemed or construed that the same has been cleared or vetted by SEBI. SEBI does not take any responsibility either for the financial soundness of any scheme or the project for which the Issue is proposed to be made, or for the correctness of the statements made or opinions expressed in this document. This requirement is to facilitate investors to take an informed decision for making investment in the proposed issue

DISCLAIMER OF THE STOCK EXCHANGE(S)

As required, a copy of this General Information Document has been/will be submitted to the Stock Exchange(s) for hosting the same on their websites. It is to be distinctly understood that such submission of the document with Stock Exchange(s) or hosting the same on its website should not in any way be deemed or construed that the document has been cleared or approved by stock exchange; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this document; nor does it warrant that this Issuer's securities will be listed or continue to be listed on the Exchange(s); nor does it take responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of the Company. Every person who desires to apply for or otherwise acquire any securities of this Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Stock Exchange(s) whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription/ acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever.

DISCLAIMER OF THE ARRANGERS TO THE ISSUE

It is advised that the Issuer has exercised self-due-diligence to ensure complete compliance of prescribed disclosure norms in this Document. The role of the Advisors and Arranger to the Issue (collectively referred to as "Arranger"/ "Arranger to the Issue") in the assignment is confined to marketing and placement of the debentures on the basis of this Offer Letter as prepared by the Issuer. The Arranger have neither scrutinized/ vetted nor have they done any due-diligence for verification of the contents of this Offer Letter. The Arranger shall use this Offer Letter for the

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

purpose of soliciting subscription from a particular class of eligible investors in the debentures to be issued by the Issuer on private placement basis. It is to be distinctly understood that the aforesaid use of this Offer Letter by the Arranger should not in any way be deemed or construed that the Offer Letter has been prepared, cleared, approved or vetted by the Arranger; nor do they in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Offer Letter; nor do they take responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of the Issuer. Arranger is not responsible for compliance of any provision of new Companies Act, 2013. The Arranger or any of their directors, employees, affiliates or representatives do not accept any responsibility and/or liability for any loss or damage arising of whatever nature and extent in connection with the use of any of the information contained in this Offer Letter.

DISCLAIMER OF THE DEBENTURE TRUSTEE

The debenture trustee is not a guarantor and will not be responsible for any non-payment of interest and redemption and/or any loss or claim.

(II) A brief summary of the business of NHPC and Subsidiaries:**i) Overview**

We are a Navratna power generating company through conventional & non-conventional sources. We are dedicated to the planning, development and implementation of an integrated and efficient network of power projects in India. We plan, formulate & execute all aspects of the development of conventional & non-conventional sources, from concept to commissioning.

Our Total Installed Capacity is 7232.90 MW from 28 Nos of Power Stations. We have commissioned 20 Hydroelectric Power Stations of 5451.20 MW, 1 Solar Power Station of 50 MW capacity and 1 Wind Power Stations of 50 MW capacity on standalone basis. Total installed capacity of 1681.70 MW includes two hydro power stations and two solar Power Stations with a combined capacity of 1,616 MW constructed and operated through our Subsidiary, NHDC and one Solar Power Station each with installed capacity of 65 MW & 0.70 MW, constructed and operated through our Subsidiaries, BSUL and NHPC REL respectively. Our Power Stations and Projects are located in the states/UTs of Jammu & Kashmir, Ladakh, Himachal Pradesh, Uttarakhand, Arunachal Pradesh, Assam, Manipur, Sikkim, West Bengal, Gujrat, Odisha, Kerla, Andhra Pradesh, Rajasthan and Tamilnadu. Our Subsidiaries NHDC, LTHPL, JPCL, CVPPL, RHLPL, BSUL & NHPC REL are having projects in Madhya Pradesh, West Bengal, Jammu & Kashmir, Uttar Pradesh and Rajasthan.

On standalone basis, our Company has generated 21773 MUs (including 72 MU from Wind Power Station, Jaisalmer 93 MU from Soar Power Station) during FY -2023-24.

Currently, NHPC along with its JVs and subsidiaries has 15 Projects with 10604 MW capacity in the construction stage (consisting 9 Hydro projects with 9314 MW capacity and 6 Solar projects with 1290 MW capacity) and 12 projects with 9727 MW capacity under pipeline at different stages (consisting 10 Hydro projects with 8327 MW capacity and 2 Solar projects with 1400 MW capacity).

Completed Projects:

We have set forth below the details of all our completed projects:

Power Station	State/ UT	Installed Capacity (MW)	Year of Commissioning	Tariff (2024-25)* (Rs./Kwh)

***Tariff for 2024-25.**

Presently, bills are being raised as per tariff determined by CERC for FY 2023-24, as petitions for the period 2024-29 are yet to be submitted in CERC.

**** Tariff as per PPA.**

Hydro Projects

We have set forth below the details of all our hydroelectric projects, which are currently under construction:

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

A. Hydro Projects under construction: -

HYDRO PROJECTS - NHPC OWNED

PROJECT	Installed Capacity (MW)	CCEA Approval		Revised		Likely commissioning
		Cost (₹ Crore)	Price Level	Cost (₹ Crore)	Price Level	
Parbati II ¹ (4x200) (Himachal Pradesh)	800	3,919.59	Dec'01	12160.00	at completion cost	Mar'24
Subansiri Lower ² (8x250) (Arunachal Pradesh / Assam)	2000	6,285.33	Dec'02	21247.54	at completion cost (under revision)	May'26
Dibang MPP ³ (12x240) (Arunachal Pradesh)	2880	31876.39	May' 21	-	-	Feb, 32
Total	5680	42081.31				

1. All units have been successfully synchronized with grid at part-load in September 2018 (Ist and IInd unit) and in September, 2019 (IIIrd and IVth unit) by using discharge from Jiwa Nallah. Day lighting of 31.5 km long Head Race Tunnel has been achieved. Project is anticipated to be commissioned by **March, 25**.
2. Dam concreting has been completed on 29.06.2023. Power House civil works is under progress. Boxing up of Unit 1 and Unit 2 has been completed. Erection work at various fronts of E&M is in progress and fabrication work of Penstock liner is in progress. 3 units are likely to be commissioned by March 2025 and remaining 5 units by **May'26**.
3. CCEA investment approval has been accorded on 27.02.2023 for the implementation of Dibang Multi-Purpose Project (2880 MW), Arunachal Pradesh with estimated cost of ₹ 31,876.39 crore at May 2021 price level. This includes grant of ₹ 6159.40 crore towards flood moderation component and ₹ 556.15 crore for Enabling Infrastructure (i.e. roads / bridges) by Govt. of India. The Project is scheduled to be completed by **Feb, 32**. Major works of the Project have been awarded (05 packages) / under tendering Process (02 packages). Work is in progress in the awarded packages.

4. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a joint venture between NHPC (51 %) & JKSPDC Ltd. (49 %). MOP on 28.10.2014 has conveyed the Cabinet Sanction of the project at an estimated cost of ₹ 8112.12 crore at Mar'13 price level. Hon'ble Prime Minister has laid the foundation stone of Project on 19.05.2018. All contract packages have been awarded. Works are in progress in all packages. Anticipated completion of project is **Sept'26**.
5. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a joint venture between NHPC (51 %) & JKSPDC Ltd. (49 %). Investment sanction received from Govt. of India with estimated cost of ₹4287.59 crore (Jul'18 PL). Hon'ble Prime Minister has laid the foundation stone of Project on 03.02.2019. Works have been awarded and construction activities are in progress in all work packages. Anticipated completion of project is **Sept'26**.
6. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a joint venture between NHPC (51 %), JKSPDC Ltd.(49 %). Investment sanction received from Govt. of India with estimated cost of ₹4526.12 crore (Sep'20 PL). Civil works packages awarded and works is in progress. Tendering work is in progress for award of HM and E&M works. Anticipated completion of project is **Dec' 27**.
7. LTHPL was acquired by NHPC through Corporate Insolvency Resolution Process (CIRP) in October, 2019 and is a wholly owned subsidiary of NHPC developing 500 MW Teesta VI HE

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Project in Sikkim. The project is under construction and expected to be commissioned by **Dec'27**.

8. JPCL was acquired by NHPC through CIRP in March, 2021 and is a wholly owned subsidiary of NHPC developing Rangit-IV HE Project in Sikkim. The project is under construction and expected to be commissioned by **Dec'25**.
9. This project is being implemented by Ratle Hydroelectric Power Corporation Limited (RHPCL), a joint venture between NHPC and JKSPDC Ltd. (A Jammu & Kashmir government undertaking). The Company has been incorporated in Jun'21. Investment sanction received from Govt. of India with estimated cost of ₹ 5281.94 crore (Nov'18 PL). Hon'ble Prime Minister has laid the foundation stone of Project on 24.04.2022. EPC Contract awarded on 18.01.2022. Works are in progress. Anticipated completion of project is **Dec'27**.

B. Hydro Projects Awaiting Clearances:

The hydroelectric projects including our joint venture projects detailed below are awaiting final sanction from the CCEA:

S.No.	Projects	State	Proposed Installed Capacity (MW)
A. Hydro Projects under clearance-Standalone			
1	Teesta IV (4X130)	Sikkim	520
2	Dugar (4 x103 + 2x44)	Himachal Pradesh	500
3	Sawalkot (6x225+1x56)	UT of Jammu & Kashmir	1856
4	Uri-I Stage-II (2x120) ⁴	UT of Jammu & Kashmir	240
		Total (A)	3116
B. Hydro Projects under clearance- Subsidiary			
5	Kathai-II (6x140 + 2x35 + 2x10)	UT of J&K (JV With JKSPDCL)	930
6	Loktak D/S (2X33)	Manipur, (JV between NHPC 74% % Govt. of Manipur 26%) LDHCL	66
		Total (B)	996

C. Hydro-Project under FR/DPR Preparation- Standalone

7	Dulhasti Stage-II	UT of Jammu & Kashmir	260
8	Kamla HEP	Arunachal Pradesh	1720
9	Subansiri Upper	Arunachal Pradesh	1605

D. PSP-Project under FR/DPR Preparation- Standalone

10	Maharashtra	7350
11	Madhya Pradesh	2940
12	Gujrat	900
13	Odisha	1000
14	Andhra Pradesh	1800
15	Tripura	800

Notes:

- Teesta IV:** All statutory clearances received except forest clearance (stage-II). FRA Compliance is underway. Approval for pre-investment activities is available. PIB memo based on CEA vetted cost at Apr'21 PL, after incorporating comments of appraising departments submitted to MoP. FC (Stage-II) is pending for want of compliance under FRA-2006, for which Gram Sabha meetings at remaining 3 Gram Panchayat Units (GPU's), out of total 10 GPUs and completion of settlement of rights under FRA, 2006 are yet to be resolved. Recently, NHPC vide letter dated 26.04.2024 again requested District Collector, Mangan to take immediate actions to resolve the pending issues.
 - Dugar:** A MoU was signed on 25.09.2019 between NHPC and GoHP for implementation of the Project on BOOT basis for 70 years. Detailed Project Report (DPR) has been submitted to CEA on 25.11.2020. CEA accorded the Concurrence on 26.04.2022. The completion cost of the project is Rs. 4250.20 Crore at Apr' 2021 PL with Levellised Tariff Rs. 4.46/unit as per the concurrence. Subsequently, NHPC signed Implementation Agreement (IA) with Govt. of Himachal Pradesh on dated 26.08.2022.
- The proposal for Environment clearance was recommended by EAC in its meeting on 29.08.2022 subject to accord of Forest Clearance Stage-I. Status of FC-I was informed to MOEF&CC vide letter dated 19.02.2024 with a request to grant suitable extension of time for submission of FC-I.
 - The proposal was discussed by Forest Advisory Committee (FAC) in its meetings held on 21.08.2023 & 29.11.2023. In the meeting dated 29.11.2023, FAC directed to take up study of the project area, impact of the proposed project and feasibility through a renowned/reputed Institute in the field such as Wadia Institute of Himalayan Geology, Dehradun at the cost of the user agency. As the Wadia Institute could not submit the Proposal for study, State Forest Dept. Shimla has been requested vide letters dated 05.02.2024 and 07.02.2024 for suggesting the name of alternate institute. State Forest Deptt., vide letter dated 21.02.2024

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

has requested MOEF&CC to provide the name of alternate institute for conducting the study. The response is awaited.

- NHPC vide letter dated 18.04.2024 requested Ministry of Defence (MoD) for extension of the validity of defence clearance for Dugar HE Project. MoP vide O.M dated 29.04.2024 has recommended the same. Extension of validity is awaited from MoD.
- Indus Water Treaty clearance by Ministry of Jal Shakti has been accorded on 01.05.2023
- Govt. of HP vide cabinet decision dated 22.08.2023 & notification/corrigendum dated 12.12.2023 (@20% from 1st to 12th year, @30% from 13th to 30th year, @40% from 31th to 40th year & Not less than 50%, beyond 40 years) has altered the terms & conditions agreed in IA for implementation of Dugar HEP and period of concessions from 70 years to 40 years.

The reply dated 17.10.2023 of NHPC to the Show Cause Notice dated 27.09.2023 issued by GoHP was found non-satisfactory by GoHP & vide letter dated 29.12.2023 insisting NHPC for signing of SIA with revised terms & conditions (as per Corrigendum dated 12.12.2023).

- **Writ Petition filed by NHPC:**

As project becomes commercially unviable with the revised terms & conditions, SIA can't be signed. NHPC has filed a writ petition in the Hon'ble High Court of Shimla on 05.02.2024 to quash above Cabinet decisions/notifications/corrigendum.

The case was heard on 26.02.2024, 18.03.2024 & 06.05.2024. The next date of hearing is scheduled on 02.07.2024. In pursuance of the directions of Hon'ble court of Shimla for amicable settlement, the issues were discussed on 15.03.2024 & 03.05.2024 by representatives of NHPC and GoHP at Shimla. Minutes of the meetings issued. As per the deliberations of meeting dated 03.05.2024, NHPC vide letter dated 11.06.2024 furnished the information on concessions/exemptions granted by State Governments to HE projects and Physical progress & financial investment of Dugar HE Project to DoE, GoHP.

- **High Level Deliberations:**

The matter was discussed in a meeting held between Hon'ble Chief Minister, GoHP and Hon'ble Minister of Power and Renewable Energy, GoI on 05.01.2024. Thereafter, issues were deliberated in various meetings convened by Secretary (Power) and Member (Hydro), CEA with representatives of CEA, NHPC, SJVNL & GoHP.

3. **Sawalkot:** MOU has been signed between NHPC Ltd. and JKSPDCL on 03.01.2021. The project shall be executed by NHPC on BOOT basis for the period of 40 years. Agreement for handing over / taking over signed between NHPC and JKSPDC on 11.12.2021 & NHPC has taken over the Project. CEA accorded transfer of appraisal in favour of NHPC from JKSPDC and extension of validity of appraisal on 25.03.2022 up to 17.04.2024. Further extension of validity of appraisal is under process. The Ministry of Power has accorded approval on 12.07.2022 for incurring expenditure on pre investment activities for an amount of ₹ 973 crore at Nov.2021 Price Level. CEA vide letter dated 27.12.2022 vetted the cost estimates of hard cost, IDC/FC and tariff of Sawalkot HEP at completion level for an amount of Rs. 22704.80 crores including Rs. 4593.41 crores for IDC and Rs. 1124.20 crores for enabling

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

infrastructure. NOC from Ministry of Defence is under process in MoD. Process for obtaining Environment clearance and forest clearance is in progress.

4. **Uri-I Stage-II:** MOU has been signed between NHPC Ltd. and JKSPDCL on 03.01.2021. The project shall be executed by NHPC on BOOT basis for the period of 40 years. Defence clearance has been accorded by MoD on 25.02.2022. DPR of Uri-I Stage-II HEP was concurred by CEA vide O.M dated 07.03.2023 amounting to ₹2526.79 crore at completion level including ₹249.45 crores for IDC and ₹26.20 crores for enabling infrastructure. Public Hearing conducted on 21.12.2023 and proposal for EC submitted to MOEF&CC on 27.02.2024. FRA certificate was issued on 29.04.2024 by the office of DC Baramulla. Forest Clearance proposal was discussed by FAC, MoEF&CC on 30.04.2024 and interalia suggested to carry Cumulative Impact Study and Carrying Capacity Study of Jhelum River Basin. NHPC vide letter dated 28.05.2024 requested APCCF, Govt. of J&K to submit the proposal for exempt the condition of the guidelines issued by the Ministry. Response from APCCF, Govt. of J&K is awaited.
5. **Kirthai-II :** MoU signed on 03.01.2021 between NHPC and JKSPDC for execution of Kirthai-II (930MW) Hydroelectric Project by CVPPPL & other Projects by NHPC. The DPR prepared by M/s JKSPDC Ltd. was appraised by CEA vide OM dated 16.06.2019. The Appraisal has been transferred in the name of CVPPPL by CEA on 29.12.2021. CEA accorded the extension of validity of appraisal on 29.08.2022 up to 13.06.2024. Further extension of validity of appraisal is under process. Balance investigation works are in progress in compliance to DPR concurrence. EAC had recommended for grant of Environment clearance (EC) to the project on 15.04.2021. MOEF & CC vide letter dated 24.05.2021 has intimated JKSPDC that Environment Clearance shall be accorded after Stage-I Forest Clearance is granted. Approved CAT Plan and Biodiversity Management Plan submitted to DFO Kishtwar on 03.07.2021. Vide letter dated 30.11.2021 MOEF & CC was requested to issue EC in favour of CVPPPL. Defence Clearance has been accorded by MoD on 24.03.2022. Application of FC-I on Parivesh Portal of MOEF&CC submitted on dated 19.10.2022.
6. **Loktak Downstream HE Project:** All statutory clearances of project except CCEA are available. PPA signed between Govt. of Manipur and LDHCL on 31.08.2020. PIB Memo meeting held on 14.07.2021. As per PIB minutes, Cost (at completion) of Project without & with establishment cost till zero date, likely year wise phasing of expenditure at Completion Cost (including establishment cost till zero date) during project cycle and funds to be made available by State Govt. of Manipur & Tariff calculations furnished to MoP vide letter dated 16.08.2021 for further direction & necessary action. NHPC shared the above information with Govt of Manipur as per direction of PIB vide letter dtd 19.08.2021. Additional Secretary, MoP & Secretary (Power), MoP vide DO dated 05.10.2021 & 22.11.2021 respectively requested Chief Secretary, Govt of Manipur to look into the matter and expedite the confirmation of Govt. of Manipur. Secretary (Power) vide DO dtd 24.03.2022 conveyed to Chief Secretary, Manipur that as commitment from Government of Manipur towards the project is still awaited, the Ministry is now constrained to drop the ongoing proposal. Comments of JS (Power), GoM dated 23.06.2022, forwarded by MSPCL to LDHCL on 30.06.2022, were replied by NHPC on 13.07.2022. Same was further submitted to MSPCL by LDHCL on the same day. CEA has declined to extend the validity of the concurrence of DPR vide their letter dt 04.08.2022.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

LDHCL's Board of Directors in its 66th meeting held on 07.08.2023 has directed to initiate the closure procedure of company and authorized CEO of the company to start writing to the promoters for closure of the Project. LDHCL's Board of Directors in its meeting held on 06.11.2023 has directed to initiate the closure procedure of the LDHCL in a timely manner. Board of Directors of NHPC in its 478th meeting held on 27.03.2024 accorded 'In-principal approval for closure of LDHCL' subject to approval of DIPAM, MoP and Govt. of Manipur.

7. **Dulhasti Stage-II:** MOU has been signed between NHPC Ltd. and JKSPDCL on 3rd Jan'21 for implementation of Dulhasti Stage-II HEP on BOOT basis for 40 years. 1st Consultation Meeting with CEA for preparation of DPR was held on 17.03.2021 and Minutes of Meeting (MOM) was issued on 25.03.2021. MoEF&CC has conveyed the approval of Terms of reference (ToR) for EIA & EMP studies of the project on 16.07.2021. EIA & EMP studies are in progress. No Forest clearance is required. All the requisite NOCs have been obtained from concerned State & Central Govt. Authorities. All 14 nos. Pre-DPR chapters have been submitted to concerned directorates of CEA/CWC/GSI/CSMRS etc. and 12 clearances have so far been obtained. DPR is under preparation.

8. **KAMALA HEP (1720 MW):** Memorandum of Agreement (MOA) has been signed between NHPC Ltd. & Govt. of Arunachal Pradesh on 12th Aug'23 for implementation of Kamala HEP (1720 MW) in the State of Arunachal Pradesh. Terms of Reference (TOR) has been applied successfully in PARIVESH Portal of MOEF & CC on 18.03.2024. Forest Proposal (FC1) filed in PARIVESH PORTAL on 25.04.2024. Process for hiring of consultant for EIA-EMP Studies is under process and likely to be finalized soon. Further, Tendering for outsourcing of Agency for conducting of survey work for Reservoir area is under progress.

All 14 nos of Pre-DPR chapters have been submitted to concerned directorates of CEA/CWC/GSI/CSMRS etc. and clearances on 06 Pre-DPR Chapters have so far been obtained. DPR will be submitted soon after receipt of all Pre-DPR clearances.

9. **SUBANSIRI UPPER HEP (1605 MW):** Memorandum of Agreement (MOA) has been signed between NHPC Ltd. & Govt. of Arunachal Pradesh on 12th Aug' 2023 for implementation of Subansiri Upper HEP (2000 MW) in the State of Arunachal Pradesh. TOR uploaded in MOEF&CC Portal on 08.05.2024. LOA has been issued to IIT Roorkee for carrying out Seismic Studies for Subansiri Upper Project.

04 nos. Pre-DPR chapters have been submitted to concerned directorates of CEA/CWC/GSI/CSMRS etc. and clearances for Hydrology including GLOF have so far been obtained. 1st consultation meeting of Subansiri Upper HEP was held in CEA under the chairmanship of Member (Hydro) along with other Stakeholders CWC/GSI/CSMRS etc. on 19th June'24.

10. Pump Storage Projects under FR/DPR Preparation in Maharashtra

An MoU has been signed between NHPC and Deptt. of Energy, Govt. of Maharashtra on 06th Jun'23 to establish the PSP's with a total capacity of 7350 MW with a proposed cumulative investment of Rs. 44,000 Crore within a period of 4 to 5 Years from signing of MoU. The projects assigned to NHPC are as under:

- a) **SAVITRI PSP (2250 MW):** PFR of Savitri PSP has prepared in Aug' 23 and relevant chapters has been submitted to CEA for finalization of project layout. NHPC also submitted PPS

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

chapter of layout finalization to CEA on dated 15th May'24. NIT has been published for Hiring of External Agency/ Consultant for preparation of DPR of Savitri PSP on dated 22nd May'24 and Tendering is under progress.

- b) KENGADI PSP (1550 MW):** The proposed Kengadi PSP is envisaged as an off-stream closed loop in Maharashtra. PFR of Kengadi PSP has been submitted to Govt. of Maharashtra on 22nd Nov'23. The upper reservoir on the tributary of Vaitarna River and the lower reservoir on the tributary of Bhatsa River near Kasara town in Thane District of Maharashtra. Pre-DPR chapter on Hydrological aspects along with Transit Study etc. was submitted to CWC on 15th Dec'23. PFR of Kengadi PSP was submitted to Govt. Maharashtra on 21st Nov'23
- c) KALU PSP (1150 MW):** - The proposed Kalu PSP is envisaged as an off-stream closed loop PSP in Thane district of Maharashtra. Preparation of PFR of Kalu PSP is in progress. Pre-DPR chapter on Hydrological aspects along with relevant documents including transit study etc. were submitted to CWC on dated 26th Dec'23. NIT has been published for Hiring of External Agency/ Consultant for preparation of DPR of Savitri PSP on dated 06th May'24 and Tendering is under progress.
- d) JALOND PSP (2400 MW):** Jalond project area falls under the wild life sanctuary and hence it appears not to be feasible. However, further optimization study is being carried out.

11. Projects under FR/DPR Preparation in Madhya Pradesh

- a) Indira Sagar- Omkareshwar Pump Storage Scheme (640MW):** Ministry of Power (MoP), Gol has directed all CPSUs to explore opportunity to convert or develop Pump storage capacity utilizing the components of existing power stations in Nov' 2021. Accordingly, NHDC approached NHPC to explore the possibility of probable PSPs near Indira Sagar Power Station (ISP) and Omkareshwar Power station (OSP) on 02.12.2021. NHPC submitted the PFR of Indira Sagar Power Station (ISP) and Omkareshwar Power station (OSP) Pump Storage Project (525 MW) on 10.08.2022.

Further after allotment of Project on 7th June'23 & subsequent revision of CEA Guidelines for formulation of DPR in June'23, NHPC submitted the layout chapters to CEA/CWC/GSI/CSMRS in 15th Dec'23. Review meeting to discuss Layout Finalization of ISP-OSP PSP held under the chairmanship of Member (Hydro), CEA on 05.01.2024.

Clearance on Power Potential and Hydrological aspect was obtained on 22.03.24 and 28.03.24 respectively. Geophysical Investigation was carried out by NHPC and the report was submitted to CWC & CSMRS. Joint field visit of NHPC and GSI officials conducted from 20th to 22nd March 23. Tentative completion cost of project is of Rs.4756.47 Cr. and tariff Rs.4.35 / kWh (Without Pumping) at PL Oct'23. DPR submission target date is 31.12.24 and zero date to start the project is proposed as 01.09.26 with time for project completion of 49 months.

- b) Tekwa 2 (800 MW):** PFR Submitted by NHPC to CEA on 10.02.2023. The project is yet to be allotted by the State Government to NHPC/NHDC.
- c) Satpura2 (1500 MW):** PFR for the project was prepared by NHPC and submitted to CEA on 03.04.2024. The project is yet to be allotted by the State Government to NHPC.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

12. PSP Projects under FR/DPR Preparation in Gujarat:

KUPPA PSP (900MW): MoU was signed between NHPC and Govt. of Gujarat on 3rd Jan'24 for establishment of the Project in Gujarat in a time bound manner with investment of Rs.4000 Crore. The commencement of construction is expected by 2024-25. Pre-DPR chapter on Hydrological aspects along with relevant documents including transit study etc. was submitted to CWC on 13.05.24. Preparation of PFR is in progress.

13. PSP Projects under FR/DPR Preparation in Odisha:

NHPC entered into an MOU On 23rd June'2023 with Govt. of Odisha through GRIDCO Limited to establish Pumped Storage Projects (PSPs) and Renewable Energy in the State of Odisha. Currently, NHPC is focused on the development of the Masinta PSP with a planned capacity of 1,000 MW in Odisha. PFR of Masinta PSP has been completed and submitted to GRIDCO and the DPR is under preparation.

14. PSP Projects under FR/DPR Preparation in Andhra Pradesh:

NHPC has signed a MOU with APGENCO on dated 23.08.2023 for implementation of Pumped Storage Projects and other Renewable Energy (Solar/Floating Solar/Wind) Projects in the state of Andhra Pradesh in phases on joint venture Mode with 50:50 shareholding ratios. Joint Venture agreement between NHPC and APGENCO has been signed on 27.09.2024.

Currently, NHPC in collaboration with APGENCO engaged in the implementation of two Pumped Storage Projects in the state: Rajupalem PSP (800 MW) and Yaganti PSP (1,000 MW).

15. PSP Projects under FR/DPR Preparation in Tripura:

The Government of Tripura has allotted four Pumped Storage Projects to NHPC Limited at the Longtharai, Sunitipur, Shantipur, and Sakhan sites for detailed survey and investigation, with subsequent implementation contingent upon their techno-commercial viability. Currently, NHPC is focused on the development of the Longtharai Pumped Storage Project (800 MW) in the state, and the preparation of the Pre-Feasibility Report (PFR) is underway.

Solar Projects

Awarded/Under Construction Stage:

NHPC bagged 1000 MW Capacity Solar Power Project at a Viability Gap Funding (VGF) of Rs. 44.90 Lakh/MW under CPSU Scheme, Phase-II, Tranche-III in the e-Reverse auction conducted by Indian Renewable Energy Development Authority (IREDA). LOA has been issued by IREDA to NHPC on 04.10.2021 for allocation of 1000 MW capacity under CPSU Scheme.

NHPC has awarded EPC Contracts for development of 1000 MW Grid connected Solar PV Project and transmission line for Power Evacuation to ISTS Sub-Station on 12.05.2022

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC has awarded EPC Contract for 40 MW Solar Power Project at Ganjam, Odisha and 50 MW Floating solar park at west Kallada district of Kerala. The project is being developed under Solar Park Scheme.

On 3rd May'2023, NHPC bagged 200 MW Grid Connected Solar photovoltaic Power Projects located in 600 MW Solar Park at Khavda, Gujarat @ Rs 2.73 per unit through Tariff based competitive bidding from GUVNL.

The brief details of the projects under implementation (with scheduled commissioning date) as below:

Sr. No.	Project & Location	Capacity (MW)	Developer	Anticipated COD
Under CPSU Scheme, Phase-II, Tranche-III				
1.	600 MW (Khavda, Kutch, Gujrat)	600MW	M/s Adani Infra (India) Limited	March -2026
2.	300 MW (Bikaner, Rajasthan)	300MW	M/s Tata Power Solar System	March -2025
3.	100 MW (N.P. Kunta, A.P.)	100MW	M/s SSEL-ASR JV	March-2025
Under Solar Park Scheme				
4.	40 MW Solar Power Project at Ganjam, Odisha.	40MW	M/s Apollo Green Energy Limited	June-2025
5.	50 MW Floating solar park at west Kallada district of Kerala	50MW	M/s Apollo Green Energy Limited	Feb-2026
Tariff Based Competitive Bidding (TBCB)				
6.	200 MW Grid Connected Solar photovoltaic Power Projects located in GSEC's RE Park at Khavda, Gujarat (Stage-1):	200MW	M/s Apollo Green Energy Limited	Aug-2025
Total		1290MW		

Under Tendering Stage:

RE Park (Stage-3) at Khavda, Gujarat: On 2 March'2024, NHPC bagged 200 MW Grid Connected Solar photovoltaic Power Project @ Rs 2.66 per unit through Tariff based competitive bidding from GUVNL. NHPC received LOI (Letter of intent) from GUVNL on 14th March'2024 for setting up of 200 MW SPV Projects at solar park. The EPC tender is under Final award stage.

GREEN HYDROGEN

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC has initiated actions for development of Green Hydrogen Technology and following three pilot projects are in pipeline/Implementation:

- i) Pilot Green Hydrogen Based Fuel-Cell Microgrid (25 kWe) at NBPS Guest House, Leh with LOA on 20.04.2023. The work is in progress and likely to be commissioned in FY 2024-25.
- ii) Pilot Green Hydrogen Mobility Station at Kargil, UT of Ladakh. LOA for the work has been issued on 18.12.2023. The work is in progress and likely to be commissioned in FY 2024-25.
- iii) Pilot Green Hydrogen Mobility Station at Chamba, Himachal Pradesh. LOA for the work has been issued on 29.07.2024. The work is in progress and likely to be commissioned in FY 2025-26.

IN JV MODE/THROUGH SUBSIDIARIES

- (i) **Floating solar in Rengali Reservoir, Odisha in JV Mode with GEDCOL:** A MoU for setting up of Joint Venture Company between NHPC and Green Energy Development Corporation of Odisha Limited (GEDCOL) (State Nodal Agency for Renewable Energy) to jointly explore and develop viable floating solar power projects with aggregate capacity of 500 MW in different reservoirs situated has been signed on 20.07.2020. Earlier floated EPC Bid cancelled due to high tariff. Energy Department (Govt of Odisha) sent letter on 14.11.2024 to GRIDCO, OPTCL, OHPC and TPCODL for their views of fresh re tendering of 300 MW Floating Solar Rengali Project through TBCB mode by NHPC LTD.
- (ii) NHPC has also formed a subsidiary with UPNEDA (under UP Government) on 02.02.2015, namely 'Bundelkhand Saur Urja Limited' (BSUL) for development of Solar Power Projects in Uttar Pradesh. The shareholding of NHPC is not less than 74% & that of UPNEDA is not more than 26%. 65 MW Solar power Project at Kalpi Jalaun has already been commissioned on 07.03.2024. BSUL is also in process of development of 1200 MW Solar Power Park under Mode-8 of Solar Park Scheme for which land acquisition is in process. Development of 100 MW Solar projects at Mirzapur and 45 MW Solar Projects at Madhogarh under Solar Park Scheme is also in pipe line through BSUL and the projects are under tendering stage.

NHPC As REIA

- (i) NHPC, as an Intermediary Procurer, has awarded an aggregate capacity of 2000 MW ISTS connected Solar Power projects to the selected 5 nos. of developers. Out of aggregate 2000 MW capacity, 700 MW commissioned and balance 1300 MW are under implementation which are likely to be commissioned during F.Y. 2025-26.
- (ii) NHPC has been allocated 10,000 MW of the Renewable Energy (in REIA mode) as per the bidding Calander of MNRE for FY 2023-24. After bidding, out of entire capacity, NHPC has awarded 3000MW of Solar Projects, 1400MW of FDRE, 960MW of Solar -Wind Hybrid Projects.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

1200MW of the FDRE projects 2100 MW of FDRE under (1200 MW for Firm & Dispatchable (Assured Peak) Power with Green Shoe up to additional 1200 MW).

- (iii) For above awarded capacity PSA has been signed for 4280MW capacity and PSA for the balance capacity is under exploration.
- (iv) In REIA mode 10,200 MW capacity of various Renewable Energy Technologies is proposed to be allocated by MNRE to NHPC under bidding Calander of MNRE for FY 2024-25. Out of which NHPC has awarded 2400 MW (1200 MW Solar with Green Shoe up to additional 1200MW). Also tender for 1200MW Firm & Dispatchable RE (FDRE) – (Assured peak power supply with Green Shoe up to additional 1200MW), 600MW wind Power ,1200MW (Solar + Storage) (with Green Shoe up to additional 1200MW) & 1200 MW Solar (with Green Shoe up to additional 1200MW) are floated and balance capacity shall be tendered as per bidding calendar.

NHPC as REIA (till date projects in various stages):

Sr No	Stage	Capacity (MW)(apprx.)
01	Under implementation /Awarded	11160 MW
02	Under Tendering	4200 MW

Wind Power Project

Wind Power Project in Odisha: MOU between Govt. of Odisha through GRIDCO Ltd and NHPC Ltd for “Development of Pumped Storage Projects (PSPs) and Renewable Energy in the state of Odisha” has been signed on 23.06.2023. NHPC requested to NIWE (National Institute of Wind Energy) for preparing the DPR of wind power project at Deomali at the earliest. Letter of award (LOA) issued to NIWE for carrying out Wind assessment study of the Project.

Pumped Storage:

- MOU Signed on 03.01.2024 b/w NHPC & Govt of Gujarat for development of 750 MW Pump Storage Project in Kuppa Village, Gujarat.
- MOU has been signed between NHPC Limited and Department of Energy, Govt. of Maharashtra on 06.06.2023 for establishment of Kalu (1150MW), Savitri (1800MW), Kengadi (600MW), Jalond (2400 MW).
- Govt. of Tripura vide letter dated 20.12.2023 allotted 4 nos. project sites to develop pumped storage projects at Longtharai, Sunitipur, Shantipur and Sakhan in the State of Tripura.
- JV agreement signing was concluded on 27.09.2024 in presence of Hon’ble Chief Minister of Govt of Andhra Pradesh and CMD NHPC Ltd. Rajupalem PSP is included in JV agreement in PHASE-I development of PSPs in Andhra Pradesh. PFR prepared by M/s. Tata Consulting Engineers Limited, Bengaluru & submitted to Andhra Pradesh Power Generation Corporation (APGENCO).
- A letter received from GRIDCO on 30/10/2024 for preparation of DPR of 1000 MW Masinta PSP in Deogarh District, Odisha.

Roof Top Solar Installation by NHPC under PM Surya Ghar Scheme:

NHPC Limited has been given the mandate for solarization of Government buildings in five allocated states and eight Central Ministries for taking up installation and coverage of roof top solar capacity in mission mode by Dec’2025 as per details below:

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Central Ministries allocated to NHPC:

1. Ministry of Food Processing Industries
2. Ministry of Heavy Industries and Public Enterprises
3. Ministry of Science and Technology
4. Ministry of Water Resources
5. Ministry of Drinking Water & Sanitation
6. Ministry of Environment, Forests & Climate Change
7. Ministry of Law and Justice
8. Ministry of Micro, Small & Medium Enterprises

States allocated to NHPC:

1. Haryana
2. Sikkim
3. UT of J&K
4. Nagaland
5. Manipur

NHPC has further entrusted the Roof Top Solar installation works to 'NHPC Renewable Energy Limited' (NHPC REL).

Central Ministries:

- NHPC published tender for 7.6 MW Rooftop Solar Projects (own Capex) on 24.09.2024 for NHPC own buildings at various locations. The Bid opened on 14.11.2024. Evaluation of tender is under progress.
- Ministry of Food Processing Industries and Ministry of Drinking Water & Sanitation intimated that all available buildings have already been solarized and no feasible space is available for installation of RTS.
- The tender in RESCO mode for following 3 nos. of Ministries of cumulative capacity of 20.64 MW has been processed and shall be published shortly.

(i) Ministry of Science and Technology

(ii) Department of Water Resources, Ministry of Jal Shakti

(iii) Ministry of Heavy Industries and Public Enterprises

- Uploading of RTS data on MNRE's national portal completed by Ministry of Environment, Forests & Climate Change. Preparing of tender documents is under preparation.
- Uploading of RTS data on MNRE's national portal by Ministry of Micro Small & Medium Enterprises and Ministry of Law and Justice is under progress.

State / UT:

- UT of J&K has appointed JAKEDA as the nodal agency for implementation of Roof Top Solarization in Government Buildings.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- Four nos. of Departments as under were allotted to NHPC:
 - i. Law Justice and Parliamentary Affairs
 - ii. Jal Shakti Department / IF&C Department
 - iii. Home Department
 - iv. Forest Ecology & Environment.
- Tendering for UT of J&K in RESCO mode for 34.67 MW (Estimated Capacity) has been processed.
- Tender for Selection of Channel Partner for installation of Grid Connected Rooftop Solar Project in the state of Sikkim, Nagaland and Manipur published on 29.10.2024 and scheduled for opening on 05.12.2024.
- Uploading of RTS data on MNRE's national portal by the Govt. of Haryana is under progress. So far 77.4 MW capacity uploaded on national portal.
- NHPC REL has prepared tender document for RESCO mode for the state of Sikkim for 10.96 MW (Estimated Capacity). Case has been processed for RESCO mode.
- NHPC is pursuing with Govt. of Nagaland and Govt. of Manipur for uploading of RTS data on MNRE's national portal.
- NHPC officials visited Excise and Taxation Bhawan, Mini Secretariat and Court buildings, Faridabad for initial assessment of feasible area and capacity of the buildings.

Regular co-ordination being made with allocated Ministries / States regarding formulation of action plan, modalities of work implementation and tendering mode accordingly.

NHPC Limited is harnessing the hydropower potential in the states through Joint Venture alliances with state governments by way of developing Techno-economically feasible projects. To harness the potential of clean energy, Company has the following subsidiaries/associates/joint venture companies as on March 2024:

SUBSIDIARY COMPANIES		
JV/Subsidiary	Shareholding	Brief Description
NHDC Limited (NHDC)	NHPC (51.08%), Government of Madhya Pradesh (26%) and Narmada Basin Projects Company Limited (Wholly owned by GoMP) (22.92%)	NHDC was incorporated as a joint venture of NHPC and Government of Madhya Pradesh in August, 2000. NHDC has two operating power stations viz. Indira Sagar (1,000 MW) and Omkareshwar (520 MW) in Madhya Pradesh. Further, NHDC has also commissioned 8 MW ground mounted solar project at Sanchi, MP on 29.03.2024 and 88 MW Floating Solar Project at Omkareshwar reservoir on 29.10.2024.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

		During the financial year 2023-24, NHDC generated 4473.18 MUs from its power stations i.e. 2999.70 MU from Indira Sagar Power Station, 1470.79 MU from Omkareshwar Power Station and 2.69 MU from Sanchi Solar Power Station.
Chenab Valley Power Projects Private Limited (CVPPPL)	NHPC Limited (51%), Jammu & Kashmir State Power Development Corporation Limited (49%)	CVPPPL is a joint venture of NHPC and Jammu & Kashmir State Power Development Corporation Limited. CVPPPL was incorporated in June, 2011. CVPPPL is developing four hydro-electric projects in UT of Jammu & Kashmir i.e. Pakal Dul HE Project (1,000 MW), Kiru HE Project (624 MW), Kwar HE Project (540 MW) and Kirthai-II HE Project (930 MW).
Bundelkhand Saur Urja Limited (BSUL)	NHPC (74%) and Uttar Pradesh New & Renewable Energy Development Agency (UPNEDA)(26%)	<p>BSUL is a joint venture of NHPC and Uttar Pradesh New & Renewable Energy Development Agency (UPNEDA). BSUL was incorporated in February, 2015 for development of Solar Power Project in Tehsil Kalpi, District Jalaun, Uttar Pradesh and other conventional & non-conventional power projects entrusted by the Govt. of Uttar Pradesh. BSUL has achieved the commissioning of Kalpi Solar Power Project (65 MW) on March, 2024.</p> <p>BSUL is in the process of development of 1400MW (approx.) Solar Power Projects in Uttar Pradesh through various modes of implementation i.e. in EPC mode and development of Solar Park followed by plant installation in developer mode. Hon'ble Prime Minister laid foundation stone of Jalaun Ultra Mega Renewable Energy Power Park 1200 MW.</p> <p>Preparation of Public Investment Board (PIB)</p>

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

		proposals for investment in the projects viz. Mirzapur SPP (100 MW) , Madhogarh SPP (45 MW) and Jalaun Solar Park (1200 MW) are in progress.
Lanco Teesta Hydro Power Limited (LTHPL)	Wholly Owned Subsidiary	<p>LTHPL was acquired by NHPC through Corporate Insolvency Resolution Process (CIRP) in October, 2019 and equity of Rs 897.50 crore was infused as consideration amount pursuant to approved resolution plan. LTHPL is a wholly owned subsidiary of NHPC. LTHPL is executing 500 MW Teesta VI HE Project in Sikkim and construction works are at full swing. The status of Teesta VI HE Project has been provided elsewhere in the Report.</p> <p>Order of merger/amalgamation of LTHPL with NHPC Limited is received from Ministry of Corporate Affairs, Government of India vide order no. 24/06/2022-CL-III dated 02.01.2025. The merger of LTHPL with NHPC will become effective from the date of filing INC-28 with the Registrar of Companies.</p>
Jal Power Corporation Limited (JPCL)	Wholly Owned Subsidiary	JPCL was acquired by NHPC through CIRP in March, 2021 and equity of Rs 165 crore was infused as consideration amount pursuant to approved resolution plan. JPCL is a wholly owned subsidiary of NHPC. JPCL is developing Rangit-IV HE Project (120 MW) in Sikkim and construction works are at full swing. The merger of JPCL with NHPC is under process.
NHPC Renewable Energy Limited	Wholly Owned Subsidiary	<p>NHPC REL was incorporated in February, 2022 as wholly owned subsidiary of NHPC for taking up Solar, Wind, Small Hydro and Green Hydrogen ventures. NHPC REL is exploring various renewable energy projects for expansion of its activities.</p> <p>0.7 MW Solar PV plant commissioned at CU</p>

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

		Rajasthan campus, Ajmer in 2024 under captive mode basis.
Ratle Hydroelectric Power Corporation Limited (RHPCL)	NHPC Limited (51%), Jammu & Kashmir State Power Development Corporation Limited (JKSPDC) (49%)	RHPCL was incorporated in June, 2021 as joint venture of NHPC and Jammu & Kashmir State Power Development Corporation Limited (JKSPDC). RHPCL is developing Ratle Hydroelectric Project (850 MW) in UT of Jammu & Kashmir.
National High Power Test Laboratory Private Limited (NHPTL)	NHPC Limited, NTPC Limited, Damodar Valley Corporation and Central Power Research Institute (each having shareholding of 12.5%) and Power Grid Corporation of India Limited (50%)	NHPTL, incorporated in May, 2009, is a joint venture between five (5) entities viz. NHPC Limited, NTPC Limited, Power Grid Corporation of India Limited, Damodar Valley Corporation and Central Power Research Institute. NHPTL was established to set up an online high power test laboratory for short-circuit test facility in the Country. The laboratory for High Voltage Transformer (HVTR) at 400 kV level and 765 kV level is already operational at Bina, Madhya Pradesh.
Loktak Downstream Hydroelectric Corporation Limited (LDHCL)	NHPC (74%) and Government of Manipur (26%)	LDHCL was incorporated in October, 2009 to execute Loktak Downstream Hydro-electric Project (66 MW) in Noney District of Manipur. The PIB approval is pending for want of consent from Govt. of Manipur. The process of initiation of closure of Loktak Downstream Hydroelectric Corporation Limited (LDHCL) is under progress.

We have the required expertise & experience in the design, development, construction and operation of hydroelectric projects. We execute and manage all aspects of projects, from front-end engineering design to commissioning and operation & maintenance of the project. We have also been engaged as a project developer for certain projects where our scope of work was to design, develop and deliver a hydroelectric power station to a client on an agency basis. We also provide contract-based technical, management advisory and consultancy services to domestic and international clients.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Based on our audited financial statements, in Fiscals 2022, 2023 and 2024, we generated total income (excluding exceptional items) of Rs. 9335.40 crore, 10150.90 crore and 10024.99 crore respectively.

The company earned a net profit of Rs. Rs 3537.71 crore, 3833.79 crore and 3743.94 crore (excluding OCI) respectively in Fiscals years 2022, 2023 and 2024.

Our operational efficiency has been reflected through high average plant availability for our power stations, which are measured by the Plant Availability Factor (PAF). The average Plant Availability Factor for our power stations for Fiscals 2022, 2023 and 2024 were 88.19%, 88.75% and 77.60% respectively.

These Plant Availability Factors, when are higher than the Normative Plant Availability Factor required under CERC Regulations, entitle us to certain incentive payments, pursuant to the tariff policy for Fiscal 2009-Fiscal 2014 , Fiscal 2014-Fiscal 2019 , Fiscal 2019-Fiscal 2024 and Fiscal 2024-Fiscal 2029.

We have obtained ISO 45001:2018, ISO 9001:2015, ISO 14001:2015 certifications from Intercert, all of which are valid until 30.06.2026.

In recognition of our performance and our consistent achievement of targets as negotiated under the MoU system of GoI, we enter into MoU with MoP on an annual basis. The GoI has rated our performance as “Excellent” from Fiscal 1995 through to Fiscal 2006, “Very Good” in Fiscal 2007, “Excellent” in Fiscal 2008, “Very Good” in Fiscal 2009, 2010, 2011, 2012 & 2013 “Good” in Fiscal 2014. Performance rating for the Fiscal 2015 & 2016 is “Very Good” for the fiscal year 2017 it is ‘Good’, for fiscal year 2018 & 2019 it is ‘Very Good’, for fiscal year 2020 & 2021 it is good and for fiscal year 2022, 2023 and 2024 it is very good. Also, in recognition of our performance, we are designated as a Nav-Ratna public sector undertaking in August 2024.

The President of India and its nominees, before the Initial Public Offer held 100% of the issued and paid-up Equity Share capital of our Company. At present, President of India holds 67.40% of the paid-up Equity Share capital of our Company.

Our Competitive Strengths

We believe that the following are our primary competitive strengths:

Established track record in implementing hydroelectric projects:

NHPC has wide experience and expertise in implementing projects which provide it significant competitive advantage. It has a strong design and engineering base with in-house expertise in developing good project layout, designing structures, geology, geo-physics, geo-technics, construction and material surveys. Its engineering capabilities range right from the stage of conceptualization till the commissioning of projects.

Capabilities from concept to commissioning including in-house Design & Engineering:

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC has a competent and committed workforce. Its executives have extensive experience in the industry with capabilities ranging from conceptualization, construction, commissioning and operation of hydro power projects. Their skills, industry knowledge and operating experience provide NHPC with a significant competitive advantage. NHPC also has a full-fledged Design Division dedicated for catering to design and Engineering of its projects. Its in-house design team with extensive experience in hydro sector gives it an edge over other hydro companies.

Survey & Investigation, Exploratory Drilling and Preparation of DPR:

Survey and Investigation is one of the most important aspects of hydropower Project which has direct impact on timely completion of project in a cost effective manner. NHPC has in-house expertise equipped with latest technology/instruments to carryout detailed topographical survey and developing maps. The company has also in-house expertise to carry out exploratory drilling in difficult terrains (mountainous/riverbed) required for sub surface exploration of hydropower projects. Based on investigation reports, NHPC prepares PFR/FR/DPR for obtaining statutory clearances from various scrutiny agencies like CEA/CWC etc.

Geological Investigation Capabilities:

NHPC has a very strong in-house team of experienced geologists, geophysicists and research personnel capable of providing engineering geological and geotechnical solutions for hydropower projects right from inception to commissioning. Entire spectrum of geological, geophysical, geotechnical and construction material investigations as per guidelines of ISRM/BIS which are mandatory for preparation of PFR/FR/DPRs, can be handled by the team. The team also caters to requirements for obtaining mandatory clearances from various Govt. agencies like GSI, CEA, CWC, CSMRS etc. Construction stage geological monitoring and collection of geological data is done continuously which helps in resolving issues during construction in an expeditious manner. The in-house team also contributes in resolving the issues pertaining to geological/geotechnical aspects during post commissioning stage of the projects and also renders services for resolution of geotechnical issues for various consultancy assignments taken up by NHPC from time to time.

NHPC has a full-fledged Engineering Geophysics unit which is capable of carrying out almost all kinds of geophysical investigations for hydropower projects such as seismic refraction, resistivity imaging, seismic tomography, tunnel seismic prediction, inclinometer survey, blast vibration monitoring, site specific seismic design parameter studies for projects and their clearances from NCSDP etc. For post construction seismic monitoring, Strong Motion Accelerographs (SMAs) are installed at all the operating power stations covering the entire Himalayan belt. A real time Seismic Data Center has also been established at Corporate Office for centralized online monitoring of Seismic Data collected by all accelerographs installed at the Power Stations.

A fully-equipped geotechnical lab is functional within this Division to carry out laboratory rock mechanic tests and petrographic analysis. Moreover, a sophisticated remote sensing lab has also been developed with capabilities to generate topographic survey maps from satellite imagery/DEM and to supplement field geological data in inaccessible areas.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Extensive Experience in Construction and operation:

NHPC, over the years, has gained extensive exposure in the construction and operation of hydro projects in remote/ non-penetrative areas, geo-technically sensitive Himalayan terrain. Almost all NHPC projects are situated in remote areas which come with a range of challenges- logistical, climatic and technological. However, with its strong and efficient team of competent and experienced professionals, who have the capability to execute all types and sizes of hydro power projects, NHPC has successfully managed to develop and implement 22 Hydro Power Stations (including two through its subsidiary NHDC), 01 Wind Power Station and 05 Solar Power Stations (including four through its subsidiaries NHDC, BSUL & NHPC REL). The Chamara-II Power station and two projects of our subsidiary NHDC viz., Indira Sagar and Omkareshwar projects have been commissioned ahead of schedule.

Strong financial position:

NHPC is a Navratna enterprise with an authorized share capital of Rs. 15000 Crore and an investment base of over Rs. 81600 Crore. The Company has strong Financial Position having highest Credit Rating 'AAA' with 'Stable' outlook, assigned by Domestic Credit Rating Agencies for all listed bonds, outstanding as on 31.12.2024, issued by NHPC Ltd. Further, Moody's has rated NHPC with International Rating 'Baa3' with 'Stable' outlook.

Strong operating performance:

NHPC has at present 28 Power Stations with an aggregate capacity of 7232.90 MW under operation including 1 Wind Power Project and 5 Solar Power Projects) (out of which 6 Nos. power stations of 1681.70 MW are in JV mode). Thus, NHPC with its fleet of power stations is a flagship company in hydro power sector in India.

Strong in-house design and engineering team:

We have an in-house team for project design and our engineering capabilities range from the concept stage to the commissioning of our projects. The team also takes need based support of international and national project consultants. Our Company has in-house expertise in a range of related engineering disciplines, viz. hydrology, electrical, civil, hydro-mechanical and geotechnical design. Our engineers have a rich experience in the design of underground caverns shaft & tunnels and are able to provide solutions for variable and unpredictable complex geological conditions. They also have rich experience in the design of various type of dams such as Concrete dam, Rockfill dam, Concrete face Rockfill dam. Our engineers employ a variety of specialized analysis and design engineering using different computer aided design software. Our engineers' skills are constantly upgraded by adopting best practices and through participating in various national and international conferences.

Our Strategy

Our corporate vision is to become "To be a global leading organization for sustainable development of clean power through competent, responsible and innovative values".

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

The following are our strategies to achieve this vision:

Expand our installed capacity through Joint Ventures, MoUs and Acquisitions:

We seek to expand our installed capacity by tapping into new geographic markets where there is significant scope for capacity expansion through conventional and non-conventional sources of energy. Presently, we are engaged in the construction of 3 hydroelectric projects in the state of Himachal Pradesh, Sikkim, Assam and Arunachal Pradesh with aggregate capacity of 5680 MW and 3 nos. HE projects in JV mode viz., 1000 MW Pakal Dul HE Project, 540 MW Kwar HE Project and 624 MW Kiru HE Project in J&K through a subsidiary company M/s CVPPPL .

500 MW Teesta-VI HE Project in Sikkim is being executed through Lanco Teesta Hydro Power Limited (LTHPL) a company for which NCLT has given its approval for acquisition by NHPC on 26.07.2019, and now it is a wholly owned subsidiary of NHPC Limited

Further, NHPC is executing balance work of 120 MW Ranjit Stage-IV HE Project in Sikkim through Jal Power Corporation Limited (JPCL) a 100% subsidiary of NHPC, which NHPC had acquired through NCLT, with an estimate cost of Rs. 1828.11 crore (at completion level).

Besides that, 850 MW Ratle HE Project in UT of Jammu & Kashmir is being executed by Ratle Hydro Power Corporation Ltd (RHPCL), a subsidiary of NHPC.

Promote and develop our consulting and advisory services:

NHPC Limited undertakes consultancy assignments to expand its presence across India and neighboring countries. The primary objective is to share its expertise and best practices in the hydropower sector with fellow organizations and stakeholders. These practices include constructing hydroelectric projects in the challenging Himalayan geology and implementing efficient operation and maintenance (O&M) techniques. Such efforts have enabled NHPC to achieve high plant availability, improved efficiency, and extended equipment lifespan across its 24 hydropower stations (including joint ventures), as well as 3 solar and 1 wind power station (including joint ventures). NHPC remains committed to providing advisory services to clients and government entities both domestically and internationally.

Expansion of International activities:

NHPC Limited intends to continue to expand our international operations and further exploit the potential hydropower opportunities available internationally by leveraging our existing relationships developed through our past international consultancy assignments. Consultancy services rendered to neighboring countries are as under:

1. Preparation of Detailed Project Report, Pre-Construction Activities, Design & Engineering during Construction and Commissioning of 720 MW Mangdechhu Hydroelectric Project, Bhutan
2. Preparation of Detailed Project Report of 770 MW Chamkharchhu-I Hydroelectric Project, Bhutan.
3. Preparation of Detailed Project Report of 2640 MW Kuri Gongri Basin Projects, Bhutan.
4. Preparation of Detailed Project Report of 60 MW Kurichu HE Project, Bhutan and Execution of Project on Deposit Work / Turnkey Basis.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

5. Consultancy Services for Operation and Maintenance of 1020 MW Tala Hydro Project, Bhutan.
6. Preparation of Pre-Feasibility Report of 1200 MW Tamanthi Hydroelectric Project, Myanmar.
7. Additional Investigation and Preparation of Updated DPR of 642 MW Shwezaye Hydroelectric Project, Myanmar.
8. Preparation of Detailed Project Report of 14.1 MW Devighat HE Project, Nepal and Execution of Project on Deposit Work / Turnkey Basis.
9. Renovation, Modernization & Upgradation of 2x3.67 MW Varzob-I HEP, Tajikistan.
10. Technical Due Diligence of Civil, Electro Mechanical & Hydro Mechanical of 600 MW Shiroro Hydroelectric Power Station, Nigeria.
11. Management Contract “ To manage day to day activities” of the new Electric Power Utility of The Ministry of Water and Energy of the Federal Democratic Republic of Ethiopia.

NHPC has ventured into Nepal seeking to expand its footprint in the hydropower business in line with GOI directions that CPSEs act in a way to increase their geographic footprint in the neighboring countries of India and that CPSEs should transform to globally respected multinational companies in the long run and be able to generate substantial revenues from their foreign operations.

Accordingly, during the year, NHPC has taken major strides in establishing its business footprint in Nepal.

NHPC is currently engaged in three hydro-electric projects namely West Seti (800 MW) , Seti River (SR6) (420 MW) & Phuko Karnali (624 MW) HE Projects in Nepal. In this regard, 02 MoUs (Memorandum of Understanding) have been signed by NHPC, one with IBN (Investment Board Nepal) on 18.08.2022 to develop West Seti & Seti River (SR6) HE Projects and another with VUCL (Vidhyut Utpadan Company Limited) on 31.05.2023 to develop Phukot Karnali HE Project.

As per terms of the MOU, NHPC will review the prior studies / details undertaken i.r.o. the schemes and prepare the DPR for the schemes to confirm the techno economic feasibility. Thereafter, Project Development Agreement is proposed to be signed for implementation of the schemes.

In this regard, subsequent to grant of Survey License, Inception Reports in respect of all the above three Projects stands prepared and submitted by NHPC to the concerned Authority of Nepal. Currently, investigation Works & preparation of DPR (Detailed Project Report) is in progress and likely to be submitted within the timelines of MoUs.

These projects are expected to significantly contribute to Nepal's energy sector and help to meet its growing electricity demand. As far as NHPC's future plans for expanding its international footprint, the company aims to leverage its expertise in hydropower to expand its presence in the global energy market and shall continue exploring opportunities in Nepal and other countries to further its growth and contribute to the renewable energy sector.

Contracts, Project Management and Consultancy Works Business:

NHPC is a well-established ISO 9001, ISO 14001 and ISO 45001 certified, multi-disciplinary organisation and has acquired sufficient expertise and state of art technology for planning and executing both large and small size Hydro Power Projects. It has the support of highly qualified and experienced professionals in design and engineering, geotechnical engineering, latest range of

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

construction and test equipments, technologies to accomplish any hydro power project from concept to commissioning. The technical "know-why and know-how" proficiency and experience of NHPC places it in a leading position to offer a wide range of "World Class" consultancy services from "Concept to Commissioning" in the field of hydro power.

The Consultancy Services Division was set up in 1993 in NHPC to provide the expertise gained in Survey & Investigation, Planning, Design & Engineering, Construction, Operation & Maintenance, Renovation, Modernization & Uprating of hydro power projects and other associated works to clients in public and private sector.

Our clients include central and state government agencies in India including SEBs and PSUs, as well as a number of foreign governments and private sector entities. From a marketing perspective, consultancy contracts also allow us to establish a relationship with potential future clients and, in the case of project feasibility studies, to become involved at an early stage in turnkey projects for which we may later submit bids.

Turnkey Agency Contracts:

We have undertaken international agency contracts under the direction of Gol. These projects are undertaken in the spirit of cooperation with foreign governments and also to broaden our international experience. The status of various turnkey agency projects undertaken by our consultancy services division is set out below:

Project	Country/State/Union Territory	Installed/ Proposed Total Capacity (MW)	Status
Devighat	Nepal	14.10	Commissioned
Kurichhu	Bhutan	60.00	Commissioned
Kalpong	India (Andaman & Nicobar Islands)	5.25	Commissioned
Sippi	India (Arunachal Pradesh)	4.00	Commissioned
Kambang	India (Arunachal Pradesh)	6.00	Commissioned
Total		89.35	

Specialized Government Agency Works**DEEN DAYAL UPADHYAY GRAM JYOTI YOJNA (Erstwhile RGGVY)**

NHPC implemented 55 nos. Rural Electrification projects under the X and XI plan scheme of DEEN DAYAL UPADHYAY GRAM JYOTI YOJNA (Erstwhile RGGVY) in various states of India on the basis of fixed agency fees i.e. 09-12% of the cost of the project. Rural electrification projects were allocated to NHPC in 36 districts spread over five states/UTs viz. West Bengal, Bihar, J&K (nowdays UT of J&K and UT of Laddakh), Chhattisgarh and Odisha at an estimated cost of approx. Rs. 2700 crore. All works have been completed in 36 nos. districts.

Major achievements of Rural Electrification works are as under:

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- Electrified 8790 nos. Un-electrified/ De-electrified villages.
- Electrified 19051 nos. Partially electrified villages.
- Provided service connections to 16.56 Lacs BPL families.
- Constructed 11 nos. 66/11 KV new sub-stations in Leh and Kargil.
- Constructed 48 nos. 33/11KV new sub-station.
- Augmented / Up-graded 104 nos. 33/11 KV new sub-stations.

Rural Road Projects under Pradhan Mantri Gram Sadak Yojna (PMGSY):

An MOU was signed amongst NHPC; Ministry of Rural Development, Government of India and Government of Bihar for the construction of rural roads in six districts namely Vaishali, Muzaffarpur, Sitamarhi, East Champaran, Sheohar and West Champaran of Bihar under the Pradhan Mantri Gram Sadak Yojna (PMGSY). Under the scheme, NHPC awarded the works for execution of 758 roads spread over 06 districts and having cost of Rs. 1725.65 Crore for execution. Total 757 roads having 3220.93 km length have been completed & contract for balance 01 No. Road has been terminated.

As per the Tripartite Agreement, maintenance of all 758 roads is to be carried out for five (05) years after completion of their construction. Out of 757 roads already completed, maintenance period of five years of 755 roads covering 3216.13 km of road length has been completed. While 02 roads having 4.80 km of road length are under maintenance period.

Design and engineering:

The engineering and design of a hydroelectric project requires input from a number of specialist engineering disciplines, particularly, civil and hydro-mechanical design, geological and geotechnical and electrical and mechanical design.

Civil and hydro mechanical design:

This aspect of the project includes:

- Planning, layout design studies, estimation of quantities and preparation of chapters of civil and hydro-mechanical components of the projects for Detailed Project Reports (DPR) including review of DPRs prepared by other agencies for projects proposed for execution.
- Planning, co-ordination and evaluation of pre-construction stage investigation works.
- Planning and optimized designs for Civil & hydro-mechanical components associated with hydropower projects from concept to commissioning.
- Hydrological studies to determine power potential as well as its implementation in structural design.
- Assessing of impact of soil erosion and sediment on the proposed hydroelectric projects and development of reservoir operation strategy to manage sediment/flood related problems.
- Framing Technical Specifications for Civil & hydro-mechanical works.
- Minimizing project cost based on detailed design and drawings.
- Preparation of Operation & Maintenance Manuals for Civil & HM Works.
- Provide commissioning and operation guideline for reservoirs, dams, water conductor system and related structures.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- Providing solutions to the issues related to O&M of Civil/HM structures of Power Stations
- Safety monitoring of structures through instrumentation and Dam Safety Inspection, including analysis/preparation of Reports.
- Providing consulting services to Joint Venture Companies, outside agencies, State /Govt Departments.
- Monitoring and providing technical support to Projects/Power Stations/ Master Control Room (MCR) in mitigating the effect of natural disasters through Early Warning System.

Geological and geotechnical engineering:

The geotechnical engineering process involves the collection of sufficient qualitative and quantitative geological, geotechnical and construction material information to determine basic design parameters for the major civil structures of the project.

Electromechanical Design:

This aspect includes :

1. Power Potential Studies, Optimization studies and layout design studies for Pre-feasibility, Feasibility report and Detailed project report (DPR) of Hydro Power Projects/Pumped Storage Projects (PSP).
2. Planning and preparation of Electromechanical designs for DPRs and coordinating with associate agencies for clearance.
3. Planning and optimized designs for Electromechanical Components associated with Hydro Power Projects from concept to commissioning.
4. Preparation of technical specifications, drawings and bill of quantities of Electromechanical works for bidding purpose for Hydro Projects.
5. Technical evaluation of Tender documents of Hydro/ Solar/ Wind/ PSP.
6. Detailed engineering after award of works and providing Electro-mechanical drawings and design support to the Projects under construction.
7. Standardization / Updation of technical specification for Electro-mechanical equipment for Power House and switchyard.
8. Providing consultancy services to Joint venture companies, outside agencies, State govt. departments.

Automation of stations:

The operations of all the power stations (except Loktak) are fully automated. These Power Stations are equipped with advanced distributed control systems / SCADA systems. Further, SCADA systems at Loktak Power Station is being undertaken under Renovation and modernization for life extension program of this Power Station. DCS/SCADA system provides for better operation, monitoring and control of the power station.

Sale of Energy

Tariff:

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Tariff for each of our hydropower stations are determined by the CERC. A new tariff regulation has been issued by CERC pursuant to notification No.L-1/268/2022/CERC dated March 15, 2024, and relates to the Control Period (CP) from April 1, 2024 to March 31, 2029.

Tariff is determined by reference to AFC, which comprise of Return on Equity, Depreciation, Interest on loan, Interest on working capital and Operation & Maintenance expenses. The AFC is recoverable in the form of energy charges and capacity charges. Recovery of capacity charges depends on the achieved Plant Availability Factor of the generating stations in reference to Normative Annual Plant Availability Factor which has been notified for each project by CERC whereas Energy charge is recoverable based on actual schedule generation.

We are entitled to receive incentives for achieving plant availability factor greater than NAPAF as well as for generating energy in excess of the design energy of the plant @ Rs 1.30/kWh or energy charge rate, whichever is lower.

In addition to above, additional incentive for primary frequency response ranging from 0.3 to 1.0 is also available @3% of capacity charges is also receivable by the generating stations. Further, for ROR Power Plants an incentive of 50 paise/kWh is payable for extra energy scheduled during peak hours.

Power Purchase Agreements:

The GoI allocates the output of each of our stations among the beneficiary DISCOMs. Each of our power stations has PPAs with its customers. Under the terms of the PPAs, we are obliged to supply electricity to SEBs or their successor entities, private distribution companies and other GoI entities in accordance with the terms of the allocation issued by the GoI from time to time. The power supplied to customers is billed as per tariff determined under tariff regulations issued by CERC from time to time.

The MoUs signed with respective state governments where power station is situated we need to provide 12% of the energy that we generate to the respective state free of cost. In addition to above, as per allocation order issued by MoP after 31.03.2008, 1% additional free power given to home state for local area development fund & home state has to provide matching 1% from their share of 12% free power. The sale of power from various projects is regulated as per allocation of power issued by MoP, GoI.

The term of validity of the PPA is generally for life span of the project i.e. 40 years as per CERC Tariff Regulations, 2024. In some cases, PPA for 5 years or 10 years from the date of the commercial operation of the project have also been signed, provided that such PPAs may be renewed or replaced on such terms and for such further time as the parties may agree. However, the provisions of a PPA continue to operate until such PPA is formally renewed or replaced in case customer continues to get Power from the Projects.

The tariffs charged and the conditions for the supply of energy, as well as the levy of surcharge and rebates are determined according to the tariff regulations issued by the CERC or policies of GoI from time to time. Further, settlement of any disputed current dues is determined according to the directives of the CERC or the GoI as issued from time to time.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

The parties to a PPA are not liable for any claim for loss or damage arising out of failure to carry out the terms of such PPA to the extent that such failure is due to force majeure events such as riot, strike, lock out, fire, explosion, flood, drought, earthquake, war or other forces, accidents etc. beyond the control of either party. Any party claiming the benefits of this provision holds the burden of proving that the event occurred and damage was suffered.

All questions or disputes between parties in connection with a PPA, except the extent of power vested with the respective RPC(s), are settled through arbitration in accordance with the provisions contained in the Electricity Act, 2003 and the Arbitration and Conciliation Act, 1996 as amended and any statutory modifications thereto, in the event such differences cannot be settled through conciliation prior to arbitration. Notwithstanding the existence of any question, dispute & differences referred to arbitration, the parties here to shall continue to perform their respective obligations under this agreement.

Availability of long term PPAs for Power Stations of your Company is the key to its sustainability. Long term PPAs give revenue visibility for the Company and assured rate of return. Company strives for signing of long term PPAs for its Power Stations. NHPC has long term PPAs with beneficiaries for most of its Power Stations.

Power Trading License and Power Trading Business

As part of Business expansion and Diversification program, Board of Directors of NHPC in its 411th Board meeting held during December 2017 had accorded its approval to venture into Power Trading Business. Endeavour of Power Trading Business of the Company is to provide efficient and smart business solution to its clients, viz. Buyers/DICOMs, Generators/Sellers, Utilities etc. In the year 2018-19, NHPC obtained Category-I license from CERC for interstate trading of electricity in whole of India. NHPC is registered at DEEP (Discovery of Efficient Electricity Price) e-bidding portal and has obtained trader membership in Indian Energy Exchange (IEX) & Power Exchange of India Limited (PXIL).

A) 2000 MW Solar Projects Intermediary Scheme: NHPC as an “Intermediary Procurer” had invited bids in 2019-20 for selection of Solar Power Developer (SPDs) for procurement of 2000 MW Solar Power from Solar projects. PPA has been signed with SPDs. Back to back Power Sale Agreements (PSAs) were signed with Madhya Pradesh (1000 MW), Chhattisgarh (400 MW), Punjab (300 MW) and J&K (300 MW) for sale of solar power.

Out of 2000 MW, total 700 MW project has been commissioned and power is being supplied to Punjab, J&K and Madhya Pradesh. Balance capacity is likely to be commissioned in FY 2024-25 & 2025-26. After full commissioning of 2000 MW projects, NHPC shall earn trading margin of Rs 35.00 Cr annually for 25 year in this scheme. During FY 2023-2024, NHPC has traded 960.59 MUs with turnover of Rs.252.48 Crores.

B) 10 GW capacity allotted to NHPC as Renewable Energy Implementing Agency (REIA) for inviting bids for development of RE projects.

MNRE vide OM dated 31.03.2023 has allocated 10 GW to NHPC as “REIA” for inviting bids for selection of SPDs for development of Solar, Wind, Hybrid and FDRE projects during 2023-24.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC as REIA invited bid for development of 3000 MW Solar projects. Power Sale Agreement have been signed with UPPCL and MSEDCL, Maharashtra. Back to Back PPAs have been signed with successful bidders. Projects are likely to be commissioned in FY 2026-27. NHPC shall earn Trading Margin of Rs 52.35 Crores annually after COD of projects.

LOAs for 960 MW Hybrid RE power and 1400 MW FDRE power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement is likely to be done shortly with DISCOMs/States.

Payment Security:

NHPC previously had problems recovering payments from SEBs and other state government entities; however, in 2001, the MoP, and the state entities established a scheme of One Time Settlement. Pursuant to the One Time Settlement, the GoI, on behalf of the central sector power utilities, executed Tripartite Agreements with the RBI and the state governments valid up to 31.10.2016, to effectuate a settlement of overdue payments, by way of tax-free bonds, owned to NHPC by the SEBs or their successor entities or other state government entities with provisions for incentive for future timely payment.

Tripartite Agreements have been extended by GOI, RBI and the States (Except Punjab and Maharashtra) for the period of 10/15 years up to 31.10.2026 and 31.10.2031.

AS per direction of GOI, from 01.08.2019 onwards RLDCs shall schedule power to only those entities who have in place LCs in favour of Central Generating Companies. DISCOMs have been given flexibility to provide LC for one week or pay in advance for scheduling of power for next day in case of acute shortage of funds. This shall ensure discipline in payment by DISCOMs for future energy bills.

Also on 03.06.2022 MoP, GoI has Notified Electricity (Late Payment Surcharge) Rules, 2022. As per these rules DISCOMs have to maintain Payment Security Mechanism in place else power supply to the defaulting DISCOM will be regulated as per the rules. This shall impel discipline in payment by DISCOMs.

Status of dues as on 30.09.2024:

As on 30th September 2024, total outstanding dues for more than 45 days is Rs. 499 Crore only.

Environmental Compliance and Resettlement & Rehabilitation:

NHPC, since its inception, is committed to execute and operate projects in environmentally sustainable and socio-economically responsible manner. NHPC has its Corporate Environment Policy which aims at institutionalizing environmental ethics in business activities for equitable growth in terms of economic and social advancement for attaining sustainability in a true sense.

Given these concerns towards environment, all the relevant environmental regulations and guidelines are being duly complied with from planning stage to operation stage of a project. It is also ensured that all requisite Statutory Clearances are accorded prior to start of construction activities of project.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Environment Clearance is one of such statutory clearances under EIA notification 2006 and its subsequent amendments by MOEF&CC (Government of India), which sets modalities for compliance of environmental safeguard measures based on identification of environmental set-up of project area, likely impacts due to construction of project and their mitigation measures followed by seeking opinion of local people through public consultation process. Environmental Clearance is accorded by MOEF & CC based on the appraisal of proceedings of Public Consultation and finding of EIA & EMP Reports by its Expert Appraisal Committee.

The main Environment Management Plans (EMPs) are listed below:

1. Compensatory Afforestation,
2. Biodiversity Management,
3. Catchment Area Treatment,
4. Restoration of Muck Disposal area,
5. Restoration of construction areas and quarry sites,
6. Public Health Management,
7. Disaster Management plan,
8. Green Belt Development plan
9. Fishery Management Plan
10. Environmental Monitoring
11. Resettlement and Rehabilitation Plan.

The implementation of EMPs begins with onset of the construction activities of project. The different departments of State Government like Forest Department, Fisheries Department, District Administration, State Pollution Control Board are also associated with the implementation works of EMPs of Project. The compliance report on Environmental aspects is submitted to MOEF&CC biannually and uploaded on the website of NHPC. Moreover, the site inspection is also conducted by representative of MOEF&CC to review the environment safeguard measures.

Besides the compliance of mandatory/statutory requirements, NHPC also undertakes many voluntary activities for improvement of environment in and around its projects such as voluntary afforestation, herbal park development, etc.

NHPC has full-fledge Environment& Diversity Management Division comprising of qualified environment professionals working is to ensure sustainable development of hydropower. NHPC also contributes its inputs/suggestions on draft legislations/guidelines of Government pertaining to environmental matters

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

NHPC is sensitive towards needs and aspirations of its project affected families. Consequent upon the promulgation of “The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013”, both R&R and land acquisition for projects are being dealt in accordance with the provisions of this Act.

As per the second Schedule of this Act, the elements of Rehabilitation and Resettlement entitlements for all the affected families are mentioned below. Besides, there are other provisions of Infrastructural Amenities as per as per Third Schedule of Act

1. Provision of housing units in case of displacement
2. Land for Land
3. Offer for Developed Land
4. Choice of Annuity or Employment
5. Subsistence grant for displaced families for a Period of one year
6. Transportation cost for displaced families
7. Cattle shed/petty shops cost
8. One-time grant to artisan, small traders and certain others
9. Fishing rights
10. One-time Resettlement Allowance
11. Stamp duty and registration fee

Corporate Social Responsibility:

Corporate Social Responsibility (CSR) has been an integral part of NHPC’s business philosophy. NHPC is conducting its business in a socially responsible way by maintaining high level of organizational integrity and ethical behavior, in conformity with expected standards of transparency in reporting and disclosing the performance in all spheres of its activities, demonstration of concern for social welfare, adoption of best management practices and effective operational methods to win the trust and confidence of all stakeholders.

NHPC has formulated a CSR & Sustainability Policy and revised it, from time to time, in line with Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014, read with its subsequent amendments. NHPC has strengthened its commitment to CSR in line with Statutory Provisions. NHPC is committed to making significant contributions to the community, environment and society through well-planned CSR interventions.

NHPC’s CSR vision is “To contribute to sustainable development and inclusive growth while taking care of People, Planet and organizational goals / growth.”

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

The CSR Policy of NHPC, broadly includes the following:

- An amount specified under sub-section (5) of Section 135 of the Companies Act, 2013, which is at present, at least two percent (02%) of the average net profit of the company made during the three immediately preceding financial years, is kept as the annual budget for CSR & SD works during the year and approved by the Board of Directors.
- Preference to the Local area around NHPC's Projects is given by allocating at least 80% of the Budget amount. However other locations may also be chosen based on the needs and as per the direction of Government of India on National schemes and campaign, wherein about 20% amount of the CSR Budget may be spent, for the larger benefit of society / environment.
- The CSR initiatives includes programs on promoting education, vocational skills, health, sanitation, rural development, women empowerment, environmental up-gradation etc. in accordance with Schedule VII of the Companies Act, 2013. Expenditure on any other activity not in conformity with Schedule VII is not accounted towards CSR expenditure.
- Selection of CSR & Sustainability schemes is made so as to ensure that maximum benefits reach the poor / backward & needy sections of the society and contribute to improve the quality of environment.
- NHPC is open to joining hands with the other CPSEs in planning, implementing and monitoring of Mega-Projects for optimal use of resources, synergy of expertise and capabilities for maximizing socio-economic or environmental impact.
- CSR & Sustainability schemes for implementation are identified in consultation/ association with various Stakeholders, Administrative Authorities of District/ Sub-division/ Blocks/ Panchayats etc. in which the NHPC's Units are operating.
- A management structure exists in NHPC for selection, implementation and monitoring of CSR & Sustainability schemes/ activities.
- Any amount remaining unspent relating to an ongoing activity shall be transferred within a period of thirty days from the end of the financial year to an unspent Corporate Social Responsibility account in any Scheduled Bank for that financial year. This amount shall be spent in pursuance of its obligation towards the Corporate Social responsibility policy within a period of 03 financial years from the date of such transfer, failing which, the company shall transfer the same to a fund specified in Schedule VII, within a period of 30 days from the date of completion of the third financial year.
- If an unspent amount does not relate to an ongoing project, the referred amount shall be transferred to a Fund specified in Schedule VII, within a period of six months of the expiry of the financial year. The reasons for the non-utilization will be specified in Board's Report.

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- Any surplus arising out of CSR activities shall not form part of the business profit of the Company and shall be ploughed back into the same project or shall be transferred to the Unspent CSR Account and spent in pursuance of CSR policy or transfer such surplus amount to a fund specified in Schedule VII, within a period of six months of the expiry of the financial year.

NHPC has undertaken a number of CSR initiatives for the community living in and around its Projects / Power Stations / Units in the areas of Education, Health, Sanitation, Rural Development, Skill Development, Environment, Women Empowerment, Promotion of Sports etc.

Sector-wise Indicative list of CSR Initiatives undertaken / being undertaken by NHPC is as under:

Sector / Area	Particulars of CSR Initiatives
Education	<ul style="list-style-type: none"> Providing support for the setting up of Engineering College. Providing Infrastructural support in Schools etc. Extending better educational facilities to local students through Kendriya Vidyalayas/other School located in NHPC's campus
Skill Development	<ul style="list-style-type: none"> Enhancement of employability of rural youth & women through Skill Development Training and Vocational Training Programs Supporting Infrastructural development and other up-gradation activities in Industrial Training Institutes
Health	<ul style="list-style-type: none"> Organizing medical camps Augmentation of healthcare infrastructure in Distt Hospitals/ PHCs/ CHCs. Extending Medical facilities to locals through NHPC dispensaries Distribution of aids & assistive devices among Divyangjans
Sanitation/ Drinking Water	<ul style="list-style-type: none"> Construction of toilets in Govt. schools/ public places Undertaking various Swachh Bharat Abhiyan activities Providing potable drinking water facility
Rural Development	<ul style="list-style-type: none"> Construction / renovation of footpath/ School/ approach path, roads, drains, rain shelters, community halls, cremation facility etc. Modernisation of Horticulture Nurseries
Environment	<ul style="list-style-type: none"> Installation of solar street lights
Women Empowerment	<ul style="list-style-type: none"> Vocational Training to women in various areas / courses to generate Self- employment. Livelihood enhancement program for the women.

(vii) MANAGEMENT'S PERCEPTION OF RISK FACTORS

Undertaking by NHPC Limited

Investors are advised to read the risk factors carefully before taking an investment decision in this issue. For taking an investment decision, investors must rely on their own examination of NHPC Limited and the offer including the risks involved. The securities have not been recommended or approved by the any regulatory authority in India, including the Securities and Exchange Board of India (SEBI) nor does SEBI guarantee the accuracy or adequacy of this document. Specific attention of investors is invited to the statement of 'Risk factors' given below.

NHPC Limited, having made all reasonable inquiries, accepts responsibility for, and confirms that this Offer Document contains all information with regard to NHPC Limited and the issue, that the information contained in the offer document is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which make this document as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.

The issuer has no side letter with any debt securities holder except the one(s) disclosed in the offer document/placement document. Any covenants later added shall be disclosed on the stock exchange website where the debt is listed.

You should carefully consider all the information in this Offer Letter, including the risks and uncertainties described below before making an investment in the Debentures. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, financial condition and prospects. If any of the following or any other risks actually occur, our business, financial condition and prospects may be adversely affected and the price and value of your investment in the Debentures could decline such that you may lose all or part of your investment.

Internal Risk Factors

- 1. We have contingent liabilities that we have not provided for, which if materialise, may adversely affect our financial condition.***

Our total contingent liabilities that have not been provided for as of Mar 31, 2024 were Rs. 9265.46 crore. The details are as follows:

(Rs. in crore)

Particulars	Amount
Capital Works	7643.84
Land Compensation Cases	153.86
Disputed Income Tax, Sales Tax and Service Tax Demands and others	1467.76
Total	9265.46

"The above contingent liabilities do not include contingent liabilities on account of pending cases in respect of service matters and others where the amount cannot be quantified."

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

In the event that any of these contingent liabilities materialize, the same shall be recovered from beneficiaries through Tariff, if allowed by the CERC as per its extant regulations. However, in case of disallowance by the CERC, our financial condition may be adversely affected.

2. The construction and operation of hydroelectric projects has faced opposition from local communities and other parties, including in the form of litigation instituted against our Company and Subsidiary and we may continue to face such opposition in the future.

The construction and operation of hydroelectric projects has faced opposition from local communities where these projects are located and from special interest groups. We as well as our subsidiaries have encountered opposition to the construction or operation of our projects in the past and we cannot assure you that we will not encounter such opposition in the future. For instance, Subansiri Lower Hydroelectric Project which has been severely affected due to intermittent law and order problem, strike/agitation called by various local groups and construction activities of the project was stopped with effect from December 16, 2011, however now with the order of Hon'ble National Green Tribunal dated 31.07.2019 construction work has been resumed at project site.

In general, we are more at risk from opposition to hydroelectric projects that require the construction of storage facilities because construction of such facilities involves the inundation of surrounding land. The resettlement and rehabilitation program for PAPs is developed on a project by project basis and is included in our budget for each project. Whilst we have set up an institutional framework to implement our resettlement and rehabilitation policy, the government of the State in which the project is located is ultimately responsible for disbursing compensation provided by us in respect of the PAPs. Significant opposition by local communities, special interest groups and other parties to the construction of our projects, including by way of litigation initiated against our Company and our Subsidiary, may adversely affect our reputation and financial condition.

3. The development of our projects may be subject to unexpected complexities and delays, which may cause the actual costs of developing projects to differ significantly from our estimates.

Our decision to develop or modify a project is typically based on the results of a feasibility study, which estimates the expected project costs. However, there are a number of uncertainties inherent in the development and construction of any hydroelectric project, including but not limited to:

- Availability of funds to finance the project and undertake construction and development activities;
- Costs, delays or difficulties in the acquisition of land and associated resettlement and rehabilitation issues;
- Availability and cost of skilled labour, power and transport facilities;
- Difficulties associated with accurately anticipating geological, hydrological and climatic conditions;
- Delay or failure to obtain necessary environmental and other governmental clearances, including those relating to financing of our projects;
- Interruptions or delays caused by project-affected persons, special interest groups or labour unions or local communities;
- Disruptions caused by natural disasters such as earthquakes, landslides or floods, accidents, explosions, fires, or the breakdown, failure or substandard performance of equipment due to

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

improper installation or operation; and

- Non-viability of a project or shift in the location of a project on account of techno-feasibility reasons or otherwise.

In addition, the costs, timing and complexities of project development and construction can increase because of the remote location of many of our hydroelectric project sites. Specifically, such uncertainties may cause delays, cancellations or modifications in the scope or schedule of our incomplete projects or projects included in our future plans, which may adversely affect our predicted cash flow position, revenues and earnings. Due to the possibility of cancellations or adjustments in project scope, we cannot predict with certainty when, if or to what extent or at what cost a project currently under development or a planned future project will be completed.

In particular, the MoEF has decided that since North Sikkim is an ecologically sensitive and geologically unstable area for undertaking the major projects, therefore the projects above the Chungthang area should not be considered for the construction of dams and large scale development activities.

Furthermore, any delays associated with the commissioning of our projects that are inter-dependent on other projects for a variety of reasons including water supply and tailrace discharge may lead to disruptions in the dependent project including reduction in generation capacity. In particular, we believe that the delay in the commissioning of the Parbati II project resulted in a reduction in the generation capacity of Parbati III project of energy since the Parbati III project is dependent upon the tailrace discharge from the Parbati II project which may result in a material adverse effect on our business and financial condition.

If our projects incur cost overruns above sanctioned estimates, the additional costs incurred require approval from the CERC for reimbursement. In cases where such approval is not granted, we bear the additional costs. Further, any cancellation, delay in execution or adjustment in the scope of a project may result in our failure to receive, on a timely basis or at all, the payments due to us for a project. Any delay or default in payment for incomplete projects may result in higher costs, lower return on capital or reduced earnings, and may require us to absorb unrecompensed costs or pay penalties for delay.

4. Our projects typically require a long gestation period and substantial capital outlay before we realise benefits or returns on investments.

Due to the nature of our business, our projects typically require a long gestation period and substantial capital outlays before completion or before positive cash flows can be generated. The time and costs required in completing a project may escalate due to many factors. In addition, failure to complete a project development, or failure to complete a project according to its original specifications or schedule, may give rise to potential liabilities and, as a result, our returns on investments may be lower than originally expected.

5. Our expansion plans require significant capital expenditures and if we are unable to obtain necessary funds on acceptable terms, our business or expansion plans may be adversely affected.

We will require significant additional capital to finance our business plan, in particular, our capacity

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

expansion plan. In FY 2023-24, we have incurred an expenditure of Rs. 8652 crore on the CAPEX plan on consolidated basis and further in FY 2024-25, we have a target of Rs. 11,762 crore on consolidated basis for our Company. Our ability to finance our capital expenditure plans is subject to a number of factors, some of which are beyond our control, including tariff regulations, our results of operations, general economic and capital market conditions, borrowing or lending restrictions, if any, imposed by state governments, the GoI and the Reserve Bank of India ("RBI"), our ability to obtain financing on acceptable terms, and the amount of dividends required to be paid to the GoI and our public shareholders. In addition, in the past some lenders have not disbursed funds to us when scheduled to do so. Also, adverse developments in the credit markets may significantly increase our debt service costs and the overall cost of our funds. We cannot assure you that debt or equity financing or our internal accruals will be available or sufficient to meet our capital expenditure requirements. This may, in turn, adversely affect the implementation of our current projects or future business plans.

6. The majority of our revenues are derived from sales of power to the state electricity entities / Discoms, as per the directives of the GoI, and we cannot assure you that the state electricity entities will always be able to secure their payments to us.

In Fiscal 2023-24 we derived Rs. 7957.43 crore revenue from the sale of energy. We supply energy to SEBs and their successor entities, pursuant to long-term power purchase agreements. We are obliged to supply power to State electricity entities, including their successors and unbundled entities, in accordance with the terms of the allocation letters issued by the GoI and the terms of power purchase agreements ("PPAs") entered into with these entities and the GoI. Pursuant to Tripartite Agreements entered into among the GoI, the RBI and respective state governments, our billings to the SEBs are currently secured through letters of credit. In addition, we can secure payment by regulating the power supply to a defaulting entity. Further direct recovery from the GoI payments that are funded from central plan assistance given to the relevant State are possible under Tripartite Agreements that were valid until 31st October 2016. Tripartite Agreements have further extended by GoI, RBI and the States (except Punjab) for the period of 10/15 years up to 31.10.2026 and 31.10.2031.

On 03.06.2022 MoP, GoI has Notified Electricity (Late Payment Surcharge) Rules, 2022. As per these rules DISCOMs have to maintain Payment Security Mechanism (PSM) in place in terms of LC or advance payment for supply of power to them. If DISCOM delays payment of dues for more than 45 days from date of presentation of bill, LPS @ base rate (MCLR of SBI + 5%) per month on dues shall be levied. For further delay in payment of dues LPS shall be increased by 0.5% every successive month till 6 months with ceiling of 3%.

In case of non-payment of dues by the default trigger date (i.e. 75th day after presentation of bill) and non-availability of LC, 25 % power supply to the defaulting DISCOM shall be regulated and also short term access for sale & purchase of electricity including the purchase of power in the power exchange shall be regulated entirely.

If the distribution licensee does not establish payment security mechanism or continues to default in payment of outstanding dues for a further period of thirty days then the generating company shall be entitled to sell 100% of the contracted power through Power Exchanges.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Further, if even one month after the regulation of the short-term access i.e. if the dues have remained unpaid for three and a half months, apart from the regulation of the short-term access in its entirety, the long and medium- term access shall be regulated by 10%.

Thus we may say that realization of dues from beneficiary / DISCOMs are quite secure, however non-liquidation of dues for whatsoever reason, may adversely affect our financial position.

7. Any future changes to CERC's tariff regulations may adversely affect our cash flow and results of operations.

The tariff norms and regulations have been evolving and may be subject to further change. They are subject to revision by the CERC and may be revised by it during the term of the respective PPAs. Any adverse changes in tariff norms or their interpretation by the CERC, judgments of the Appellate Tribunal for Electricity or the Supreme Court, or notifications by Ministry of Power or respective state governments relating to issues that affect hydropower generation, may limit our ability to recover payments due to us or the prices that we can charge for our hydropower and may have an adverse effect on our results of operations and cash flow from operations.

8. Our long-term agreements entered into with state electricity entities expose us to certain risks as we do not have the flexibility to modify such contracts to reflect changes in our business circumstances or to enter into agreements with other parties at higher prices, should the market price for energy rise.

We derive a substantial portion of our revenues from PPAs entered with state electricity entities for a period of 40 years/35 years/10 years from the date of commercial operation of the last unit or balance normative life of power station whichever is earlier. The provision of these PPA's continue to operate until such agreements are formally renewed or replaced with mutual consent. Our Project specific tariff is not indicated in our PPA's and is decided by CERC. Such arrangements may restrict our operational and financial flexibility and restrict our ability to grow our revenues from existing businesses. For example, business circumstances may materially change over the life of one or more of our contracts and we may not have the ability to modify our contracts to reflect these changes. Although long term PPAs assume the certainty of revenue stream, however, being committed under the contracts may restrict our ability to implement changes in our business plan or to enter into agreements with other parties at higher prices as and when the market price for energy rise. This limits our business flexibility, exposes us to an increased risk of unforeseen business and industry changes and may have an adverse effect on our business, prospects, financial condition and results of operations.

Given that our revenue structure under each contract is set over the life of the contract (and fluctuates subject to the adjustment mechanisms contained in each such contract), our profitability is largely a function of how effectively we are able to manage our costs during the terms of our contracts. If we are unable to effectively manage costs, our business, prospects, financial condition and results of operations may be adversely affected.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Our future success will depend in part on our ability to respond to technological advances and emerging hydropower generation industry standards and practices in a cost-effective and timely manner. The development and implementation of such technology entails technical and business risks. We cannot assure you that we will successfully implement new technologies effectively or adapt our processing systems to customer requirements or emerging industry standards. If we are unable, for technical, financial, legal or other reasons, to adapt in a timely manner to changing market conditions, customer requirements or technological changes, our business, prospects, financial performance and results of operation may be adversely affected.

9. The Electricity Act, 2003, Hydro Power Policy 2008 and Mega Power Policy have introduced measures that may result in increased competition for us.

The statutory and regulatory framework for the Indian power sector generally, and the hydropower sector specifically, has changed significantly in recent years and there are likely to be more changes in the next few years. Changes in tariff policy based on the CERC Approach Paper and unbundling of the SEBs and consequent restructuring of companies in the power sector, as discussed in the risk factors above, open access and parallel distribution, and liberalised licensing requirements for, and tax incentives applicable to, companies in the hydropower sector, may provide opportunities for increased private sector involvement in power generation. For instance, the Electricity Act, 2003, removes licensing requirements for thermal generators, provides for open access to transmission and distribution networks and removes restrictions on the right to build captive generation plants. Specifically, the open access reforms, which will enable generators to sell their output directly to distribution companies, and ultimately, directly to consumers, may increase the financial viability of private investment in power generation. A key objective of the Hydro Power Policy 2008, is to encourage and increase private investment in the development of hydropower through providing financial benefits. The Hydro Power Policy 2008 also seeks to encourage joint ventures with private developers and the use of an independent power producer ("IPP") model and promote power trading and speeding up clearance procedures.

The threshold limit to obtain mega power project status is 500 MW for hydropower projects. This threshold has been reduced to 350 MW for projects located in Jammu & Kashmir, Sikkim and the North Eastern States. The intention of this policy is to accelerate the rate of capacity addition in the power sector by providing major fiscal benefits of mega projects and thereby lowering the cost of power. However as per the decision of cabinet meeting held on July 19, 2012 the benefits of custom duty and Special additional duty etc. on mega power projects will become inapplicable for new projects.

Govt. of India vide Office Memo F.No.15/2/2016-H-I (Pt.) dt. 08-Mar-2019 approved following measures to promote Hydro Power Sector.

- Large Hydropower Projects are declared as Renewable Energy source.
- Hydropower Purchase Obligation (HPO) is notified as separate entity within Non-Solar Renewable Purchase Obligation (RPO).
- Increase of project life to 40 years, increasing debt repayment period to 18 years and introducing escalating tariff of 2% for bringing down hydropower tariff.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- Budgetary support for Flood Moderation for storage HEPs has been set up vide Office Memo No.15/2/2016-H.I(Pt.)(230620) dated 28-Sep-2021.
- Budgetary support to cost of Enabling Infrastructure i.e. roads / bridges has been set up vide Office Memo No.15/2/2016-H.I(Pt.)(230620) dated 28-Sep-2021.

Large Indian businesses that already have a presence in the Indian power sector, specifically in captive power generation, may seek to expand their operations in the sector. The power sector in India may also attract increased investment from international companies with greater resources and assets than us and which may be able to achieve better economies of scale allowing them to bid profitably at more competitive rates. In addition, there may be increased competition from Central and State power utilities. This competition may result in a material adverse effect on our business, prospects and financial condition.

10. Our generation capacity is subject to substantial variations in water flow due to climatic conditions, which may cause significant fluctuations in our revenue and profits.

The amount of power generated by hydropower systems is dependent on available water flow. There may be significant fluctuations in our revenues and cash flows due to variations in water flow from season to season, and from year to year, depending on factors such as rainfall, snowfall, snowmelt, or other seasonal or climatic conditions, and the carrying capacity of the river.

Our operating results have historically been more favorable during the monsoon season of June through September. Substantial rainfall during these months generally leads to higher generation at our power stations because a greater amount of water is available. Our operating results have historically been less favorable during the remainder of the year when there is less water available.

Further, with respect to our projects under construction and our future projects, while we select our sites on the basis of output projections, there can be no assurance that the water flows will be consistent with our projections, or that the water flow required to generate the projected outputs will be sustained after construction of the projects is completed. Similarly, there can be no assurance that material hydrological events will not impact the conditions that currently exist at our project sites. Accordingly, adverse hydrological conditions, whether seasonal or for an extended period of time, that result in inadequate or inconsistent water flow may render our hydroelectric power stations incapable of generating energy in accordance with our current estimates, which may adversely affect our business condition in the future or may make it difficult for us to recover costs already expended on any affected projects currently under development.

11. We are dependent on various contractors or specialist agencies to construct and develop our projects or to supply materials or equipment required in connection with our projects.

We rely on third party contractors for the construction and development of our projects. Accordingly, the timing and quality of construction of our projects depends on the availability and skill of these contractors. We also rely on third party suppliers to provide us with many of the materials we use, such as cement and steel. We do not have direct control over the quality of materials supplied by such suppliers. Therefore, we are exposed to risks relating to the quality and availability of such products.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

In our business, we also rely on complex machinery built by third parties, which may be susceptible to malfunction. This is particularly true in the current industry environment, which involves rapid technological developments and often involves the installation of newly developed equipment that has not been extensively field-tested. Although, in certain cases, manufacturers are required to compensate us for certain equipment failures and defects, such arrangements are subject to ceilings and may not fully compensate us for the damage that we may suffer as a result of equipment failures and defects, force majeure conditions or against any penalties we may consequently become liable to pay under our agreements with our customers.

In addition, our contracts with third party suppliers or contractors do not generally cover indirect losses such as loss of profits or business interruption. There can be no assurance that any natural disasters, accidents or malfunctions involving our assets will not have an adverse effect on our business, prospects, financial condition and results of operations. Further, although we believe that our relationships with our contractors and suppliers are cordial, we cannot assure you that such contractors and suppliers will continue to be available at reasonable rates and in the areas in which we conduct our operations. If some of these third parties do not complete our orders satisfactorily or within the stipulated time, our reputation and financial condition may be adversely affected.

12. We may not have sufficient insurance coverage to cover all possible economic losses.

The operation of our assets may be disrupted for reasons beyond our control, including, but not limited to the factors stated in the risk factors in this section. During the construction phase, we rely on insurance coverage provided by our contractors to insure against damage and loss to our hydroelectric projects. Further, we take, through our contractors, third party insurance against risks associated with our assets and infrastructure that are ancillary to our stations, such as roads, administration buildings or housing provided to on-site workers. On commissioning, the power projects get covered under Mega Risk Policy and CPM Policy for losses under fire and its allied perils including terrorism and business interruption losses arising due to such damage. In addition to the above, we maintain a group personal accident policy, group insurance for house building advance and group insurance in lieu of an employee deposit linked insurance scheme, for all of our employees.

Although our insurance coverage and cash flows have been adequate to provide for losses in the past, future losses from such risks may exceed our insurance coverage limits and to that extent, any significant losses from such risks may have an adverse effect on our financial condition.

13. The risk of environmental damage may force us to restrict the scope of our projects or incur substantial compliance or restorative costs.

Certain environmental organisations have expressed opposition to hydropower stations based on the allegation that they cause loss of habitat for, or destruction of, marine life and have adverse effects on waterways. In addition, dams create large reservoirs over what used to be dry land, which may also result in destruction of wildlife habitats, the need for resettlement of resident populations or urban centers, increased sediment in rivers and the production of methane from submerged forests. Due to these factors, environmental regulators may impose restrictions on our operations that would limit

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

our ability to generate revenues. We may also be subject to significant financial penalties for any environmental damage caused. Financial losses and liabilities as a result of increased compliance costs or due to environmental damage may affect our reputation and financial condition.

Specifically, the nature of our business requires us to handle and transport certain highly inflammable and explosive materials. Whilst the handling and transport of such hazardous materials is subject to statutorily provided safety and environmental requirements and standards, such materials may, if improperly handled or subjected to unsuitable conditions, hurt our employees or other persons, cause damage to our properties and harm the environment. This may result in disruption in our operations, subject us to regulatory proceedings or litigation, and impose significant restorative costs and liabilities, which may adversely affect our reputation and financial condition.

14. We may be impacted by disputes concerning water usage and management at a local, state or international level.

India is party to a number of international agreements that seek to promote long-term holistic water management across international boundaries, including a water-sharing treaty between India and Bangladesh on the River Ganges, the Indus Water Treaty between India and Pakistan and several treaties between India and Nepal. In addition, there are several Indian Inter-State water-sharing agreements in relation to sharing costs towards water and irrigation. However, sovereignty over water flows is hard to define and enforce, even though agreements between riparian States or regions have been reached.

For instance, the International Court of Arbitration issued the final award in respect of the dispute between Pakistan and India under Indus Water Treaty regarding diversion from the Kishanganga/Neelum River for power generation by Kishanganga HE Project. In the final award it was upheld that India shall maintain a minimum flow of 9 cumecs in the Kishanganga/Neelum river at all times below the KHEP and when the daily average flow upstream of KHEP does not meet the 9 cumecs level, 100% of the daily average flow upstream of KHEP shall be released into the Kishanganga/Neelum river below the KHEP. Further after 7 years of diversion of water from Kishanganga/Neelum River either party may seek reconsideration of the minimum flow through the Permanent Indus Commission and the mechanisms of the treaty.

Our business and our future financial performance may be adversely affected should our projects or the watercourses on which our projects are located, become the subject of disputes relating to water usage at a local, state or international level.

15. We have borrowings, the repayment of which, if accelerated, may have an adverse impact on our business and results of operations.

Our ability to meet our debt service obligations and to repay our outstanding borrowings will depend primarily upon the cash flow produced by our business. If we fail to meet our debt service obligations, our lenders may declare us in default under the terms of our borrowings and accelerate the maturity of our obligations. We cannot assure you that, in the event of any such acceleration, we would have sufficient resources to repay these borrowings and maintain the operations of our facilities without disruption. Accordingly, any such acceleration may have an adverse effect on our

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

cash flows, business and results of operations.

16. Our indebtedness and the conditions and restrictions imposed by our financing arrangements may adversely affect our ability to conduct our business and operations.

There are restrictive covenants in the agreements we have entered into with certain banks and financial institutions for our short-term borrowings, medium-term borrowings and bond trust deeds. These covenants typically require us to inform lenders prior to issuing new shares, incurring further debt, creating further encumbrances on our assets and undertaking guarantee obligations. In addition, some of our loan agreements contain financial covenants that require us to maintain, among other things, a specified debt to net worth ratio and an interest-coverage-ratio.

We cannot assure you that our business will generate sufficient cash to enable us to service our debt, comply with our covenants or to fund our other liquidity needs. We cannot assure you that we will be able to refinance any of our debt on commercially reasonable terms or at all.

17. Our results of operations may be adversely affected by strikes, work stoppages or increased wage demands by our employees or any other kind of disputes with our employees.

There have been no strikes in our Company leading to material loss of generation or disruption of work during the last five years. However, there can be no assurance that we will not in the future experience disruptions to our operations due to disputes or other problems with our work force, which may adversely affect our business and results of operations. Further, efforts by labour unions to organise our employees may divert management's attention and increase operating expenses.

We enter into contracts with independent contractors to complete specified assignments and these contractors are required to source the labour necessary to complete such assignments. Even though we do not engage these laborers directly, should our contractors default on wage payments, we may be held responsible under Indian law for wage payments to laborers engaged by such contractors. Any requirement to fund such payments may adversely affect our financial condition. Further, pursuant to the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, we may be required to absorb a portion of our contract laborers as our employees. Any further order from a court or any regulatory authority may adversely affect our business and financial condition.

18. We currently engage in foreign currency borrowing and are likely to continue to do so in the future, which will expose us to fluctuations in foreign exchange rates, which may adversely affect our financial condition.

Our foreign currency borrowings is exposed to fluctuations in foreign exchange rates. We may continue to borrow foreign currency in the future, which will further expose us to fluctuations in foreign currency rates. Volatility in foreign exchange rates may adversely affect our business and financial performance.

19. Our success depends in large part upon our management team and skilled personnel and our ability to attract and retain such persons.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

Our future performance depends on the continued service of our management team and skilled personnel. We also face a continuous challenge to recruit and retain a sufficient number of suitably skilled personnel, particularly as we continue to grow. Although we have a retention policy in place, there is significant competition for managers and other skilled personnel in our industry, and it may be difficult to attract and retain the personnel we need in the future. The loss of key personnel may have an adverse effect on our business, results of operations, financial condition and ability to grow.

20. A major fraud by third parties or our own employees or lapses in our control systems could adversely impact our business, prospects, results of operations and financial condition.

We are vulnerable to risk arising from the failure of third parties, such as contractors implementing projects and our other contractors, or our own employees to adhere to approved procedures and system controls, including accounting and data protection procedures. However, we implement certain policies and procedures to minimize risks associated with internal controls and risk management, including constitution of committees of our Board and divisions within the Company for such purpose, as well as whistle blower policies, periodic internal and external audits. Failure to prevent or mitigate fraud or breaches in security may adversely affect our reputation, business, prospects, results of operations and financial condition.

21. Our business may be adversely affected by future regulatory changes.

We are subject to the corporate, taxation and other laws in effect in India which require continued monitoring and compliances. The introduction of additional government control or newly implemented laws and regulations governing the electricity sector or power generation may result in a material adverse effect on our business, results of operations and financial condition and our future expansion plans in India. In particular, decisions taken by regulators concerning economic policies or goals that are inconsistent with our interests, could adversely affect our results of operations. While we will take adequate measures, we cannot assure you that we will be able to timely adapt to new laws, regulations or policies that may come into effect from time to time with respect to the electricity sector or power generation specifically and regulatory regime in general. These laws and regulations and the way in which they are implemented and enforced may change from time to time and there can be no assurance that future legislative or regulatory changes will not have an adverse effect on our business, results of operations and financial condition.

22. The progress of one of project Subansiri Lower H.E. Project was stalled due to agitation by locals and our accounting treatment in respect the cost incurred by the Company in the said project.

Construction activities at site of Subansiri Lower Project was stalled due to protest of anti-dam activists w.e.f. 16.12.2011, however with the order of NGT dated 31.07.2019, there is no hurdle in the construction work now and construction activities have resumed.

The interrupted work of Subansiri Lower falls under the uncontrollable factor as defined in CERC Tariff Regulation 14-19 and therefore the company has adopted the concept of Guidance Note issued by the Institute of Chartered Accountant of India (ICAI) on 18.02.2015 on Accounting for Rate Regulated Activities. With effect from FY 2016-17, such rate regulated items are to be accounted for as per IND AS 114-Regulatory Deferral Accounts. IND AS 114 allows an entity to continue to apply

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

previous GAAP accounting policies for the recognition, measurement, impairment and derecognition of regulatory deferral account balances. IND AS 114 further provides that for this purpose, Guidance Note of ICAI on Accounting for Rate Regulated Activities shall be considered as the previous GAAP.

External Risk Factors

23. A slowdown in economic growth in India could cause our business to be adversely affected.

Our results of operations are significantly affected by factors influencing the Indian economy and the global economy in general. Any slowdown in economic growth in India could adversely affect us, including our ability to grow our project portfolio and our ability to implement our strategy. Any such slowdown could adversely affect our business, prospects, results of operations and financial condition. For example, Due to the recent lock down declared by Central Government on account of COVID Pandemic, Construction activities at sites of two projects i.e. Subansiri and Parbati II projects remained suspended from March 23, 2020 till April 22, 2020.

24. Political instability or changes in Gov policies could adversely affect economic conditions in India generally, and consequently, our business in particular.

We are incorporated in India, derive our revenues from operations in India and all of our assets are located in India. Consequently, our performance may be affected by interest rates, government policies, taxation, social and ethnic instability and other political and economic developments affecting India.

Gol has traditionally exercised and continues to exercise a significant influence over many aspects of the economy. Since 1991, successive governments have pursued policies of economic and power sector liberalization and deregulation and encouraged infrastructure projects. The present government has announced its general intention to continue India's current economic liberalization and deregulation policies. However, the rate of economic liberalization could change and there can be no assurance that such policies will be continued. A significant change in Gol's policies in the future, particularly in respect of the banking and finance industry and the infrastructure sector, could affect business and economic conditions in India. This could also adversely affect our business, prospects, results of operations and financial condition.

25. Occurrence of natural calamities could have a negative impact on the Indian economy and could cause our business to be adversely affected.

Time and cost overruns is a major concern in the construction of hydro-electric projects. Most of the hydro-electric projects are located in hilly terrain and are prone to devastating natural calamities like landslides, hill slope collapses, roadblocks, flood, cloud burst etc. These calamities cause severe setbacks to construction schedule. Further, in spite of extensive survey and investigation, geological uncertainties have to be tackled, especially in long tunnels such as Head Race Tunnel. NHPC, with its rich experience and expertise coupled with state-of-the-art technology, has overcome such surprises many times in the past. However, these are common and unpredictable geological uncertainties,

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

which may result in time and cost over-run.

26. If regional hostilities, terrorist attacks or social unrest in India increases, our business could be adversely affected.

India has from time to time experienced social and civil unrest and hostilities within itself and with neighboring countries. India has also experienced terrorist attacks in some parts of the country. These hostilities and tensions and/or the occurrence of terrorist attacks have the potential to cause political or economic instability in India and adversely affect our business and future financial performance. Further, India has also experienced social unrest in some parts of the country. If such tensions occur in other parts of the country, leading to overall political and economic instability, it could have an adverse effect on our business, prospects, results of operations and financial condition.

27. Any down grading of India's sovereign rating by a credit rating agency could have a negative impact on our business, financial condition and results of operations.

Any adverse revisions to India's sovereign credit ratings for domestic and international debt by credit rating agencies may adversely impact the interest rates and other commercial terms at which such financing is available to us. Consequently, if India's sovereign credit rating downgrades, we may not be able to raise loans at competitive rates and, accordingly, we may not be able to maintain the profitability or growth of our business. Accordingly, any adverse revisions to our credit rating or the India's sovereign credit rating could have a material adverse effect on our business, financial condition and results of operations, our ability to obtain financing for lending operations.

RISKS RELATING TO THE BONDS

28. There has been only a limited trading in the bonds and it may not be available on sustained basis in the future and the price of the Bonds may be volatile.

There has been only a limited trading in bonds of such nature in the past. Although the Bonds are proposed to be listed on stock exchange, there can be no assurance that a public market for these Bonds would be available on a sustained basis. The liquidity and market prices of the Bonds can be expected to vary with changes in market and economic conditions, our financial condition and prospects and other factors that generally influence market price of Bonds. Such fluctuations may significantly affect the liquidity and market price of the Bonds, which may trade at a discount to the price at which the Bonds are issued.

29. There is no guarantee that the Bonds issued pursuant to the Issue will be listed on stock exchange in a timely manner, or at all or that monies refundable to Applicants will be refunded in a timely manner.

In accordance with Indian law and practice, permissions for listing and trading of the Bonds issued pursuant to this Issue will not be granted until after the Bonds have been issued and allotted. Approval for listing and trading will require all relevant documents authorising the issuing of Bonds to be submitted. There could be a failure or delay in listing the Bonds on the Stock Exchange. If

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

permission to deal in and for an official quotation of the Bonds is not granted by the Stock Exchange, our Company will forthwith repay, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to the Offer Letter.

30. You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the Bonds.

Our ability to pay interest accrued on the Bonds and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the Bonds and/or the interest accrued thereon in a timely manner, or at all.

31. Changes in interest rates may affect the trading price of the Bonds.

All securities where a fixed rate of interest is offered, such as the Bonds, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon/ interest rate, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the trading price of the Bonds.

32. Any downgrading in credit rating of our Bonds may affect the trading price of our Bonds.

The Bonds proposed to be issued have been rated and India Ratings & Research Private Limited. We cannot guarantee that this rating will not be downgraded. These ratings may be suspended, withdrawn or revised at any time. Any revision or downgrading in the credit rating may lower the trading price of the Bonds and may also affect our ability to raise further debt.

33. Payments made on the Bonds will be subordinated to certain tax and other liabilities preferred by law.

The Bonds will be subordinated to certain liabilities preferred by law such as to claims of GoI on account of taxes, and certain liabilities incurred in the ordinary course of our transactions. In particular, in the event of bankruptcy, liquidation or winding-up, our assets will be available to pay obligations on the Bonds only after all of those liabilities that rank senior to these Bonds have been paid. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining, after paying amounts relating to these proceedings, to pay amounts due on the Bonds. Further, there is no restriction on the amount of debt securities that we may issue that may rank above the Bonds. The issue of any such debt securities may reduce the amount recoverable by investors in the Bonds on our bankruptcy, winding-up or liquidation.

34. Debenture Redemption Reserve is not required pursuant to Companies (Share Capital and Debenture) Amendment Rule, 2019:

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Pursuant to the provisions of in Companies (Share Capital and Debenture) Amendment Rule, 2019, NHPC being a listed Company, is not required to create DRR for its privately placed bonds now. However, a sum which shall not be less than fifteen percent of the amount of its debentures maturing during the year ending on the 31st day of March next following in any one or more of the following methods namely :

- in deposits with any scheduled bank, free from any charge or lien;
- in unencumbered securities of the Central Government or any State Government;
- in unencumbered securities mentioned in sub-clause (a) to (d) and (ee) of section 20 of the Indian Trusts Act, 1882;
- in unencumbered bonds issued by any other company which is notified under sub-clause (f) of section 20 of the Indian Trusts Act, 1882:

General Risk

35. Investment in non-convertible securities involve a degree of risk and investors should not invest any funds in such securities unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it. Specific attention of investors is invited to statement of risk factors mentioned above. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the non-convertible securities or investor's decision to purchase such securities.

36. Unaudited financial information for the stub period in the format as prescribed in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 with limited review report as filed with the stock exchanges, instead of audited financial statements for stub period has been disclosed in this private placement Document.

		<p>115.</p> <p>For recognition of impairment loss on other financial assets, the Company assesses whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognize impairment loss allowance based on 12-month ECL. The amount of expected credit loss/ reversal for the period is recognized as expense/ income in the Statement of Profit and Loss.</p>	<p>the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. Any increase or reversal of loss allowance computed using ECL model, is recognized as an impairment gain or loss in the Statement of Profit and Loss.</p>

Accounting Policy for 2023-24

NOTE NO. 1: COMPANY INFORMATION AND MATERIAL ACCOUNTING POLICIES

(I) Reporting entity

NHPC Limited (the “Company”) is a Company domiciled in India and limited by shares (CIN: L40101HR1975GOI032564). The shares of the Company are listed and traded on the National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange India Limited (BSE) in India. The address of the Company’s registered office is NHPC Limited, NHPC Office Complex, Sector-33, Faridabad, Haryana- 121003. The Company is primarily involved in the generation and sale of bulk power to various Power Utilities. Other business in which the Company is involved includes providing project management / construction contracts/ consultancy assignment services and trading of power.

(II) Basis of preparation

A. Statement of Compliance

These standalone financial statements are prepared on going concern basis following accrual system of accounting and comply with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable), applicable provisions of the Companies Act, 1956, and the provisions of the Electricity Act, 2003 to the extent applicable.

These financial statements were authorised for issue by the Board of Directors 17th May, 2024.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

B. Basis of Measurement

The financial statements have been prepared on historical cost basis, except for:

- Certain financial assets and liabilities measured at fair value
- Plan assets of defined employee benefit plans measured at fair value
- right of use assets – measured at present value of future cash outflows at initial recognition
- assets held for sale - measured at fair value less cost to sell

The methods used to measure fair values are discussed in Note 33.

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition or the amount of proceeds received in exchange for the obligation, or at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

C. Application of new and revised standards

Vide notification dated March 31, 2023, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amends certain Indian Accounting Standards, and are effective from April 1, 2023. The summary of the major amendments and its impact on the Company are given hereunder:

- i) **Disclosure of accounting policies – amendments to Ind AS 1 – Presentation of financial statements:** This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. These amendments define what is 'material accounting policy information' (being information that, when considered together with other information included in an entity's financial statements, can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements) and explain how to identify when accounting policy information is material. They further clarify that immaterial accounting policy information do not need to be disclosed. If disclosed, they should not obscure material accounting information.

The Company has evaluated the amendment and suitably modified its Material Accounting Policies. These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

- ii) **Definition of accounting estimates – amendments to Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors:** The amendment clarifies how entities should distinguish changes in accounting policies from changes in accounting estimates. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, whereas changes in accounting policies are generally applied retrospectively to past transactions and other past events (as well as the current period).

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

- iii) **Deferred tax related to assets and liabilities arising from a single transaction – amendments to Ind AS 12 - Income Taxes:** This amendment has narrowed the scope of the initial recognition

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

- iv) Amendments/ revisions in other standards are either not applicable or do not have any material impact on the financial statements.

D. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest crore (upto two decimals) except where indicated otherwise.

E. Use of estimates and management judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures including contingent assets and contingent liabilities at the Balance Sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In order to enhance understanding of the financial statements, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that may have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

Critical judgments and estimates

a) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116- *Leases*. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Identification of a lease requires significant judgment.

The Company also uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

b) Useful life of Property, Plant and Equipment and Intangible Assets

The estimated useful life of property, plant and equipment and intangible assets are based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

c) Recoverable amount of Property, Plant and Equipment, Capital Work in Progress and Intangible Assets

The recoverable amount of property, plant and equipment, capital work in progress and intangible assets are based on estimates and assumptions, in particular the expected market outlook and future cash flows associated with the power plants. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount resulting in impairment.

d) Post-retirement benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions in respect of future developments in discount rates, the rate of salary increase, inflation rate and expected rate of return on plan assets. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have an impact on the resulting calculations.

e) Revenue

The Company records revenue from sale of power based on tariff approved by the CERC, as per the principles of Ind AS 115- *Revenue from Contracts with Customers*. However, in cases where tariff rates are yet to be approved, provisional rates are adopted considering the applicable CERC Tariff Regulations. Further, where revision in tariff due to revision in cost estimates are pending, tariff is computed based on the parameters and methods prescribed under the CERC Tariff Regulations and an estimated amount of revenue is recognised when an application is made to the CERC after obtaining necessary approvals to the extent it is highly probable that there will be no downward adjustment to the revenue recognised.

f) Provisions and contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has been made on the basis of best judgment by management regarding probable outflow of economic resources. These estimates can change due to unforeseeable developments.

g) Recoverable Amount of Rate Regulated Assets

The operating activities of the Company are subject to cost-of-service regulations whereby tariff charged for electricity generated is based on allowable costs like interest costs, depreciation, operation and maintenance including a stipulated return. Guidance Note on Rate Regulated Activities issued by the ICAI (previous GAAP) and Ind AS 114- 'Regulatory Deferral Accounts' permits an entity to include in the rate base, as part of the cost of self-constructed (tangible) PPE or internally generated intangible assets, amounts that would otherwise be recognised as an expense in the Statement of Profit and Loss in accordance with Ind AS. The Company estimates that items of regulatory deferral accounts recognised in the financial statements are recoverable as per the current CERC

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Tariff Regulations 2019-24. However, changes in CERC tariff regulations beyond the current tariff period may affect the recoverability of such balances.

h) Impairment of Trade Receivables

Considering the historical credit loss experience for trade receivables, the Company does not envisage either impairment in the value of receivables from beneficiaries or loss due to time value of money owing to delay in realization of trade receivables, except to the extent already provided for. CERC Tariff Regulations provide for recovery of Late Payment Surcharge for delayed payments which compensates for loss due to time value of money, except to the extent already provided for.

i) Insurance Claim Recoverable

The recoverable amount of insurance claims in respect of damages to Property, Plant and Equipment and Capital Work in Progress is based on estimates and assumptions as per terms and conditions of insurance policies and management estimate of amount recoverable from the Insurance Company based on past experience.

j) Income taxes

Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

k) Cost of Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs)

The cost of Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) are measured as per Management estimate.

l) Assets classified as held for sale :

Management judgment is required to apply the accounting of non-current assets held for sale under Ind AS 105 - 'Non-current assets held for sale and discontinued operations'. In assessing the applicability, management exercises judgment to evaluate availability of the asset for immediate sale, management's commitment for the sale and probability of sale within one year to conclude if their carrying amount will be recovered principally through a sale transaction rather than through continuing use.

(III) MATERIAL ACCOUNTING POLICIES:

Summary of the material accounting policies for preparation of financial statements as given below have been applied consistently to all periods presented in the financial statements. These accounting policies are formulated in a manner that results in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. These policies need not be applied when the effect of applying them is immaterial.

Up to March 31, 2015, Property, Plant and Equipment, Capital Work in Progress, Intangible Assets and Investment Property were carried in the Balance Sheet in accordance with Indian GAAP. The Company had elected to avail the exemption granted by IND AS 101, "First time adoption of IND AS" to regard those amounts as the deemed cost at the date of transition to IND AS (i.e., as on April 1, 2015). Therefore, the carrying amount of Property, Plant and Equipment, Capital Work in Progress, Intangible Assets and Investment Property as per the previous GAAP as at April 1, 2015, were maintained on transition to Ind AS.

1.0 Property, Plant and Equipment (PPE)

- a) An item of PPE is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- b) PPE are initially measured at cost of acquisition/construction including decommissioning or restoration cost wherever required. The cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. In cases where final settlement of bills with contractors is pending, but the asset is complete and available for operating in the manner intended by the management, capitalisation is done on estimated basis subject to necessary adjustments, including those arising out of settlement of arbitration/court cases.
- c) Subsequent costs is recognized in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.
- d) Expenditure incurred on renovation and modernization of power station on completion of the originally estimated useful life of the power station is added to the cost of the related asset when it meets the recognition criteria. PPE acquired as replacement of the existing assets are capitalized and its corresponding replaced assets removed/ retired from active use are derecognized.
- e) After initial recognition, Property, Plant and Equipment is carried at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any.
- f) Deposits, payments made/ liabilities created provisionally towards compensation (including interest on enhanced compensation till the date of award by the Court), rehabilitation & resettlement and other expenses including expenditure on environment management plans relating to land in possession are treated as cost of land.
- g) Assets over which the Company has control, though created on land not belonging to the Company, are included under Property, Plant and Equipment.
- h) Standby equipment and servicing equipment which meet the recognition criteria of Property, Plant and Equipment are capitalized.
- i) Spares parts (procured along with the Plant and Machinery or subsequently) which meet the recognition criteria are capitalized. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other spare parts are treated as "stores and spares" forming part of inventory.
- j) Expenditure on major inspection and overhauls of generating unit is capitalized, when it meets the asset recognition criteria. Any remaining carrying amount of the cost of the previous inspection and overhaul is derecognized.
- k) The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized regardless of whether the replaced part has

been depreciated separately. If it is not practicable to determine the carrying amount of the replaced part, the Company uses the cost of the replacement as an indication of what the cost of replaced part was at the time it was acquired or constructed. The costs of the day-to-day servicing of property, plant and equipment are recognized in the statement of profit and loss as and when incurred.

- l) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition/ disposal of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

2.0 Capital work in Progress (CWIP)

- a) Expenditure incurred on assets under construction (including a project) is carried at cost under CWIP. Such costs comprise purchase price of assets including import duties and non-refundable taxes (after deducting trade discounts and rebates), expenditure in relation to survey and investigation activities of projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, etc.
- b) Costs including employee benefits, professional fees, expenditure on maintenance and up-gradation of common public facilities, depreciation on assets used in construction of project including Right-of-Use assets, interest during construction and other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management are accumulated under “Expenditure Attributable to Construction (EAC)” and subsequently allocated on systematic basis over major immovable assets, other than land and infrastructure facilities on commissioning of projects. Net pre-commissioning income/ expenditure is adjusted directly in the cost of related assets.
- c) Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is accumulated under “Expenditure Attributable to Construction” and carried under “Capital Work in Progress” and subsequently allocated on a systematic basis over major immovable assets, other than land and infrastructure facilities on commissioning of projects, keeping in view the “attributability” and the “Unit of Measure” concepts in Ind AS 16- “Property, Plant and Equipment”. Expenditure of such nature incurred after completion of the project, is charged to the Statement of Profit and Loss.

3.0 Investment Property

Investment properties are initially measured at cost, including transaction costs. Subsequent to initial recognition, investment properties are carried at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company measures investment property using cost based measurement and fair value of investment property is disclosed in the notes.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from

their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of derecognition. Any gain or loss arising on derecognition/ disposal of the asset is included in the Statement of Profit and Loss.

Transfers to or from investment property is made when and only when there is a change in use supported by evidence.

4.0 Intangible Assets and Intangible Assets under Development

- a) Expenditure on research is charged to expenditure as and when incurred. Expenditure on development is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to & has sufficient resources to complete development and to use or sell the asset.
- b) Intangible assets that are acquired by the Company and which have finite useful lives, are measured on initial recognition at cost. Cost includes any directly attributable expenses necessary to make the assets ready for its intended use. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.
- c) Intangible assets under development represent expenditure incurred on intangible assets which are in the development phase and are carried at cost less accumulated impairment loss, if any.
- d) Subsequent costs are recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the Company and the cost of the item can be measured reliably.
- e) An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

5.0 Foreign Currency Transactions

- a) Transactions in foreign currency are initially recorded at the functional currency spot rate at the date the transaction first qualifies for recognition. At each reporting date, monetary items denominated in foreign currency are translated at the functional currency exchange rates prevailing on that date.
- b) Exchange differences relating to PPE/capital work-in-progress arising out of transaction entered into prior to April 1, 2004 are adjusted to the carrying cost of respective PPE/capital work-in-progress.
- c) Exchange differences arising from translation of foreign currency borrowings entered into prior to March 31, 2016 recoverable from or payable to beneficiaries in subsequent periods as per CERC Tariff regulations are recognised as “Deferred Foreign Currency

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Fluctuation Recoverable/ Payable Account” and adjusted from the year in which the same is recovered/ paid.

- d) Exchange differences arising from settlement/ translation of monetary items denominated in foreign currency entered into on or after April 1, 2016 to the extent recoverable from or payable to the beneficiaries in subsequent periods as per CERC Tariff Regulations are recognized as ‘Regulatory Deferral Account Balances’ during construction period and adjusted from the year in which the same become recoverable from or payable to the beneficiaries.
- e) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Where the Company has paid or received advance consideration in a foreign currency, the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it), is the date when the Company initially recognizes the non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration.

6.0 Regulatory Deferral Accounts

- a) Where an item of expenditure incurred during the period of construction of a project is recognised as expense in the Statement of Profit and Loss i.e., not allowed to be capitalized as part of cost of relevant PPE in accordance with Ind AS, but is nevertheless permitted by CERC to be recovered from the beneficiaries in future through tariff, the right to recover the same is recognized as “Regulatory Deferral Account balances.”
- b) Expense/ income recognised in the Statement of Profit and Loss to the extent recoverable from or payable to the beneficiaries in subsequent periods as per CERC Tariff Regulations are recognised as “Regulatory Deferral Account balances.”
- c) These Regulatory Deferral Account balances are adjusted from the year in which the same become recoverable from or payable to the beneficiaries.
- d) Regulatory Deferral Account balances are evaluated at each Balance Sheet date to ensure that the underlying activities meet the recognition criteria and it is probable that future economic benefits associated with such balances will flow to the entity. If these criteria are not met, the Regulatory Deferral Account balances are derecognised.
- e) Regulatory Deferral Account balances are tested for impairment at each Balance Sheet date.

7.0 Fair value measurement

At initial recognition, transaction price is the best evidence of fair value. However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

8.0 Investments in subsidiaries and joint ventures

Investments in equity shares of subsidiaries and joint ventures are carried at cost less impairment losses, if any in the value of the investments. Where an indication of impairment exists, considering entities with common line of activities as a single cash generating unit, the carrying amounts of investments are assessed and written down to its recoverable amount at the end of reporting period. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

9.0 Financial assets other than investment in subsidiaries and joint ventures

A financial asset includes inter-alia any asset that is cash, equity instrument of another entity or contractual right to receive cash or another financial asset or to exchange financial asset or financial liability under conditions that are potentially favourable to the Company. A financial asset is recognized when and only when the Company becomes party to the contractual provisions of the instrument.

Financial assets of the Company comprise Cash and Cash Equivalents, Bank Balances, Investments in equity shares of companies, Trade Receivables, Loan to employees, security deposit, claims recoverable etc.

a) Classification

The Company classifies its financial assets in the following categories:

- At amortised cost,
- At fair value through other comprehensive income (FVTOCI), and
- At fair value through profit and loss

The classification depends on the following:

- (a) The entity's business model for managing the financial assets and
- (b) The contractual cash flow characteristics of the financial asset.

For assets measured at fair value, gains and losses are either recorded in the Statement of Profit and Loss or under Other Comprehensive Income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through Other Comprehensive Income.

b) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or Loss, transaction costs that are attributable to the

acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

The Company measures trade receivables at their transaction price, if the trade receivables do not contain a significant financing component.

c) Subsequent measurement

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instrument at Fair Value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is classified as at FVTOCI if both the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii) The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments at fair value through Other Comprehensive Income are measured at each reporting date at fair value. Fair value movements are recognized in Other Comprehensive Income (OCI). However, the Company recognizes interest income, impairment losses, reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest income from these financial assets is included in other income using the EIR method.

Equity investments:

All equity investments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments which are held for trading, if any, are classified at Fair Value through Profit or Loss (FVTPL). The Company classifies all other equity instruments at FVTOCI. The Company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

All fair value changes of an equity instrument classified at FVTOCI, are recognized in OCI. There is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. Dividends from such investments are recognised in the Statement of Profit and Loss as "other income" when the company's right to receive payments is established.

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in the Statement of Profit and Loss.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Trade Receivables:

Trade receivables containing a significant financing component are subsequently measured at amortised cost using the effective interest method.

d) Derecognition

A financial asset is derecognised only when:

- i) The Company has transferred the rights to receive cash flows from the financial asset, or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

On derecognition, the difference between the carrying amount and the amount of consideration received / receivable is recognized in the Statement of Profit and Loss.

e) Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- i) Financial assets that are debt instruments, and are measured at amortised cost.
- ii) Financial assets that are debt instruments and are measured as at FVTOCI
- iii) Contract Assets and Trade Receivables under Ind AS 115- *Revenue from Contracts with Customers*
- iv) Lease Receivables under Ind AS 116- *Leases*.

The Company follows the 'simplified approach' permitted under Ind AS 109, "Financial Instruments" for recognition of impairment loss allowance based on life time expected credit loss from initial recognition on contract assets, lease receivables and trade receivables resulting from transactions within the scope of Ind AS 116 and Ind AS 115.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. Any increase or reversal of loss allowance computed using ECL model, is recognized as an impairment gain or loss in the Statement of Profit and Loss.

10.0 Inventories

Inventories mainly comprise stores and spare parts to be used for maintenance of Property, Plant and Equipment and are valued at cost or net realizable value (NRV) whichever is lower. The cost is determined using weighted average cost formula and NRV is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) are valued at lower of cost and net realizable value.

The amount of any write-down of inventories to net realisable value and all losses of inventories is recognized as an expense in the period in which write-down or loss occurs.

11.0 Dividends

Final dividends and interim dividends payable to the Company's shareholders are recognised as change in equity in the period in which they are approved by the Company's shareholders and the Board of Directors respectively.

12.0 Financial liabilities

The Company's financial liabilities include loans and borrowings, trade and other payables. A financial liability is recognized when and only when the Company becomes party to the contractual provisions of the instrument.

a) Classification, initial recognition and measurement

Financial liabilities are recognised initially at fair value less transaction costs that are directly attributable and subsequently measured at amortised cost. Financial liabilities are classified as subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, over the period of the borrowings using the effective rate of interest.

b) Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance cost in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

e) Derivative financial instruments

Derivative financial instruments that are held by the Company to hedge the foreign currency and interest rate risk exposures and are not designated as hedges are accounted for at fair

value through profit or loss. Changes in fair value are recognised in the Statement of Profit and Loss.

13.0 Government Grants

- a) The benefits of a government loan at a below market rate of interest is treated as a Government Grant. The loan is initially recognised and measured at fair value and the grant is measured as the difference between the initially recognized amount of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities and the grant is recognized initially as Government Grant and subsequently amortised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.
- b) Monetary grants from the government for creation of assets are initially recognised when there is reasonable assurance that the grant will be received and the company will comply with the conditions associated with the grant. The Grant so recognised is subsequently amortised in the Statement of Profit and Loss over the useful life of the related assets.
- c) Government grant related to income is recognised in the Statement of Profit and Loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate.

14.0 Provisions, Contingent Liabilities and Contingent Assets

- a) Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the Balance Sheet date. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision net of any reimbursement is presented in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- b) Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of management/independent experts. These are reviewed at each Balance Sheet date and are adjusted to reflect the current management estimate.
- c) Contingent assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

events not wholly within the control of the Company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the financial statements.

15.0 Revenue Recognition and Other Income

Company's revenues arise from sale and trading of energy, project management / construction contracts/ consultancy assignment services and other income. Revenue from other income comprise of interest from banks, employees, contractors etc., dividend from investments in joint ventures and subsidiary companies, dividend from investments in equity in other bodies corporate, interest from investment in bonds, surcharge received from beneficiaries for delayed payments, sale of scrap, other miscellaneous income, etc.

a) Revenue from sale of power

- i) Revenue is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the products or services and excludes amounts collected on behalf of third parties. The Company recognises revenue from contracts for sale of power over time as the customers simultaneously receive and consume the benefits provided by the Company.
- ii) Revenue from sale of power (except minimum lease receipts in respect of power stations considered as Finance Lease/Operating Lease) is accounted for as per tariff notified by the Central Electricity Regulatory Commission (CERC) under the CERC (Terms & Conditions of Tariff) Regulations as modified by the orders of Appellate Tribunal for Electricity to the extent applicable. In the case of Power Stations where provisional/ final tariff is yet to be notified or where incentives/disincentives are chargeable/ payable as per CERC (Terms & Conditions of Tariff) Regulations, revenue is recognised to the extent it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. Rebates given to beneficiaries as early payments incentives are deducted from the amount of revenue.
- iii) Customers are billed on a periodic and regular basis. As at each reporting date, revenue from sale of power includes an accrual for sales delivered to customers but not yet billed (unbilled revenue).
- iv) Recovery/ refund towards foreign currency variation in respect of foreign currency loans and recovery towards Income Tax are recognised on year to year basis based on regulatory norms. Recovery towards deferred tax items recognized till March 31, 2009 are accounted for when the same materialises.
- v) Adjustments arising out of finalisation of Regional Energy Account (REA), though not material, are effected in the year of respective finalisation.
- vi) Advance Against Depreciation (AAD) considered as deferred income up to 31st March 2009 is included in sales on straight line basis over the balance useful life after a period of 12 years from the date of commercial operation of the Power Station.

b) Revenue from Project Management / Construction Contracts/ Consultancy assignments

- i) Revenue from Project Management / Construction Contracts/ Consultancy assignments is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the services and excludes amounts collected on behalf of third parties. The Company recognises revenue on the basis of input method. Input method recognises revenue on the basis of the costs incurred towards the satisfaction of a performance obligation relative to the total expected costs to the satisfaction of that performance obligation.
- ii) Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are transferred to trade receivables revenue when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. The contract liabilities primarily relate to the advance consideration received from the customers.
- iii) Contract modifications, if any, are accounted for when there is a change in the scope or price (or both) of a contract that is approved by the parties to the contract and when the parties to a contract approve a modification that either creates new or changes existing enforceable rights and obligations of the parties to the contract. Accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Contract modifications are recorded on standalone basis when the scope of the contract increases because of the addition of promised goods or services or the price of the contract increases by an amount of consideration that reflects the Company's standalone selling prices of the additional promised goods or services and any appropriate adjustments to that price to reflect the circumstances of the particular contract. Services added that are not distinct are accounted for on a cumulative catch-up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

c) Revenue from trading of power

- i) Accounting for revenue from trading of power involves assessment of the contract conditions to determine whether the Company is required to act in the capacity of a principal or as an agent. The Company acts in the nature of a principal in case it obtains control of the electricity before transferring it to the customer. Indicators of control includes assessment of whether the company is primarily responsible for fulfilling the promise to provide the electricity, it has the discretion to establish the price or whether it bears the inventory risk. Where the Company does not obtain control of the electricity before transferring it to the customer and its performance obligation is to arrange for the supply of electricity by another party, it acts in the nature of an agent.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- ii) Where the Company acts as a principal in a contract for trading of power, the amount of the transaction price allocated to the performance obligation that is satisfied is recognised as revenue.
- iii) Where the Company acts as an agent in a contract for trading of power, the net consideration retained after paying the supplier for the electricity provided to the customer is recognised as revenue from operations. Financial assets and liabilities arising out of these transactions are not set off.

d) Other income

- i) Dividend income is recognized when the right to receive the same is established.
- ii) For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.
- iii) Interest/Surcharge recoverable from customers including those arising out of contracts for trading of power and liquidated damages /interest on advances to contractors is recognised when it is highly probable that a significant reversal in the amount of revenue recognised will not occur in the future.

e) Revenue from sale of carbon credits/ CERs/VERs

Revenue is recognized on transfer/ sale of Carbon Credits/ Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) to the extent it is highly probable that a significant reversal in the amount of revenue recognized will not occur in the future.

16.0 Employee Benefits

i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed or included in the carrying amount of an asset if another standard permits such inclusion as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term performance related cash bonus if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into separate trusts and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the Statement of Profit and Loss or included in the carrying amount of an asset if another standard permits such inclusion in the periods during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction from future

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

payments is available. Contributions to a defined contribution plan that is due more than 12 months after the end of the period in which the employees render the service are discounted to their present value.

Employees Defined Contribution Superannuation Scheme (EDCSS) for providing pension benefits and Social Security Scheme administered through separate trusts are accounted for as defined contribution plans.

iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's Gratuity Scheme, Retired Employees Health Scheme (REHS), Provident Fund Scheme, Allowance on Retirement/Death, Memento on Superannuation to employees and Employees Family Economic Rehabilitation Scheme are in the nature of defined benefit plans. All these plans, other than Allowance on Retirement/Death, Memento on Superannuation to employees and Employees Family Economic Rehabilitation Scheme are administered through separate trusts.

The liability or asset recognised in the Balance Sheet in respect of Gratuity and Retired Employees Health Scheme is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

In respect of Provident Fund Scheme, a liability is recognised in the Balance Sheet where the present value of the defined benefit obligation at the end of the reporting period is higher than the fair value of plan assets. Any surplus of fair value of plan assets over the present value of the defined benefit obligation at the end of the reporting period is not recognised as an asset since the Company does not have any right to the benefits either in the form of refunds from the Plan or by way of lower contribution to the Plan.

The defined benefit obligation is calculated annually by the actuary using the Projected Unit Credit Method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss or included in the carrying amount of an asset if another standard permits such inclusion.

Remeasurement gains (except in the case of Provident Fund Scheme) and losses arising from experience adjustments and changes in actuarial assumptions are recognised directly in Other Comprehensive Income in the period in which they occur and are included in retained earnings in the Statement of Changes in Equity.

iv) Other long-term employee benefits

Benefits under the Company's leave encashment scheme constitute other long term employee benefits.

The Company's net obligation in respect of long-term employee benefits is the amount of future benefits that employees have earned in return for their service in the current and prior periods. The benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

the Projected Unit Credit Method. Contributions to the scheme and actuarial gains or losses are recognised in the Statement of Profit and Loss or included in the carrying amount of an asset if another standard permits such inclusion in the period in which they arise.

v) Termination benefits

The expenses incurred on terminal benefits in the form of ex-gratia payments and notice pay on voluntary retirement schemes are charged to the Statement of Profit and Loss in the year of incurrence of such expenses.

17.0 Borrowing costs

Borrowing costs consist of (a) interest expense calculated using the effective interest method as described in Ind AS 109 – ‘Financial Instruments’ (b) finance charges in respect of finance leases recognized in accordance with Ind AS 116– ‘Leases’ and(c) exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which necessarily take substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they occur.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalised. When the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalisation of the borrowing costs is computed based on the weighted average cost of all borrowings that are outstanding during the period and used for the acquisition, construction/exploration or erection of the qualifying asset. However, borrowing costs applicable to borrowings made specifically for the purpose of obtaining a qualifying asset are excluded from this calculation, until substantially all the activities necessary to prepare that asset for its intended use or sale are complete.

Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Capitalisation of borrowing cost ceases when substantially all the activities necessary to prepare the qualifying assets for their intended use are complete.

Other borrowing costs are recognized as an expense in the year in which they are incurred.

18.0 Depreciation and amortization

a) Depreciation on additions to /deductions from Property, Plant & Equipment (PPE) during the year is charged on pro-rata basis from / up to the date on which the asset is available for use / disposal.

(i) Depreciation on Property, Plant and Equipment of Operating Units of the Company capitalized till five years before the end of the useful life of the Power Station is charged to the Statement of Profit & Loss on straight-line method following the rates

and methodology notified by CERC for the fixation of tariff except for assets specified in Policy No. 18.0(d).

- (ii) Depreciation on Property, Plant and Equipment capitalized during the last five years of the useful life of a Power Station is charged on straight-line method for the period of extended life as per CERC Tariff Regulations/Orders, from the date on which such asset becomes available for use.
- (iii) Where the life and / or efficiency of a Power Station is increased due to renovation and modernization, the expenditure thereon along with its unamortized depreciable amount is charged prospectively on straight-line method over the revised / remaining useful life.
- b) i) Depreciation on Property, Plant and Equipment (except old and used) of other than Operating Units of the Company is charged to the extent of 90% of the cost of the asset following the rates notified by CERC for the fixation of tariff except for assets specified in Policy No. 18.0(d).
- ii) Depreciation on old and used items of PPE of other than Operating Units is charged on straight-line method to the extent of 90% of the cost of the asset over estimated useful life determined on the basis of technical assessment.
- c) i) Depreciation in respect of following items of PPE is provided on straight line method based on the useful life and residual value (5%) given in the Schedule II of the Companies Act, 2013:
 - Construction Plant and Machinery
 - Computer and Peripherals
- ii) Based on technical assessment, depreciation on Mobile Phones is provided on straight line basis over a period of three years with residual value of Re 1.
- iii) Based on technical assessment, depreciation on Roof Top Solar Power System / Equipment is provided on straight line basis over a period of twenty five years with residual value of 10%.
- (iv) Based on technical assessment, depreciation on furniture & other equipment provided at residential office of employees is charged on straight line basis over a period of five years with residual value of 10%.
- d) Temporary erections are depreciated fully (100%) in the year of acquisition /capitalization by retaining Re. 1/- as WDV.
- e) All assets valuing Rs. 5000/- or less but more than Rs. 750/- are fully depreciated/amortised during the year in which the asset becomes available for use with WDV of Re. 1/- for tangible assets and NIL for Intangible Assets.
- f) Low value items, which are in the nature of assets (excluding immovable assets) and valuing up to Rs. 750/- are not capitalized and charged off to expenditure in the year of use.
- g) Leasehold Land of operating units is amortized over the period of lease or over the life of the Power Plant (40 years in case of Hydro Projects and 25 years in case of Solar & Wind Projects) whichever is lower, following the rates and methodology notified vide CERC tariff regulations.

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

- h) Leasehold Land and buildings of units other than operating units, is amortized over the period of lease or over the life of the Power Plant (40 years in case of Hydro Projects and 25 years in case of Solar & Wind Projects), whichever is lower.
- i) PPE created on leasehold land are depreciated to the extent of 90% of original cost over the balance available lease period of respective land from the date such asset is available for use or at the applicable depreciation rates & methodology notified by CERC tariff regulations for such assets, whichever is higher.
- j) Land-Right of Use is amortized over a period of 30 years from the date of commercial operation of the project in line with CERC tariff regulations notified for tariff fixation.
- k) Cost of software recognized as 'Intangible Assets' is amortized on straight line method over a period of legal right to use or three financial years, whichever is earlier, starting from the year in which it is acquired. Other intangible assets are amortized on straight line method over the period of legal right to use or life of the related plant, whichever is less. The period and method of amortization of intangible assets with finite useful life is reviewed at each financial year end and adjusted prospectively, wherever required.
- l) Where the cost of depreciable assets has undergone a change during the year due to increase/decrease in long term liabilities on account of exchange fluctuation, price adjustment, settlement of arbitration/court cases, change in duties or similar factors, the unamortized balance of such assets is depreciated prospectively over the residual life of such assets at the rate of depreciation and methodology notified by CERC tariff regulations.
- m) Spare parts procured along with the Plant and Machinery or subsequently which are capitalized and added in the carrying amount of such item are depreciated over the residual useful life of the related plant and machinery at the rates and methodology notified by CERC.
- n) Useful life, method of depreciation and residual value of assets where depreciation is charged as per management assessment are reviewed at the end of each financial year and adjusted prospectively over the balance useful life of the asset, wherever required.

19.0 Impairment of non-financial assets other than inventories

- a) The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.
- b) In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. Fair value less costs of disposal is determined only in case carrying amount of an asset or cash-generating unit (CGU) exceeds the value in use.

- c) In case of expenditure on survey & investigation of projects, if it is decided to abandon such a project, expenditure incurred thereon is charged to the Statement of Profit and Loss in the year in which such decision is taken.
- d) In case a project under survey and Investigation remains in abeyance by the order of appropriate authority/ by injunction of court order, any expenditure incurred on such projects from the date of order/ injunction of court is provided in the books from the date of such order till the period project is kept in abeyance by such order/ injunction. Provision so made is however reversed on the revocation of aforesaid order/ injunction.
- e) Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

20.0 Income Taxes

Income tax expense comprises current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case the tax is also recognised directly in equity or in other comprehensive income.

a) Current tax

Current tax is the expected tax payable on the taxable income for the year on the basis of the tax laws applicable at the reporting date and any adjustments to tax payable in previous years. Taxable profit differs from profit as reported in the Statement of Profit and Loss because it excludes items of income or expense that are taxable or deductible in other years (temporary differences) and it further excludes items that are never taxable or deductible (permanent differences).

b) Deferred tax

- i) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the Balance Sheet method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

differences, unused tax losses and unused tax credits can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of an asset or liability in a transaction that at the time of the transaction affects neither the taxable profit or loss nor the accounting profit or loss.

- ii) The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.
- iii) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would flow in the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.
- iv) Deferred tax is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in other comprehensive income or equity, in which case it is recognised in Other Comprehensive Income or Equity.
- v) Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities, and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.
- vi) Deferred tax recovery adjustment account is credited/ debited to the extent the deferred tax for the current period forms part of current tax in the subsequent periods and affects the computation of return on equity (ROE), a component of tariff.
- vii) When there is uncertainty regarding income tax treatments, the Company assesses whether a tax authority is likely to accept an uncertain tax treatment. If it concludes that the tax authority is unlikely to accept an uncertain tax treatment, the effect of the uncertainty on taxable income, tax bases and unused tax losses and unused tax credits is recognised. The effect of the uncertainty is recognised using the method that, in each case, best reflects the outcome of the uncertainty: the most likely outcome or the expected value. For each case, the Company evaluates whether to consider each uncertain tax treatment separately, or in conjunction with another or several other uncertain tax treatments, based on the approach that best prefixes the resolution of uncertainty.

21.0 Compensation from third parties

Impairments or losses of items, related claims for payments of compensation from third parties including insurance companies and any subsequent purchase or construction of assets/inventory are separate economic events and are accounted for separately.

Compensation from third parties including from insurance companies for items of property, plant and equipment or for other items that were impaired, lost or given up is included in the

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

Statement of Profit and Loss when the compensation becomes receivable. Insurance claims for loss of profit are accounted for based on certainty of realisation.

22.0 Segment Reporting

- a) In accordance with Ind AS 108 – Operating Segment, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's Management to allocate resources to the segments and assess their performance. The Board of Directors is collectively the Company's "Chief Operating Decision Maker" or "CODM" within the meaning of Ind AS 108.
- b) Electricity generation is the principal business activity of the Company. Other operations viz., Contracts, Project Management, Consultancy works and Trading of Power do not form a reportable segment as per the Ind AS -108.

23.0 Leases

The Company assesses whether a contract is or contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether the contract involves the use of an identified asset, whether the Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of lease and whether the Company has the right to direct the use of the asset. If the supplier has a substantive substitution right, then the asset is not identified. Where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if it has the right to operate the asset, or the Company designed the asset in a way that predetermines how and for what purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. However, for the leases of land and buildings in which it is a lessee, the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

i. Company as a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Land taken for use from State Government (without transfer of title) and expenses on relief and rehabilitation as also on creation of alternate facilities for land evacuees or in lieu of existing facilities coming under submergence and where construction of such alternate facilities is a specific pre-condition for the acquisition of the land for the purpose of the project, are accounted for as Right of Use Assets.

Right-of-use assets are depreciated/amortized from the commencement date to the end of the useful life of the underlying asset, if the lease transfers ownership of the underlying asset by the end of lease term or if the cost of right-of-use assets reflects that the purchase option

will be exercised. Otherwise, Right-of-use assets are depreciated/ amortized from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment.

Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less costs of disposal and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at the present value of the future lease payments, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Future lease payments comprise of the fixed payments, including in-substance fixed payments, variable lease payments that depend on an index or a rate, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise or the penalty for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or when a lease contract is modified, and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

Right-of-use assets are presented as a separate line item on the face of the Balance Sheet.

The Company has elected not to recognise right-of-use assets and lease liabilities in respect of short-term leases that have a lease term of 12 months or less and leases where the underlying asset is of low-value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

ii. Company as a lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset.

Where the Company determines a long term Power Purchase Agreement (PPA) to be or to contain a lease and where the off taker has the principal risk and rewards of ownership of the power plant through its contractual arrangements with the Company, the arrangement is considered a finance lease. For embedded leases in the nature of a Finance Lease, the investment in the power station is recognised as a Lease Receivable. The minimum lease

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

receipts are identified by segregating the embedded lease receipts from the contract amounts (including Advance Against Depreciation (AAD) recognised in accordance with CERC Tariff regulations 2004-09 up to 31st March 2009 and considered as deferred income). Each lease receipt is allocated between the receivable and finance lease income (forming part of revenue from operations) so as to achieve a constant rate of return on the Lease Receivable outstanding.

Subsequent to initial recognition, the Company regularly reviews the estimated unguaranteed residual value and applies the impairment requirements of Ind AS 109- Financial Instruments for recognising an allowance for expected credit losses on the lease receivables.

Finance lease income is calculated with reference to the gross carrying amount of the lease receivables, except for credit-impaired financial assets for which interest income is calculated with reference to their amortised cost (i.e. after a deduction of the loss allowance).

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115- *Revenue from Contracts with Customers* to allocate the consideration in the contract.

In the case of Operating Leases or embedded operating leases, the lease income from the operating lease is recognised in revenue over the lease term to reflect the pattern of use benefit derived from the leased asset. The respective leased assets are included in the Balance Sheet based on their nature and depreciated over its economic life.

24.0 Business combinations

(i) Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition, which is the date at which control is transferred to the Company. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognized at fair values on their acquisition date. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed. Where the fair value of net identifiable assets acquired and liabilities assumed exceed the consideration transferred, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognized as capital reserve. Acquisition related costs are expensed as incurred.

(ii) Business combinations involving entities that are controlled by the Company are accounted for using the pooling of interests method wherein the assets and liabilities of the combining entities are reflected at their carrying amounts and no adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.

The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.

The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee. The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

25.0 Material prior period errors

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the new accounting policy prospectively from the earliest date practicable.

26.0 Earnings per share

- a) Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.
- b) Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.
- c) Basic and diluted earnings per equity share are also presented using the earnings amounts excluding the movements in regulatory deferral account balances.

27.0 Statement of Cash Flows

a) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. However, for Balance Sheet presentation, Bank overdrafts are shown within "Borrowings" under Current Liabilities.

- b) Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS 7- 'Statement of Cash Flows'.

28.0 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

a) An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

b) A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

- c) Deferred tax assets /liabilities are classified as non-current assets / liabilities.

29.0 Non -Current Assets Classified as Held for Sale

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use and a sale is considered highly probable. Indicators in this regard include whether management is committed to the sale, whether such sale is expected to be completed within one year from the date of classification as held for sale and whether the actions required to complete the plan of sale indicates that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn. Non-Current Assets held for sale and disposal groups are measured at the lower of their carrying amount and their fair value. Cost of disposal is deducted from the recognized value, if significant. Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.

30.0 Miscellaneous

- c) Each material class of similar items is presented separately in the financial statements. Items of a dissimilar nature or function are presented separately unless they are immaterial.
- d) Liabilities for Goods in transit/Capital works executed but not certified are not provided for, pending transfer of ownership, inspection and acceptance by the Company.

Registrar & Transfer Agent & Depository Arrangements

The Company has appointed M/s RCMC Share Registry PVT LTD, B-25/1, First Floor, Okhla Industrial Area, Phase-II, New Delhi-110020. Email: mdnair@rcmcdelhi.com Phone: 011-26387320, 26387321, 26387323 as Registrars & Transfer Agent for the present bond issue. The Company has made necessary depository arrangements with National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) for issue and holding of Bonds in dematerialized form. In this context, the Company has signed two tripartite agreements as under:

(i) Tripartite Agreement dated 24.12.2001 between NHPC Limited, M/s RCMC Share Registry PVT LTD and National Securities Depository Ltd. (NSDL) for offering depository option to the investors.

(ii) Tripartite Agreement dated 01.01.2002 between NHPC Limited, M/s RCMC Share Registry PVT LTD and Central Depository Services (I) Ltd. (CDSL) for offering depository option to the investors.

Investors can hold the bonds only in dematerialized form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time.

Market Lot

The market lot will be one bond ("Market Lot"). Since the bonds are being issued only in dematerialized form, the odd lots will not arise either at the time of issuance or at the time of transfer of Bonds.

Trading of Bonds

The marketable lot for the purpose of trading shall be one bond i.e. in denomination of Rs 1 lakh. Trading of bonds would be permitted in demat mode only and such trades shall be cleared and settled in recognized stock exchange(s) subject to conditions specified by SEBI. In case of trading in Bonds which has been made over the counter, the trades shall be executed and reported on a recognized stock exchange having a nationwide trading terminal or such other platform as may be specified by SEBI.

Mode of Transfer of Bonds

Bonds shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/ CDSL/ Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Bonds held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant. The provisions of The Depositories Act, 1996 read with the Companies Act shall apply for transfer and transmission of Bonds.

The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s)

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

would need to be settled with the transferor(s) and not with the Issuer.

Transfer of Bonds to and from NRIs/ OCBs, in case they seek to hold the Bonds and are eligible to do so, will be governed by the then prevailing guidelines of RBI.

Determination of Coupon: The Coupon is decided based on bids received on Electronic Bidding Platform (EBP).

Basis of Allocation / Allotment: As approved by Competent Authority of the Company in line with EBP operating guidelines.

Interest on Application Money

Interest at the respective Coupon Rates (subject to deduction of income tax under the provisions of the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof, as applicable) will be paid to the investor(s) **on face value of Bonds** for the period starting from and including the date of realization of application money in Issuer's Bank Account up to one day prior to the Deemed Date of Allotment. Such interest would be paid on all the valid allotted applications. To clarify, in case the deemed date of allotment and date of receipt of application money is same no interest on application money will be payable.

The interest cheque(s)/ demand draft(s) for interest on application money (along with Refund Orders, in case of refund of application money, if any) shall be dispatched by the NHPC within 7 days from the Deemed Date of Allotment, as the case may be, will be dispatched by registered post/courier/speed post to the sole/ first applicant, at the sole risk of the applicant. Alternatively, the payment towards interest on application money/refund of application money, if any, will be credited to the applicant's account within 7 days from the deemed date of allotment. The investor is requested to furnish complete details of their Bank Account including IFSC code if they desire to have payment through RTGS/EFT/NECS.

Interest on the Bonds

The Bonds shall carry interest at the Coupon Rate from, and including, the Deemed Date of Allotment up to, but excluding the Redemption Date. Interest shall be payable on the "Coupon Payment Dates", excluding such coupon payment date, to the holders of Bonds as on the relevant Record Date. Interest on Bonds will cease from the Redemption Date in all events. For Coupon Payment Dates refer the relevant Key Information Document.

In case of a leap year, if February 29 falls during the tenor of a security, then the number of days shall be reckoned as 366 days (Actual/Actual day count convention) for a whole one year period.

Computation of Interest: Day Count Convention

The interest shall be computed on the basis of Actual/Actual day convention as per term sheet.

Effect of Holidays

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

If the interest payment does not fall on a business day, the payment may be made on the following business day however the dates of the future coupon payments would be as per the schedule originally stipulated at the time of issuing the security. In other words, the subsequent coupon schedule would not be disturbed merely because the payment date in respect of one particular coupon payment has been postponed earlier because of it having fallen on a day which is not a business day.

If the Redemption Date (also being the last Coupon Payment Date) of the Bonds falls on a day that is not a business Day, the redemption proceeds (including coupon payment) shall be paid on the immediately preceding business Day along with interest accrued on the Bonds until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the commercial banks are open for business in the city of Delhi. For the purpose of interest and redemption payment refer working day definition in term sheet

Record Date

Date falling 15 calendar days prior to the relevant Coupon Payment Date or the Redemption Date on which interest amount or the Maturity Amount respectively, is due and payable.

Working Day:

Working Days shall be all days on which commercial banks are open for business in the city of Delhi.

Tax Benefits:

The holder(s) of the Bonds are advised to consider in their own case, the tax implications in respect of subscription to the Bonds after consulting their own tax advisor/ counsel.

Deduction of Tax at Source:

Tax as applicable under the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof will be deducted at source from Interest on Application Money and/or Interest on Bonds, as applicable. For seeking TDS exemption/ lower rate of TDS, relevant tax exemption certificate/ declaration of non-deduction of tax at source on interest on application money, should be submitted along with the application form. Where any deduction of Income Tax is made at source, the Company shall send to the Bondholder(s) a Certificate of Tax Deduction at Source.

Regarding deduction of tax at source and the requisite declaration forms to be submitted, prospective investors are advised to consult their own tax consultant(s).

Redemption:

Bonds will carry ten STRPPs to be redeemed at par from the 4th year from the deemed date of allotment. The Bond will not carry any obligation, for interest or otherwise, after the date of redemption. The Bonds shall be taken as discharged on payment of the redemption amount by the Company on maturity to the registered Bondholders whose name appear in the Register of Bondholders on the record date. Such payment will be a legal discharge of the liability of the

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

Company towards the Bondholders.

Settlement/ Payment on Redemption:

Payment on redemption will be made by way of RTGS/NEFT/any other electronic mode/any other permitted method at the discretion of the issuer, in the name of the Bondholders whose name appear on the List of Beneficial Owners given by Depository to the Company as on the Record Date/ Book Closure Date.

The Bonds shall be taken as discharged on payment of the redemption amount by the Company on maturity to the list of Beneficial Owners as provided by NSDL/ CDSL/ Depository Participant. Such payment will be a legal discharge of the liability of the Company towards the Bondholders. On such payment being made, the Company shall inform NSDL/ CDSL/ Depository Participant and accordingly the account of the Bondholders with NSDL/ CDSL/ Depository Participant shall be adjusted (debited).

The Company's liability to the Bondholders towards all their rights including for payment or otherwise shall cease and stand extinguished from the due date of redemption in all events. Further the Company will not be liable to pay any interest or compensation after the date of redemption. On the Company dispatching/ crediting the amount to the Beneficiary (ies) as specified above in respect of the Bonds, the liability of the Company shall stand extinguished.

List of Beneficial Owners /Register of Beneficial Owners:

The Company shall request the Depository to provide a list of Beneficial Owners as at the end of the Record Date. This shall be the list, which shall be considered for payment of interest or repayment of principal amount, as the case may be. The depositories shall maintain a register and an index of Beneficial Owners in the manner provided in relevant provisions of the Companies Act, 2013.

Succession:

In the event of the demise of the sole/first holder of the Bond(s) or the last survivor, in case of joint holders for the time being, the Issuer shall recognize the executor or administrator of the deceased Bondholder, or the holder of succession certificate or other legal representative as having title to the Bond(s). The Issuer shall not be bound to recognize such executor or administrator, unless such executor or administrator obtains probate, wherever it is necessary, or letter of administration or such holder is the holder of succession certificate or other legal representation, as the case may be, from a Court in India having jurisdiction over the matter. The Issuer may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or succession certificate or other legal representation, in order to recognize such holder as being entitled to the Bond(s) standing in the name of the deceased Bondholder on production of sufficient documentary proof or indemnity.

Who Can Apply:

The following categories are eligible to apply for this **private placement** of Bonds:

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

All QIBs, and any non-QIB Investors specifically mapped by the Issuer on the EBP Platform, are eligible to bid / invest / apply for this Issue.

All participants are required to comply with the relevant regulations/ guidelines applicable to them for investing in this Issue. Applicants are advised to ensure that Applications made by them do not exceed the investment limits that they are subject to under applicable statutory and/or regulatory provisions. Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory permissions/consents/approvals in connection with applying for or subscribing to the Bonds pursuant to the Issue.

However, out of the aforesaid class of investors eligible to invest, this Private Placement Offer cum Application Letter is intended solely for the use of the person to whom it has been sent by the Company for the purpose of evaluating a possible investment opportunity by the recipient(s) in respect of the securities offered herein, and it is not to be reproduced or distributed to any other persons (other than professional advisors of the prospective investor receiving this Private Placement Offer cum Application Letter from the Company).

Documents to be provided by applicant:

Investors need to submit duly certified true copies of the following documents, as may be applicable to them, along with the Application Form: -

- (i) Memorandum and Articles of Association/ Constitution/ Bye-laws/ Trust Deed;
- (ii) Board Resolution authorizing the investment and containing operating instructions;
- (iii) Power of Attorney/ relevant resolution/ authority to make application;
- (iv) Specimen signatures of the authorized signatories (ink signed), duly certified by an appropriate authority;
- (v) Copy of Permanent Account Number Card ("PAN Card") issued by the Income Tax Department;
- (vi) Copy of a cancelled cheque for ECS payments;
- (vii) Necessary forms for claiming exemption from deduction of tax at source on interest on application money, wherever applicable.

In addition to above, the investors may also attach such other documents as may be considered necessary by them. For investments made under Power of Attorney, certified true copy of notarized/registered Power of Attorney or other authority may also be submitted.

Application under Power of Attorney

In case of application made under a Power of Attorney, the relevant Power of Attorney or the relevant resolution or authority to make the application, as the case may be, together with the certified true copy thereof along with the certified copy of the Memorandum and Articles of Association and/or Bye-Laws, as the case may be and the tax exemption certificate must be attached to the Application Form or lodged for scrutiny separately with the photocopy of the application form, quoting the serial number of the application form and the Bank's branch where the application has been submitted, at the office of the Registrars to the Issue after submission of the application form to the Banker to the issue or directly to Company as mentioned in the general instructions annexed

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

to the Application Form, failing which the application is liable to be rejected. Further modifications/ additions in the power of attorney or authority should be notified to the Company or to its Registrars or to such other person(s) at such other address(es) as may be specified by the Company from time to time through a suitable communication.

Payment Mechanism:

Successful bidders should do the funds pay-in to the bank account of the BSE Clearing Corporation Ltd. from their registered bank account only before the cut off time as prescribed by the exchange. The account number of the clearing corporation will be displayed at the time of bidding at the EBP.

Private Placement Offer cum Application Letter:

Application complete in all respects (along with all necessary documents as detailed in this Private Placement Offer Letter) must be submitted on /before the last date indicated in the issue time table or such extended time as decided by the Issuer, accompanied by details/proof of remittance of the application money.

Application for the Bonds must be in the prescribed format in Part-B of this offer and completed in BLOCK LETTERS in English. The name of the applicant's bank, type of account and account number must be filled in the Application Form. This is required for the applicant's own safety and these details will be printed on the refund orders and interest/ redemption warrants.

The applicant should mention their Permanent Account Number (PAN) allotted under the Income-Tax Act, 1961 or where the same has not been allotted, the GIR No. and the Income tax Circle/Ward/District. As per the provision of Section 139A (5A) of the Income Tax Act, PAN/GIR No. needs to be mentioned on the TDS certificates. Hence, the investor should mention his PAN/GIR No. if the investor does not submit Form 15AA/other evidence, as the case may be for non-deduction of tax at source. In case neither the PAN nor the GIR Number has been allotted, the applicant shall mention "Applied for" and in case the applicant is not assessed to income tax, the applicant shall mention 'Not Applicable' (stating reasons for non-applicability) in the appropriate box provided for the purpose. Application Form without this information will be considered incomplete and are liable to be rejected.

Applicants are requested to tick the relevant column "Category of Investor" in the Application Format at Part-B of this offer cum application.

Force Majeure:

The Company reserves the right to withdraw the issue prior to the closing date in the event of any unforeseen development adversely affecting the economic and regulatory environment. The Company reserves the right to change the Issue Schedule.

Right to Accept or Reject Applications:

The Company reserves its full, unqualified and absolute right to accept or reject the application, in

NHPC LIMITED (A Government of India Navratna Enterprise)

General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

part or in full, without assigning any reason thereof. The rejected applicant will be intimated along with the refund warrant, if applicable. No interest on application money will be paid on rejected applications. The application form that is not complete in all respects is liable to be rejected and would not be paid any interest on the application money. Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- a. Number of bonds applied for is less/ more than the number of bonds allocated to the investor;
- b. Application exceeding the issue size;
- c. Bank account details not given;
- d. Details for issue of bonds in electronic/ dematerialized form not given; PAN/GIR and IT Circle/Ward/District not given;
- e. In case of applications under Power of Attorney by limited companies, corporate bodies, trusts, etc. relevant documents not submitted;
- f. In case of failure of any successful bidders to complete the subscription amount payments by the Pay-in Time.
- g. Successful bidders should ensure to make payment of the subscription amount for the Debentures from their same bank account which is updated by them in the NSE - EBP Platform while placing the bids. In case of mismatch in the bank account details between NSE - EBP Platform and the bank account from which payment is done by the successful bidder, the payment would be returned

In the event, if any Bond(s) applied for is/ are not allotted in full, the excess application monies of such Bonds will be refunded, as may be permitted.

Signatures:

Signatures should be made in English or in any of the Indian Languages. Thumb impressions must be attested by an authorized official of a Bank or by a Magistrate/ Notary Public under his/her official seal.

Nomination Facility:

Nomination facility is available as per provisions under Companies Act 2013.

Bondholder not a Shareholder:

The bondholders will not be entitled to any of the rights and privileges available to the shareholders. If, however, any resolution affecting the rights attached to the Bonds is placed before the members of the Company, such resolution will first be placed before the bondholders for their consideration.

Modification of Rights:

Any material modifications to the terms of the issue shall be subject to the procedure prescribed in regulation 59 of the SEBI LODR Regulations, 2015.

Broad lending and borrowing policy of the Issuer:

The Company assess the fund requirements periodically, segregating long term fund requirement and short term fund requirement. Long term fund requirement inter alia includes fund requirements

**NHPC LIMITED (A Government of India Navratna Enterprise)**General Information Document: **GID Reference Number: NHPC/BONDS/GID/2024-25/01**

Private and confidential- Not for circulation.

for Capital expenditure, which are met through combination of debt and equity. Debt is availed through a mix of Bonds (Non-Convertible Securities), Term loan from bank and External Commercial Borrowing (ECB) overall pricing of the loan/debt, repayment conditions, tenor of the credit etc. are the main dominating factors in selecting a particular debt instrument. Short Term fund requirement generally arises due to cash mismatched and is met through availing "Short-Term Working Capital Loan (STWCL)" from a bank. STWCL is availed through a bidding process among the bankers.

Bond/ Debenture Redemption Reserve (DRR):

Transfer to Bonds/Debenture Redemption Reserved shall be in accordance to the applicable provisions of the SEBI Debt Regulations and the Companies (Share Capital and Debentures) Rules, 2014 as amended. Accordingly, pursuant to the latest amendments as on 16.08.2019 in the said rule, we are not required to create DRR from our profits every year, however a sum which shall not be less than fifteen percent of the amount of its debentures maturing during the year, ending on the 31st day of March of the next year shall be invested/deposited in any one or more methods of investments or deposits as provided in sub clause (vi) of the rule.

The Company shall create a Bond/Debenture Redemption Reserve in accordance with any further applicable provisions.

Disputes & Governing laws and jurisdiction:

The Bonds shall be construed to be governed in accordance with Indian laws and rules framed there under. The Courts in New Delhi alone shall have exclusive jurisdiction in connection with any dispute/difference between the Company and the Beneficial Owners of Bonds under these presents.

Notices:

The notices to the Beneficial Owners of Bonds required to be given by the Company shall be deemed to have been given if sent by Registered Post/ Speed Post/ Courier/Ordinary Post to the Registered Beneficial Owner of Bonds and /or if an advertisement is given in one All India English daily newspaper and one regional language newspaper and/ or if communication in this regard has been effected to the depositories.

All notices to be given by the Beneficial Owners of Bonds shall be sent by Registered Post or by Hand Delivery to the Company or such persons, at such address, as may be notified by the Company from time to time.

(8) STOCK EXCHANGE(s) WHERE SECURITIES ARE PROPOSED TO BE LISTED

Debentures are proposed to be listed on NSE & BSE.

In connection with listing with stock exchange(s), the Company hereby undertakes that:

- (a) It shall comply with conditions of listing as may be specified in the Listing Agreement with Stock Exchange(s).
- (b) Credit Ratings obtained by the Company shall be periodically reviewed by the credit rating agencies and any revision in the rating shall be promptly disclosed by the Company to Stock Exchange(s).
- (c) Any change in rating shall be promptly disseminated to the holder(s) in such manner as Stock Exchange(s) may determine from time to time.
- (d) The Company, the Trustees and Stock Exchange(s) shall disseminate all information and reports including compliance reports filed by the Company and the Trustees regarding the Debentures to the holder(s) and the general public by placing them on their websites.
- (e) Trustees shall disclose the information to the holder(s) and the general public by issuing a press release in any of the following events:
 - i. default by the Company to pay interest or redemption amount;
 - ii. revision of rating assigned;
- (f) The information referred to in para (e) above shall also be placed on the websites of the Trustees, Company and Stock Exchange(s).
- (g) Issuer would, till the redemption of the debt securities, submit the Latest Audited / Limited Review Half Yearly Consolidated (wherever available) and Standalone Financial Information and auditor qualifications, if any to the Trustee within the timelines as provided in SEBI(LODR) for furnishing / publishing its half yearly/ annual result. Further, the Issuer shall within 180 days from the end of the financial year, submit a copy of the latest annual report to the Trustee and the Trustee shall be obliged to share the details submitted under this clause with all 'Qualified Institutional Buyers' (QIBs) and other existing debenture-holders within two working days of their specific request.

(9) SERVICING BEHAVIOR ON EXISTING DEBT SECURITIES AND OTHER BORROWINGS

The Company hereby confirms that:

- a) The main constituents of the Company's borrowings have been in the form of borrowings from Banks and Financial Institutions, External Commercial Borrowings & Bonds/Debentures.
- b) The Company has been servicing all its principal and interest liabilities on time and there has been no instance of delay or default.
- c) The Company has neither defaulted in repayment/ redemption of any of its borrowings nor affected any kind of roll over against any of its borrowings in the past.

(10) UNDERTAKING REGARDING COMMON FORM OF TRANSFER

The Debentures shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/ CDSL/ Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Company.

AUTHORITY TO THE ISSUE

The present issue of Bonds is being made pursuant to:

- I. Board resolution (s) passed by the Board of Directors in its meeting held on 19.03.2025.
- II. Shareholders' approval u/s 180 (1) (c) of the Companies Act 2013 authorizing Board of Directors for borrowings from time to time not exceeding in aggregate at any time of Rs. 50,000 crore obtained through postal ballot process held on 28th August 2024.

DISCLAIMER

GENERAL DISCLAIMER

This Key Information Document is neither a Prospectus nor a Statement in lieu of Prospectus and is prepared in conformity with Form PAS-4 prescribed under Section 42 of Companies (Prospectus and Allotment of Securities) Rules, 2014 and in accordance with SEBI Debt Regulations, as amended. This document does not constitute an offer to the public generally to subscribe for or otherwise acquire the Bonds to be issued by the Issuer. The document is for the exclusive use of the Institution(s)/investors to whom it is delivered and it should not be circulated or distributed to third party (ies). The Company certifies that the disclosures made in this document are generally adequate and are in conformity with the captioned Companies Act provisions and SEBI Debt Regulations. This requirement is to facilitate investors to take an informed decision for making investment in the proposed Issue.

DISCLAIMER OF THE ISSUER

The Issuer confirms that the information contained in this Key Information Document is true and correct in all material respects and is not misleading in any material respect. All information considered adequate and relevant about the Issue and the Company has been made available in this Key Information Document for the use and perusal of the potential investors and no selective or additional information would be available for a section of investors in any manner whatsoever. The Company accepts no responsibility for statements made otherwise than in this Key Information Document or any other material issued by or at the instance of the Issuer and anyone placing reliance on any other source of information would be doing so at his/her/their own risk. Although every effort has been made to provide accurate and up-to-date information in this document, however, there is the possibility that an unintentional omission or error exists.

NHPC is not responsible for any such unintentional errors or omissions. Prospective subscribers must make their own independent evaluation and judgment before making the investment and are believed to be experienced in investing in debt markets and are able to bear the economic risk of investing in Bonds. It is the responsibility of the prospective subscribers to have obtained all consents, approvals or authorizations required by them to make an offer to subscribe for, and purchase the Bonds. It is the responsibility of the prospective subscribers to verify if they have necessary power and competence to apply for the Bonds under the relevant laws and regulations in force. Prospective subscribers should conduct their own investigation, due diligence and analysis before applying for the Bonds. Nothing in this Key Information Document should be construed as advice or recommendation by the Issuer or by the Arrangers to the Issue to subscribers to the Bonds.

NHPC LIMITED (A Government of India Navratna Enterprise)

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

The prospective subscribers also acknowledge that the Arrangers to the Issue do not owe the subscribers any duty of care in respect of this private placement offer to subscribe for the Bonds. Prospective subscribers should also consult their own advisors on the implications of application, allotment, sale, holding, ownership and redemption of these Bonds and matters incidental thereto.

DISCLAIMER OF THE SECURITIES & EXCHANGE BOARD OF INDIA

The Securities have not been recommended or approved by SEBI nor does SEBI guarantee the accuracy or adequacy of this document. It is to be distinctly understood that this document should not, in any way, be deemed or construed that the same has been cleared or vetted by SEBI. SEBI does not take any responsibility either for the financial soundness of any scheme or the project for which the Issue is proposed to be made, or for the correctness of the statements made or opinions expressed in this document. This requirement is to facilitate investors to take an informed decision for making investment in the proposed issue

DISCLAIMER OF THE STOCK EXCHANGE(S)

As required, a copy of this Key Information Document has been/will be submitted to the Stock Exchange(s) for hosting the same on their websites. It is to be distinctly understood that such submission of the document with Stock Exchange(s) or hosting the same on its website should not in any way be deemed or construed that the document has been cleared or approved by stock exchange; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this document; nor does it warrant that this Issuer's securities will be listed or continue to be listed on the Exchange(s); nor does it take responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of the Company. Every person who desires to apply for or otherwise acquire any securities of this Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Stock Exchange(s) whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription/ acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever.

DISCLAIMER OF THE ARRANGERS TO THE ISSUE

It is advised that the Issuer has exercised self-due-diligence to ensure complete compliance of prescribed disclosure norms in this Document. The role of the Advisors and Arranger to the Issue (collectively referred to as "Arranger"/ "Arranger to the Issue") in the assignment is confined to marketing and placement of the debentures on the basis of this Offer Letter as prepared by the Issuer. The Arranger have neither scrutinized/ vetted nor have they done any due-diligence for verification of the contents of this Offer Letter. The Arranger shall use this Offer Letter for the purpose of soliciting subscription from a particular class of eligible investors in the debentures to be issued by the Issuer on private placement basis. It is to be distinctly understood that the aforesaid use of this Offer Letter by the Arranger should not in any way be deemed or construed that the Offer Letter has been prepared, cleared, approved or vetted by the Arranger; nor do they in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Offer Letter; nor do they take responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of the Issuer. Arranger is not responsible for compliance of any provision of new Companies Act, 2013. The Arranger or any of their directors, employees, affiliates or representatives do not accept any responsibility and/or liability for any loss or damage arising of whatever nature and extent in connection with the use of any of the information contained in this Offer Letter.

(II) A brief summary of the business of NHPC and JVs/Subsidiaries:**i) Overview**

We are a Navratna power generating company through conventional & non-conventional sources. We are dedicated to the planning, development and implementation of an integrated and efficient network of power projects in India. We plan, formulate & execute all aspects of the development of conventional & non-conventional sources, from concept to commissioning.

Our Total Installed Capacity is 8140.04 MW from 30 Nos of Power Stations. We have commissioned 21 Hydroelectric Power Stations of 6251.20 MW capacity, 2 Solar Power Stations of 157.14 MW capacity and 1 Wind Power Station of 50 MW capacity on standalone basis. Total installed capacity includes 1681.70 MW capacity with subsidiaries which includes two hydro power stations and two solar Power Stations with a combined capacity of 1,616 MW constructed and operated through our Subsidiary, NHDC and one Solar Power Station each with installed capacity of 65 MW & 0.70 MW, constructed and operated through our Subsidiaries, BSUL and NHPC REL respectively. Our Power Stations and Projects are located in the states/UTs of Jammu & Kashmir, Ladakh, Himachal Pradesh, Uttarakhand, Arunachal Pradesh, Assam, Manipur, Sikkim, West Bengal, Gujarat, Odisha, Kerala, Andhra Pradesh, Rajasthan and Tamil-Nadu. Our Subsidiaries NHDC, JPCL, CVPPL, RHLPL, BSUL, NHPC REL & are having projects in Madhya Pradesh, Sikkim, UT of Jammu & Kashmir, Uttar Pradesh, Rajasthan and Andhra Pradesh.

On standalone basis, our Company has generated 19878 MUs (including 56 MU from Wind Power Station, Jaisalmer and 86 MU from Solar Power Station, Tamil-Nadu) during FY -2024-25.

Currently, NHPC along with its JVs and Subsidiaries has 15 Projects with 9896.86 MW capacity in the construction stage (consisting 8 Hydro projects with 8514 MW capacity and 7 Solar projects with 1382.86 MW capacity) and 11 projects with 9527 MW capacity under pipeline at different stages (consisting 10 Hydro projects with 8327 MW capacity and 1 Solar project with 1200 MW capacity).

Completed Projects:

We have set forth below the details of all our completed projects:

Boxing up of Unit-1, Unit-2 and Unit-3 has been completed. Erection work at various fronts of E&M in Unit-4 to Unit-8 is in progress. All works of Draft Tube gates, Radial Gates, Intake gates are completed. Erection of all ferrules of Penstock Liner has been completed and welding works of closure ferrule are in progress. 3 units are likely to be commissioned by May'2025 and remaining 5 units by May' 2026.
- LTHPL was acquired by NHPC through Corporate Insolvency Resolution Process (CIRP) in October, 2019 and was a wholly owned subsidiary of NHPC developing 500 MW Teesta VI HE Project in Sikkim. The project is under construction and expected to be commissioned by Dec 2027. Now, LTHPL has been merged with NHPC Ltd. on dt.27.01.2025.

3. CCEA investment approval has been accorded on 27.02.2023 for the implementation of Dibang Multi-Purpose project (2880 MW), Arunachal Pradesh with estimated cost of ₹ 31,876.39 crore at May 2021 price level. This includes grant of ₹ 6159.40 crore towards flood moderation component and ₹ 556.15 crore for Enabling Infrastructure (i.e. roads / bridges) by Govt. of India. The Project is scheduled to be completed by Feb' 2032. Five packages of major works of the Project have been awarded and two packages are under tendering process. Work is in progress in the awarded packages.

HYDRO PROJECTS - SUBSIDIARIES

PROJECT	Installed Capacity (MW)	CCEA Approval		Revised		Likely commissioning
		Cost (₹ Crore)	Price Level	Cost (₹ Crore)	Price Level	
Pakal Dul ⁴ (4x250) (UT of J&K)	1000	8112.12	Mar 13	12728.00	Jun'24	Sep' 26

Total	3134	23146.06		29773.06		

4. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a subsidiary of NHPC (51 %) & JKSPDC Ltd. (49 %). MOP on 28.10.2014 has conveyed the Cabinet Sanction of the project at an estimated cost of ₹ 8112.12 crore at Mar'13 price level. Hon'ble Prime Minister had laid the foundation stone of Project on 19.05.2018. All major contracts packages have been awarded. Works are in progress in all packages. Anticipated completion of project is **Sept'2026**.
5. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a subsidiary of NHPC (51 %) & JKSPDC Ltd. (49 %). Investment sanction received from Govt. of India with estimated cost of ₹4287.59 crore (Jul'18 PL). Hon'ble Prime Minister had laid the foundation stone of Project on 03.02.2019. All contract packages have been awarded. Construction activities are in progress in all work packages. Anticipated completion of project is **Sept '2026**.
6. This project is being implemented by Chenab Valley Power Projects Pvt. Ltd, a subsidiary of NHPC (51%), JKSPDC Ltd.(49%). Investment sanction received from Govt. of India with estimated

cost of ₹4526.12 crore (Sep'20 PL). All major contract packages have been awarded. Anticipated completion of project is **Dec'2027**.

7. JPCL was acquired by NHPC through CIRP in March, 2021 and is a wholly owned subsidiary of NHPC developing Rangit-IV HE Project in Sikkim. The project is under construction and expected to be commissioned by **Dec' 2025**.
8. This project is being implemented by Ratle Hydroelectric Power Corporation Limited (RHPCL), a subsidiary of NHPC (51%) and JKSPDC Ltd. (A Jammu & Kashmir government undertaking) (49%). The Company has been incorporated in Jun'21. Investment sanction received from Govt. of India with estimated cost of ₹ 5281.94 crore (Nov'18 PL). Hon'ble Prime Minister has laid the foundation stone of Project on 24.04.2022. EPC Contract awarded on 18.01.2022. Works are in progress. Anticipated completion of project is **Nov' 2028**.

B. Hydro Projects Awaiting Clearances:

The hydroelectric projects including our joint venture projects detailed below are awaiting Investment approval:

S.No.	Projects	State	Proposed Installed Capacity (MW)
A. Hydro Projects under clearance-Standalone			
1	Teesta IV (4X130) ¹	Sikkim	520
2	Dugar (4 x103 + 2x44) ²	Himachal Pradesh	500
3	Sawalkot (8x225+1x56) ³	UT of Jammu & Kashmir	1856
4	Uri-I Stage-II (2x120) ⁴	UT of Jammu & Kashmir	240
		Total (A)	3116
B. Hydro Projects under clearance-Subsidiary			
5	Loktak D/S (2X33) ⁵	Manipur, (JV between NHPC 74% % Govt. of Manipur 26%) LDHCL	66
6	Kirthai-II (6x140 + 2x35 + 2x10) ⁶	UT of J&K (JV with JKSPDCL)	930
		Total (B)	996
C. Hydro-Project under FR/DPR Preparation- Standalone			
7	Dulhasti Stage-II ⁷	UT of Jammu & Kashmir	260

11	Maharashtra ¹¹		6150
12	Madhya Pradesh ¹²		640
13	Gujrat ¹³		900
14	Odisha ¹⁴		1000
15	Andhra Pradesh ¹⁵		5070
16	Rajasthan ¹⁶		3540
17	Tripura ¹⁷		800
		Total (D)	18100

Notes:

- Teesta IV:** All statutory clearances received except forest clearance (stage-II). FRA Compliance is underway. Approval for pre-investment activities is available. PIB memo based on CEA vetted cost at Apr'21 PL, after incorporating comments of appraising departments submitted to MoP. FC (Stage-II) is pending for want of compliance under FRA-2006, for which Gram Sabha meetings at remaining 3 Gram Panchayat Units (GPU's), out of total 10 GPUs and completion of settlement of rights under FRA, 2006 are yet to be resolved. NHPC is pursuing the matter with District Administration vide various letters (latest on 18.12.2024) to take immediate actions to resolve the pending issues.
- Dugar:** MoU was signed on 25.09.2019 between NHPC and Govt. of Himachal Pradesh for implementation of the Dugar HE Project. CEA vide letter dated 26.04.2022 vetted the cost estimates of the project for an amount of ₹ 4250.20 Crore at completion i.e. April, 2021 PL. FC-I & II, EC & Investment approval pending.

Govt. of HP vide corrigendum/notification dated **12.12.2023 & 30.09.2024** has altered the terms & conditions agreed in Implementation Agreement for implementation of Dugar HEP by NHPC making the project commercially unviable with revised terms & conditions.

Description	As per Implementation Agreement dated 26.08.2022	As per Corrigendum dated 12.12.2023	GoHP notification date 30.09.2024
Free Power	a) 4% from 1st to 10th year b) 8% from 11th to 25th year c) 12% from 26th to 40th year d) 25% beyond 40 years	(a) 20% from 1 st to 12 th year (b) 30% from 13 th to 30 th year (c) 40% from 31 th to 40 th year	(d) 12% from 1st to 12th year (e) 18% from 13th to 30th year (f) 30% from 31th to 40th year

SGST waiver	50%	-	-
Concession Period	70 years	40 years	40 years

NHPC has filed a writ petition in the Hon'ble High Court of Shimla on 05.02.2024 to quash above Cabinet decisions/notifications/corrigendum.

(The matter is subjudice)

3. **Sawalkot:** MOU has been signed between NHPC Ltd. and JKSPDCL on 03.01.2021. The project shall be executed by NHPC on BOOT basis for the period of 40 years. Agreement for handing over / taking over signed between NHPC and JKSPDC on 11.12.2021 & NHPC has taken over the Project. CEA accorded transfer of appraisal in favour of NHPC from JKSPDC and extension of validity of appraisal on 25.03.2022 up to 17.04.2024. Further extension of validity of appraisal is under process. The Ministry of Power has accorded approval on 12.07.2022 for incurring expenditure on pre investment activities for an amount of ₹ 973 crore at Nov.2021 Price Level. CEA vide letter dated 27.12.2022 vetted the cost estimates of hard cost, IDC/FC and tariff of Sawalkot HEP at completion level for an amount of Rs. 22704.80 crores including Rs. 4593.41 crores for IDC and Rs. 1124.20 crores for enabling infrastructure. NOC from Ministry of Defence is under process in MoD. Process for obtaining Environment clearance and forest clearance is in progress.

Defence Clearance: Ministry of Defence (MoD) vide letter dated December 27, 2023 communicated working permission to the NHPC with conditions that once MoU is executed according to the terms and conditions of this working permission, the NOC/Defense Clearance for the project will be granted.

CMD, NHPC vide letter dated 24.12.2024 requested the Secretary, Ministry of Defence (MoD), Govt. of India for issuing appropriate directions to the concerned officials for expediting the issue of NOC to the project with a copy to Secretary (Power), MoP, Govt. of India. In this connection, a meeting chaired by Defence Secretary was held on 03.02.2025 at MoD. As per MoM, it was decided that once the contentious issues are resolved between NHPC and State Govt., MoD would take further action for grant of NOC for the said project subject to commitment from State Govt./NHPC for providing land to Army for relocation of Transit Camp at Ramban, in addition to other terms and conditions contained in working permission issued by the MoD. NHPC was requested to liaison with State Govt. authorities and furnish requisite NOC/Clearance from the State Govt. for the purpose of land acquisition at the earliest.

4. **Uri-I Stage-II:** MOU has been signed between NHPC Ltd. and JKSPDCL on 03.01.2021. The project shall be executed by NHPC on BOOT basis for the period of 40 years. Govt. of UT of JK vide letter dated 13.07.2023 extended the validity of the MoU for one year up to 03.01.2024. Further extension of validity of MoU upto 03.01.2026 is under process.

Forest clearance-I and Environment Clearance accorded by MoEF&CC on 14.01.2025 & 10.03.2025 respectively. Clearance has been accorded by MoJS on 22.01.2025 from Indus Waters Treaty angle.

5. **Kirthai-II:** MoU signed on 03.01.2021 between NHPC and JKSPDC for execution of Kirthai-II (930MW) Hydroelectric Project by CVPPPL & other Projects by NHPC. The DPR prepared by M/s JKSPDC Ltd. was apprised by CEA vide OM dated 16.06.2019. The Appraisal has been transferred in the name of CVPPPL by CEA on 29.12.2021. CEA accorded the extension of validity of appraisal on 29.08.2022 up to 13.06.2024. Further extension of validity of appraisal is under process. Balance investigation works are in progress in compliance to DPR concurrence. EAC had recommended for grant of Environment clearance (EC) to the project on 15.04.2021. MOEF & CC vide letter dated 24.05.2021 has intimated JKSPDC that Environment Clearance shall be accorded after Stage-I Forest Clearance is granted. Approved CAT Plan and Biodiversity Management Plan submitted to DFO Kishtwar on 03.07.2021. Vide letter dated 30.11.2021 MOEF & CC was requested to issue EC in favour of CVPPPL. Defence Clearance has been accorded by MoD on 24.03.2022. Application of FC-I on Parivesh Portal of MOEF&CC submitted on dated 19.10.2022.
6. **Loktak Downstream HE Project:** All statutory clearances of project except CCEA are available. PPA signed between Govt. of Manipur and LDHCL on 31.08.2020. PIB Memo meeting held on 14.07.2021. As per PIB minutes, Cost (at completion) of Project without & with establishment cost till zero date, likely year wise phasing of expenditure at Completion Cost (including establishment cost till zero date) during project cycle and funds to be made available by State Govt. of Manipur & Tariff calculations furnished to MoP vide letter dated 16.08.2021 for further direction & necessary action. NHPC shared the above information with Govt of Manipur as per direction of PIB vide letter dtd 19.08.2021. Additional Secretary, MoP & Secretary (Power), MoP vide DO dated 05.10.2021 & 22.11.2021 respectively requested Chief Secretary, Govt of Manipur to look into the matter and expedite the confirmation of Govt. of Manipur. Secretary (Power) vide DO dtd 24.03.2022 conveyed to Chief Secretary, Manipur that as commitment from Government of Manipur towards the project is still awaited, the Ministry is now constrained to drop the ongoing proposal. Comments of JS (Power), GoM dated 23.06.2022, forwarded by MSPCL to LDHCL on 30.06.2022, were replied by NHPC on 13.07.2022. Same was further submitted to MSPCL by LDHCL on the same day. CEA has declined to extend the validity of the concurrence of DPR vide their letter dt 04.08.2022.
- LDHCL BoDs in its 66th meeting held on 07.08.2023 has directed to initiate the closure procedure of company and authorized CEO of the company to start writing to the promoters for closure of the Project. LDHCL BoDs in its meeting held on 06.11.2023 has directed to initiate the closure procedure of the LDHCL in a timely manner. Board of Directors of NHPC in its 478th meeting held on 27.03.2024 accorded 'In-principal approval for closure of LDHCL' subject to approval of DIPAM, MoP and Govt. of Manipur.
7. **Dulhasti Stage-II, UT of J&K:**
- An MOU has been signed between NHPC and JKSPDCL on 3rd Jan'21 for execution of Dulhasti (Stg-II) HE Project on BOOT basis for the period of 40 years.
 - DPR of the project was submitted to CEA/CWC etc. on 28th March'25.

- Acceptance meeting of DPR was held at CEA on 9th Apr'25.
- 8. KAMALA HEP (1720 MW), ARUNACHAL PRADESH:**
- Govt. of Arunachal Pradesh allotted Kamala HEP to NHPC on 21.07.2023.
 - Memorandum of Agreement (MoA) was signed between NHPC & Govt. of Arunachal Pradesh on 12th Aug'23.
 - DPR submitted to CEA on 22nd Oct'24 and under approval for accord of TEC.
- 9. SUBANSIRI UPPER HEP (1605 MW), ARUNACHAL PRADESH:**
- Govt. of Arunachal Pradesh allotted Subansiri Upper HEP to NHPC on 21.07.2023.
 - The Memorandum of Agreement (MoA) was signed between NHPC & Govt. of Arunachal Pradesh on 12th Aug'23.
 - All Pre-DPR Chapters submitted to the concerned Directorates of CEA/CWC/GSI/CSMRS etc. by August 2024 and DPR will be submitted soon.
- 10. SIANG UPPER MULTIPURPOSE PROJECT (\pm 10000 MW), ARUNACHAL PRADESH:**
- Ministry of Jal Shakti (MoJS) entrusted NHPC for preparation of PFR of Upper Siang Multipurpose Storage Project (USMSP) vide its letter dated 04.04.2022.
 - PFR was submitted to Ministry of Jal Shakti, Govt. of India on 30.12.2022.
 - Further, Survey & Investigations activities are in progress for preparation of DPR.
- 11. Pump Storage Pro NHPC has signed MoU with GIPCL projects under FR/DPR Preparation in Maharashtra**
- An MoU has been signed between NHPC and Deptt. of Energy, Govt. of Maharashtra on 06th Jun'23 to establish the PSP's with a total capacity of 6150 MW in the State of Maharashtra & followed by revised MoU on 03.09.24. The projects assigned to NHPC are as under:
- a) **SAVITRI PSP (1800 MW):** PFR of Savitri PSP submitted to Govt. of Maharashtra and CEA in Sept' 23. Layout Finalization Chapters are under preparation.
 - b) **KENGADI PSP (600 MW):** PFR of Kengadi PSP was submitted to Govt. of Maharashtra in Nov'23 and further optimization for Finalization of Layout Chapters is in progress.
 - c) **KALU PSP (1350 MW):** - PFR of Kalu PSP was submitted to Additional Chief Secretary, WRD, Govt. of Maharashtra on 18th March 2025. Layout finalization for preparation of DPR is in progress.
 - d) **JALOND PSP (2400 MW):** Some part of the Jalond project area falls under the wild life sanctuary and hence it appears not to be feasible. However, further optimization study is being carried out by NHPC.
- 12. Projects under FR/DPR Preparation in Madhya Pradesh**
- Indira Sagar- Omkareshwar Pump Storage Scheme (640MW):**
- Govt. of MP allotted the implementation of ISP-OSP to NHDC on 07.06.2023

- Following submission of Layout Finalization Chapters in Dec'23, all Pre-DPR Chapters submitted to CEA/CWC/GSI/CSMRS by March'25 for its Examination and Concurrence.

13. PSP Projects under FR/DPR Preparation in Gujarat:

Under the aegis of "Vibrant Gujarat", NHPC signed a MoU with Gujarat Power Corporation Limited, Govt of Gujarat for investment in Kuppa PSP (900 MW) on 03.01.2024. PFR submitted to Department of Energy, Govt. of Gujarat on 06.09.2024. The preparation of DPR of project is under progress.

14. PSP Projects under FR/DPR Preparation in Odisha:

I. Masinta

- A MoU was signed between GRIDCO (Govt. of Odisha) and NHPC Limited on 23.06.2023 for Development of PSPs and Renewable Energy in the state of Odisha. PFR of Masinta PSP (1000MW) was prepared & submitted to GRIDCO, Govt. of Odisha on 30th Aug'24. GRIDCO has granted permission to NHPC for preparation of DPR on 30th Oct'24. Approval for water allocation has been received from GRIDCO on 18th Feb'25.
- Layout finalization chapters submitted to CEA for their Examination & Concurrence on 25th Feb'25 followed by 1st Consultation meeting in CEA on 19th Mar'25. The preparation of DPR of the Masinta PSP is under progress.

II. Harbhangi & Badanalla

The Pre-feasibility study of two more PSPs Harbhangi – 300 MW & Badanalla stream – 600 MW) is being carried out by NHPC.

15. PSP Projects under FR/DPR Preparation in Andhra Pradesh:

NHPC has formed a joint venture (JV) with Andhra Pradesh Power Generation Corporation Limited for integrated development of pumped storage hydro power and renewable energy projects including solar, floating solar, and wind projects. A new entity, APGENCO NHPC Green Energy Limited (ANGEL) was incorporated on January 23, 2025 having equal share holding of 50:50 in JV.

Five Pumped Storage Projects namely Rajupalem (800 MW), Yaganti (1000 MW), Gadikota (1200 MW), Aravetipalli (1320 MW) & Deenepalli (750 MW) are being implemented by the JV Company.

16. RAJASTHAN:

- NHPC signed a MoU with Govt. of Rajasthan during Rising Rajasthan Investor Meet on 30.09.2024 at New Delhi with an investment plan of Rs.50,000 Cr.
- Later, a MoU was signed with Govt. of Rajasthan for the development of PSPs, RE Projects and Battery Energy Storage system in the state of Rajasthan on 06.12.2024.
- NHPC Officials visited the project site for the assessment of suitability and feasibility of the 4 PSP (Ghagari – 580 MW, Singli – 860 MW, Paharkalan – I 1200 MW, Paharkalan – II – 900 MW). The preparation of Pre-feasibility report is under process..

17. PSP Projects under FR/DPR Preparation in Tripura:

Govt. of Tripura allotted 4 PSPs at Longtharai, Sunitipur, Shantipur and Sakhan in the State of Tripura on 20th Dec'23 & MoU for development of PSPs shall be finalised after ascertaining its Techno-commercial viability.

PFR of Longtharai PSP has been prepared, Prima facia, it appears that proposed Project lies in adverse geological condition and doesn't appear feasible. The same has been informed to Tripura State Electricity Corporation Limited (TSECL) on 04.03.2025. However, TSECL, Govt. of Tripura, vide its letter dated: 11.03.2025 has requested NHPC for revisiting the project site once again for assessment of alternate location for Longtharai Pump Storage Project.

NHPC Nepal HE Projects

a) WEST SETI HE PROJECT:

- MOU signed with Investment Board of Nepal for Development of Project on 18th Aug'2022.
- Survey License for the Project has been issued by IBN, Govt of Nepal on 20th Oct' 2022.
- DPR submitted to IBN, Govt. of Nepal on 18th Oct'24 with a copy to CEA/CWC under intimation to MOP and Presently under examination.
- MOU signed between NHPC and RPGCL, Nepal for Grid Connection Agreement of West Seti HE Project on 13.05.2024.
- Hydroelectricity Investment and Development Company Ltd (HIDCL), Govt. of Nepal has forwarded its Consent to NHPC for signing of MoU for JV for development of both West Seti (800 MW) & SR-6 (460 MW) HE Projects on 14th March'25. The proposal is under approval.
- Discussions held with Nepal Electricity Authority (NEA) for signing of MOU for PPA for Hybrid Sale model considering domestic sale of generated power during dry season (Nov-May) at rates set by Electricity Regulatory Commission, Nepal for storage projects and balance sale of Power in Export market during wet season.
- Discussions are underway with Govt of Nepal for availing Fee Energy considering both West Seti (800 MW) & SR-6 (460 MW) HE Projects as Storage Projects.

b) SETI RIVER-6 (460MW) HE PROJECT :

- MOU was signed with Investment Board of Nepal for its Development on 18th Aug'2022.
- Survey License for the project has been issued by IBN, Govt of Nepal on 16th March'2023.
- Final DPR submitted to IBN, Govt of Nepal on 12th March'25 & under examination.

c) PHUKOT KARNALI HE PROJECT:

- MOU signed between NHPC Limited and Vidhyut Utpadan Company Limited (VUCL) Nepal on 31st May'2023.
- NHPC submitted Inception Report of project to VUCL, Nepal on 30th Aug'2023.
- DPR Review report was submitted to VUCL, Nepal on 30th March'2024.

Solar Projects
Awarded/Under Construction Stage:

NHPC bagged 1000 MW Capacity Solar Power Project at a Viability Gap Funding (VGF) of Rs. 44.90 Lakh/MW under CPSU Scheme, Phase-II, Tranche-III in the e-Reverse auction conducted by Indian Renewable Energy Development Authority (IREDA). LOA has been issued by IREDA to NHPC on 04.10.2021 for allocation of 1000 MW capacity under CPSU Scheme.

NHPC has awarded EPC Contracts for development of 1000 MW Grid connected Solar PV Project and transmission line for Power Evacuation to ISTS Sub-Station on 12.05.2022

NHPC has awarded EPC Contract for 40 MW Solar Power Project at Ganjam, Odisha and 50 MW Floating solar park at west Kallada district of Kerala. The projects are being developed under Solar Park Scheme.

On 3rd May'2023, NHPC bagged 200 MW Grid Connected Solar photovoltaic Power Projects located in 600 MW Solar Park at Khavda, Gujarat @ Rs 2.73 per unit through Tariff based competitive bidding from GUVNL.

On 2 March'2024, NHPC bagged 200 MW Grid Connected Solar photovoltaic Power Project located in GSEC's RE Park (Stage-3) at Khavda, Gujarat @ Rs 2.66 per unit through Tariff based competitive bidding from GUVNL. NHPC received LOI (Letter of intent) from GUVNL on 14th March'2024 for setting up of 200 MW SPV Projects at solar park.

The brief details of the projects under implementation (with scheduled commissioning date) as below:

Sr. No.	Project & Location	Capacity (MW)	Developer	Anticipated COD
Under CPSU Scheme, Phase-II, Tranche-III				
1.	600 MW (Khavda, Kutch, Gujrat)	600MW	M/s Adani Infra (India) Limited	March -2026
2.	300 MW (Bikaner, Rajasthan)	300MW	M/s Tata Power Solar System	The project is partially commissioned with installed capacity of 107.14 MW and

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

Sr. No.	Project & Location	Capacity (MW)	Developer	Anticipated COD
				shall be fully commissioned in August -2025
3.	100 MW (N.P. Kunta, A.P.)	100MW	M/s SSEL-ASR JV	December-2025
Under Solar Park Scheme				
4.	40 MW Solar Power Project at Ganjam, Odisha.	40MW	M/s Apollo Green Energy Limited	July-2025
5.	50 MW Floating solar park at west Kallada district of Kerala	50MW	M/s Apollo Green Energy Limited	Feb-2026
Tariff Based Competitive Bidding (TBCB)				
6.	200 MW Grid Connected Solar photovoltaic Power Projects located in GSEC's RE Park at Khavda, Gujarat (Stage-1):	200MW	M/s Apollo Green Energy Limited	Aug-2025
7.	200 MW Grid Connected Solar photovoltaic Power Projects located in GSEC's RE Park at Khavda, Gujarat (Stage-3):	200MW	M/s Dineshchandra R. Agrawal Infracon Private Limited	Jan-26
Total		1490MW		

Under Tendering Stage:

- NHPC is in tendering process for the procurement of 3 Nos. Hydrogen Fuel Cell Electric Buses (as Part of the Pilot Projects in the Field of Green Hydrogen Mobility).

GREEN HYDROGEN

NHPC has initiated actions for development of Green Hydrogen Technology and following three pilot projects are in pipeline/Implementation:

- Pilot Green Hydrogen Based Fuel-Cell Microgrid (25 kWe) at NBPS Guest House, Leh with LOA on 20.04.2023. The work is in progress and likely to be commissioned in FY 2025-26.
- Pilot Green Hydrogen Mobility Station at Kargil, UT of Ladakh. LOA for the work has been issued on 18.12.2023. The work is in progress and likely to be commissioned in FY 2025-26.

- iii) Pilot Green Hydrogen Mobility Station at Chamba, Himachal Pradesh. LOA for the work has been issued on 29.07.2024. The work is in progress and likely to be commissioned in FY 2025-26.

IN JV MODE/THROUGH SUBSIDIARIES

- (i) **Floating solar in Rengali Reservoir, Odisha in JV Mode with GEDCOL:** A MoU for setting up of Joint Venture Company between NHPC and Green Energy Development Corporation of Odisha Limited (GEDCOL) (State Nodal Agency for Renewable Energy) to jointly explore and develop viable floating solar power projects with aggregate capacity of 500 MW in different reservoirs situated has been signed on 20.07.2020. Earlier floated EPC Bid cancelled due to high tariff. Energy Department (Govt of Odisha) sent letter on 14.11.2024 to GRIDCO, OPTCL, OHPC and TPCODL for their views of fresh re tendering of 300 MW Floating Solar Rengali Project through TBCB mode by NHPC LTD.
- (ii) NHPC has also formed a subsidiary with UPNEDA (under UP Government) on 02.02.2015, namely 'Bundelkhand Saur Urja Limited' (BSUL) for development of Solar Power Projects in Uttar Pradesh. The shareholding of NHPC is not less than 74% & that of UPNEDA is not more than 26%. 65 MW Solar power Project at Kalpi Jalaun has already been commissioned on 07.03.2024. BSUL is also in process of development of 1200 MW Solar Power Park under Mode-8 of Solar Park Scheme for which land acquisition is in process. Development of 100 MW Solar projects at Mirzapur and 45 MW Solar Projects at Madhogarh under Solar Park Scheme is also in pipe line through BSUL and the projects are under tendering stage.
- (iii) 700 kW Solar Power Project by NHPC Renewable Energy Limited was commissioned in August 2024 at Rajasthan University, Ajmer.

NHPC as REIA

- (i) NHPC, as an Intermediary Procurer, has awarded an aggregate capacity of 2000 MW ISTS connected Solar Power projects to the selected 5 nos. of developers. Out of aggregate 2000 MW capacity, 700 MW commissioned and balance 1300 MW are under implementation which are likely to be commissioned during F.Y. 2025-26.
- (ii) NHPC has been allocated 10,000 MW of the Renewable Energy (in REIA mode) as per the bidding Calendar of MNRE for FY 2023-24. After bidding, out of entire capacity, NHPC has awarded 3000MW of Solar Projects, 1400MW of FDRE, 960MW of Solar -Wind Hybrid Projects. 1200MW of the FDRE projects 2100 MW of FDRE under (1200 MW for Firm & Dispatchable (Assured Peak) Power with Green Shoe up to additional 1200 MW).
- (iii) For above awarded capacity PSA has been signed for 4280MW capacity and PSA for the balance capacity is under exploration.
- (iv) In REIA mode 10,200 MW capacity of various Renewable Energy Technologies is proposed to be allocated by MNRE to NHPC under bidding Calander of MNRE for FY 2024-25. Out of which NHPC has awarded 2400 MW (1200 MW Solar with Green Shoe up to additional 1200MW), 2350 MW of FDRE (Assured peak power supply with Green Shoe up to additional 1200MW),

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

2400 MW of Solar with storage power (with Green Shoe up to additional 1200MW) and 2170 MW of Solar capacity (with Green Shoe up to additional 1200MW). For capacity 1200 MW Wind Solar Hybrid (with Green Shoe up to additional 1200 MW) e-RA conducted on 10.03.2025, However LOA yet to be issued. Also tender for 1200MW (Solar + Storage) (with Green Shoe up to additional 1200MW) is floated and balance capacity shall be tendered as per bidding calendar.

NHPC as REIA (till date projects in various stages):

Sr No	Stage	Capacity (MW)(apprx.)
01	Under implementation /Awarded	18780 MW
02	Under Tendering	1200 MW

Wind Power Project

Wind Power Project in Odisha: MOU between Govt. of Odisha through GRIDCO Ltd and NHPC Ltd for “Development of Pumped Storage Projects (PSPs) and Renewable Energy in the state of Odisha” has been signed on 23.06.2023. NHPC requested to NIWE (National Institute of Wind Energy) for preparing the DPR of wind power project at Deomali at the earliest. Letter of award (LOA) issued to NIWE for carrying out Wind assessment study of the Project.

Roof Top Solar Installation by NHPC under PM Surya Ghar Scheme:

NHPC Limited has been given the mandate for solarization of Government buildings in five allocated states and eight Central Ministries for taking up installation and coverage of roof top solar capacity in mission mode by Dec’2025 as per details below:

Central Ministries allocated to NHPC:

1. Ministry of Food Processing Industries
2. Ministry of Heavy Industries and Public Enterprises
3. Ministry of Science and Technology
4. Ministry of Water Resources
5. Ministry of Drinking Water & Sanitation
6. Ministry of Environment, Forests & Climate Change
7. Ministry of Law and Justice
8. Ministry of Micro, Small & Medium Enterprises

States allocated to NHPC:

1. Haryana
2. Sikkim
3. UT of J&K
4. Nagaland
5. Manipur

NHPC has further entrusted the Roof Top Solar installation works to ‘NHPC Renewable Energy Limited’ (NHPC REL).

Central Ministries:

- NHPC has awarded work for 6.58 MW Rooftop Solar Projects and further bids for 1.1 MW is under financial evaluation for NHPC own buildings at various locations.

- Ministry of Food Processing Industries and Ministry of Drinking Water & Sanitation intimated that all available buildings have already been solarized and no feasible space is available for installation of RTS.
- The tender in RESCO mode for Central Ministries of cumulative capacity of 24.22 MW has been published but due to bleak response received from RESCO Companies, the NIT has been terminated. Subsequently online vendor meet organized with various RESCO Company and process of retendering is initiated after including the suggestion received from various RESCO Companies.

State / UT:

- UT of J&K has appointed JAKEDA as the nodal agency for implementation of Roof Top Solarization in Government Buildings.
- Four nos. of Departments as under were allotted to NHPC:
 - i. Law Justice and Parliamentary Affairs
 - ii. Jal Shakti Department / IF&C Department
 - iii. Home Department
 - iv. Forest Ecology & Environment.
- Tendering for UT of J&K in RESCO mode for 34.67 MW (Estimated Capacity) has been processed.
- Tender for Selection of Channel Partner for installation of Grid Connected Rooftop Solar Project in the state of Sikkim, Nagaland and Manipur published on 29.10.2024 and scheduled for opening on 05.12.2024.
- Uploading of RTS data on MNRE's national portal by the Govt. of Haryana is under progress. So far 77.4 MW capacity uploaded on national portal.
- NHPC REL has prepared tender document for RESCO mode for the state of Sikkim for 10.96 MW (Estimated Capacity). Case has been processed for RESCO mode.
- NHPC is pursuing with Govt. of Nagaland and Govt. of Manipur for uploading of RTS data on MNRE's national portal.
- NHPC officials visited Excise and Taxation Bhawan, Mini Secretariat and Court buildings, Faridabad for initial assessment of feasible area and capacity of the buildings.

Regular co-ordination being made with allocated Ministries / States regarding formulation of action plan, modalities of work implementation and tendering mode accordingly.

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

NHPC Limited is developing hydropower and other clean energy projects through subsidiaries/associates/joint venture companies with state governments/agencies. The details of various subsidiaries/associates/joint ventures of NHPC Limited as on Mar-2025 are as under:

SUBSIDIARY COMPANIES			
S.No.	JV/Subsidiary/ Associate Company	Shareholding	Brief Description
(i)	NHDC Limited (NHDC)	NHPC (51.08%), Government of Madhya Pradesh (26%) and Narmada Basin Projects Company Limited (Wholly owned by GoMP) (22.92%)	NHDC was incorporated as a joint venture of NHPC and Government of Madhya Pradesh in August, 2000. NHDC has two operating power stations viz. Indira Sagar (1,000 MW) and Omkareshwar (520 MW) in Madhya Pradesh. Further, NHDC has also commissioned 8 MW ground mounted solar project at Sanchi, MP on 29.03.2024 and 88 MW Floating Solar Project at Omkareshwar reservoir on 29.10.2024.
(ii)	Chenab Valley Power Projects Private Limited (CVPPPL)	NHPC Limited (51%), Jammu & Kashmir State Power Development Corporation Limited (49%)	CVPPPL is a subsidiary of NHPC and Jammu & Kashmir State Power Development Corporation Limited. CVPPPL was incorporated in June, 2011. CVPPPL is developing four hydro-electric projects in UT of Jammu & Kashmir i.e. Pakal Dul HE Project (1,000 MW), Kiru HE Project (624 MW), Kwar HE Project (540 MW) and Kirthai-II HE Project (930 MW).

(iii)	Bundelkhand Saur Urja Limited (BSUL)	NHPC (74%) and Uttar Pradesh New & Renewable Energy Development Agency (UPNEDA)(26%)	<p>BSUL is a subsidiary of NHPC and Uttar Pradesh New & Renewable Energy Development Agency (UPNEDA). BSUL was incorporated in February, 2015 for development of Solar Power Project in Tehsil Kalpi, District Jalaun, Uttar Pradesh and other conventional & non-conventional power projects entrusted by the Govt. of Uttar Pradesh. BSUL has achieved the commissioning of Kalpi Solar Power Project (65 MW) in March, 2024.</p> <p>BSUL is in the process of development of 1400MW (approx.) Solar Power Projects in Uttar Pradesh through various modes of implementation i.e. in EPC mode and development of Solar Park followed by plant installation in developer mode. Hon'ble Prime Minister laid foundation stone of Jalaun Ultra Mega Renewable Energy Power Park 1200 MW.</p> <p>Preparation of proposals for investment in the projects viz. Mirzapur Solar Power Project (100 MW) , Madhogarh Solar Power Project (45 MW) and Jalaun Solar Park (1200 MW) are in progress.</p>
(iv)	Jal Power Corporation Limited (JPCL)	Wholly Owned Subsidiary	<p>JPCL was acquired by NHPC through CIRP in March, 2021 and equity of Rs 165 crore was infused as consideration amount pursuant to approved resolution plan. JPCL is a wholly owned subsidiary of NHPC. JPCL is developing Rangit-IV HE Project (120 MW) in Sikkim and construction works are at full swing. The merger of JPCL with NHPC is under process.</p>
(v)	APGENCO NHPC Green Energy Limited (ANGEL)	NHPC Limited (50%), Andhra Pradesh Power Generation Corporation (APGENCO) (50%)	<p>ANGEL has been incorporated on 23.01.2025, to plan, promote and organize an integrated and efficient development of pumped storage hydro power projects and renewable energy (solar/floating solar/wind) projects.</p>

(vi)	NHPC Renewable Energy Limited	Wholly Owned Subsidiary	NHPC REL was incorporated in February, 2022 as wholly owned subsidiary of NHPC for taking up Solar, Wind, Small Hydro and Green Hydrogen ventures. NHPC REL is exploring various renewable energy projects.
(vii)	Ratle Hydroelectric Power Corporation Limited (RHPCL)	NHPC Limited (51%), Jammu & Kashmir State Power Development Corporation Limited (JKSPDC) (49%)	RHPCL was incorporated in June, 2021 as joint venture of NHPC and Jammu & Kashmir State Power Development Corporation Limited (JKSPDC). RHPCL is developing Ratle Hydroelectric Project (850 MW) in UT of Jammu & Kashmir.
(viii)	National High Power Test Laboratory Private Limited (NHPTL)	NHPC Limited, NTPC Limited, Damodar Valley Corporation and Central Power Research Institute (each having shareholding of 12.5%) and Power Grid Corporation of India Limited (50%)	NHPTL, incorporated in May, 2009. NHPTL was established to set up an online high power test laboratory for short-circuit test facility in the Country. The laboratory for High Voltage Transformer (HVTR) at 400 kV level and 765 kV level is already operational at Bina, Madhya Pradesh.
(ix)	Loktak Downstream Hydroelectric Corporation Limited (LDHCL)	NHPC (74%) and Government of Manipur (26%)	LDHCL was incorporated in October, 2009 to execute Loktak Downstream Hydroelectric Project (66 MW) in Noney District of Manipur. The PIB approval is pending for want of consent from Govt. of Manipur. The process of initiation of closure of Loktak Downstream Hydroelectric Corporation Limited (LDHCL) is under progress subject to the approval of DIPAM, Ministry of Power & Govt. of Manipur.

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Private and confidential- Not for circulation.

We have the required expertise & experience in the design, development, construction and operation of hydroelectric projects. We execute and manage all aspects of projects, from front-end engineering design to commissioning and operation & maintenance of the project. We have also been engaged as a project developer for certain projects where our scope of work was to design, develop and deliver a hydroelectric power station to a client on an agency basis. We also provide contract-based technical, management advisory and consultancy services to domestic and international clients.

Based on our audited financial statements, in Fiscals 2022, 2023 and 2024, we generated total income (excluding exceptional items) of Rs. 9379.98 crore, 10150.90 crore and 10024.99 crore respectively.

The company earned a net profit of Rs. Rs 3537.71 crore, 3833.79 crore and 3743.94 crore (excluding OCI) respectively in Fiscals years 2022, 2023 and 2024.

Our operational efficiency has been reflected through high average plant availability for our power stations, which are measured by the Plant Availability Factor (PAF). The average Plant Availability Factor for our power stations for Fiscals 2022, 2023 and 2024 were 88.19%, 88.75% and 77.60% respectively.

These Plant Availability Factors, when are higher than the Normative Plant Availability Factor required under CERC Regulations, entitle us to certain incentive payments, pursuant to the tariff policy for Fiscal 2009-Fiscal 2014 , Fiscal 2014-Fiscal 2019 , Fiscal 2019-Fiscal 2024 and Fiscal 2024-Fiscal 2029.

We have obtained ISO 45001:2018, ISO 9001:2015, ISO 14001:2015 certifications from Intercert, all of which are valid until 30.06.2026.

In recognition of our performance and our consistent achievement of targets as negotiated under the MoU system of GoI, we enter into MoU with MoP on an annual basis. The GoI has rated our performance as “Excellent” from Fiscal 1995 through to Fiscal 2006, “Very Good” in Fiscal 2007, “Excellent” in Fiscal 2008, “Very Good” in Fiscal 2009, 2010, 2011, 2012 & 2013 “Good” in Fiscal 2014. Performance rating for the Fiscal 2015 & 2016 is “Very Good” for the fiscal year 2017 it is ‘Good’, for fiscal year 2018 & 2019 it is ‘Very Good’, for fiscal year 2020 & 2021 it is good and for fiscal year 2022, 2023 and 2024 it is very good. Also, in recognition of our performance, we are designated as a Navratna public sector undertaking in August 2024.

The President of India and its nominees, before the Initial Public Offer held 100% of the issued and paid-up Equity Share capital of our Company. At present, President of India holds 67.40% of the paid-up Equity Share capital of our Company.

Our Competitive Strengths:

We believe that the following are our primary competitive strengths:

Established track record in implementing hydroelectric projects:

NHPC has wide experience and expertise in implementing projects which provide it significant competitive advantage. It has a strong design and engineering base with in-house expertise in

developing good project layout, designing structures, geology, geo-physics, geo-technics, construction and material surveys. Its engineering capabilities range right from the stage of conceptualization till the commissioning of projects.

Capabilities from concept to commissioning including in-house Design & Engineering:

NHPC has a competent and committed workforce. Its executives have extensive experience in the industry with capabilities ranging from conceptualization, construction, commissioning and operation of hydro power projects. Their skills, industry knowledge and operating experience provide NHPC with a significant competitive advantage. NHPC also has a full-fledged Design Division dedicated for catering to design and Engineering of its projects. Its in-house design team with extensive experience in hydro sector gives it an edge over other hydro companies.

Survey & Investigation, Exploratory Drilling and Preparation of DPR:

Survey and Investigation is one of the most important aspects of hydropower Project which has direct impact on timely completion of project in a cost effective manner. NHPC has in-house expertise equipped with latest technology/instruments to carryout detailed topographical survey and developing maps. The company has also in-house expertise to carry out exploratory drilling in difficult terrains (mountainous/riverbed) required for sub surface exploration of hydropower projects. Based on investigation reports, NHPC prepares PFR/FR/DPR for obtaining statutory clearances from various scrutiny agencies like CEA/CWC etc.

Geological Investigation Capabilities:

NHPC has a very strong in-house team of experienced geologists, geophysicists and research personnel capable of providing engineering geological and geotechnical solutions for hydropower projects right from inception to commissioning. Entire spectrum of geological, geophysical, geotechnical and construction material investigations as per guidelines of ISRM/BIS which are mandatory for preparation of PFR/FR/DPRs, can be handled by the team. The team also caters to requirements for obtaining mandatory clearances from various Govt. agencies like GSI, CEA, CWC, CSMRS etc. Construction stage geological monitoring and collection of geological data is done continuously which helps in resolving issues during construction in an expeditious manner. The in-house team also contributes in resolving the issues pertaining to geological/geotechnical aspects during post commissioning stage of the projects and also renders services for resolution of geotechnical issues for various consultancy assignments taken up by NHPC from time to time.

NHPC has a full-fledged Engineering Geophysics unit which is capable of carrying out almost all kinds of geophysical investigations for hydropower projects such as seismic refraction, resistivity imaging, seismic tomography, tunnel seismic prediction, inclinometer survey, blast vibration monitoring, site specific seismic design parameter studies for projects and their clearances from NCSDP etc. For post construction seismic monitoring, Strong Motion Accelerographs (SMAs) are installed at all the operating power stations covering the entire Himalayan belt. A real time Seismic Data Center has also been established at Corporate Office for centralized online monitoring of Seismic Data collected by all accelerographs installed at the Power Stations.

A fully-equipped geotechnical lab is functional within this Division to carry out laboratory rock mechanic tests and petrographic analysis. Moreover, a sophisticated remote sensing lab has also been developed with capabilities to generate topographic survey maps from satellite imagery/DEM and to supplement field geological data in inaccessible areas.

Extensive Experience in Construction and operation:

NHPC, over the years, has gained extensive exposure in the construction and operation of hydro projects in remote/ non-penetrative areas, geo-technically sensitive Himalayan terrain. Almost all NHPC projects are situated in remote areas which come with a range of challenges- logistical, climatic and technological. However, with its strong and efficient team of competent and experienced professionals, who have the capability to execute all types and sizes of hydro power projects, NHPC has successfully managed to develop and implement 23 Hydro Power Stations (including two through its subsidiary NHDC), 01 Wind Power Station and 06 Solar Power Stations (including four through its subsidiaries NHDC, BSUL & NHPC REL). The Chamara-II Power station and two projects of our subsidiary NHDC viz., Indira Sagar and Omkareshwar projects have been commissioned ahead of schedule.

Strong financial position:

NHPC is a Navratna enterprise with an authorized share capital of Rs. 17500 Crore and an investment base of over Rs. 85400 Crore. The Company has strong Financial Position having highest Credit Rating 'AAA' with 'Stable' outlook, assigned by Domestic Credit Rating Agencies for all listed bonds, outstanding as on date, issued by NHPC Ltd. Further, Moody's has rated NHPC with International Rating 'Baa3' with 'Stable' outlook.

Strong operating performance:

NHPC has at present 30 Power Stations with an aggregate capacity of 8140.04 MW under operation including 1 Wind Power Project and 6 Solar Power Stations (out of which 6 Nos. power stations of 1681.70 MW are in JV mode). Thus, NHPC with its fleet of power stations is a flagship company in hydro power sector in India.

Strong in-house design and engineering team:

We have an in-house team for project design and our engineering capabilities range from the concept stage to the commissioning of our projects. The team also takes need based support of international and national project consultants. Our Company has in-house expertise in a range of related engineering disciplines, viz. hydrology, electrical, civil, hydro-mechanical and geotechnical design. Our engineers have a rich experience in the design of underground caverns shaft & tunnels and are able to provide solutions for variable and unpredictable complex geological conditions. They also have rich experience in the design of various type of dams such as Concrete dam, Rockfill dam, Concrete face Rockfill dam. Our engineers employ a variety of specialized analysis and design engineering using different computer aided design software. Our engineers' skills are constantly upgraded by adopting best practices and through participating in various national and international conferences.

Our Strategy

Our corporate vision is to become "To be a global leading organization for sustainable development of clean power through competent, responsible and innovative values".

The following are our strategies to achieve this vision:

Expand our installed capacity through Joint Ventures, MoUs and Acquisitions:

We seek to expand our installed capacity by tapping into new geographic markets where there is significant scope for capacity expansion through conventional and non-conventional sources of energy. Presently, we are engaged in the construction of 3 hydroelectric projects in the state of Sikkim, Assam and Arunachal Pradesh with aggregate capacity of 5380 MW and 3 nos. HE projects in JV mode viz., 1000 MW Pakal Dul HE Project, 540 MW Kwar HE Project and 624 MW Kiru HE Project in J&K through a subsidiary company M/s CVPPPL.

Further, NHPC is executing balance work of 120 MW Rangit Stage-IV HE Project in Sikkim through Jal Power Corporation Limited (JPCL) a 100% subsidiary of NHPC, which NHPC had acquired through NCLT, with an estimate cost of Rs. 1828.11 crore (at completion level).

Besides that, 850 MW Ratle HE Project in UT of Jammu & Kashmir is being executed by Ratle Hydro Power Corporation Ltd (RHPCL), a subsidiary of NHPC.

Promote and develop our consulting and advisory services:

NHPC Limited takes up Consultancy Assignments with an aim to benefit / enrich fellow organizations and other stakeholders in the hydro power sector in construction and O&M of Hydro-electric Power Projects with the its expertise and best practices. The practices being followed in its 23 Hydro (incl. JVs) and 6 Solar and 01 Wind (inc. JVs) Power Stations have enabled NHPC Limited to achieve best plant availability, increased efficiency and increased plant/ equipment life. NHPC Limited aims to continue to deliver advisory services to clients and government entities in India and abroad. This has enabled NHPC Limited to increase its geographic footprint across the country and in neighbouring countries.

Expansion of International activities:

NHPC Limited intends to continue to expand our international operations and further exploit the potential hydropower opportunities available internationally by leveraging our existing relationships developed through our past international consultancy assignments. Consultancy services rendered to neighboring countries are as under:

1. Preparation of Detailed Project Report, Pre-Construction Activities, Design & Engineering during Construction and Commissioning of 720 MW Mangdechhu Hydroelectric Project, Bhutan
2. Preparation of Detailed Project Report of 770 MW Chamkharchhu-I Hydroelectric Project, Bhutan.
3. Preparation of Detailed Project Report of 2640 MW Kuri Gongri Basin Projects, Bhutan.
4. Preparation of Detailed Project Report of 60 MW Kurichu HE Project, Bhutan and Execution of Project on Deposit Work / Turnkey Basis.
5. Consultancy Services for Operation and Maintenance of 1020 MW Tala Hydro Project, Bhutan.
6. Preparation of Pre-Feasibility Report of 1200 MW Tamanthi Hydroelectric Project, Myanmar.
7. Additional Investigation and Preparation of Updated DPR of 642 MW Shwezaye Hydroelectric Project, Myanmar.
8. Preparation of Detailed Project Report of 14.1 MW Devighat HE Project, Nepal and Execution of Project on Deposit Work / Turnkey Basis.
9. Renovation, Modernization & Upgradation of 2x3.67 MW Varzob-I HEP, Tajikistan.
10. Technical Due Diligence of Civil, Electro Mechanical & Hydro Mechanical of 600 MW Shiroro Hydroelectric Power Station, Nigeria.

11. Management Contract “ To manage day to day activities” of the new Electric Power Utility of The Ministry of Water and Energy of the Federal Democratic Republic of Ethiopia.

In line with GOI directions that CPSEs should act in a way to increase their geographic footprint in the neighbouring countries of India and also that CPSEs should transform to globally respected multinational companies in the long run and be able to generate substantial revenues from their foreign operations, NHPC Limited has ventured into Nepal, thus, expand its footprint in the hydropower business.

NHPC Limited has signed an MoU (Memorandum of Understanding) with IBN (Investment Board of Nepal) on 18.08.2022, for development of West Seti (800 MW) and Seti River-6 (SR6) (420 MW) HE Projects. Another MoU was signed by NHPC Limited with VUCL (Vidhyut Utpadan Company Limited) on 31.05.2023 for development of Phuko Karnali (624 MW) HE Project in Nepal.

These projects are expected to significantly contribute to Nepal's energy sector and help to meet its growing electricity demand.

As per terms of the MOU, NHPC will review the prior studies / details undertaken i.r.o. the schemes and prepare the DPR for the schemes to confirm the techno economic feasibility. Thereafter, Project Development Agreement is proposed to be signed for implementation of the schemes.

In this regard, subsequent to grant of Survey License, Inception Reports in respect of the above three Projects and DPR of West-Seti and SR-6 HE Projects have been prepared by NHPC and submitted to the concerned Authority in Nepal.

As part of NHPC's future plans for expanding its international footprint, the company aims to leverage its expertise in hydropower to expand its presence in the global energy market and shall continue exploring opportunities in Nepal and other countries to further its growth and contribute to the renewable energy sector.

Contracts, Project Management and Consultancy Works Business:

NHPC is a well-established ISO 9001, ISO 14001 and ISO 45001 certified, multi-disciplinary organisation and has acquired sufficient expertise and state of art technology for planning and executing both large and small size Hydro Power Projects. It has the support of highly qualified and experienced professionals in design and engineering, geotechnical engineering, latest range of construction and test equipments, technologies to accomplish any hydro power project from concept to commissioning. The technical "know-why and know-how" proficiency and experience of NHPC places it in a leading position to offer a wide range of "World Class" consultancy services from "Concept to Commissioning" in the field of hydro power.

The Consultancy Services Division was set up in 1993 in NHPC to provide the expertise gained in Survey & Investigation, Planning, Design & Engineering, Construction, Operation & Maintenance, Renovation, Modernization & Uprating of hydro power projects and other associated works to clients in public and private sector.

NHPC clients include central and state government agencies in India including SEBs and PSUs, as well as a number of foreign governments and private sector entities. From a marketing perspective, consultancy contracts also allow us to establish a relationship with potential future clients and, in the case of project feasibility studies, to become involved at an early stage in turnkey projects for which NHPC may later submit bids.

Turnkey Agency Contracts:

NHPC have undertaken international agency contracts under the direction of GoI. These projects are undertaken in the spirit of cooperation with foreign governments and also to broaden our international experience. The status of various turnkey agency projects undertaken by our consultancy services division is set out below:

Project	Country/State/Union Territory	Installed/ Proposed Total Capacity (MW)	Status
Devighat	Nepal	14.10	Commissioned
Kurichhu	Bhutan	60.00	Commissioned
Kalpong	India (Andaman & Nicobar Islands)	5.25	Commissioned
Sippi	India (Arunachal Pradesh)	4.00	Commissioned
Kambang	India (Arunachal Pradesh)	6.00	Commissioned
Total		89.35	

Specialized Government Agency Works

DEEN DAYAL UPADHYAY GRAM JYOTI YOJNA (Erstwhile RGGVY)

NHPC implemented 55 nos. Rural Electrification projects under the X and XI plan scheme of DEEN DAYAL UPADHYAY GRAM JYOTI YOJNA (Erstwhile RGGVY) in various states of India on the basis of fixed agency fees i.e. 09-12% of the cost of the project. Rural electrification projects were allocated to NHPC in 27 districts spread over five states/UTs viz. West Bengal, Bihar, J&K (now days UT of J&K and UT of Laddakh), Chhattisgarh and Odisha at an estimated cost of approx. Rs. 2700 crore. All works have been completed in 27 nos. districts.

Major achievements of Rural Electrification works are as under:

- Electrified 9077 nos. Un-electrified/ De-electrified villages.
- Electrified 18693 nos. Partially electrified villages.
- Provided service connections to 16.1 Lacs BPL families.
- Constructed 11 nos. 66/11 KV new sub-stations in Leh and Kargil.
- Constructed 48 nos. 33/11KV new sub-station.
- Augmented / Up-graded 104 nos. 33/11 KV new sub-stations.

Rural Road Projects under Pradhan Mantri Gram Sadak Yojna (PMGSY):

An MOU was signed amongst NHPC; Ministry of Rural Development, Government of India and Government of Bihar for the construction of rural roads in six districts namely Vaishali, Muzaffarpur, Sitamarhi, East Champaran, Sheohar and West Champaran of Bihar under the Pradhan Mantri Gram Sadak Yojna (PMGSY). Under the scheme, NHPC awarded the works for execution of 758 roads spread over 06 districts and having cost of Rs. 1725.65 Crore for execution. Total 757 roads having 3220.93 km length have been completed & contract for balance 01 No. Road has been terminated.

As per the Tripartite Agreement, maintenance of all 758 roads is to be carried out for five (05) years after completion of their construction. Out of 757 roads already completed, maintenance period of five years of 755 roads covering 3216.13 km of road length has been completed. While 02 roads having 4.80 km of road length are under maintenance period.

Design and engineering:

The engineering and design of a hydroelectric project requires input from a number of specialist engineering disciplines, particularly, civil and hydro-mechanical design, geological and geotechnical and electrical and mechanical design.

Civil and hydro mechanical design:

This aspect of the project includes:

- Planning, layout design studies, estimation of quantities and preparation of chapters of civil and hydro-mechanical components of the projects for Detailed Project Reports (DPR) including review of DPRs prepared by other agencies for projects proposed for execution.
- Planning, co-ordination and evaluation of pre-construction stage investigation works.
- Planning and optimized designs for Civil & hydro-mechanical components associated with hydropower projects from concept to commissioning.
- Hydrological studies to determine power potential as well as its implementation in structural design.
- Assessing of impact of soil erosion and sediment on the proposed hydroelectric projects and development of reservoir operation strategy to manage sediment/flood related problems.
- Framing Technical Specifications for Civil & hydro-mechanical works.
- Minimizing project cost based on detailed design and drawings.
- Preparation of Operation & Maintenance Manuals for Civil & HM Works.
- Provide commissioning and operation guideline for reservoirs, dams, water conductor system and related structures.
- Providing solutions to the issues related to O&M of Civil/HM structures of Power Stations
- Safety monitoring of structures through instrumentation and Dam Safety Inspection, including analysis/preparation of Reports.
- Providing consulting services to Joint Venture Companies, outside agencies, State /Govt Departments.
- Monitoring and providing technical support to Projects/Power Stations/ Master Control Room (MCR) in mitigating the effect of natural disasters through Early Warning System.

Geological and geotechnical engineering:

The geotechnical engineering process involves the collection of sufficient qualitative and quantitative geological, geotechnical and construction material information to determine basic design parameters for the major civil structures of the project.

Electromechanical Design:

This aspect includes :

1. Power Potential Studies, Optimization studies and layout design studies for Pre-feasibility, Feasibility report and Detailed project report (DPR) of Hydro Power Projects/Pumped Storage Projects (PSP).
2. Planning and preparation of Electromechanical designs for DPRs and coordinating with associate agencies for clearance.
3. Planning and optimized designs for Electromechanical Components associated with Hydro Power Projects from concept to commissioning.
4. Preparation of technical specifications, drawings and bill of quantities of Electromechanical works for bidding purpose for Hydro Projects.

5. Technical evaluation of Tender documents of Hydro/ Solar/ Wind/ PSP.
6. Detailed engineering after award of works and providing Electro-mechanical drawings and design support to the Projects under construction.
7. Standardization / Updation of technical specification for Electro-mechanical equipment for Power House and switchyard.
8. Providing consultancy services to Joint venture companies, outside agencies, State govt. departments.

Automation of stations:

The operations of all the power stations (except Loktak) are fully automated. These Power Stations are equipped with advanced distributed control systems / SCADA systems. Further, SCADA systems at Loktak Power Station is being undertaken under Renovation and modernization for life extension program of this Power Station. DCS/SCADA system provides for better operation, monitoring and control of the power station.

Sale of Energy

Tariff:

Tariff for each of our hydropower stations are determined by the CERC. A new tariff regulation has been issued by CERC pursuant to notification No.L-1/268/2022/CERC dated March 15, 2024, and relates to the Control Period (CP) from April 1, 2024 to March 31, 2029.

Tariff is determined by reference to AFC, which comprise of Return on Equity, Depreciation, Interest on loan, Interest on working capital and Operation & Maintenance expenses. The AFC is recoverable in the form of energy charges and capacity charges. Recovery of capacity charges depends on the achieved Plant Availability Factor of the generating stations in reference to Normative Annual Plant Availability Factor which has been notified for each project by CERC whereas Energy charge is recoverable based on actual schedule generation.

We are entitled to receive incentives for achieving plant availability factor greater than NAPAF as well as for generating energy in excess of the design energy of the plant @ Rs 1.30/kWh or energy charge rate, whichever is lower.

In addition to above, additional incentive for primary frequency response ranging from 0.3 to 1.0 is also available @3% of capacity charges is also receivable by the generating stations. Further, for ROR Power Plants an incentive of 50 paise/kWh is payable for extra energy scheduled during peak hours.

Power Purchase Agreements:

The GoI allocates the output of each of our stations among the beneficiary DISCOMs. Each of our power stations has PPAs with its customers. Under the terms of the PPAs, we are obliged to supply electricity to SEBs or their successor entities, private distribution companies and other GoI entities in accordance with the terms of the allocation issued by the GoI from time to time. The power supplied to customers is billed as per tariff determined under tariff regulations issued by CERC from time to time.

The MoUs signed with respective state governments where power station is situated we need to provide 12% of the energy that we generate to the respective state free of cost. In addition to above, as per allocation order issued by MoP after 31.03.2008, 1% additional free power given to home state for local area development fund & home state has to provide matching 1% from their share of

NHPC LIMITED (A Government of India Navratna Enterprise)

GID Reference Number: NHPC/BONDS/GID/2024-25/01

12% free power. The sale of power from various projects is regulated as per allocation of power issued by MoP, GoI.

The term of validity of the PPA is generally for life span of the project i.e. 40 years as per CERC Tariff Regulations, 2024. In some cases, PPA for 5 years or 10 years from the date of the commercial operation of the project have also been signed, provided that such PPAs may be renewed or replaced on such terms and for such further time as the parties may agree. However, the provisions of a PPA continue to operate until such PPA is formally renewed or replaced in case customer continues to get Power from the Projects.

The tariffs charged and the conditions for the supply of energy, as well as the levy of surcharge and rebates are determined according to the tariff regulations issued by the CERC or policies of GoI from time to time. Further, settlement of any disputed current dues is determined according to the directives of the CERC or the GoI as issued from time to time.

The parties to a PPA are not liable for any claim for loss or damage arising out of failure to carry out the terms of such PPA to the extent that such failure is due to force majeure events such as riot, strike, lock out, fire, explosion, flood, drought, earthquake, war or other forces, accidents etc. beyond the control of either party. Any party claiming the benefits of this provision holds the burden of proving that the event occurred and damage was suffered.

All questions or disputes between parties in connection with a PPA, except the extent of power vested with the respective RPC(s), are settled through arbitration in accordance with the provisions contained in the Electricity Act, 2003 and the Arbitration and Conciliation Act, 1996 as amended and any statutory modifications thereto, in the event such differences cannot be settled through conciliation prior to arbitration. Notwithstanding the existence of any question, dispute & differences referred to arbitration, the parties here to shall continue to perform their respective obligations under this agreement.

Availability of long term PPAs for Power Stations of your Company is the key to its sustainability. Long term PPAs give revenue visibility for the Company and assured rate of return. Company strives for signing of long term PPAs for its Power Stations. NHPC has long term PPAs with beneficiaries for most of its Power Stations.

Power Trading License and Power Trading Business

As part of Business expansion and Diversification program, Board of Directors of NHPC in its 411th Board meeting held during December 2017 had accorded its approval to venture into Power Trading Business. Endeavour of Power Trading Business of the Company is to provide efficient and smart business solution to its clients, viz. Buyers/DICOMs, Generators/Sellers, Utilities etc. In the year 2018-19, NHPC obtained Category-I license from CERC for interstate trading of electricity in whole of India. NHPC is registered at DEEP (Discovery of Efficient Electricity Price) e-bidding portal and has obtained trader membership in Indian Energy Exchange (IEX) & Power Exchange of India Limited (PXIL).

A) 2000 MW Solar Projects Intermediary Scheme: NHPC as an “Intermediary Procurer” had invited bids in 2019-20 for selection of Solar Power Developer (SPDs) for procurement of 2000 MW Solar Power from Solar projects. PPA has been signed with SPDs. Back to back Power Sale Agreements

(PSAs) were signed with Madhya Pradesh (1000 MW), Chhattisgarh (400 MW), Punjab (300 MW) and J&K (300 MW) for sale of solar power.

Out of 2000 MW, total 700 MW project has been commissioned and power is being supplied to Punjab, J&K and Madhya Pradesh. Balance capacity is likely to be commissioned in FY 2025-26. After full commissioning of 2000 MW projects, NHPC shall earn trading margin of Rs 35.00 Cr annually for 25 year in this scheme. During FY 2023-2024, NHPC has traded 960.59 MUs with turnover of Rs.252.48 Crores & during 2024-25, NHPC has traded 1908.24 MUs with turnover of Rs.611.77 Crores.

B) 20 GW capacity allotted to NHPC as Renewable Energy Implementing Agency (REIA) for inviting bids for development of RE projects.

MNRE vide OM dated 31.03.2023 has allocated 10 GW each to NHPC as “REIA” for inviting bids for selection of SPDs for development of Solar, Wind, Hybrid and FDRE projects during 2023-24 & 2024-25 respectively.

10 GW REIA Bidding Trajectory 2023-24

(i) NHPC as REIA invited bid for development of 3000 MW Solar projects. Power Sale Agreement have been signed with UPPCL and MSEDCL, Maharashtra. Back to Back PPAs have been signed with successful bidders. Projects are likely to be commissioned in FY 2026-27. NHPC shall earn Trading Margin of Rs 52.35 Crores annually after COD of projects.

(ii) LOAs for 1400 MW FDRE-I power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement has been done with UPPCL for 1280 MW & PSA for 120 MW is likely to be done shortly with DISCOMs/States. Back to Back PPAs have been signed with successful bidders.

(iii) LOAs for 960 MW Hybrid RE power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement is likely to be done shortly with DISCOMs/States.

(iv) LOAs for 2170 MW FDRE-II power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement likely to be done shortly with DISCOMs/States.

10 GW REIA Bidding Trajectory 2024-25

(i) LOAs for 2400 MW Solar power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement likely to be done shortly with DISCOMs/States.

(ii) LOAs for 1200 MW Solar power with energy storage system(ESS) under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement likely to be done shortly with DISCOMs/States.

(iii) LOAs for 2170 MW Solar power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement likely to be done shortly with DISCOMs/States.

(iv) LOAs for 2350 MW FDRE-III Solar power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement likely to be done shortly with DISCOMs/States.

(v) LOAs for 1200 MW Hybrid RE power under 10 GW REIA scheme has been issued to Successful bidders. Power Sale Agreement is likely to be done shortly with DISCOMs/States.

Payment Security:

NHPC previously had problems recovering payments from SEBs and other state government entities; however, in 2001, the MoP, and the state entities established a scheme of One Time Settlement. Pursuant to the One Time Settlement, the GoI, on behalf of the central sector power utilities, executed Tripartite Agreements with the RBI and the state governments valid up to 31.10.2016, to effectuate a settlement of overdue payments, by way of tax-free bonds, owned to NHPC by the SEBs or their successor entities or other state government entities with provisions for incentive for future timely payment.

Tripartite Agreements have been extended by GoI, RBI and the States (Except Punjab and Maharashtra) for the period of 10/15 years up to 31.10.2026 and 31.10.2031.

AS per direction of GoI, from 01.08.2019 onwards RLDCs shall schedule power to only those entities who have in place LCs in favour of Central Generating Companies. DISCOMs have been given flexibility to provide LC for one week or pay in advance for scheduling of power for next day in case of acute shortage of funds. This shall ensure discipline in payment by DISCOMs for future energy bills.

Also on 03.06.2022 MoP, GoI has Notified Electricity (Late Payment Surcharge) Rules, 2022. As per these rules DISCOMs have to maintain Payment Security Mechanism in place else power supply to the defaulting DISCOM will be regulated as per the rules. This shall impel discipline in payment by DISCOMs.

Status of dues as on 31.12.2024:

As on 31.12.2024 total outstanding dues for more than 45 days is Rs. 426 Crores only.

Environmental Compliance and Resettlement & Rehabilitation:

NHPC, since its inception, is committed to execute and operate projects in environmentally sustainable and socio-economically responsible manner. NHPC has its Corporate Environment Policy which aims at institutionalizing environmental ethics in business activities for equitable growth in terms of economic and social advancement for attaining sustainability in a true sense.

Given these concerns towards environment, all the relevant environmental regulations and guidelines are being duly complied with from planning stage to operation stage of a project. It is also ensured that all requisite Statutory Clearances are accorded prior to start of construction activities of project.

Environment Clearance is one of such statutory clearances under EIA notification 2006 and its subsequent amendments by MOEF&CC (Government of India), which sets modalities for compliance of environmental safeguard measures based on identification of environmental set-up of project area, likely impacts due to construction of project and their mitigation measures followed by seeking opinion of local people through public consultation process. Environmental Clearance is accorded by MOEF & CC based on the appraisal of proceedings of Public Consultation and finding of EIA & EMP Reports by its Expert Appraisal Committee.

The main Environment Management Plans (EMPs) are listed below:

1. Compensatory Afforestation,
2. Biodiversity Management,
3. Catchment Area Treatment,

4. Restoration of Muck Disposal area,
5. Restoration of construction areas and quarry sites,
6. Public Health Management,
7. Disaster Management plan,
8. Green Belt Development plan
9. Fishery Management Plan
10. Environmental Monitoring
11. Resettlement and Rehabilitation Plan.

The implementation of EMPs begins with onset of the construction activities of project. The different departments of State Government like Forest Department, Fisheries Department, District Administration, State Pollution Control Board are also associated with the implementation works of EMPs of Project. The compliance report on Environmental aspects is submitted to MOEF&CC biannually and uploaded on the website of NHPC. Moreover, the site inspection is also conducted by representative of MOEF&CC to review the environment safeguard measures.

Besides the compliance of mandatory/statutory requirements, NHPC also undertakes many voluntary activities for improvement of environment in and around its projects such as voluntary afforestation, herbal park development, etc.

NHPC has full-fledge Environment& Diversity Management Division comprising of qualified environment professionals working is to ensure sustainable development of hydropower. NHPC also contributes its inputs/suggestions on draft legislations/guidelines of Government pertaining to environmental matters

NHPC is sensitive towards needs and aspirations of its project affected families. Consequent upon the promulgation of “The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013”, both R&R and land acquisition for projects are being dealt in accordance with the provisions of this Act.

As per the second Schedule of this Act, the elements of Rehabilitation and Resettlement entitlements for all the affected families are mentioned below. Besides, there are other provisions of Infrastructural Amenities as per as per Third Schedule of Act

1. Provision of housing units in case of displacement
2. Land for Land
3. Offer for Developed Land
4. Choice of Annuity or Employment
5. Subsistence grant for displaced families for a Period of one year
6. Transportation cost for displaced families
7. Cattle shed/petty shops cost
8. One-time grant to artisan, small traders and certain others
9. Fishing rights
10. One-time Resettlement Allowance
11. Stamp duty and registration fee

Corporate Social Responsibility:

Corporate Social Responsibility (CSR) has been an integral part of NHPC's business philosophy. NHPC is conducting its business in a socially responsible way by maintaining high level of organizational integrity and ethical behavior, in conformity with expected standards of transparency in reporting and disclosing the performance in all spheres of its activities, demonstration of concern for social welfare, adoption of best management practices and effective operational methods to win the trust and confidence of all stakeholders.

NHPC has formulated a CSR & Sustainability Policy and revised it, from time to time, in line with Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014, read with its subsequent amendments. NHPC has strengthened its commitment to CSR in line with Statutory Provisions. NHPC is committed to making significant contributions to the community, environment and society through well-planned CSR interventions.

NHPC's CSR vision is "To contribute to sustainable development and inclusive growth while taking care of People, Planet and organizational goals / growth."

The CSR Policy of NHPC, broadly includes the following:

- An amount specified under sub-section (5) of Section 135 of the Companies Act, 2013, which is at present, at least two percent (02%) of the average net profit of the company made during the three immediately preceding financial years, is kept as the annual budget for CSR & SD works during the year and approved by the Board of Directors.
- Preference to the Local area around NHPC's Projects is given by allocating at least 80% of the Budget amount. However other locations may also be chosen based on the needs and as per the direction of Government of India on National schemes and campaign, wherein about 20% amount of the CSR Budget may be spent, for the larger benefit of society / environment.
- The CSR initiatives includes programs on promoting education, vocational skills, health, sanitation, rural development, women empowerment, environmental up-gradation etc. in accordance with Schedule VII of the Companies Act, 2013. Expenditure on any other activity not in conformity with Schedule VII is not accounted towards CSR expenditure.
- Selection of CSR & Sustainability schemes is made so as to ensure that maximum benefits reach the poor / backward & needy sections of the society and contribute to improve the quality of environment.
- NHPC is open to joining hands with the other CPSEs in planning, implementing and monitoring of Mega-Projects for optimal use of resources, synergy of expertise and capabilities for maximizing socio-economic or environmental impact.

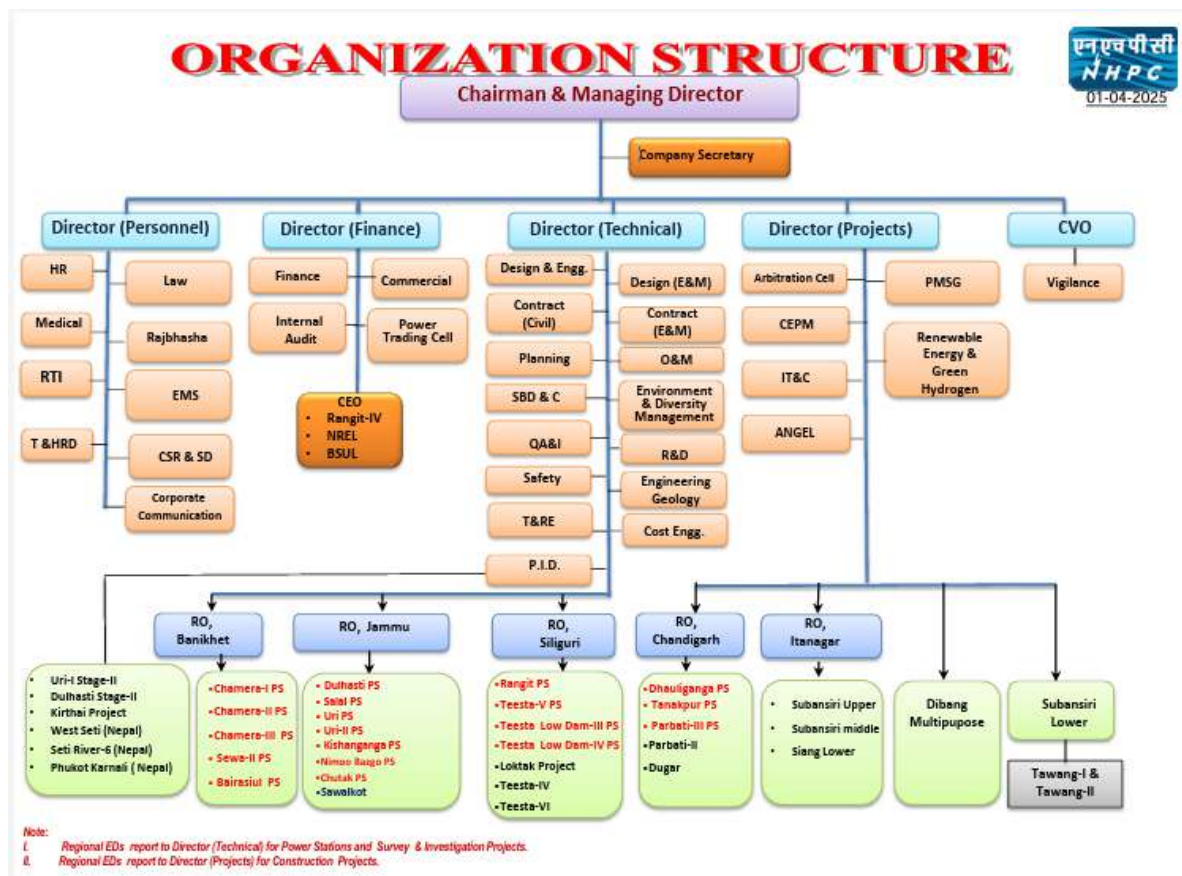

- CSR & Sustainability schemes for implementation are identified in consultation/ association with various Stakeholders, Administrative Authorities of District/ Sub-division/ Blocks/ Panchayats etc. in which the NHPC's Units are operating.
- A management structure exists in NHPC for selection, implementation and monitoring of CSR & Sustainability schemes/ activities.
- Any amount remaining unspent relating to an ongoing activity shall be transferred within a period of thirty days from the end of the financial year to an unspent Corporate Social Responsibility account in any Scheduled Bank for that financial year. This amount shall be spent in pursuance of its obligation towards the Corporate Social responsibility policy within a period of 03 financial years from the date of such transfer, failing which, the company shall transfer the same to a fund specified in Schedule VII, within a period of 30 days from the date of completion of the third financial year.
- If an unspent amount does not relate to an ongoing project, the referred amount shall be transferred to a Fund specified in Schedule VII, within a period of six months of the expiry of the financial year. The reasons for the non-utilization will be specified in Board's Report.
- Any surplus arising out of CSR activities shall not form part of the business profit of the Company and shall be ploughed back into the same project or shall be transferred to the Unspent CSR Account and spent in pursuance of CSR policy or transfer such surplus amount to a fund specified in Schedule VII, within a period of six months of the expiry of the financial year.

NHPC has undertaken a number of CSR initiatives for the community living in and around its Projects / Power Stations / Units in the areas of Education, Health, Sanitation, Rural Development, Skill Development, Environment, Women Empowerment, Promotion of Sports etc. Sector-wise Indicative list of CSR Initiatives undertaken / being undertaken by NHPC is as under:

Sector / Area	Particulars of CSR Initiatives
Education	<ul style="list-style-type: none"> • Providing support for the setting up of Engineering College. • Providing Infrastructural support in Schools etc. • Extending better educational facilities to local students through Kendriya Vidyalayas/other School located in NHPC's campus
Skill Development	<ul style="list-style-type: none"> • Enhancement of employability of rural youth & women through Skill Development Training and Vocational Training Programs • Supporting Infrastructural development and other up-gradation activities in Industrial Training Institutes

Health	<ul style="list-style-type: none"> Organizing medical camps Augmentation of healthcare infrastructure in Distt Hospitals/ PHCs/ CHCs. Extending Medical facilities to locals through NHPC dispensaries Distribution of aids & assistive devices among Divyangjans
Sanitation/ Drinking Water	<ul style="list-style-type: none"> Construction of toilets in Govt. schools/ public places Undertaking various Swachh Bharat Abhiyan activities Providing potable drinking water facility
Rural Development	<ul style="list-style-type: none"> Construction / renovation of footpath/ School/ approach path, roads, drains, rain shelters, community halls, cremation facility etc. Modernisation of Horticulture Nurseries
Environment	<ul style="list-style-type: none"> Installation of solar street lights
Women Empowerment	<ul style="list-style-type: none"> Vocational Training to women in various areas / courses to generate Self-employment. Livelihood enhancement program for the women.
Sports, Art, Culture, etc.	<ul style="list-style-type: none"> Training to promote sports Protection of art and culture

(ii) Corporate Structure of the Company

(iii) Details of the current directors of the Company

In terms of the Articles of Association of the Company and statutory requirements, the strength of the Board shall not be less than six and not more than fifteen Directors. Provided the number of independent directors in any case shall not be less than 50% of the actual strength of the Board.

As on 23.04.2025, there are Ten (10) Directors on the Board of the Company, of which five (5) are Functional Directors including Chairman and Managing Director, one (1) Government Nominee Director and one (4) Independent Director.

Composition of Board of Directors as on 23.04.2025

(vii) MANAGEMENT'S PERCEPTION OF RISK FACTORS**Undertaking by NHPC Limited**

Investors are advised to read the risk factors carefully before taking an investment decision in this issue. For taking an investment decision, investors must rely on their own examination of NHPC Limited and the offer including the risks involved. The securities have not been recommended or approved by the any regulatory authority in India, including the Securities and Exchange Board of India (SEBI) nor does SEBI guarantee the accuracy or adequacy of this document. Specific attention of investors is invited to the statement of 'Risk factors' given below.

NHPC Limited, having made all reasonable inquiries, accepts responsibility for, and confirms that this Offer Document contains all information with regard to NHPC Limited and the issue, that the information contained in the offer document is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which make this document as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.

The issuer has no side letter with any debt securities holder except the one(s) disclosed in the offer document/placement document. Any covenants later added shall be disclosed on the stock exchange website where the debt is listed.

You should carefully consider all the information in this Offer Letter, including the risks and uncertainties described below before making an investment in the Debentures. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, financial condition and prospects. If any of the following or any other risks actually occur, our business, financial condition and prospects may be adversely affected and the price and value of your investment in the Debentures could decline such that you may lose all or part of your investment.

Internal Risk Factors**1. We have contingent liabilities that we have not provided for, which if materialise, may adversely affect our financial condition.**

Our total contingent liabilities that have not been provided for as of Mar 31, 2024 and Dec 31, 2024 were Rs. 9265.46 crore and Rs. 7010.13 crore respectively. The details are as follows:

(Rs. in crore)

Particulars	31.03.2024	31.12.2024
Capital Works	7643.84	5328.09

Particulars	31.03.2024	31.12.2024
Land Compensation Cases	153.86	154.65
Disputed Income Tax, Sales Tax and Service Tax Demands and others	1467.76	1527.39
Total	9265.46	7010.13

“The above contingent liabilities do not include contingent liabilities on account of pending cases in respect of service matters and others where the amount cannot be quantified.”

In the event that any of these contingent liabilities materialize, the same shall be recovered from beneficiaries through Tariff, if allowed by the CERC as per its extant regulations. However, in case of disallowance by the CERC, our financial condition may be adversely affected.

2. *The construction and operation of hydroelectric projects has faced opposition from local communities and other parties, including in the form of litigation instituted against our Company and Subsidiary and we may continue to face such opposition in the future.*

The construction and operation of hydroelectric projects has faced opposition from local communities where these projects are located and from special interest groups. We as well as our subsidiaries have encountered opposition to the construction or operation of our projects in the past and we cannot assure you that we will not encounter such opposition in the future. For instance, Subansiri Lower Hydroelectric Project which has been severely affected due to intermittent law and order problem, strike/agitation called by various local groups and construction activities of the project was stopped with effect from December 16, 2011, however now with the order of Hon'ble National Green Tribunal dated 31.07.2019 construction work has been resumed at project site.

In general, we are more at risk from opposition to hydroelectric projects that require the construction of storage facilities because construction of such facilities involves the inundation of surrounding land. The resettlement and rehabilitation program for PAPs is developed on a project by project basis and is included in our budget for each project. Whilst we have set up an institutional framework to implement our resettlement and rehabilitation policy, the government of the State in which the project is located is ultimately responsible for disbursing compensation provided by us in respect of the PAPs. Significant opposition by local communities, special interest groups and other parties to the construction of our projects, including by way of litigation initiated against our Company and our Subsidiary, may adversely affect our reputation and financial condition.

3. *The development of our projects may be subject to unexpected complexities and delays, which may cause the actual costs of developing projects to differ significantly from our estimates.*

Our decision to develop or modify a project is typically based on the results of a feasibility study, which estimates the expected project costs. However, there are a number of uncertainties inherent in the development and construction of any hydroelectric project, including but not limited to:

- Availability of funds to finance the project and undertake construction and development activities;
- Costs, delays or difficulties in the acquisition of land and associated resettlement and rehabilitation issues;
- Availability and cost of skilled labour, power and transport facilities;
- Difficulties associated with accurately anticipating geological, hydrological and climatic conditions;
- Delay or failure to obtain necessary environmental and other governmental clearances, including

those relating to financing of our projects;

- Interruptions or delays caused by project-affected persons, special interest groups or labour unions or local communities;
- Disruptions caused by natural disasters such as earthquakes, landslides or floods, accidents, explosions, fires, or the breakdown, failure or substandard performance of equipment due to improper installation or operation; and
- Non-viability of a project or shift in the location of a project on account of techno-feasibility reasons or otherwise.

In addition, the costs, timing and complexities of project development and construction can increase because of the remote location of many of our hydroelectric project sites. Specifically, such uncertainties may cause delays, cancellations or modifications in the scope or schedule of our incomplete projects or projects included in our future plans, which may adversely affect our predicted cash flow position, revenues and earnings. Due to the possibility of cancellations or adjustments in project scope, we cannot predict with certainty when, if or to what extent or at what cost a project currently under development or a planned future project will be completed.

In particular, the MoEF has decided that since North Sikkim is an ecologically sensitive and geologically unstable area for undertaking the major projects, therefore the projects above the Chungthang area should not be considered for the construction of dams and large scale development activities.

Furthermore, any delays associated with the commissioning of our projects that are inter-dependent on other projects for a variety of reasons including water supply and tailrace discharge may lead to disruptions in the dependent project including reduction in generation capacity. In particular, we believe that the delay in the commissioning of the Parbati II project resulted in a reduction in the generation capacity of Parbati III project of energy since the Parbati III project is dependent upon the tailrace discharge from the Parbati II project which may result in a material adverse effect on our business and financial condition.

If our projects incur cost overruns above sanctioned estimates, the additional costs incurred require approval from the CERC for reimbursement. In cases where such approval is not granted, we bear the additional costs. Further, any cancellation, delay in execution or adjustment in the scope of a project may result in our failure to receive, on a timely basis or at all, the payments due to us for a project. Any delay or default in payment for incomplete projects may result in higher costs, lower return on capital or reduced earnings, and may require us to absorb unrecompensed costs or pay penalties for delay.

4. Our projects typically require a long gestation period and substantial capital outlay before we realise benefits or returns on investments.

Due to the nature of our business, our projects typically require a long gestation period and substantial capital outlays before completion or before positive cash flows can be generated. The time and costs required in completing a project may escalate due to many factors. In addition, failure to complete a project development, or failure to complete a project according to its original specifications or schedule, may give rise to potential liabilities and, as a result, our returns on investments may be lower than originally expected.

5. Our expansion plans require significant capital expenditures and if we are unable to obtain necessary funds on acceptable terms, our business or expansion plans may be adversely affected.

We will require significant additional capital to finance our business plan, in particular, our capacity expansion plan. In FY 2024-25, we have incurred an expenditure of Rs. 11,595 crore on the CAPEX plan on consolidated basis and further in FY 2025-26, we have a target of Rs. 13,051 crore on consolidated basis for our Company. Our ability to finance our capital expenditure plans is subject to a number of factors, some of which are beyond our control, including tariff regulations, our results of operations, general economic and capital market conditions, borrowing or lending restrictions, if any, imposed by state governments, the GoI and the Reserve Bank of India ("RBI"), our ability to obtain financing on acceptable terms, and the amount of dividends required to be paid to the GoI and our public shareholders. In addition, in the past some lenders have not disbursed funds to us when scheduled to do so. Also, adverse developments in the credit markets may significantly increase our debt service costs and the overall cost of our funds. We cannot assure you that debt or equity financing or our internal accruals will be available or sufficient to meet our capital expenditure requirements. This may, in turn, adversely affect the implementation of our current projects or future business plans.

6. The majority of our revenues are derived from sales of power to the state electricity entities / Discoms, as per the directives of the GoI, and we cannot assure you that the state electricity entities will always be able to secure their payments to us.

In Fiscal 2024-25 we derived Rs. 8032.89 crore revenue from the operation. We supply energy to SEBs and their successor entities, pursuant to long-term power purchase agreements. We are obliged to supply power to State electricity entities, including their successors and unbundled entities, in accordance with the terms of the allocation letters issued by the GoI and the terms of power purchase agreements ("PPAs") entered into with these entities and the GoI. Pursuant to Tripartite Agreements entered into among the GoI, the RBI and respective state governments, our billings to the SEBs are currently secured through letters of credit. In addition, we can secure payment by regulating the power supply to a defaulting entity. Further direct recovery from the GoI payments that are funded from central plan assistance given to the relevant State are possible under Tripartite Agreements that were valid until 31st October 2016. Tripartite Agreements have further extended by GoI, RBI and the States (except Punjab) for the period of 10/15 years up to 31.10.2026 and 31.10.2031.

On 03.06.2022 MoP, GoI has Notified Electricity (Late Payment Surcharge) Rules, 2022. As per these rules DISCOMs have to maintain Payment Security Mechanism (PSM) in place in terms of LC or advance payment for supply of power to them. If DISCOM delays payment of dues for more than 45 days from date of presentation of bill, LPS @ base rate (MCLR of SBI + 5%) per month on dues shall be levied. For further delay in payment of dues LPS shall be increased by 0.5% every successive month till 6 months with ceiling of 3%.

In case of non-payment of dues by the default trigger date (i.e. 75th day after presentation of bill) and non-availability of LC, 25 % power supply to the defaulting DISCOM shall be regulated and also short term access for sale & purchase of electricity including the purchase of power in the power exchange shall be regulated entirely.

If the distribution licensee does not establish payment security mechanism or continues to default in payment of outstanding dues for a further period of thirty days then the generating company shall be entitled to sell 100% of the contracted power through Power Exchanges.

Further, if even one month after the regulation of the short-term access i.e. if the dues have remained unpaid for three and a half months, apart from the regulation of the short-term access in its entirety, the long and medium- term access shall be regulated by 10%.

Thus we may say that realization of dues from beneficiary / DISCOMs are quite secure, however non-liquidation of dues for whatsoever reason, may adversely affect our financial position.

7. *Any future changes to CERC's tariff regulations may adversely affect our cash flow and results of operations.*

The tariff norms and regulations have been evolving and may be subject to further change. They are subject to revision by the CERC and may be revised by it during the term of the respective PPAs. Any adverse changes in tariff norms or their interpretation by the CERC, judgments of the Appellate Tribunal for Electricity or the Supreme Court, or notifications by Ministry of Power or respective state governments relating to issues that affect hydropower generation, may limit our ability to recover payments due to us or the prices that we can charge for our hydropower and may have an adverse effect on our results of operations and cash flow from operations.

8. *Our long-term agreements entered into with state electricity entities expose us to certain risks as we do not have the flexibility to modify such contracts to reflect changes in our business circumstances or to enter into agreements with other parties at higher prices, should the market price for energy rise.*

We derive a substantial portion of our revenues from PPAs entered with state electricity entities for a period of 40 years/35 years/10 years from the date of commercial operation of the last unit or balance normative life of power station whichever is earlier. The provision of these PPA's continue to operate until such agreements are formally renewed or replaced with mutual consent. Our Project specific tariff is not indicated in our PPA's and is decided by CERC. Such arrangements may restrict our operational and financial flexibility and restrict our ability to grow our revenues from existing businesses. For example, business circumstances may materially change over the life of one or more of our contracts and we may not have the ability to modify our contracts to reflect these changes. Although long term PPAs assume the certainty of revenue stream, however, being committed under the contracts may restrict our ability to implement changes in our business plan or to enter into agreements with other parties at higher prices as and when the market price for energy rise. This limits our business flexibility, exposes us to an increased risk of unforeseen business and industry changes and may have an adverse effect on our business, prospects, financial condition and results of operations.

Given that our revenue structure under each contract is set over the life of the contract (and fluctuates subject to the adjustment mechanisms contained in each such contract), our profitability is largely a function of how effectively we are able to manage our costs during the terms of our contracts. If we are unable to effectively manage costs, our business, prospects, financial condition and results of operations may be adversely affected.

Our future success will depend in part on our ability to respond to technological advances and emerging hydropower generation industry standards and practices in a cost-effective and timely

manner. The development and implementation of such technology entails technical and business risks. We cannot assure you that we will successfully implement new technologies effectively or adapt our processing systems to customer requirements or emerging industry standards. If we are unable, for technical, financial, legal or other reasons, to adapt in a timely manner to changing market conditions, customer requirements or technological changes, our business, prospects, financial performance and results of operation may be adversely affected.

9. *The Electricity Act, 2003, Hydro Power Policy 2008 and Mega Power Policy have introduced measures that may result in increased competition for us.*

The statutory and regulatory framework for the Indian power sector generally, and the hydropower sector specifically, has changed significantly in recent years and there are likely to be more changes in the next few years. Changes in tariff policy based on the CERC Approach Paper and unbundling of the SEBs and consequent restructuring of companies in the power sector, as discussed in the risk factors above, open access and parallel distribution, and liberalised licensing requirements for, and tax incentives applicable to, companies in the hydropower sector, may provide opportunities for increased private sector involvement in power generation. For instance, the Electricity Act, 2003, removes licensing requirements for thermal generators, provides for open access to transmission and distribution networks and removes restrictions on the right to build captive generation plants. Specifically, the open access reforms, which will enable generators to sell their output directly to distribution companies, and ultimately, directly to consumers, may increase the financial viability of private investment in power generation. A key objective of the Hydro Power Policy 2008, is to encourage and increase private investment in the development of hydropower through providing financial benefits. The Hydro Power Policy 2008 also seeks to encourage joint ventures with private developers and the use of an independent power producer ("IPP") model and promote power trading and speeding up clearance procedures.

The threshold limit to obtain mega power project status is 500 MW for hydropower projects. This threshold has been reduced to 350 MW for projects located in Jammu & Kashmir, Sikkim and the North Eastern States. The intention of this policy is to accelerate the rate of capacity addition in the power sector by providing major fiscal benefits of mega projects and thereby lowering the cost of power. However as per the decision of cabinet meeting held on July 19, 2012 the benefits of custom duty and Special additional duty etc. on mega power projects will become inapplicable for new projects.

Govt. of India vide Office Memo F.No.15/2/2016-H-I (Pt.) dt. 08-Mar-2019 approved following measures to promote Hydro Power Sector.

- Large Hydropower Projects are declared as Renewable Energy source.
- Hydropower Purchase Obligation (HPO) is notified as separate entity within Non-Solar Renewable Purchase Obligation (RPO).
- Increase of project life to 40 years, increasing debt repayment period to 18 years and introducing escalating tariff of 2% for bringing down hydropower tariff.
- Budgetary support for Flood Moderation for storage HEPs has been set up vide Office Memo No.15/2/2016-H.I(Pt.)(230620) dated 28-Sep-2021.
- Budgetary support to cost of Enabling Infrastructure i.e. roads / bridges has been set up vide Office Memo No.15/2/2016-H.I(Pt.)(230620) dated 28-Sep-2021.

Large Indian businesses that already have a presence in the Indian power sector, specifically in captive power generation, may seek to expand their operations in the sector. The power sector in India may also attract increased investment from international companies with greater resources and assets than us and which may be able to achieve better economies of scale allowing them to bid profitably at more competitive rates. In addition, there may be increased competition from Central and State power utilities. This competition may result in a material adverse effect on our business, prospects and financial condition.

10. Our generation capacity is subject to substantial variations in water flow due to climatic conditions, which may cause significant fluctuations in our revenue and profits.

The amount of power generated by hydropower systems is dependent on available water flow. There may be significant fluctuations in our revenues and cash flows due to variations in water flow from season to season, and from year to year, depending on factors such as rainfall, snowfall, snowmelt, or other seasonal or climatic conditions, and the carrying capacity of the river.

Our operating results have historically been more favorable during the monsoon season of June through September. Substantial rainfall during these months generally leads to higher generation at our power stations because a greater amount of water is available. Our operating results have historically been less favorable during the remainder of the year when there is less water available.

Further, with respect to our projects under construction and our future projects, while we select our sites on the basis of output projections, there can be no assurance that the water flows will be consistent with our projections, or that the water flow required to generate the projected outputs will be sustained after construction of the projects is completed. Similarly, there can be no assurance that material hydrological events will not impact the conditions that currently exist at our project sites. Accordingly, adverse hydrological conditions, whether seasonal or for an extended period of time, that result in inadequate or inconsistent water flow may render our hydroelectric power stations incapable of generating energy in accordance with our current estimates, which may adversely affect our business condition in the future or may make it difficult for us to recover costs already expended on any affected projects currently under development.

11. We are dependent on various contractors or specialist agencies to construct and develop our projects or to supply materials or equipment required in connection with our projects.

We rely on third party contractors for the construction and development of our projects. Accordingly, the timing and quality of construction of our projects depends on the availability and skill of these contractors. We also rely on third party suppliers to provide us with many of the materials we use, such as cement and steel. We do not have direct control over the quality of materials supplied by such suppliers. Therefore, we are exposed to risks relating to the quality and availability of such products.

In our business, we also rely on complex machinery built by third parties, which may be susceptible to malfunction. This is particularly true in the current industry environment, which involves rapid technological developments and often involves the installation of newly developed equipment that has not been extensively field-tested. Although, in certain cases, manufacturers are required to compensate us for certain equipment failures and defects, such arrangements are subject to ceilings and may not fully compensate us for the damage that we may suffer as a result of equipment failures and defects, force majeure conditions or against any penalties we may consequently become liable to pay under our agreements with our customers.

In addition, our contracts with third party suppliers or contractors do not generally cover indirect losses such as loss of profits or business interruption. There can be no assurance that any natural disasters, accidents or malfunctions involving our assets will not have an adverse effect on our business, prospects, financial condition and results of operations. Further, although we believe that our relationships with our contractors and suppliers are cordial, we cannot assure you that such contractors and suppliers will continue to be available at reasonable rates and in the areas in which we conduct our operations. If some of these third parties do not complete our orders satisfactorily or within the stipulated time, our reputation and financial condition may be adversely affected.

12. We may not have sufficient insurance coverage to cover all possible economic losses.

The operation of our assets may be disrupted for reasons beyond our control, including, but not limited to the factors stated in the risk factors in this section. During the construction phase, we rely on insurance coverage provided by our contractors to insure against damage and loss to our hydroelectric projects. Further, we take, through our contractors, third party insurance against risks associated with our assets and infrastructure that are ancillary to our stations, such as roads, administration buildings or housing provided to on-site workers. On commissioning, the power projects get covered under Mega Risk Policy and CPM Policy for losses under fire and its allied perils including terrorism and business interruption losses arising due to such damage. In addition to the above, we maintain a group personal accident policy, group insurance for house building advance and group insurance in lieu of an employee deposit linked insurance scheme, for all of our employees.

Although our insurance coverage and cash flows have been adequate to provide for losses in the past, future losses from such risks may exceed our insurance coverage limits and to that extent, any significant losses from such risks may have an adverse effect on our financial condition.

13. The risk of environmental damage may force us to restrict the scope of our projects or incur substantial compliance or restorative costs.

Certain environmental organisations have expressed opposition to hydropower stations based on the allegation that they cause loss of habitat for, or destruction of, marine life and have adverse effects on waterways. In addition, dams create large reservoirs over what used to be dry land, which may also result in destruction of wildlife habitats, the need for resettlement of resident populations or urban centers, increased sediment in rivers and the production of methane from submerged forests. Due to these factors, environmental regulators may impose restrictions on our operations that would limit our ability to generate revenues. We may also be subject to significant financial penalties for any environmental damage caused. Financial losses and liabilities as a result of increased compliance costs or due to environmental damage may affect our reputation and financial condition.

Specifically, the nature of our business requires us to handle and transport certain highly inflammable and explosive materials. Whilst the handling and transport of such hazardous materials is subject to statutorily provided safety and environmental requirements and standards, such materials may, if improperly handled or subjected to unsuitable conditions, hurt our employees or other persons, cause damage to our properties and harm the environment. This may result in disruption in our operations, subject us to regulatory proceedings or litigation, and impose significant restorative costs and liabilities, which may adversely affect our reputation and financial condition.

NHPC LIMITED (A Government of India Navratna Enterprise)

14. We may be impacted by disputes concerning water usage and management at a local, state or international level.

India is party to a number of international agreements that seek to promote long-term holistic water management across international boundaries, including a water-sharing treaty between India and Bangladesh on the River Ganges, the Indus Water Treaty between India and Pakistan and several treaties between India and Nepal. In addition, there are several Indian Inter-State water-sharing agreements in relation to sharing costs towards water and irrigation. However, sovereignty over water flows is hard to define and enforce, even though agreements between riparian States or regions have been reached.

For instance, the International Court of Arbitration issued the final award in respect of the dispute between Pakistan and India under Indus Water Treaty regarding diversion from the Kishanganga/Neelum River for power generation by Kishanganga HE Project. In the final award it was upheld that India shall maintain a minimum flow of 9 cumecs in the Kishanganga/Neelum river at all times below the KHEP and when the daily average flow upstream of KHEP does not meet the 9 cumecs level, 100% of the daily average flow upstream of KHEP shall be released into the Kishanganga/Neelum river below the KHEP. Further after 7 years of diversion of water from Kishanganga/Neelum River either party may seek reconsideration of the minimum flow through the Permanent Indus Commission and the mechanisms of the treaty.

Our business and our future financial performance may be adversely affected should our projects or the watercourses on which our projects are located, become the subject of disputes relating to water usage at a local, state or international level.

15. We have borrowings, the repayment of which, if accelerated, may have an adverse impact on our business and results of operations.

Our ability to meet our debt service obligations and to repay our outstanding borrowings will depend primarily upon the cash flow produced by our business. If we fail to meet our debt service obligations, our lenders may declare us in default under the terms of our borrowings and accelerate the maturity of our obligations. We cannot assure you that, in the event of any such acceleration, we would have sufficient resources to repay these borrowings and maintain the operations of our facilities without disruption. Accordingly, any such acceleration may have an adverse effect on our cash flows, business and results of operations.

16. Our indebtedness and the conditions and restrictions imposed by our financing arrangements may adversely affect our ability to conduct our business and operations.

There are restrictive covenants in the agreements we have entered into with certain banks and financial institutions for our short-term borrowings, medium-term borrowings and bond trust deeds. These covenants typically require us to inform lenders prior to issuing new shares, incurring further debt, creating further encumbrances on our assets and undertaking guarantee obligations. In addition, some of our loan agreements contain financial covenants that require us to maintain, among other things, a specified debt to net worth ratio and an interest-coverage-ratio.

We cannot assure you that our business will generate sufficient cash to enable us to service our debt, comply with our covenants or to fund our other liquidity needs. We cannot assure you that we will be able to refinance any of our debt on commercially reasonable terms or at all.

NHPC LIMITED (A Government of India Navratna Enterprise)

17. Our results of operations may be adversely affected by strikes, work stoppages or increased wage demands by our employees or any other kind of disputes with our employees.

There have been no strikes in our Company leading to material loss of generation or disruption of work during the last five years. However, there can be no assurance that we will not in the future experience disruptions to our operations due to disputes or other problems with our work force, which may adversely affect our business and results of operations. Further, efforts by labour unions to organise our employees may divert management's attention and increase operating expenses.

We enter into contracts with independent contractors to complete specified assignments and these contractors are required to source the labour necessary to complete such assignments. Even though we do not engage these laborers directly, should our contractors default on wage payments, we may be held responsible under Indian law for wage payments to laborers engaged by such contractors. Any requirement to fund such payments may adversely affect our financial condition. Further, pursuant to the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, we may be required to absorb a portion of our contract laborers as our employees. Any further order from a court or any regulatory authority may adversely affect our business and financial condition.

18. We currently engage in foreign currency borrowing and are likely to continue to do so in the future, which will expose us to fluctuations in foreign exchange rates, which may adversely affect our financial condition.

Our foreign currency borrowings is exposed to fluctuations in foreign exchange rates. We may continue to borrow foreign currency in the future, which will further expose us to fluctuations in foreign currency rates. Volatility in foreign exchange rates may adversely affect our business and financial performance.

19. Our success depends in large part upon our management team and skilled personnel and our ability to attract and retain such persons.

Our future performance depends on the continued service of our management team and skilled personnel. We also face a continuous challenge to recruit and retain a sufficient number of suitably skilled personnel, particularly as we continue to grow. Although we have a retention policy in place, there is significant competition for managers and other skilled personnel in our industry, and it may be difficult to attract and retain the personnel we need in the future. The loss of key personnel may have an adverse effect on our business, results of operations, financial condition and ability to grow.

20. A major fraud by third parties or our own employees or lapses in our control systems could adversely impact our business, prospects, results of operations and financial condition.

We are vulnerable to risk arising from the failure of third parties, such as contractors implementing projects and our other contractors, or our own employees to adhere to approved procedures and system controls, including accounting and data protection procedures. However, we implement certain policies and procedures to minimize risks associated with internal controls and risk management, including constitution of committees of our Board and divisions within the Company for such purpose, as well as whistle blower policies, periodic internal and external audits. Failure to prevent or mitigate fraud or breaches in security may adversely affect our reputation, business, prospects, results of operations and financial condition.

21. Our business may be adversely affected by future regulatory changes.

We are subject to the corporate, taxation and other laws in effect in India which require continued monitoring and compliances. The introduction of additional government control or newly implemented laws and regulations governing the electricity sector or power generation may result in a material adverse effect on our business, results of operations and financial condition and our future expansion plans in India. In particular, decisions taken by regulators concerning economic policies or goals that are inconsistent with our interests, could adversely affect our results of operations. While we will take adequate measures, we cannot assure you that we will be able to timely adapt to new laws, regulations or policies that may come into effect from time to time with respect to the electricity sector or power generation specifically and regulatory regime in general. These laws and regulations and the way in which they are implemented and enforced may change from time to time and there can be no assurance that future legislative or regulatory changes will not have an adverse effect on our business, results of operations and financial condition.

22. The progress of one of project Subansiri Lower H.E. Project was stalled due to agitation by locals and our accounting treatment in respect the cost incurred by the Company in the said project.

Construction activities at site of Subansiri Lower Project was stalled due to protest of anti-dam activists w.e.f. 16.12.2011, however with the order of NGT dated 31.07.2019, there is no hurdle in the construction work now and construction activities have resumed.

The interrupted work of Subansiri Lower falls under the uncontrollable factor as defined in CERC Tariff Regulation 14-19 and therefore the company has adopted the concept of Guidance Note issued by the Institute of Chartered Accountant of India (ICAI) on 18.02.2015 on Accounting for Rate Regulated Activities. With effect from FY 2016-17, such rate regulated items are to be accounted for as per IND AS 114-Regulatory Deferral Accounts. IND AS 114 allows an entity to continue to apply previous GAAP accounting policies for the recognition, measurement, impairment and derecognition of regulatory deferral account balances. IND AS 114 further provides that for this purpose, Guidance Note of ICAI on Accounting for Rate Regulated Activities shall be considered as the previous GAAP.

External Risk Factors

23. A slowdown in economic growth in India could cause our business to be adversely affected.

Our results of operations are significantly affected by factors influencing the Indian economy and the global economy in general. Any slowdown in economic growth in India could adversely affect us, including our ability to grow our project portfolio and our ability to implement our strategy. Any such slowdown could adversely affect our business, prospects, results of operations and financial condition. For example, Due to the recent lock down declared by Central Government on account of COVID Pandemic, Construction activities at sites of two projects i.e. Subansiri and Parbati II projects remained suspended from March 23, 2020 till April 22, 2020.

24. Political instability or changes in Govt policies could adversely affect economic conditions in India generally, and consequently, our business in particular.

We are incorporated in India, derive our revenues from operations in India and all of our assets are located in India. Consequently, our performance may be affected by interest rates, government policies, taxation, social and ethnic instability and other political and economic developments affecting India.

Govt has traditionally exercised and continues to exercise a significant influence over many aspects of

the economy. Since 1991, successive governments have pursued policies of economic and power sector liberalization and deregulation and encouraged infrastructure projects. The present government has announced its general intention to continue India's current economic liberalization and deregulation policies. However, the rate of economic liberalization could change and there can be no assurance that such policies will be continued. A significant change in Govt's policies in the future, particularly in respect of the banking and finance industry and the infrastructure sector, could affect business and economic conditions in India. This could also adversely affect our business, prospects, results of operations and financial condition.

25. Occurrence of natural calamities could have a negative impact on the Indian economy and could cause our business to be adversely affected.

Time and cost overruns is a major concern in the construction of hydro-electric projects. Most of the hydro-electric projects are located in hilly terrain and are prone to devastating natural calamities like landslides, hill slope collapses, roadblocks, flood, cloud burst etc. These calamities cause severe setbacks to construction schedule. Further, in spite of extensive survey and investigation, geological uncertainties have to be tackled, especially in long tunnels such as Head Race Tunnel. NHPC, with its rich experience and expertise coupled with state-of-the-art technology, has overcome such surprises many times in the past. However, these are common and unpredictable geological uncertainties, which may result in time and cost over-run.

26. If regional hostilities, terrorist attacks or social unrest in India increases, our business could be adversely affected.

India has from time to time experienced social and civil unrest and hostilities within itself and with neighboring countries. India has also experienced terrorist attacks in some parts of the country. These hostilities and tensions and/or the occurrence of terrorist attacks have the potential to cause political or economic instability in India and adversely affect our business and future financial performance. Further, India has also experienced social unrest in some parts of the country. If such tensions occur in other parts of the country, leading to overall political and economic instability, it could have an adverse effect on our business, prospects, results of operations and financial condition.

27. Any down grading of India's sovereign rating by a credit rating agency could have a negative impact on our business, financial condition and results of operations.

Any adverse revisions to India's sovereign credit ratings for domestic and international debt by credit rating agencies may adversely impact the interest rates and other commercial terms at which such financing is available to us. Consequently, if India's sovereign credit rating downgrades, we may not be able to raise loans at competitive rates and, accordingly, we may not be able to maintain the profitability or growth of our business. Accordingly, any adverse revisions to our credit rating or the India's sovereign credit rating could have a material adverse effect on our business, financial condition and results of operations, our ability to obtain financing for lending operations.

RISKS RELATING TO THE BONDS

28. There has been only a limited trading in the bonds and it may not be available on sustained basis in the future and the price of the Bonds may be volatile.

There has been only a limited trading in bonds of such nature in the past. Although the Bonds are proposed to be listed on stock exchange, there can be no assurance that a public market for these Bonds would be available on a sustained basis. The liquidity and market prices of the Bonds can be

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

Private and confidential- Not for circulation.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

expected to vary with changes in market and economic conditions, our financial condition and prospects and other factors that generally influence market price of Bonds. Such fluctuations may significantly affect the liquidity and market price of the Bonds, which may trade at a discount to the price at which the Bonds are issued.

29. There is no guarantee that the Bonds issued pursuant to the Issue will be listed on stock exchange in a timely manner, or at all or that monies refundable to Applicants will be refunded in a timely manner.

In accordance with Indian law and practice, permissions for listing and trading of the Bonds issued pursuant to this Issue will not be granted until after the Bonds have been issued and allotted. Approval for listing and trading will require all relevant documents authorising the issuing of Bonds to be submitted. There could be a failure or delay in listing the Bonds on the Stock Exchange. If permission to deal in and for an official quotation of the Bonds is not granted by the Stock Exchange, our Company will forthwith repay, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to the Offer Letter.

30. You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the Bonds.

Our ability to pay interest accrued on the Bonds and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the Bonds and/or the interest accrued thereon in a timely manner, or at all.

31. Changes in interest rates may affect the trading price of the Bonds.

All securities where a fixed rate of interest is offered, such as the Bonds, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon/ interest rate, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the trading price of the Bonds.

32. Any downgrading in credit rating of our Bonds may affect the trading price of our Bonds.

The Bonds proposed to be issued have been rated by Care Ratings, India Ratings & Research Private Limited. We cannot guarantee that this rating will not be downgraded. These ratings may be suspended, withdrawn or revised at any time. Any revision or downgrading in the credit rating may lower the trading price of the Bonds and may also affect our ability to raise further debt.

33. Payments made on the Bonds will be subordinated to certain tax and other liabilities preferred by law.

The Bonds will be subordinated to certain liabilities preferred by law such as to claims of GoI on account of taxes, and certain liabilities incurred in the ordinary course of our transactions. In particular, in the event of bankruptcy, liquidation or winding-up, our assets will be available to pay obligations on the Bonds only after all of those liabilities that rank senior to these Bonds have been paid. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining, after paying amounts relating to these proceedings, to pay amounts due on the Bonds.

Further, there is no restriction on the amount of debt securities that we may issue that may rank above the Bonds. The issue of any such debt securities may reduce the amount recoverable by investors in the Bonds on our bankruptcy, winding-up or liquidation.

34. Debenture Redemption Reserve is not required pursuant to Companies (Share Capital and Debenture) Amendment Rule, 2019:

Pursuant to the provisions of in Companies (Share Capital and Debenture) Amendment Rule, 2019, NHPC being a listed Company, is not required to create DRR for its privately placed bonds now.

General Risk

35. Investment in non-convertible securities involve a degree of risk and investors should not invest any funds in such securities unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it. Specific attention of investors is invited to statement of risk factors mentioned above. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the non-convertible securities or investor's decision to purchase such securities.

36. Unaudited financial information for the stub period in the format as prescribed in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 with limited review report as filed with the stock exchanges, instead of audited financial statements for stub period has been disclosed in this private placement Document.

* SEBI Regulation 52(2A) mandates listed entities to submit a Statement of Assets and Liabilities and a Statement of Cash Flows as part of their standalone or consolidated financial results for the half-year. Therefore the Cash flow for the quarter ending on 31st December 2024 is not available for standalone financial statement.

Debt Equity Ratio prior to and after issue of debt securities

Before the issue*	0.93
After the issue#	0.98

*Note: as on 31.12.2024 (based on latest available financial information). The impact of other fresh borrowings/redemption (including debentures) and accretion to Reserve & Surplus after 31-12-2024 has not been considered.

For the purpose of calculating the Debt Equity Ratio after the issue the only change considered is the amount of proceeds received from the issue i.e. Rs. 1945 crore

ON CONSOLIDATED BASIS:-

		<p>contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. However, for the leases of land and buildings in which it is a lessee, the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.</p> <p>i. Company as a lessee</p> <p>The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>Land taken for use from State Government (without transfer of title) and expenses on relief and rehabilitation as also on creation of alternate facilities for land evacuees or in lieu of existing facilities coming under submergence and where construction of such alternate facilities is a specific pre-condition for the acquisition of the land for the purpose of the project, are accounted for as Right of Use Assets.</p> <p>The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful</p>	<p>measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>Land taken for use from State Government (without transfer of title) and expenses on relief and rehabilitation as also on creation of alternate facilities for land evacuees or in lieu of existing facilities coming under submergence and where construction of such alternate facilities is a specific pre-condition for the acquisition of the land for the purpose of the project, are accounted for as Right of Use Assets.</p> <p>Right-of-use assets are depreciated/amortized from the commencement date to the end of the useful life of the underlying asset, if the lease transfers ownership of the underlying asset by the end of lease term or if the cost of right-of-use assets reflects that the purchase option will be exercised. Otherwise, Right-of-use assets are depreciated/ amortized from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment.</p> <p>Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment</p>	
--	--	---	---	--

	<p>life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. Assessment of impairment is done using the principles of Ind AS 36- Impairment of Assets as given in Significant Accounting Policy No. 19.0 above.</p> <p>The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.</p> <p>Lease payments included in the measurement of the lease liability comprise the following:</p> <p>fixed payments, including in-substance fixed payments;</p> <p>variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;</p> <p>amounts expected to be payable under a residual value guarantee; and</p> <p>the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of</p>	<p>testing, the recoverable amount (i.e. the higher of the fair value less costs of disposal and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.</p> <p>The lease liability is initially measured at the present value of the future lease payments, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Future lease payments comprise of the fixed payments, including in-substance fixed payments, variable lease payments that depend on an index or a rate, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise or the penalty for early termination of a lease unless the Company is reasonably certain not to terminate early.</p> <p>The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or when a lease contract is modified, and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease</p>	
--	---	---	--

	<p>a lease unless the Company is reasonably certain not to terminate early.</p> <p>The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or when a lease contract is modified, and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.</p> <p>When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in statement of profit and loss if the carrying amount of the right-of-use asset has been reduced to zero.</p> <p>The Company presents right-of-use assets that do not meet the definition of investment property as a separate line item on the face of the balance sheet.</p> <p>The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line</p>	<p>term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.</p> <p>When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.</p> <p>Right-of-use assets are presented as a separate line item on the face of the Balance Sheet.</p> <p>The Company has elected not to recognise right-of-use assets and lease liabilities in respect of short-term leases that have a lease term of 12 months or less and leases where the underlying asset is of low-value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.</p> <p>ii. Company as a lessor</p> <p>When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset.</p> <p>Where the Company determines a long term Power Purchase Agreement (PPA) to be or to contain a lease and where the off taker has the principal risk and rewards of ownership of the power plant through its contractual arrangements with the</p>	
--	---	--	--

	<p>basis over the lease term.</p> <p>ii. Company as a lessor</p> <p>When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset.</p> <p>For embedded leases in the nature of a Finance Lease, the investment in the power station is recognised as a Lease Receivable. The minimum lease receipts are identified by segregating the embedded lease receipts from the contract amounts (including Advance Against Depreciation (AAD) recognised in accordance with CERC Tariff regulations 2004-09 up to 31st March 2009 and considered as deferred income). Each lease receipt is allocated between the receivable and finance lease income (forming part of revenue from operations) so as to achieve a constant rate of return on the Lease Receivable outstanding.</p> <p>Subsequent to initial recognition, the Company regularly reviews the estimated unguaranteed residual value and applies the impairment requirements of Ind AS 109- Financial Instruments, recognising an allowance for expected credit losses on the lease receivables.</p> <p>Finance lease income is calculated with reference to the gross carrying amount of the</p>	<p>Company, the arrangement is considered a finance lease. NOTE NO. 1: COMPANY INFORMATION AND MATERIAL ACCOUNTING POLICIES

(I) Reporting entity

NHPC Limited (the “Company”) is a Company domiciled in India and limited by shares (CIN: L40101HR1975GOI032564). The shares of the Company are listed and traded on the National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange India Limited (BSE) in India. The address of the Company’s registered office is NHPC Limited, NHPC Office Complex, Sector-33, Faridabad, Haryana- 121003. The Company is primarily involved in the generation and sale of bulk power to various Power Utilities. Other business in which the Company is involved includes providing project management / construction contracts/ consultancy assignment services and trading of power.

(II) Basis of preparation

A. Statement of Compliance

These standalone financial statements are prepared on going concern basis following accrual system of accounting and comply with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable), applicable provisions of the Companies Act, 1956, and the provisions of the Electricity Act, 2003 to the extent applicable.

These financial statements were authorised for issue by the Board of Directors 17th May, 2024.

B. Basis of Measurement

The financial statements have been prepared on historical cost basis, except for:

- Certain financial assets and liabilities measured at fair value
- Plan assets of defined employee benefit plans measured at fair value
- right of use assets – measured at present value of future cash outflows at initial recognition
- assets held for sale - measured at fair value less cost to sell

The methods used to measure fair values are discussed in Note 33.

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition or the amount of proceeds received in exchange for the obligation, or at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

C. Application of new and revised standards

Vide notification dated March 31, 2023, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amends certain Indian Accounting Standards, and are effective from April 1, 2023. The summary of the major amendments and its impact on the Company are given hereunder:

- i) **Disclosure of accounting policies – amendments to Ind AS 1 – Presentation of financial statements:** This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. These amendments define what is ‘material accounting policy information’ (being information that, when considered together with other information included in an entity’s financial statements, can reasonably be expected to

influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements) and explain how to identify when accounting policy information is material. They further clarify that immaterial accounting policy information do not need to be disclosed. If disclosed, they should not obscure material accounting information.

The Company has evaluated the amendment and suitably modified its Material Accounting Policies. These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

- ii) **Definition of accounting estimates – amendments to Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors:** The amendment clarifies how entities should distinguish changes in accounting policies from changes in accounting estimates. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, whereas changes in accounting policies are generally applied retrospectively to past transactions and other past events (as well as the current period).

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

- iii) **Deferred tax related to assets and liabilities arising from a single transaction – amendments to Ind AS 12 - Income Taxes:** This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

- iv) Amendments/ revisions in other standards are either not applicable or do not have any material impact on the financial statements.

D. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest crore (upto two decimals) except where indicated otherwise.

E. Use of estimates and management judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures including contingent assets and contingent liabilities at the Balance Sheet date. The estimates and management's judgments are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In order to enhance understanding of the financial statements, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that may have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

Critical judgments and estimates

a) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116- *Leases*. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Identification of a lease requires significant judgment.

The Company also uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

b) Useful life of Property, Plant and Equipment and Intangible Assets

The estimated useful life of property, plant and equipment and intangible assets are based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

c) Recoverable amount of Property, Plant and Equipment, Capital Work in Progress and Intangible Assets

The recoverable amount of property, plant and equipment, capital work in progress and intangible assets are based on estimates and assumptions, in particular the expected market outlook and future cash flows associated with the power plants. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount resulting in impairment.

d) Post-retirement benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions in respect of future developments in discount rates, the rate of salary increase, inflation rate and expected rate of return on plan assets. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have an impact on the resulting calculations.

e) Revenue

The Company records revenue from sale of power based on tariff approved by the CERC, as per the principles of Ind AS 115- *Revenue from Contracts with Customers*. However, in cases where tariff rates are yet to be approved, provisional rates are adopted considering the applicable CERC Tariff Regulations. Further, where revision in tariff due to revision in cost estimates are pending, tariff is computed based on the parameters and methods prescribed under the CERC Tariff Regulations and an estimated amount of revenue is recognised when an application is made to the CERC after obtaining necessary approvals

to the extent it is highly probable that there will be no downward adjustment to the revenue recognised.

f) Provisions and contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has been made on the basis of best judgment by management regarding probable outflow of economic resources. These estimates can change due to unforeseeable developments.

g) Recoverable Amount of Rate Regulated Assets

The operating activities of the Company are subject to cost-of-service regulations whereby tariff charged for electricity generated is based on allowable costs like interest costs, depreciation, operation and maintenance including a stipulated return. Guidance Note on Rate Regulated Activities issued by the ICAI (previous GAAP) and Ind AS 114- 'Regulatory Deferral Accounts' permits an entity to include in the rate base, as part of the cost of self-constructed (tangible) PPE or internally generated intangible assets, amounts that would otherwise be recognised as an expense in the Statement of Profit and Loss in accordance with Ind AS. The Company estimates that items of regulatory deferral accounts recognised in the financial statements are recoverable as per the current CERC Tariff Regulations 2019-24. However, changes in CERC tariff regulations beyond the current tariff period may affect the recoverability of such balances.

h) Impairment of Trade Receivables

Considering the historical credit loss experience for trade receivables, the Company does not envisage either impairment in the value of receivables from beneficiaries or loss due to time value of money owing to delay in realization of trade receivables, except to the extent already provided for. CERC Tariff Regulations provide for recovery of Late Payment Surcharge for delayed payments which compensates for loss due to time value of money, except to the extent already provided for.

i) Insurance Claim Recoverable

The recoverable amount of insurance claims in respect of damages to Property, Plant and Equipment and Capital Work in Progress is based on estimates and assumptions as per terms and conditions of insurance policies and management estimate of amount recoverable from the Insurance Company based on past experience.

j) Income taxes

Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

k) Cost of Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs)

The cost of Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) are measured as per Management estimate.

I) Assets classified as held for sale :

Management judgment is required to apply the accounting of non-current assets held for sale under Ind AS 105 - 'Non-current assets held for sale and discontinued operations'. In assessing the applicability, management exercises judgment to evaluate availability of the asset for immediate sale, management's commitment for the sale and probability of sale within one year to conclude if their carrying amount will be recovered principally through a sale transaction rather than through continuing use.

(III) MATERIAL ACCOUNTING POLICIES:

Summary of the material accounting policies for preparation of financial statements as given below have been applied consistently to all periods presented in the financial statements. These accounting policies are formulated in a manner that results in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. These policies need not be applied when the effect of applying them is immaterial.

Up to March 31, 2015, Property, Plant and Equipment, Capital Work in Progress, Intangible Assets and Investment Property were carried in the Balance Sheet in accordance with Indian GAAP. The Company had elected to avail the exemption granted by IND AS 101, "First time adoption of IND AS" to regard those amounts as the deemed cost at the date of transition to IND AS (i.e., as on April 1, 2015). Therefore, the carrying amount of Property, Plant and Equipment, Capital Work in Progress, Intangible Assets and Investment Property as per the previous GAAP as at April 1, 2015, were maintained on transition to Ind AS.

1.0 Property, Plant and Equipment (PPE)

- a) An item of PPE is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- b) PPE are initially measured at cost of acquisition/construction including decommissioning or restoration cost wherever required. The cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. In cases where final settlement of bills with contractors is pending, but the asset is complete and available for operating in the manner intended by the management, capitalisation is done on estimated basis subject to necessary adjustments, including those arising out of settlement of arbitration/court cases.
- c) Subsequent costs is recognized in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.
- d) Expenditure incurred on renovation and modernization of power station on completion of the originally estimated useful life of the power station is added to the cost of the related asset when it meets the recognition criteria. PPE acquired as replacement of the existing assets are capitalized and its corresponding replaced assets removed/ retired from active use are derecognized.
- e) After initial recognition, Property, Plant and Equipment is carried at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any.
- f) Deposits, payments made/ liabilities created provisionally towards compensation (including interest on enhanced compensation till the date of award by the Court), rehabilitation &

resettlement and other expenses including expenditure on environment management plans relating to land in possession are treated as cost of land.

- g) Assets over which the Company has control, though created on land not belonging to the Company, are included under Property, Plant and Equipment.
- h) Standby equipment and servicing equipment which meet the recognition criteria of Property, Plant and Equipment are capitalized.
- i) Spares parts (procured along with the Plant and Machinery or subsequently) which meet the recognition criteria are capitalized. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other spare parts are treated as “stores and spares” forming part of inventory.
- j) Expenditure on major inspection and overhauls of generating unit is capitalized, when it meets the asset recognition criteria. Any remaining carrying amount of the cost of the previous inspection and overhaul is derecognized.
- k) The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized regardless of whether the replaced part has been depreciated separately. If it is not practicable to determine the carrying amount of the replaced part, the Company uses the cost of the replacement as an indication of what the cost of replaced part was at the time it was acquired or constructed. The costs of the day-to-day servicing of property, plant and equipment are recognized in the statement of profit and loss as and when incurred.
- l) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition/ disposal of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

2.0 Capital work in Progress (CWIP)

- a) Expenditure incurred on assets under construction (including a project) is carried at cost under CWIP. Such costs comprise purchase price of assets including import duties and non-refundable taxes (after deducting trade discounts and rebates), expenditure in relation to survey and investigation activities of projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, etc.
- b) Costs including employee benefits, professional fees, expenditure on maintenance and upgradation of common public facilities, depreciation on assets used in construction of project including Right-of-Use assets, interest during construction and other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management are accumulated under “Expenditure Attributable to Construction (EAC)” and subsequently allocated on systematic basis over major immovable assets, other than land and infrastructure facilities on commissioning of

projects. Net pre-commissioning income/ expenditure is adjusted directly in the cost of related assets.

- c) Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is accumulated under “Expenditure Attributable to Construction” and carried under “Capital Work in Progress” and subsequently allocated on a systematic basis over major immovable assets, other than land and infrastructure facilities on commissioning of projects, keeping in view the “attributability” and the “Unit of Measure” concepts in Ind AS 16- “Property, Plant and Equipment”. Expenditure of such nature incurred after completion of the project, is charged to the Statement of Profit and Loss.

3.0 Investment Property

Investment properties are initially measured at cost, including transaction costs. Subsequent to initial recognition, investment properties are carried at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company measures investment property using cost based measurement and fair value of investment property is disclosed in the notes.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of derecognition. Any gain or loss arising on derecognition/ disposal of the asset is included in the Statement of Profit and Loss.

Transfers to or from investment property is made when and only when there is a change in use supported by evidence.

4.0 Intangible Assets and Intangible Assets under Development

- a) Expenditure on research is charged to expenditure as and when incurred. Expenditure on development is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to & has sufficient resources to complete development and to use or sell the asset.
- b) Intangible assets that are acquired by the Company and which have finite useful lives, are measured on initial recognition at cost. Cost includes any directly attributable expenses necessary to make the assets ready for its intended use. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.
- c) Intangible assets under development represent expenditure incurred on intangible assets which are in the development phase and are carried at cost less accumulated impairment loss, if any.

- d) Subsequent costs are recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the Company and the cost of the item can be measured reliably.
- e) An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

5.0 Foreign Currency Transactions

- a) Transactions in foreign currency are initially recorded at the functional currency spot rate at the date the transaction first qualifies for recognition. At each reporting date, monetary items denominated in foreign currency are translated at the functional currency exchange rates prevailing on that date.
- b) Exchange differences relating to PPE/capital work-in-progress arising out of transaction entered into prior to April 1, 2004 are adjusted to the carrying cost of respective PPE/capital work-in-progress.
- c) Exchange differences arising from translation of foreign currency borrowings entered into prior to March 31, 2016 recoverable from or payable to beneficiaries in subsequent periods as per CERC Tariff regulations are recognised as “Deferred Foreign Currency Fluctuation Recoverable/ Payable Account” and adjusted from the year in which the same is recovered/ paid.
- d) Exchange differences arising from settlement/ translation of monetary items denominated in foreign currency entered into on or after April 1, 2016 to the extent recoverable from or payable to the beneficiaries in subsequent periods as per CERC Tariff Regulations are recognized as ‘Regulatory Deferral Account Balances’ during construction period and adjusted from the year in which the same become recoverable from or payable to the beneficiaries.
- e) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Where the Company has paid or received advance consideration in a foreign currency, the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it), is the date when the Company initially recognizes the non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration.

6.0 Regulatory Deferral Accounts

- a) Where an item of expenditure incurred during the period of construction of a project is recognised as expense in the Statement of Profit and Loss i.e., not allowed to be capitalized as part of cost of relevant PPE in accordance with Ind AS, but is nevertheless permitted by CERC to be recovered from the beneficiaries in future through tariff, the right to recover the same is recognized as “Regulatory Deferral Account balances.”

- b) Expense/ income recognised in the Statement of Profit and Loss to the extent recoverable from or payable to the beneficiaries in subsequent periods as per CERC Tariff Regulations are recognised as “Regulatory Deferral Account balances.”
- c) These Regulatory Deferral Account balances are adjusted from the year in which the same become recoverable from or payable to the beneficiaries.
- d) Regulatory Deferral Account balances are evaluated at each Balance Sheet date to ensure that the underlying activities meet the recognition criteria and it is probable that future economic benefits associated with such balances will flow to the entity. If these criteria are not met, the Regulatory Deferral Account balances are derecognised.
- e) Regulatory Deferral Account balances are tested for impairment at each Balance Sheet date.

7.0 Fair value measurement

At initial recognition, transaction price is the best evidence of fair value. However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

8.0 Investments in subsidiaries and joint ventures

Investments in equity shares of subsidiaries and joint ventures are carried at cost less impairment losses, if any in the value of the investments. Where an indication of impairment exists, considering entities with common line of activities as a single cash generating unit, the carrying amounts of investments are assessed and written down to its recoverable amount at the end of reporting period. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

9.0 Financial assets other than investment in subsidiaries and joint ventures

A financial asset includes inter-alia any asset that is cash, equity instrument of another entity or contractual right to receive cash or another financial asset or to exchange financial asset or financial liability under conditions that are potentially favourable to the Company. A financial asset is recognized when and only when the Company becomes party to the contractual provisions of the instrument.

Financial assets of the Company comprise Cash and Cash Equivalents, Bank Balances, Investments in equity shares of companies, Trade Receivables, Loan to employees, security deposit, claims recoverable etc.

a) Classification

The Company classifies its financial assets in the following categories:

- At amortised cost,
- At fair value through other comprehensive income (FVTOCI), and
- At fair value through profit and loss

The classification depends on the following:

- (a) The entity's business model for managing the financial assets and
- (b) The contractual cash flow characteristics of the financial asset.

For assets measured at fair value, gains and losses are either recorded in the Statement of Profit and Loss or under Other Comprehensive Income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through Other Comprehensive Income.

b) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

The Company measures trade receivables at their transaction price, if the trade receivables do not contain a significant financing component.

c) Subsequent measurement

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instrument at Fair Value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is classified as at FVTOCI if both the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and

- ii) The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments at fair value through Other Comprehensive Income are measured at each reporting date at fair value. Fair value movements are recognized in Other Comprehensive Income (OCI). However, the Company recognizes interest income, impairment losses, reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest income from these financial assets is included in other income using the EIR method.

Equity investments:

All equity investments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments which are held for trading, if any, are classified at Fair Value through Profit or Loss (FVTPL). The Company classifies all other equity instruments at FVTOCI. The Company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

All fair value changes of an equity instrument classified at FVTOCI, are recognized in OCI. There is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. Dividends from such investments are recognised in the Statement of Profit and Loss as "other income" when the company's right to receive payments is established.

Equity instruments included within the FVTPL category, if any, are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Trade Receivables:

Trade receivables containing a significant financing component are subsequently measured at amortised cost using the effective interest method.

d) Derecognition

A financial asset is derecognised only when:

- i) The Company has transferred the rights to receive cash flows from the financial asset, or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

On derecognition, the difference between the carrying amount and the amount of consideration received / receivable is recognized in the Statement of Profit and Loss.

e) Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- i) Financial assets that are debt instruments, and are measured at amortised cost.
- ii) Financial assets that are debt instruments and are measured as at FVTOCI
- iii) Contract Assets and Trade Receivables under Ind AS 115- *Revenue from Contracts with Customers*
- iv) Lease Receivables under Ind AS 116- *Leases*.

The Company follows the 'simplified approach' permitted under Ind AS 109, "Financial Instruments" for recognition of impairment loss allowance based on life time expected credit loss from initial recognition on contract assets, lease receivables and trade receivables resulting from transactions within the scope of Ind AS 116 and Ind AS 115.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. Any increase or reversal of loss allowance computed using ECL model, is recognized as an impairment gain or loss in the Statement of Profit and Loss.

10.0 Inventories

Inventories mainly comprise stores and spare parts to be used for maintenance of Property, Plant and Equipment and are valued at cost or net realizable value (NRV) whichever is lower. The cost is determined using weighted average cost formula and NRV is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

Carbon Credits / Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) are valued at lower of cost and net realizable value.

The amount of any write-down of inventories to net realisable value and all losses of inventories is recognized as an expense in the period in which write-down or loss occurs.

11.0 Dividends

Final dividends and interim dividends payable to the Company's shareholders are recognised as change in equity in the period in which they are approved by the Company's shareholders and the Board of Directors respectively.

12.0 Financial liabilities

The Company's financial liabilities include loans and borrowings, trade and other payables. A financial liability is recognized when and only when the Company becomes party to the contractual provisions of the instrument.

a) Classification, initial recognition and measurement

Financial liabilities are recognised initially at fair value less transaction costs that are directly attributable and subsequently measured at amortised cost. Financial liabilities are classified as subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, over the period of the borrowings using the effective rate of interest.

b) Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance cost in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

e) Derivative financial instruments

Derivative financial instruments that are held by the Company to hedge the foreign currency and interest rate risk exposures and are not designated as hedges are accounted for at fair value through profit or loss. Changes in fair value are recognised in the Statement of Profit and Loss.

13.0 Government Grants

- a) The benefits of a government loan at a below market rate of interest is treated as a Government Grant. The loan is initially recognised and measured at fair value and the grant is measured as the difference between the initially recognized amount of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities and the grant is recognized initially as Government Grant and subsequently amortised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.
- b) Monetary grants from the government for creation of assets are initially recognised when there is reasonable assurance that the grant will be received and the company will comply with the conditions associated with the grant. The Grant so recognised is subsequently amortised in the Statement of Profit and Loss over the useful life of the related assets.
- c) Government grant related to income is recognised in the Statement of Profit and Loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate.

14.0 Provisions, Contingent Liabilities and Contingent Assets

- a) Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the Balance Sheet date. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision net of any reimbursement is presented in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- b) Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of management/independent experts. These are reviewed at each Balance Sheet date and are adjusted to reflect the current management estimate.
- c) Contingent assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the financial statements.

15.0 Revenue Recognition and Other Income

Company's revenues arise from sale and trading of energy, project management / construction contracts/ consultancy assignment services and other income. Revenue from other income comprise of interest from banks, employees, contractors etc., dividend from investments in joint ventures and subsidiary companies, dividend from investments in equity in other bodies corporate, interest from investment in bonds, surcharge received from beneficiaries for delayed payments, sale of scrap, other miscellaneous income, etc.

a) Revenue from sale of power

- i) Revenue is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the products or services and excludes amounts collected on behalf of third parties. The Company recognises revenue from contracts for sale of power over time as the customers simultaneously receive and consume the benefits provided by the Company.

- ii) Revenue from sale of power (except minimum lease receipts in respect of power stations considered as Finance Lease/Operating Lease) is accounted for as per tariff notified by the Central Electricity Regulatory Commission (CERC) under the CERC (Terms & Conditions of Tariff) Regulations as modified by the orders of Appellate Tribunal for Electricity to the extent applicable. In the case of Power Stations where provisional/ final tariff is yet to be notified or where incentives/disincentives are chargeable/ payable as per CERC (Terms & Conditions of Tariff) Regulations, revenue is recognised to the extent it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. Rebates given to beneficiaries as early payments incentives are deducted from the amount of revenue.
- iii) Customers are billed on a periodic and regular basis. As at each reporting date, revenue from sale of power includes an accrual for sales delivered to customers but not yet billed (unbilled revenue).
- iv) Recovery/ refund towards foreign currency variation in respect of foreign currency loans and recovery towards Income Tax are recognised on year to year basis based on regulatory norms. Recovery towards deferred tax items recognized till March 31, 2009 are accounted for when the same materialises.
- v) Adjustments arising out of finalisation of Regional Energy Account (REA), though not material, are effected in the year of respective finalisation.
- vi) Advance Against Depreciation (AAD) considered as deferred income up to 31st March 2009 is included in sales on straight line basis over the balance useful life after a period of 12 years from the date of commercial operation of the Power Station.

b) Revenue from Project Management / Construction Contracts/ Consultancy assignments

- i) Revenue from Project Management / Construction Contracts/ Consultancy assignments is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the services and excludes amounts collected on behalf of third parties. The Company recognises revenue on the basis of input method. Input method recognises revenue on the basis of the costs incurred towards the satisfaction of a performance obligation relative to the total expected costs to the satisfaction of that performance obligation.
- ii) Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are transferred to trade receivables revenue when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. The contract liabilities primarily relate to the advance consideration received from the customers.
- iii) Contract modifications, if any, are accounted for when there is a change in the scope or price (or both) of a contract that is approved by the parties to the contract and when the parties to a contract approve a modification that either creates new or changes existing enforceable rights and obligations of the parties to the contract. Accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the

standalone selling price. Contract modifications are recorded on standalone basis when the scope of the contract increases because of the addition of promised goods or services or the price of the contract increases by an amount of consideration that reflects the Company's standalone selling prices of the additional promised goods or services and any appropriate adjustments to that price to reflect the circumstances of the particular contract. Services added that are not distinct are accounted for on a cumulative catch-up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

c) Revenue from trading of power

- i) Accounting for revenue from trading of power involves assessment of the contract conditions to determine whether the Company is required to act in the capacity of a principal or as an agent. The Company acts in the nature of a principal in case it obtains control of the electricity before transferring it to the customer. Indicators of control includes assessment of whether the company is primarily responsible for fulfilling the promise to provide the electricity, it has the discretion to establish the price or whether it bears the inventory risk. Where the Company does not obtain control of the electricity before transferring it to the customer and its performance obligation is to arrange for the supply of electricity by another party, it acts in the nature of an agent.
- ii) Where the Company acts as a principal in a contract for trading of power, the amount of the transaction price allocated to the performance obligation that is satisfied is recognised as revenue.
- iii) Where the Company acts as an agent in a contract for trading of power, the net consideration retained after paying the supplier for the electricity provided to the customer is recognised as revenue from operations. Financial assets and liabilities arising out of these transactions are not set off.

d) Other income

- i) Dividend income is recognized when the right to receive the same is established.
- ii) For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.
- iii) Interest/Surcharge recoverable from customers including those arising out of contracts for trading of power and liquidated damages /interest on advances to contractors is recognised when it is highly probable that a significant reversal in the amount of revenue recognised will not occur in the future.

e) Revenue from sale of carbon credits/ CERs/VERs

Revenue is recognized on transfer/ sale of Carbon Credits/ Certified Emission Reductions (CERs)/ Verified Carbon Units (VCUs) to the extent it is highly probable that a significant reversal in the amount of revenue recognized will not occur in the future.

16.0 Employee Benefits

i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed or included in the carrying amount of an asset if another standard permits such inclusion as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term performance related cash bonus if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into separate trusts and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the Statement of Profit and Loss or included in the carrying amount of an asset if another standard permits such inclusion in the periods during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction from future payments is available. Contributions to a defined contribution plan that is due more than 12 months after the end of the period in which the employees render the service are discounted to their present value.

Employees Defined Contribution Superannuation Scheme (EDCSS) for providing pension benefits and Social Security Scheme administered through separate trusts are accounted for as defined contribution plans.

iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's Gratuity Scheme, Retired Employees Health Scheme (REHS), Provident Fund Scheme, Allowance on Retirement/Death, Memento on Superannuation to employees and Employees Family Economic Rehabilitation Scheme are in the nature of defined benefit plans. All these plans, other than Allowance on Retirement/Death, Memento on Superannuation to employees and Employees Family Economic Rehabilitation Scheme are administered through separate trusts.

The liability or asset recognised in the Balance Sheet in respect of Gratuity and Retired Employees Health Scheme is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

In respect of Provident Fund Scheme, a liability is recognised in the Balance Sheet where the present value of the defined benefit obligation at the end of the reporting period is higher than the fair value of plan assets. Any surplus of fair value of plan assets over the present value of the defined benefit obligation at the end of the reporting period is not recognised as an asset since the Company does not have any right to the benefits either in the form of refunds from the Plan or by way of lower contribution to the Plan.

The defined benefit obligation is calculated annually by the actuary using the Projected Unit Credit Method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss or included in the carrying amount of an asset if another standard permits such inclusion.

Remeasurement gains (except in the case of Provident Fund Scheme) and losses arising from experience adjustments and changes in actuarial assumptions are recognised directly in Other Comprehensive Income in the period in which they occur and are included in retained earnings in the Statement of Changes in Equity.

iv) Other long-term employee benefits

Benefits under the Company's leave encashment scheme constitute other long term employee benefits.

The Company's net obligation in respect of long-term employee benefits is the amount of future benefits that employees have earned in return for their service in the current and prior periods. The benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the Projected Unit Credit Method. Contributions to the scheme and actuarial gains or losses are recognised in the Statement of Profit and Loss or included in the carrying amount of an asset if another standard permits such inclusion in the period in which they arise.

v) Termination benefits

The expenses incurred on terminal benefits in the form of ex-gratia payments and notice pay on voluntary retirement schemes are charged to the Statement of Profit and Loss in the year of incurrence of such expenses.

17.0 Borrowing costs

Borrowing costs consist of (a) interest expense calculated using the effective interest method as described in Ind AS 109 – 'Financial Instruments' (b) finance charges in respect of finance leases recognized in accordance with Ind AS 116– 'Leases' and(c) exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which necessarily take substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they occur.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalised. When the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalisation of the borrowing costs is computed based on the weighted average cost of all borrowings that

are outstanding during the period and used for the acquisition, construction/exploration or erection of the qualifying asset. However, borrowing costs applicable to borrowings made specifically for the purpose of obtaining a qualifying asset are excluded from this calculation, until substantially all the activities necessary to prepare that asset for its intended use or sale are complete.

Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Capitalisation of borrowing cost ceases when substantially all the activities necessary to prepare the qualifying assets for their intended use are complete.

Other borrowing costs are recognized as an expense in the year in which they are incurred.

18.0 Depreciation and amortization

- a) Depreciation on additions to /deductions from Property, Plant & Equipment (PPE) during the year is charged on pro-rata basis from / up to the date on which the asset is available for use / disposal.
 - (i) Depreciation on Property, Plant and Equipment of Operating Units of the Company capitalized till five years before the end of the useful life of the Power Station is charged to the Statement of Profit & Loss on straight-line method following the rates and methodology notified by CERC for the fixation of tariff except for assets specified in Policy No. 18.0(d).
 - (ii) Depreciation on Property, Plant and Equipment capitalized during the last five years of the useful life of a Power Station is charged on straight-line method for the period of extended life as per CERC Tariff Regulations/Orders, from the date on which such asset becomes available for use.
 - (iii) Where the life and / or efficiency of a Power Station is increased due to renovation and modernization, the expenditure thereon along with its unamortized depreciable amount is charged prospectively on straight-line method over the revised / remaining useful life.
- b)
 - i) Depreciation on Property, Plant and Equipment (except old and used) of other than Operating Units of the Company is charged to the extent of 90% of the cost of the asset following the rates notified by CERC for the fixation of tariff except for assets specified in Policy No. 18.0(d).
 - ii) Depreciation on old and used items of PPE of other than Operating Units is charged on straight-line method to the extent of 90% of the cost of the asset over estimated useful life determined on the basis of technical assessment.
- c)
 - i) Depreciation in respect of following items of PPE is provided on straight line method based on the useful life and residual value (5%) given in the Schedule II of the Companies Act, 2013:
 - Construction Plant and Machinery
 - Computer and Peripherals
 - ii) Based on technical assessment, depreciation on Mobile Phones is provided on straight line basis over a period of three years with residual value of Re 1.

- iii) Based on technical assessment, depreciation on Roof Top Solar Power System / Equipment is provided on straight line basis over a period of twenty five years with residual value of 10%.
- (iv) Based on technical assessment, depreciation on furniture & other equipment provided at residential office of employees is charged on straight line basis over a period of five years with residual value of 10%.
- d) Temporary erections are depreciated fully (100%) in the year of acquisition /capitalization by retaining Re. 1/- as WDV.
- e) All assets valuing Rs.5000/- or less but more than Rs. 750/- are fully depreciated/amortised during the year in which the asset becomes available for use with WDV of Re. 1/- for tangible assets and NIL for Intangible Assets.
- f) Low value items, which are in the nature of assets (excluding immovable assets) and valuing up to Rs. 750/- are not capitalized and charged off to expenditure in the year of use.
- g) Leasehold Land of operating units is amortized over the period of lease or over the life of the Power Plant (40 years in case of Hydro Projects and 25 years in case of Solar & Wind Projects) whichever is lower, following the rates and methodology notified vide CERC tariff regulations.
- h) Leasehold Land and buildings of units other than operating units, is amortized over the period of lease or over the life of the Power Plant (40 years in case of Hydro Projects and 25 years in case of Solar & Wind Projects), whichever is lower.
- i) PPE created on leasehold land are depreciated to the extent of 90% of original cost over the balance available lease period of respective land from the date such asset is available for use or at the applicable depreciation rates & methodology notified by CERC tariff regulations for such assets, whichever is higher.
- j) Land-Right of Use is amortized over a period of 30 years from the date of commercial operation of the project in line with CERC tariff regulations notified for tariff fixation.
- k) Cost of software recognized as 'Intangible Assets' is amortized on straight line method over a period of legal right to use or three financial years, whichever is earlier, starting from the year in which it is acquired. Other intangible assets are amortized on straight line method over the period of legal right to use or life of the related plant, whichever is less. The period and method of amortization of intangible assets with finite useful life is reviewed at each financial year end and adjusted prospectively, wherever required.
- l) Where the cost of depreciable assets has undergone a change during the year due to increase/decrease in long term liabilities on account of exchange fluctuation, price adjustment, settlement of arbitration/court cases, change in duties or similar factors, the unamortized balance of such assets is depreciated prospectively over the residual life of such assets at the rate of depreciation and methodology notified by CERC tariff regulations.
- m) Spare parts procured along with the Plant and Machinery or subsequently which are capitalized and added in the carrying amount of such item are depreciated over the

residual useful life of the related plant and machinery at the rates and methodology notified by CERC.

- n) Useful life, method of depreciation and residual value of assets where depreciation is charged as per management assessment are reviewed at the end of each financial year and adjusted prospectively over the balance useful life of the asset, wherever required.

19.0 Impairment of non-financial assets other than inventories

- a) The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.
- b) In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. Fair value less costs of disposal is determined only in case carrying amount of an asset or cash-generating unit (CGU) exceeds the value in use.
- c) In case of expenditure on survey & investigation of projects, if it is decided to abandon such a project, expenditure incurred thereon is charged to the Statement of Profit and Loss in the year in which such decision is taken.
- d) In case a project under survey and Investigation remains in abeyance by the order of appropriate authority/ by injunction of court order, any expenditure incurred on such projects from the date of order/ injunction of court is provided in the books from the date of such order till the period project is kept in abeyance by such order/ injunction. Provision so made is however reversed on the revocation of aforesaid order/ injunction.
- e) Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

20.0 Income Taxes

Income tax expense comprises current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case the tax is also recognised directly in equity or in other comprehensive income.

a) Current tax

Current tax is the expected tax payable on the taxable income for the year on the basis of the tax laws applicable at the reporting date and any adjustments to tax payable in previous years. Taxable profit differs from profit as reported in the Statement of Profit and Loss because it excludes items of income or expense that are taxable or deductible in other years (temporary differences) and it further excludes items that are never taxable or deductible (permanent differences).

b) Deferred tax

- i) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the Balance Sheet method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unused tax losses and unused tax credits can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of an asset or liability in a transaction that at the time of the transaction affects neither the taxable profit or loss nor the accounting profit or loss.
- ii) The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.
- iii) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would flow in the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.
- iv) Deferred tax is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in other comprehensive income or equity, in which case it is recognised in Other Comprehensive Income or Equity.
- v) Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities, and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation

authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

- vi) Deferred tax recovery adjustment account is credited/ debited to the extent the deferred tax for the current period forms part of current tax in the subsequent periods and affects the computation of return on equity (ROE), a component of tariff.
- vii) When there is uncertainty regarding income tax treatments, the Company assesses whether a tax authority is likely to accept an uncertain tax treatment. If it concludes that the tax authority is unlikely to accept an uncertain tax treatment, the effect of the uncertainty on taxable income, tax bases and unused tax losses and unused tax credits is recognised. The effect of the uncertainty is recognised using the method that, in each case, best reflects the outcome of the uncertainty: the most likely outcome or the expected value. For each case, the Company evaluates whether to consider each uncertain tax treatment separately, or in conjunction with another or several other uncertain tax treatments, based on the approach that best prefixes the resolution of uncertainty.

21.0 Compensation from third parties

Impairments or losses of items, related claims for payments of compensation from third parties including insurance companies and any subsequent purchase or construction of assets/inventory are separate economic events and are accounted for separately.

Compensation from third parties including from insurance companies for items of property, plant and equipment or for other items that were impaired, lost or given up is included in the Statement of Profit and Loss when the compensation becomes receivable. Insurance claims for loss of profit are accounted for based on certainty of realisation.

22.0 Segment Reporting

- a) In accordance with Ind AS 108 – Operating Segment, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's Management to allocate resources to the segments and assess their performance. The Board of Directors is collectively the Company's "Chief Operating Decision Maker" or "CODM" within the meaning of Ind AS 108.
- b) Electricity generation is the principal business activity of the Company. Other operations viz., Contracts, Project Management, Consultancy works and Trading of Power do not form a reportable segment as per the Ind AS -108.

23.0 Leases

The Company assesses whether a contract is or contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether the contract involves the use of an identified asset, whether the Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of lease and whether the Company has the right to direct the use of the asset. If the supplier has a substantive substitution right, then the asset is not identified. Where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if it has the right to

operate the asset, or the Company designed the asset in a way that predetermines how and for what purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. However, for the leases of land and buildings in which it is a lessee, the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

i. Company as a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Land taken for use from State Government (without transfer of title) and expenses on relief and rehabilitation as also on creation of alternate facilities for land evacuees or in lieu of existing facilities coming under submergence and where construction of such alternate facilities is a specific pre-condition for the acquisition of the land for the purpose of the project, are accounted for as Right of Use Assets.

Right-of-use assets are depreciated/amortized from the commencement date to the end of the useful life of the underlying asset, if the lease transfers ownership of the underlying asset by the end of lease term or if the cost of right-of-use assets reflects that the purchase option will be exercised. Otherwise, Right-of-use assets are depreciated/ amortized from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment.

Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less costs of disposal and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at the present value of the future lease payments, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Future lease payments comprise of the fixed payments, including in-substance fixed payments, variable lease payments that depend on an index or a rate, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise or the penalty for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or when a lease contract is modified, and the lease modification is not accounted for as a separate lease, in which case the lease

liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

Right-of-use assets are presented as a separate line item on the face of the Balance Sheet.

The Company has elected not to recognise right-of-use assets and lease liabilities in respect of short-term leases that have a lease term of 12 months or less and leases where the underlying asset is of low-value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

ii. Company as a lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset.

Where the Company determines a long term Power Purchase Agreement (PPA) to be or to contain a lease and where the off taker has the principal risk and rewards of ownership of the power plant through its contractual arrangements with the Company, the arrangement is considered a finance lease. For embedded leases in the nature of a Finance Lease, the investment in the power station is recognised as a Lease Receivable. The minimum lease receipts are identified by segregating the embedded lease receipts from the contract amounts (including Advance Against Depreciation (AAD) recognised in accordance with CERC Tariff regulations 2004-09 up to 31st March 2009 and considered as deferred income). Each lease receipt is allocated between the receivable and finance lease income (forming part of revenue from operations) so as to achieve a constant rate of return on the Lease Receivable outstanding.

Subsequent to initial recognition, the Company regularly reviews the estimated unguaranteed residual value and applies the impairment requirements of Ind AS 109- Financial Instruments for recognising an allowance for expected credit losses on the lease receivables.

Finance lease income is calculated with reference to the gross carrying amount of the lease receivables, except for credit-impaired financial assets for which interest income is calculated with reference to their amortised cost (i.e. after a deduction of the loss allowance).

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115- *Revenue from Contracts with Customers* to allocate the consideration in the contract.

In the case of Operating Leases or embedded operating leases, the lease income from the operating lease is recognised in revenue over the lease term to reflect the pattern of use benefit derived from the leased asset. The respective leased assets are included in the Balance Sheet based on their nature and depreciated over its economic life.

24.0 Business combinations

(i) Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition, which is the date at which control is transferred to the Company. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognized at fair values on their acquisition date. Goodwill is initially

measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed. Where the fair value of net identifiable assets acquired and liabilities assumed exceed the consideration transferred, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognized as capital reserve. Acquisition related costs are expensed as incurred.

(ii) Business combinations involving entities that are controlled by the Company are accounted for using the pooling of interests method wherein the assets and liabilities of the combining entities are reflected at their carrying amounts and no adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.

The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.

The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee. The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

25.0 Material prior period errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the new accounting policy prospectively from the earliest date practicable.

26.0 Earnings per share

- a) Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.
- b) Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.
- c) Basic and diluted earnings per equity share are also presented using the earnings amounts excluding the movements in regulatory deferral account balances.

27.0 Statement of Cash Flows

a) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term,

highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. However, for Balance Sheet presentation, Bank overdrafts are shown within “Borrowings” under Current Liabilities.

- b) Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS 7- ‘Statement of Cash Flows’.

28.0 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

- a) An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

- b) A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

- c) Deferred tax assets /liabilities are classified as non-current assets / liabilities.

29.0 Non -Current Assets Classified as Held for Sale

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use and a sale is considered highly probable. Indicators in this regard include whether management is committed to the sale, whether such sale is expected to be completed within one year from the date of classification as held for sale and whether the actions required to complete the plan of sale indicates that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn. Non-Current Assets held for sale and disposal groups are measured at the lower of their carrying amount and their fair value. Cost of disposal is deducted from the recognized value, if significant. Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.

30.0 Miscellaneous

- c) Each material class of similar items is presented separately in the financial statements. Items of a dissimilar nature or function are presented separately unless they are immaterial.
- d) Liabilities for Goods in transit/Capital works executed but not certified are not provided for, pending transfer of ownership, inspection and acceptance by the Company.

(3) PARTICULARS OF THE OFFER

Issue Size

Private Placement of Listed, Unsecured, non-cumulative, non-convertible, redeemable, taxable bonds with face value of Rs. 10.00 lakh each, in the nature of debentures (Bonds) for an amount aggregating to Rs. 1945 crore including green shoe option of Rs. 1445 crore. Each bond consists of 10 Separately Transferable Redeemable Principal Parts (STRPPs) having face value of Rs. 1.00 lakh each.

Registration, Government Approvals and Resolutions

The present issue is being made pursuant to the following:

- Resolution of the Board of Directors of the Company passed in its 490th meeting held on 19.03.2025.
- Shareholders' approval u/s 180 (1) (c) of the Companies Act 2013 authorizing Board of Directors for borrowings from time to time not exceeding in aggregate at any time of Rs. 50,000 crore obtained in their 48th Annual General Meeting through Video Conferencing (VC)/ Other Audio Visual Means (OAVM) held on 28th August 2024.

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

Private and confidential- Not for circulation.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Use of proceeds (in the order of priority for which the said proceeds will be utilized):

100% of the amount raised through private placement under this Key Information Document shall be used to meet out the Capital expenditure and partly recoupment of expenditure already incurred on under construction Projects.

Minimum Subscription:

In terms of the SEBI Debt Regulations, the Issuer may decide the amount of minimum subscription which it seeks to raise by issue of Bonds and disclose the same in the offer document. The Issuer has decided not to stipulate any minimum subscription for the present Issue and therefore the Issuer shall not be liable to refund the issue subscription(s)/ proceed(s) in the event of the total issue collection falling short of issue size or certain percentage of issue size.

Underwriting:

The present Issue of Bonds is on private placement basis and is not underwritten.

Nature of Bonds:

The Bonds are to be issued in the form of Listed Unsecured, Non-Cumulative, Non-Convertible, Redeemable, Taxable Bonds in the nature of Debentures. The Bonds shall be issued under the Debenture Trust Deed which will be executed in favor of the Debenture Trustee.

Process of Due Diligence to be carried out by the debenture trustee shall be governed as per the provisions laid down in Debenture Trustee Agreement.

Face Value, Issue Price, Effective Yield for Investor

Each Bond has a face value of Rs. 10.00 Lakh consists of 10 Separately Transferable Redeemable Principal Parts (STRPPs) having face value of Rs. 1.00 lakh each and is issued at par. Since, there is no premium or discount on either issue price or on redemption value of the Bonds, the effective yield for the investors shall be the same as the coupon rate on the respective bond series.

Terms and Mode of Payment

The full face value of the Bonds applied for is to be paid through RTGS/other permitted electronic banking channels. Investor(s) need to send in the application form and the RTGS details to the Company as contained in Private Placement Offer.

Deemed Date of Allotment

Interest on Bonds shall accrue to the Bondholder(s) from and including Deemed Date of Allotment. All benefits relating to the Bonds will be available to the investor(s) from the Deemed Date of Allotment. The actual allotment of Bonds may take place on a date other than the Deemed Date of Allotment. In case if the issue closing date is changed (preponed / postponed), the Deemed Date of Allotment may also be changed (preponed/ postponed) by the Company at its sole and absolute discretion.

Issue of Letter of Allotment(s)/Bond(s)

The beneficiary account of the investor(s) with National Securities Depository Ltd. (NSDL)/ Central Depository Services (India) Ltd. (CDSL)/ Depository Participant will be given credit on the Deemed Date of Allotment.

The Bonds since issued in electronic (dematerialized) form, will be governed as per the provisions of The Depository Act, 1996, Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996, rules notified by NSDL/ CDSL/ Depository Participant from time to time and other applicable laws and rules notified in respect thereof.

Registrar & Transfer Agent & Depository Arrangements

The Company has appointed M/s RCMC Share Registry PVT LTD, B-25/1, First Floor, Okhla Industrial Area, Phase-II, New Delhi-110020. Email: mdnair@rcmcdelhi.com Phone: 011-26387320, 26387321, 35020465 as Registrars & Transfer Agent for the present bond issue. The Company has made necessary depository arrangements with National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) for issue and holding of Bonds in dematerialized form. In this context, the Company has signed two tripartite agreements as under:

(i) Tripartite Agreement dated 24.12.2001 between NHPC Limited, M/s RCMC Share Registry PVT LTD and National Securities Depository Ltd. (NSDL) for offering depository option to the investors.

(ii) Tripartite Agreement dated 01.01.2002 between NHPC Limited, M/s RCMC Share Registry PVT LTD and Central Depository Services (I) Ltd. (CDSL) for offering depository option to the investors.

Investors can hold the bonds only in dematerialized form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time.

Market Lot

The market lot will be one bond ("Market Lot"). Since the bonds are being issued only in dematerialized form, the odd lots will not arise either at the time of issuance or at the time of transfer of Bonds.

Trading of Bonds

The marketable lot for the purpose of trading shall be one bond i.e. in denomination of Rs 1 lakh. Trading of bonds would be permitted in demat mode only and such trades shall be cleared and settled in recognized stock exchange(s) subject to conditions specified by SEBI. In case of trading in Bonds which has been made over the counter, the trades shall be executed and reported on a recognized stock exchange having a nationwide trading terminal or such other platform as may be specified by SEBI.

Mode of Transfer of Bonds

Bonds shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/ CDSL/ Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Bonds held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant. The provisions of The Depositories Act, 1996 read with the Companies Act shall apply for transfer and transmission of Bonds.

The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Issuer.

Transfer of Bonds to and from NRIs/ OCBs, in case they seek to hold the Bonds and are eligible to do so, will be governed by the then prevailing guidelines of RBI.

Determination of Coupon: The Coupon is decided based on bids received on Electronic Book (EBP) Platform.

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

Private and confidential- Not for circulation.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Basis of Allocation / Allotment: As approved by Competent Authority of the Company in line with EBP operating guidelines.

Interest on the Bonds

The Bonds shall carry interest at the Coupon Rate from, and including, the Deemed Date of Allotment up to, but excluding the Redemption Date. Interest shall be payable on the “Coupon Payment Dates”, excluding such coupon payment date, to the holders of Bonds as on the relevant Record Date. Interest on Bonds will cease from the Redemption Date in all events.

In case of a leap year, if February 29 falls during the tenor of a security, then the number of days shall be reckoned as 366 days (Actual/Actual day count convention) for a whole one year period.

Computation of Interest: Day Count Convention

The interest shall be computed on the basis of Actual/Actual day convention as per term sheet.

Effect of Holidays

If the interest payment does not fall on a business day, the payment may be made on the following business day however the dates of the future coupon payments would be as per the schedule originally stipulated at the time of issuing the security. In other words, the subsequent coupon schedule would not be disturbed merely because the payment date in respect of one particular coupon payment has been postponed earlier because of it having fallen on a day which is not a business day.

If the Redemption Date (also being the last Coupon Payment Date) of the Bonds falls on a day that is not a business Day, the redemption proceeds (including coupon payment) shall be paid on the immediately preceding business Day along with interest accrued on the Bonds until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the commercial banks are open for business in the city of Delhi. For the purpose of interest and redemption payment refer working day definition in term sheet. An illustration for guidance in this regard is as per table below:

The following table is indicative and only for illustration, does not reflect actual amount and dates. The face value of security is of Rs. 1 lakh each. Also, only second and fourth Saturdays and all Sundays have been considered as holidays, the actual holidays may differ from year to year.

NHPC LIMITED (A Government of India Navratna Enterprise)

Key Information Document

Private and confidential- Not for circulation.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Record Date

Date falling 15 calendar days prior to the relevant Coupon Payment Date or the Redemption Date on which interest amount or the Maturity Amount respectively, is due and payable.

Working Day:

Working Days shall be all days on which scheduled commercial banks are open for business in the city of Delhi.

Tax Benefits:

The holder(s) of the Bonds are advised to consider in their own case, the tax implications in respect of subscription to the Bonds after consulting their own tax advisor/ counsel.

Deduction of Tax at Source:

Tax as applicable under the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof will be deducted at source from Interest on Application Money and/or Interest on Bonds, as applicable. For seeking TDS exemption/ lower rate of TDS, relevant tax exemption certificate/ declaration of non-deduction of tax at source on interest on application money, should be submitted along with the application form. Where any deduction of Income Tax is made at source, the Company shall send to the Bondholder(s) a Certificate of Tax Deduction at Source.

Regarding deduction of tax at source and the requisite declaration forms to be submitted, prospective investors are advised to consult their own tax consultant(s).

Redemption:

Bonds will carry ten STRPPs to be redeemed at par. The redemption of STRPPs shall be made from the end of 6th year to 15th year of the deemed date of allotment. The Bond will not carry any obligation, for interest or otherwise, after the date of redemption. The Bonds shall be taken as discharged on payment of the redemption amount by the Company on maturity to the registered Bondholders whose name appear in the Register of Bondholders on the record date. Such payment will be a legal discharge of the liability of the Company towards the Bondholders.

Settlement/ Payment on Redemption:

Payment on redemption will be made by way of RTGS/NEFT/any other electronic mode/any other permitted method at the discretion of the issuer, in the name of the Bondholders whose name appear on the List of Beneficial Owners given by Depository to the Company as on the Record Date/ Book Closure Date.

The Bonds shall be taken as discharged on payment of the redemption amount by the Company on maturity to the list of Beneficial Owners as provided by NSDL/ CDSL/ Depository Participant. Such payment will be a legal discharge of the liability of the Company towards the Bondholders. On such payment being made, the Company shall inform NSDL/ CDSL/ Depository Participant and accordingly the account of the Bondholders with NSDL/ CDSL/ Depository Participant shall be adjusted (debited).

The Company's liability to the Bondholders towards all their rights including for payment or otherwise shall cease and stand extinguished from the due date of redemption in all events. Further the Company will not be liable to pay any interest or compensation after the date of redemption. On the Company dispatching/ crediting the amount to the Beneficiary (ies) as specified above in respect of the Bonds, the liability of the Company shall stand extinguished.

List of Beneficial Owners /Register of Beneficial Owners:

The Company shall request the Depository to provide a list of Beneficial Owners as at the end of the Record Date. This shall be the list, which shall be considered for payment of interest or repayment of principal amount, as the case may be. The depositories shall maintain a register and an index of Beneficial Owners in the manner provided in relevant provisions of the Companies Act, 2013.

Succession:

In the event of the demise of the sole/first holder of the Bond(s) or the last survivor, in case of joint holders for the time being, the Issuer shall recognize the executor or administrator of the deceased Bondholder, or the holder of succession certificate or other legal representative as having title to the Bond(s). The Issuer shall not be bound to recognize such executor or administrator, unless such executor or administrator obtains probate, wherever it is necessary, or letter of administration or such holder is the holder of succession certificate or other legal representation, as the case may be, from a Court in India having jurisdiction over the matter. The Issuer may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or succession certificate or other legal representation, in order to recognize such holder as being entitled to the Bond(s) standing in the name of the deceased Bondholder on production of sufficient documentary proof or indemnity.

Who Can Apply:

The following categories are eligible to apply for this **private placement** of Bonds:

All QIBs, and any non-QIB Investors specifically mapped by the Issuer on the EBP Platform, are eligible to bid / invest / apply for this Issue.

All participants are required to comply with the relevant regulations/ guidelines applicable to them for investing in this Issue. Applicants are advised to ensure that Applications made by them do not exceed the investment limits that they are subject to under applicable statutory and/or regulatory provisions. Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory permissions/consents/approvals in connection with applying for or subscribing to the Bonds pursuant to the Issue.

However, out of the aforesaid class of investors eligible to invest, this Private Placement Offer cum Application Letter is intended solely for the use of the person to whom it has been sent by the Company for the purpose of evaluating a possible investment opportunity by the recipient(s) in respect of the securities offered herein, and it is not to be reproduced or distributed to any other persons (other than professional advisors of the prospective investor receiving this Private Placement Offer cum Application Letter from the Company).

Documents to be provided by applicant:

Investors need to submit duly certified true copies of the following documents, as may be applicable to them, along with the Application Form: -

- (i) Memorandum and Articles of Association/ Constitution/ Bye-laws/ Trust Deed;
- (ii) Board Resolution authorizing the investment and containing operating instructions;
- (iii) Power of Attorney/ relevant resolution/ authority to make application;
- (iv) Specimen signatures of the authorized signatories (ink signed), duly certified by an appropriate authority;

- (v) Copy of Permanent Account Number Card ("PAN Card") issued by the Income Tax Department;
- (vi) Copy of a cancelled cheque for ECS payments;
- (vii) Necessary forms for claiming exemption from deduction of tax at source on interest on application money, wherever applicable.

In addition to above, the investors may also attach such other documents as may be considered necessary by them. For investments made under Power of Attorney, certified true copy of notarized/registered Power of Attorney or other authority may also be submitted.

Application under Power of Attorney

In case of application made under a Power of Attorney, the relevant Power of Attorney or the relevant resolution or authority to make the application, as the case may be, together with the certified true copy thereof along with the certified copy of the Memorandum and Articles of Association and/or Bye-Laws, as the case may be and the tax exemption certificate must be attached to the Application Form or lodged for scrutiny separately with the photocopy of the application form, quoting the serial number of the application form and the Bank's branch where the application has been submitted, at the office of the Registrars to the Issue after submission of the application form to the Banker to the issue or directly to Company as mentioned in the general instructions annexed to the Application Form, failing which the application is liable to be rejected. Further modifications/additions in the power of attorney or authority should be notified to the Company or to its Registrars or to such other person(s) at such other address(es) as may be specified by the Company from time to time through a suitable communication.

Payment Mechanism:

Successful bidders should do the funds pay-in to the bank account of the NSE Clearing Corporation Ltd. from their registered bank account only before the cut off time as prescribed by the exchange. The account number of the clearing corporation will be displayed at the time of bidding at the EBP.

Private Placement Offer cum Application Letter:

Application complete in all respects (along with all necessary documents as detailed in this Private Placement Offer Letter) must be submitted on /before the last date indicated in the issue time table or such extended time as decided by the Issuer, accompanied by details/proof of remittance of the application money.

Application for the Bonds must be in the prescribed format in Part-B of this offer and completed in BLOCK LETTERS in English. The name of the applicant's bank, type of account and account number must be filled in the Application Form. This is required for the applicant's own safety and these details will be printed on the refund orders and interest/ redemption warrants.

The applicant should mention their Permanent Account Number (PAN) allotted under the Income-Tax Act, 1961 or where the same has not been allotted, the GIR No. and the Income tax Circle/Ward/District. As per the provision of Section 139A (5A) of the Income Tax Act, PAN/GIR No. needs to be mentioned on the TDS certificates. Hence, the investor should mention his PAN/GIR No. if the investor does not submit Form 15AA/other evidence, as the case may be for non-deduction of tax at source. In case neither the PAN nor the GIR Number has been allotted, the applicant shall mention "Applied for" and in case the applicant is not assessed to income tax, the applicant shall mention 'Not Applicable' (stating reasons for non-applicability) in the appropriate box provided for the purpose. Application Form without this information will be considered incomplete and are liable to be rejected.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Applicants are requested to tick the relevant column “Category of Investor” in the Application Format at Part-B of this offer cum application.

Force Majeure:

The Company reserves the right to withdraw the issue prior to the closing date in the event of any unforeseen development adversely affecting the economic and regulatory environment. The Company reserves the right to change the Issue Schedule.

Right to Accept or Reject Applications:

The Company reserves its full, unqualified and absolute right to accept or reject the application, in part or in full, without assigning any reason thereof. The rejected applicant will be intimated along with the refund warrant, if applicable. No interest on application money will be paid on rejected applications. The application form that is not complete in all respects is liable to be rejected and would not be paid any interest on the application money. Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- a. Number of bonds applied for is less/ more than the number of bonds allocated to the investor;
- b. Application exceeding the issue size;
- c. Bank account details not given;
- d. Details for issue of bonds in electronic/ dematerialized form not given; PAN/GIR and IT Circle/Ward/District not given;
- e. In case of applications under Power of Attorney by limited companies, corporate bodies, trusts, etc. relevant documents not submitted;
- f. In case of failure of any successful bidders to complete the subscription amount payments by the Pay-in Time.
- g. Successful bidders should ensure to make payment of the subscription amount for the Debentures from their same bank account which is updated by them in the NSE - EBP Platform while placing the bids. In case of mismatch in the bank account details between NSE - EBP Platform and the bank account from which payment is done by the successful bidder, the payment would be returned

In the event, if any Bond(s) applied for is/ are not allotted in full, the excess application monies of such Bonds will be refunded, as may be permitted.

Signatures:

Signatures should be made in English or in any of the Indian Languages. Thumb impressions must be attested by an authorized official of a Bank or by a Magistrate/ Notary Public under his/her official seal.

Nomination Facility:

Nomination facility is available as per provisions under Companies Act 2013.

Bondholder not a Shareholder:

The bondholders will not be entitled to any of the rights and privileges available to the shareholders. If, however, any resolution affecting the rights attached to the Bonds is placed before the members of the Company, such resolution will first be placed before the bondholders for their consideration.

Modification of Rights:

Any material modifications to the terms of the issue shall be subject to the procedure prescribed in regulation 59 of the SEBI LODR Regulations, 2015.

GID Reference Number: NHPC/BONDS/GID/2024-25/01

Broad lending and borrowing policy of the Issuer:

The Company assess the fund requirements periodically, segregating long term fund requirement and short term fund requirement. Long term fund requirement inter alia includes fund requirements for Capital expenditure, which are met through combination of debt and equity. Debt is availed through a mix of Bonds (Non-Convertible Securities), Term loan from bank and External Commercial Borrowing (ECB) overall pricing of the loan/debt, repayment conditions, tenor of the credit etc. are the main dominating factors in selecting a particular debt instrument. Short Term fund requirement generally arises due to cash mismatched and is met through availing "Short-Term Working Capital Loan (STWCL)" from a bank. STWCL is availed through a bidding process among the bankers.

Bond/ Debenture Redemption Reserve (DRR):

Transfer to Bonds/Debenture Redemption Reserved shall be in accordance to the applicable provisions of the SEBI Debt Regulations and the Companies (Share Capital and Debentures) Rules, 2014 as amended. Accordingly, pursuant to the latest amendments as on 16.08.2019 in the said rule, we are not required to create DRR from our profits every year.

The Company shall create a Bond/Debenture Redemption Reserve in accordance with any further applicable provisions.

Disputes & Governing laws and jurisdiction:

The Bonds shall be construed to be governed in accordance with Indian laws and rules framed there under. The Courts in New Delhi alone shall have exclusive jurisdiction in connection with any dispute/difference between the Company and the Beneficial Owners of Bonds under these presents.

Notices:

The notices to the Beneficial Owners of Bonds required to be given by the Company shall be deemed to have been given if sent by Registered Post/ Speed Post/ Courier/Ordinary Post to the Registered Beneficial Owner of Bonds and /or if an advertisement is given in one All India English daily newspaper and one regional language newspaper and/ or if communication in this regard has been effected to the depositories.

All notices to be given by the Beneficial Owners of Bonds shall be sent by Registered Post or by Hand Delivery to the Company or such persons, at such address, as may be notified by the Company from time to time.

i. Details of inquiry, inspections or investigations etc. against the company and subsidiaries

Sl. No.	Particulars	2024-25	2023-24	2022-23
1	Details of any inquiry, inspections or investigations initiated or conducted under the Companies Act or any previous company law in case of company and all of its subsidiaries.	Nil	Nil	Nil
2	Any prosecutions filed (whether pending or not) fines imposed, compounding of offences in case of the company and all of its subsidiaries	Note 1	Note 1	Note 1

Note 1:- In case of Subsidiaries of NHPC: - NIL

In case of NHPC:-

During the preceding three FYs, Company had received communications from Stock Exchanges viz. BSE Limited and National Stock Exchange of India Limited imposing fines for different quarters for non-appointment of requisite number of Independent Directors (March 2022, June 2022, September, 2022, December, 2022, March, 2023, December, 2023 and December 2024) including non-appointment of Woman Independent Director (December 2024) Under Regulation 17 (1) of SEBI LODR. Considering the justification submitted by the Company for waiver of fines, NSE has waived off the fines imposed up to quarter ended on December 2023 and BSE has waived off the fine imposed upto the quarter ended on September 2022. Response for the remaining period is awaited from BSE & NSE. As per the article 34 of the AOA of the company read with MCA notification dated 05.06.2015, the power to appoint directors (including independent directors) on the Board of NHPC Limited being a Govt Company vests with the President of India. Accordingly, the matter regarding appointment of independent directors is being regularly pursued with the administrative ministry i.e. Ministry of Power (MOP), GoI.

Further, waiver of fine imposed under regulation 21 (December 2020) and regulation 29 (April 2019) is awaited from BSE. However, fine imposed by NSE on the above regulations has already been waived off. The matter is being pursued with BSE for its waiver.

- ii. **Details of acts of material frauds committed against the issuer in the preceding three financial years and current financial year, if any, and if so, the action taken by the issuer.**

Current financial year	2024-25	2023-24	2022-23
NIL	Nil	Nil	Nil

- iii. **Any litigation or legal action pending or taken by a Government Department or a statutory body or regulatory body during the three years immediately preceding the year of the issue of the issue document against the promoter of the company.**

Since the Government of India is the promoter of the company, it is not possible to give details of litigations, legal actions or directions pending or taken by any Ministry or Department of the Government or a statutory authority against the promoter of the company during the last three years.

- iv. **Details of pending litigation involving the issuer, promoter, director, subsidiaries, group companies or any other person, whose outcome could have material adverse effect on the financial position of the issuer, which may affect the issue or the investor's decision to invest / continue to invest in the debt securities and/ or non-convertible redeemable preference shares.**

NIL

- v. **Details of pending proceedings initiated against the issuer for economic offences, if any**

NIL

- vi. **Details of payments made as remuneration payable to Functional Directors including Chairman & Managing Director.**

The remuneration payable to Functional Directors including Chairman & Managing Director is decided by the Government of India.

(8) DEBENTURE TRUSTEE

In accordance with the provisions of the Section 71 of Companies Act, 2013, Rules made there under and Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, the Company has appointed Beacon Trusteeship Limited, to act as Trustees ("Trustees") for and on behalf of the holder(s) of the Debentures. Debenture Trustee has given his consent for his appointment under applicable rules regulations of the Companies Act and regulations of SEBI, copy of letter from Trustee, conveying their consent to act as Trustee for the current issue of Debentures is enclosed elsewhere in this Document. The Company hereby undertakes that a Trust Deed will be executed by it in favor of the Trustees. The Trust Deed will contain such clauses or be as near thereto as possible as may be prescribed under the Companies Act, 2013 and rules made there under and those mentioned in the Securities and Exchange Board of India (Debenture Trustees) Regulations. Further the Trust Deed shall not contain any clause which has the effect of

- (i) limiting or extinguishing the obligations and liabilities of the Trustees or the Company in relation to any rights or interests of the holder(s) of the Debentures,
- (ii) limiting or restricting or waiving the provisions of the Securities and Exchange Board of India Act, 1992 (15 of 1992); Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and circulars or guidelines issued by SEBI,
- (iii) indemnifying the Trustees or the Company for loss or damage caused by their act of negligence or commission or omission.

The Debenture holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Trustees or any of their agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Debentures as the Trustees may in their absolute discretion deem necessary or require to be done in the interest of the holder(s) of the Debentures. Any payment made by the Company to the Trustees on behalf of the Debenture holder(s) shall discharge the Company pro tanto to the Debenture holder(s). The Trustees shall protect the interest of the Debenture holders in the event of default by the Company in regard to timely payment of interest and repayment of principal and shall take necessary action at the cost of the Company. No Debenture holder shall be entitled to proceed directly against the Company unless the Trustees, having become so bound to proceed, fail to do so.

(9) STOCK EXCHANGE(s) WHERE SECURITIES ARE PROPOSED TO BE LISTED

Debentures are proposed to be listed on NSE & BSE.

In connection with listing with stock exchange(s), the Company hereby undertakes that:

- (a) It shall comply with conditions of listing as may be specified in the Listing Agreement with Stock Exchange(s).
- (b) Credit Ratings obtained by the Company shall be periodically reviewed by the credit rating agencies and any revision in the rating shall be promptly disclosed by the Company to Stock Exchange(s).
- (c) Any change in rating shall be promptly disseminated to the holder(s) in such manner as Stock Exchange(s) may determine from time to time.
- (d) The Company, the Trustees and Stock Exchange(s) shall disseminate all information and reports including compliance reports filed by the Company and the Trustees regarding the Debentures to the holder(s) and the general public by placing them on their websites.
- (e) Trustees shall disclose the information to the holder(s) and the general public by issuing a press release in any of the following events:
 - i. default by the Company to pay interest or redemption amount;
 - ii. revision of rating assigned;
- (f) The information referred to in para (e) above shall also be placed on the websites of the Trustees, Company and Stock Exchange(s).
- (g) Issuer would, till the redemption of the debt securities, submit the Latest Audited / Limited

Review Half Yearly Consolidated (wherever available) and Standalone Financial Information and auditor qualifications, if any to the Trustee within the timelines as provided in SEBI(LODR) for furnishing / publishing its half yearly/ annual result. Further, the Issuer shall within 180 days from the end of the financial year, submit a copy of the latest annual report to the Trustee and the Trustee shall be obliged to share the details submitted under this clause with all 'Qualified Institutional Buyers' (QIBs) and other existing debenture-holders within two working days of their specific request.

(10) SERVICING BEHAVIOR ON EXISTING DEBT SECURITIES AND OTHER BORROWINGS

The Company hereby confirms that:

- a) The main constituents of the Company's borrowings have been in the form of borrowings from Banks and Financial Institutions, External Commercial Borrowings & Bonds/Debentures.
- b) The Company has been servicing all its principal and interest liabilities on time and there has been no instance of delay or default.
- c) The Company has neither defaulted in repayment/ redemption of any of its borrowings nor affected any kind of roll over against any of its borrowings in the past.

(11) UNDERTAKING REGARDING COMMON FORM OF TRANSFER

The Debentures shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/ CDSL/ Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Company.

The Company undertakes that it shall use a common form/ procedure for transfer of Debentures issued under terms of this Offer Letter.

(12) Material Contracts and Documents Involving Financial Obligations of the Issuer

The following contracts and documents which are or may be deemed material have been entered or are to be entered into by our Company. These contracts and also the documents for inspection referred to hereunder, may be inspected on Working Days at the Corporate Office of our Company situated at "NHPC Office Complex, Sector-33, Faridabad (Haryana) – 121003 between 10.00 am to 4.00 pm on any Working Days on from the date of this Key Information Document until the allotment of Debentures for the this Tranche under this Key Information Document.

INDEPENDENT AUDITORS' REPORT

The Board of Directors of
NHPC Limited

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone financial results of NHPC Limited ('the Company') for the quarter and year ended March 31, 2022 and the notes thereon (hereinafter referred to as the "Financial Results") attached herewith, being compiled by the Company pursuant to the requirement of Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). The financial results have been initialed by us for the purpose of identification.

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- are presented in accordance with the requirements of Regulation 33 & Regulation 52 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit for the quarter and year ended March 31, 2022 and other comprehensive income and other financial information for the quarter and year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial results.

Management's Responsibilities for the Standalone Financial Results

These financial results have been prepared on the basis of the standalone financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit for the quarter and year ended March 31, 2022 and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 & Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion whether the Company has adequate internal financial controls with respect to financial statements in place and the operating effectiveness of such controls but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. These financial results include the results for the quarter ended March 31, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to December 31 of the relevant financial year. These figures were subject to limited review by us as required under the Listing Regulations. The figures for the year ended 31st March 2021 as stated in Note 6 of the financial results have however been reclassified/restated and therefore the results for the quarter ended 31st March 2021 have been derived with respect to the figures reclassified/restated as above.
2. The statement includes comparative figures for the corresponding quarter and year ended March 31, 2021 which were audited by the then Joint Statutory Auditors of the Company respectively, two of them were predecessor auditors and had expressed an unmodified opinion vide their report dated June 10, 2021. Reliance has been placed on the figures and other information incorporated for the purpose of these financial results.

Our opinion is not modified in respect of the matters stated in para 1 and 2 above.

- 6 The above Statement of Cash Flows is prepared in accordance with the Indirect method prescribed in Ind AS 7 - "Statement of Cash Flows".
- 7 Figures for the previous periods have been regrouped/restated wherever necessary.

[Handwritten signature]

Notes:

- 1 The above results including statement of assets and liabilities and statement of cash flows as given in Annexure I and II respectively have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in the respective meetings held on 25th May, 2022 and are based on the Financial Statements audited by Joint Statutory Auditors of the Company.
- 2 In view of the seasonal nature of business, the financial results of the Company vary from quarter to quarter.
- 3 Electricity generation is the principal business activity of the Company. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The company has a single geographical segment as all its power stations are located within the country.
- 4 In line with the directions of the Ministry of Power dated May 15 & 16, 2020, the company had given a one-time rebate of Rs 185 crore to DISCOMs and Power Departments of States/ Union territories for passing on to ultimate consumers on account of COVID-19 pandemic in Quarter 1 of FY 2020-21 and disclosed the same as an "Exceptional item" in the Statement of Financial Results.
- 5 Based on review of future projections including future capital expenditure for capacity enhancement during the year ended 31st March, 2022, the Company has recognised Minimum Alternate Tax (MAT) credit available in future amounting to Rs. 1478.62 crore (corresponding previous year: Nil) as the same is likely to provide economic benefits by way of set-off against future income tax liability. Out of the above, an amount of Rs. 1313.27 crore (corresponding previous year : Nil) is to be passed on to the beneficiaries and the same has accordingly been recognised as 'Movement in Regulatory Deferral Account Balances'.
- 6 During the year ended on 31.03.2022, retrospective reclassifications/restatements have been carried out in respect of certain items in the financial statements of previous periods. Accordingly, to comply with the requirements of the applicable Indian Accounting Standards, the company has presented a 3rd Balance Sheet as at the beginning of the preceding period, i.e. as on 01.04.2020. Major restatements/reclassifications are explained as under:-
 - (i) In FY 2020-21, Borrowing and other costs incurred for construction projects during the 1st COVID lockdown period was presented as Regulatory Deferral Account (Debit) balances. Keeping in view an opinion obtained during financial year 2021-22 from the Expert Advisory Committee of the Institute of Chartered Accountants of India, the abovesaid costs amounting to Rs. 99.06 Crore as on 31.03.2021 have been reclassified as Capital Work in progress.
 - (ii) Management has reassessed the recoverability and derecognized part of the Regulatory Deferral Account (Debit) balance in respect of additional expenditure on 3rd Pay Revision of Central Public Sector Enterprises amounting to Rs. 61.32 crore based on Management assessment in the Books of Accounts w.e.f. 01.04.2020.
 - (iii) Certain Presentation changes have been carried out in previous year figures consequent upon the amendments in Schedule-III of the Companies Act, 2013 notified by the Ministry of Corporate Affairs, vide notification dated 24th March, 2021. These adjustments do not have any impact on the Statement of Profit and Loss.
- 7 During the quarter and year ended 31st March 2022, the Company has recognised 'Other Income' on account of Business Interruption loss from Insurance Company amounting to Rs. 161.86 Crore (Previous quarter and year ended Rs. NIL) in respect of one of the power stations.
- 8 The Board of Directors of the Company in its meeting held on December 7, 2021 has approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). The Scheme will be filed with the relevant regulatory authorities including Ministry of Corporate Affairs or any other appropriate authority for their approval/sanction.
- 9 The Board of Directors of the Company in its meeting held on September 24, 2021 has approved the proposal to initiate the process of merger of Jalpower Corporation Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013 subject to approval of Government of India.
- 10 During the year, the Company has acquired the equity of PTC India Limited (one of the promoters) in Chenab Valley Power Projects Private Limited (CVPPPL) for an amount of Rs 4.19 crore. The company's shareholding in CVPPPL due to acquisition of shares and additional equity infusion is 55.13% as on 31st March, 2022. However, pending modifications in the Promoter's Agreement and completion of other requisite formalities, CVPPPL has been accounted for as a Joint Venture owing to control being exercised jointly with the other joint venturers pursuant to the Joint Venture agreement currently in force.
- 11 All Non-Convertible Debt Securities of the Company are secured by way of pari-passu charge over certain immovable and movable assets of the Company. The available asset coverage complies the requirement of terms of various issues/ offer documents and/or Debenture Trust Deed and is sufficient to discharge the principal and interest for the said debt securities.
- 12 During the quarter, the company has paid an interim dividend @13.10% of the face value of Rs. 10 per share (Rs. 1.31 per equity share) for the financial year 2021-22. The Board of Directors has recommended final dividend @ 5.00% of the face value of Rs. 10 per share (Rs. 0.50 per equity share) for the financial year 2021-22. Total dividend (including interim dividend) is @ 18.10% of the face value of Rs. 10/- per share i.e. Rs. 1.81 per equity share for the year.
- 13 The total incremental borrowings by the Company in the financial year 2021-22 was Rs. 2500 crore. In terms of SEBI circular No. SEBI/HO/DDHS/CIR/P/2018/144 dated November 26, 2018, the Company was required to borrow at least Rs. 625 crore through issue of debt securities, whereas it has borrowed Rs. Nil through this mode. The disclosures (enclosed as Appendix A) in compliance with above circular as required in this respect from large Corporate borrower have already been filed to Stock Exchanges where Company's shares are listed.
- 14 The audited accounts for the year ended 31st March, 2022 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 15 Figures for the quarter ended 31st March, 2022 and 31st March, 2021 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year, post restatements/reclassifications as detailed at sl. no. 6 above.
- 16 Figures for the previous periods have been regrouped/restated wherever necessary.

INDEPENDENT AUDITORS' REPORT

The Board of Directors of
NHPC Limited

Report on the Audit of the Consolidated Financial Results

Opinion

We have audited the accompanying Consolidated Financial Results of NHPC Limited (hereinafter referred to as "the Parent") and its Subsidiaries (the Parent and its Subsidiaries together referred to as "the Group") and its Joint Ventures for the quarter and year ended March 31, 2022 and the notes thereon (hereinafter referred to as the "Consolidated Financial Results") attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). The Consolidated Financial Results have been initialed by us for the purpose of identification.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial statements of the Subsidiaries and Joint Ventures, the aforesaid Consolidated Financial Results:

- Include the annual financial results of the following entities

Name of the Subsidiaries
NHDC Limited
Loktak Downstream Hydroelectric Corporation Limited
Bundelkhand Saur Urja Limited
Lanco Teesta Hydro Power Limited
Jal Power Corporation Limited
Ratle Hydroelectric Power Corporation Limited
Name of the Joint Ventures
Chenab Valley Power Projects Private Limited
National High Power Test Laboratory Private Limited

- are presented in accordance with the requirements of Regulation 33 & Regulation 52 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles

generally accepted in India of the consolidated net profit for the quarter and year ended March 31, 2022 and other comprehensive income and other financial information of the Group and its Joint Ventures for the quarter and year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Results.

Management's Responsibilities for the Consolidated Financial Results

These Consolidated Financial Results have been prepared on the basis of the Consolidated Financial Statements. The Parent's Board of Directors is responsible for the preparation of these Consolidated Financial Results that give a true and fair view of the consolidated net profit for the quarter and year ended March 31, 2022 and other comprehensive income and other financial information of the Group and its Joint Ventures in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 & Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Results by the Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Results, the respective Board of Directors are responsible for assessing the Group and its Joint Ventures' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and its Joint Ventures or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are also responsible for overseeing the financial reporting process of the Group and its Joint Ventures.

Auditors' Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion whether the Group and Joint Ventures has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls but not for the purpose of expressing an opinion on the effectiveness of the Group and Joint Ventures' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group and its Joint Ventures ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its Joint Ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group and its Joint Ventures to express an opinion on Consolidated Financial Results. We are responsible for the direction, supervision and

performance of the audit of the financial information of such entities included in the Consolidated Financial Results of which we are the independent auditors. For the other entities included in the Consolidated Financial Results which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Results.

We communicate with those charged with governance of the Group regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

Other Matters

- a) We did not audit the financial statements/ financial information of six subsidiaries included in the Consolidated Financial Statements for the year ended 31st March 2022 whose financial statements reflect total assets of Rs. 10232.35 Crores and total net assets of Rs. 7871.30 Crores as at 31st March, 2022, total revenues of Rs. 1089.04 Crores and net cash inflow/(outflow) of Rs. 75.19 Crores for the year ended on that date as considered in the Consolidated Financial Results. The Consolidated Financial Results also include the Group's share of total comprehensive income of Rs. 2.58 crore for the year ended 31st March 2022 in respect of one Joint Venture whose financial statement/financial information have not been audited by us. These Consolidated Financial Results and other financial information have been audited by other auditors whose report have been furnished to us by the management, and our opinion is based solely on the report of the other auditors.
- b) The Consolidated Financial Results also include the Group's share of total comprehensive income of Rs. (3.97) Crores for the year ended 31st March 2022 in respect of one Joint Venture whose financial statements/financial information have not been audited by us. The aforesaid Financial Statements are unaudited and have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this Joint Venture is based solely on the unaudited financial statements. Further, during the year, the parent has made impairment provision amounting to Rs. 14.07 crores against the investment of Rs. 30.40 crores made in National High Power Test Laboratory Private Limited (Joint Venture) due to continuing cash losses since incorporation.

- c) The Consolidated Financial Results include the results for the quarter ended March 31, being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to December 31, of the relevant financial year. These figures were subject to limited review by us as required under the Listing Regulations. The figures for the year ended 31st March 2021 as stated in Note 7 of the Consolidated Financial Results have however been reclassified/restated and therefore the results for the quarter ended 31st March 2021 have been derived with respect to the figures reclassified/restated as above.
- d) The statement includes comparative figures for the corresponding quarter and year ended March 31, 2021 which were audited by the then Joint Statutory Auditors of the Parent respectively, two of them were predecessor auditors and had expressed an unmodified opinion vide their report dated June 10, 2021. Reliance has been placed on the figures and other information incorporated for the purpose of these Consolidated Financial Results.

Our opinion on Consolidated Financial Statements in respect of our reliance on work performed and reports submitted by independent auditors on the financial statements of Subsidiaries and a Joint Venture and other matters as stated in para (a) to (d) above is not modified.

- 6 The above Statement of Cash Flows is prepared in accordance with the indirect method prescribed in Ind AS 7 - "Statement of Cash Flows".
- 7 Figures for the previous periods have been regrouped/restated wherever necessary.

[Handwritten signature]

Notes:

- 1 The above consolidated results including statement of assets and liabilities and statement of cash flows as given in Annexure I and II respectively have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in the respective meetings held on 25th May, 2022 and are based on the Financial Statements audited by Joint Statutory Auditors of the Company.
- 2 Subsidiary and Joint Venture Companies considered in the Consolidated Financial Results are as follows:-
 - a) Subsidiary Companies: NHDC Limited, Loktak Downstream Hydroelectric Corporation Limited, Bundelkhand Saur Urja Limited, Lanco Teesta Hydro Power Limited, Jal Power Corporation Limited and Ratle Hydroelectric Power Corporation Limited.
 - b) Joint Venture Companies: Chenab Valley Power Projects Private Limited and National High Power Test Laboratory Private Limited.
- 3 In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- 4 Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Group has a single geographical segment as all its power stations are located within the country.
- 5 In line with the directions of the Ministry of Power dated May 15 & 16, 2020, the Parent Company had given a one-time rebate of Rs 185 crore to DISCOMs and Power Departments of States/ Union territories for passing on to ultimate consumers on account of COVID-19 pandemic in Quarter 1 of FY 2020-21 and disclosed the same as an "Exceptional item" in the Statement of Financial Results.
- 6 Based on review of future projections including future capital expenditure for capacity enhancement during the year ended 31st March, 2022, the Parent Company has recognised Minimum Alternate Tax (MAT) credit available in future amounting to Rs. 1478.62 crore (corresponding previous year : Nil) as the same is likely to provide economic benefits by way of set-off against future income tax liability. Out of the above, an amount of Rs. 1313.27 crore (corresponding previous year : Nil) is to be passed on to the beneficiaries and the same has accordingly been recognised as 'Movement in Regulatory Deferral Account Balances'.
- 7 During the year ended on 31.03.2022, retrospective reclassifications/restatements have been carried out in respect of certain items in the financial statements of previous periods. Accordingly, to comply with the requirements of the applicable Indian Accounting Standards, the Group has presented a 3rd Balance Sheet as at the beginning of the preceding period, i.e. as on 01.04.2020. Major restatements/reclassifications are explained as under:-
 - (i) In FY 2020-21, Borrowing and other costs incurred for construction projects during the 1st COVID lockdown period was presented as Regulatory Deferral Account (Debit) balances. Keeping in view an opinion obtained during financial year 2021-22 from the Expert Advisory Committee of the Institute of Chartered Accountants of India, the abovesaid costs amounting to Rs. 99.06 Crore as on 31.03.2021 have been reclassified as Capital Work in progress.
 - (ii) Management has reassessed the recoverability and derecognized part of the Regulatory Deferral Account (Debit) balance in respect of additional expenditure on 3rd Pay Revision of Central Public Sector Enterprises amounting to Rs. 61.32 crore based on Management assessment in the Books of Accounts w.e.f. 01.04.2020.
 - (iii) Certain Presentation changes have been carried out in previous year figures consequent upon the amendments in Schedule-III of the Companies Act, 2013 notified by the Ministry of Corporate Affairs, vide notification dated 24th March, 2021. These adjustments do not have any impact on the Statement of Profit and Loss.
- 8 During the quarter and year ended 31st March 2022, the Company has recognised 'Other Income' on account of Business Interruption loss from Insurance Company amounting to Rs. 161.86 Crore (Previous quarter and year ended Rs. NIL) in respect of one of the power stations.
- 9 The Board of Directors of the Parent Company in its meeting held on December 7, 2021 has approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). The Scheme will be filed with the relevant regulatory authorities including Ministry of Corporate Affairs or any other appropriate authority for their approval/sanction.
- 10 The Board of Directors of the Parent Company in its meeting held on September 24, 2021 has approved the proposal to initiate the process of merger of Jalpower Corporation Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013 subject to approval of Government of India.
- 11 During the year, the Parent Company has acquired the equity of PTC India Limited (one of the promoters) in Chenab Valley Power Projects Private Limited (CVPPPL) for an amount of Rs 4.19 crore. The Parent Company's shareholding in CVPPPL due to acquisition of shares and additional equity infusion is 55.13% as on 31st March, 2022. However, pending modifications in the Promoter's Agreement and completion of other requisite formalities, CVPPPL has been accounted for as a Joint Venture owing to control being exercised jointly with the other joint venturers, pursuant to the Joint Venture agreement currently in force.
- 12 All Non-Convertible Debt Securities of the Parent Company are secured by way of pari-passu charge over certain immovable and movable assets of the Company. The available asset coverage complies the requirement of terms of various issues/offers documents and/or Debenture Trust Deed and is sufficient to discharge the principal and interest for the said debt securities.
- 13 During the quarter, the Parent Company has paid an interim dividend @13.10% of the face value of Rs. 10 per share (Rs. 1.31 per equity share) for the financial year 2021-22. The Board of Directors has recommended final dividend @ 5.00% of the face value of Rs. 10 per share (Rs. 0.50 per equity share) for the financial year 2021-22. Total dividend (including interim dividend) is @ 18.10% of the face value of Rs. 10/- per share i.e. Rs. 1.81 per equity share for the year.
- 14 The audited accounts for the year ended 31st March, 2022 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 15 Figures for the quarter ended 31st March, 2022 and 31st March, 2021 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year, post restatements/reclassifications as detailed at sl. no. 7 above.
- 16 Figures for the previous periods have been regrouped/restated wherever necessary.

For and on behalf of the Board of Directors of
NHPC Ltd.

To,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad,
Haryana-121003

Independent Statutory Auditor's Certificate for asset cover in respect listed debt securities of NHPC Limited

- 1) We understand that NHPC Limited ("the Company") having its registered office at NHPC Office Complex, Sector-33, Faridabad, Haryana-121003, India is required to obtain a certificate for asset cover in respect listed debt securities of NHPC Limited as on 31st March 2022 in terms of Requirement of Regulation 54 read with regulation 56(1)(d) of SEBI (LODR) Regulations, 2015 as amended ("LODR Regulations") and SEBI (Debenture Trustees) Regulations, 1993 as amended ("DT Regulations").

Management's Responsibility

- 2) The Company's Management is responsible for ensuring that the Company complies with the LODR Regulations and DT Regulations. Further, the Company is also responsible to comply with the requirements of Bond Trust Deed executed with respective Bond trustee.

Auditor's Responsibility

- 3) Our responsibility is to certify the asset cover in respect of listed debt securities of the Company as on 31st March 2022 which is computed based on the audited financial statements as on 31st March 2022 and as per the format specified in SEBI Circular No. SEBI/HO/MIRSD/CRADT/CIR/P/2020/230 Circular dated 12th November 2020.
- 4) We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- 5) We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC), Quality controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.

Opinion

- 6) Based on our examination of books of accounts and other relevant records/documents as provided to us by the Company's management for the purpose of issuing this Certificate, we hereby certify that:
- a) The assets of the Company provide a coverage of 137.71% of the interest and principal amount, which as per the Company's management is in accordance with the terms of issue/ debenture trust deed. Calculation of Asset Cover Ratio for the secured debt securities is as given below in table:

Table – I:

(Rs. in Cr)

S No.	Particulars		Amount
i.	Total assets available for secured Debt Securities' – (secured by either pari passu or exclusive charge on assets) (mention the share of Debt Securities' charge holders)	A	22533.35
	Property Plant & Equipment (Fixed assets) - movable/immovable property etc. including Capital work in progress and Financial Assets (Statement as in Annexure-I)		22533.35
	Loans /advances given (net of provisions, NPAs and sell down portfolio), Debt Securities, other credit extended etc		-

	Receivables including interest accrued on Term loan/ Debt Investment(s)		-
	Cash and cash equivalents and other current/ Non-current assets		-
ii.	Total borrowing through issue of secured Debt Securities (secured by either pari passu or exclusive charge on assets)	B	16363.35
	Debt Securities (Provide details as per table below)		15829.99
	IND - AS adjustment for effective Interest rate on secured Debt		-
	Interest accrued/payable on secured Debt Securities		533.36
iii.	Asset Coverage Ratio (100% or higher as per the terms of offer document/information memorandum/ debenture trust deed)	A/B	137.71%

ISIN wise details(Rs. in Cr.)

Sl.No.	ISIN	Facility	Type of charge	Sanctioned Amount	Outstanding Amount As on 31.03.2022	Cover Required	Assets Required
As per Annexure-II							

- b) The financial information as set out in the Table in Paragraph (a) above has been extracted from the audited books of accounts for the year ended 31st March 2022 and other relevant records of the Company;
- c) Compliance of all the covenants/terms of the issue in respect of listed debt securities of the listed entity

We have examined the compliances made by the NHPC Limited in respect of the covenants/terms of the issue of the listed debt securities (NCD's) and certify that the covenants/terms of the issue have been complied by the NHPC Limited.

The above certificate has been given on the basis of information provided by the management and the records produced before us for verification

Restriction on Use

This certificate has been issued to the management of NHPC Limited to comply with requirements of LODR Regulations. Our certificate should not be used for any other purpose or by any person other than the Company. Accordingly, we do not accept or assume any liability or duty of care to any other person to whom this certificate is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Independent Auditors' Report on Quarterly and Year to Date Audited Standalone Financial Results of NHPC Limited pursuant to Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone financial results of **NHPC Limited** ("the Company") for the quarter and year ended March 31, 2023 and the notes thereon (hereinafter referred to as the "Standalone Financial Results") attached herewith, being compiled by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"). The Standalone Financial Results have been initialed by us for the purpose of identification.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Results:

- are presented in accordance with the requirement of Regulations 33 and 52 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India, of the net profit and total comprehensive income and other financial information for the quarter and year ended March 31, 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those Standards are further described in the "Auditors' Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code

of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Results.

Management's Responsibilities for the Standalone Financial Results

These Standalone Financial Results have been prepared on the basis of the Standalone Financial Statements. The Company's Board of Directors are responsible for the preparation of these Standalone Financial Results that give a true and fair view of the net profit, other comprehensive income and other financial information for the quarter and year ended March 31, 2023, of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate

to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion whether the Company has adequate internal financial controls with respect to financial statements in place and the operating effectiveness of such controls but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

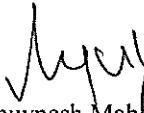

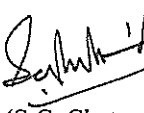

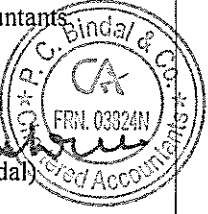

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

These Standalone Financial Results include the results for the quarter ended March 31, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to December 31 of the relevant financial year. These figures were subjected to limited review by us as required under the Listing Regulations.

Our opinion is not modified in respect of the above matter.

Notes:

- 1 The above standalone financial results including statement of assets and liabilities and statement of cash flows as given in Annexure I and II respectively have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on May 29, 2023 and are based on the standalone financial statements audited by the Joint Statutory Auditors of the Company.
- 2 In view of the seasonal nature of business, the standalone financial results of the Company vary from quarter to quarter.
- 3 Electricity generation is the principal business activity of the Company. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Company has a single geographical segment as all its power stations are located within the country.
- 4 The Board of Directors of the Company in its meeting held on December 7, 2021 had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power had been received on May 20, 2022. Application for approval of the Scheme has been filed before the Ministry of Corporate Affairs (MCA) on August 10, 2022. In this regard MCA has issued certain directions and the Company is in the process of compliance of these directions.
- 5 The Board of Directors of the Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India has been conveyed on April 26, 2023. Application for approval of the Scheme of Amalgamation/ Merger shall be filed before the Ministry of Corporate Affairs (MCA) in due course.
- 6 Considering the delay in investment sanction (PIB & CCEA) and high projected tariff, impairment provision of Rs. Nil and Rs. 105.56 crore against investment made in Loktak Downstream Hydroelectric Corporation Limited (a Subsidiary Company) has been recognized in the books of the Company during the quarter and year ended March 31, 2023 respectively (Corresponding previous quarter and year Rs Nil).
- 7 As per the Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 notified by the Government of India on June 3, 2022, a beneficiary may liquidate the total outstanding dues as on the date of notification, in equated monthly instalments. Since no Late Payment Surcharge is receivable by the Company during the period over which the dues as on the date of notification shall be liquidated, fair value loss of Rs. 0.44 crore and Rs. 124.19 crore on trade receivables due to modification in cash flow as per Ind AS 109 has been recognized in the books of the Company during the quarter and year ended March 31, 2023 respectively (corresponding previous quarter and year Rs. Nil), considering the Payment Adjustment Plan of two beneficiaries for sale of power. Out of the above, an amount of Rs. 18.76 crore and Rs. 63.87 crore for the quarter and year ended March 31, 2023 respectively (corresponding previous quarter and year Rs. Nil) has been accounted as interest income from trade receivables under Other Income.
- 8 During the current quarter and year ended March 31, 2023, the Company has recognised MAT Credit of Rs. Nil and Rs. 417.31 crore (corresponding previous quarter Rs. 22.38 crore and year Rs. 1478.62 crore). Out of the MAT Credit recognised, Rs. 42.93 crore and Rs. 328.94 crore has been utilised during the current quarter and year respectively (corresponding previous quarter and year Rs. Nil).
- 9 All Non-Convertible Debt Securities of the Company except those which are unsecured, are secured by way of pari-passu charge over certain immovable and movable assets of the Company. The available asset coverage complies with the requirement of terms of various issues/ offer documents and/or Debenture Trust Deeds and is sufficient to discharge the principal and interest for the said debt securities.
- 10 During the quarter, the Company has paid an interim dividend @14.00% of the face value of Rs. 10 per share (Rs. 1.40 per equity share) for the financial year 2022-23. The Board of Directors has recommended final dividend @ 4.50% of the face value of Rs. 10 per share (Rs. 0.45 per equity share) for the financial year 2022-23. Total dividend (including interim dividend) is @ 18.50% of the face value of Rs. 10/- per share i.e. Rs 1.85 per equity share for the year.
- 11 The audited accounts for the year ended March 31, 2023 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 12 Figures for the quarter ended March 31, 2023 and March 31, 2022 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year.
- 13 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

Independent Auditors' Report on Quarterly and Year to Date Audited Consolidated Financial Results of NHPC Limited pursuant to Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

Report on the Audit of the Consolidated Financial Results

Opinion

We have audited the accompanying consolidated financial results of **NHPC Limited** ("the Parent") and its Subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its Joint Ventures for the quarter and year ended March 31, 2023 and the notes thereon (hereinafter referred to as the "Consolidated Financial Results") attached herewith, being submitted by the Parent pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"). The Consolidated Financial Results have been initialed by us for the purpose of identification.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial statements of the Subsidiaries and Joint Ventures, the aforesaid Consolidated Financial Results:

- i. include the annual financial results of the following entities:

Name of the Subsidiaries
1. NHDC Limited
2. Loktak Downstream Hydroelectric Corporation Limited
3. Bundelkhand Saur Urja Limited
4. Lanco Teesta Hydro Power Limited
5. Jalpower Corporation Limited
6. Ratle Hydroelectric Power Corporation Limited
7. NHPC Renewable Energy Limited
8. Chenab Valley Power Projects Private Limited (w.e.f. 21-Nov-2022)
Name of the Joint Ventures
1. Chenab Valley Power Projects Private Limited (Upto 20-Nov-2022)
2. National High Power Test Laboratory Private Limited

- ii. are presented in accordance with the requirement of Regulations 33 and 52 of the Listing Regulations in this regard; and
- iii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India, of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group and its Joint Ventures for the quarter and year ended March 31, 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those Standards are further described in the "Auditors' Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group and its Joint Ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Results.

Management's Responsibilities for the Consolidated Financial Results

These Consolidated Financial Results have been prepared on the basis of the Consolidated Financial Statements. The Parent's Board of Directors is responsible for the preparation of these Consolidated Financial Results that give a true and fair view of the consolidated net profit, other comprehensive income and other financial information for the quarter and year ended March 31, 2023, of the Group and its Joint Ventures in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Joint Ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Results by the Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group and of its Joint Ventures are responsible for assessing the ability of the Group and its Joint Ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting

unless the respective Board of Directors either intends to liquidate the Group and its Joint Ventures or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its Joint Ventures are also responsible for overseeing the financial reporting process of the Group and its Joint Ventures.

Auditors' Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion whether the Group and its Joint Ventures have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls but not for the purpose of expressing an opinion on the effectiveness of the Group and its Joint Ventures' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its Joint Ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on

the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its Joint Ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / other financial information of the entities within the Group and its Joint Ventures to express an opinion on Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Consolidated Financial Results of which we are the independent auditors. For the other entities included in the Consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Results.

We communicate with those charged with governance of the Parent regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

- a) We did not audit the financial statements/ other financial information of seven Subsidiaries included in the Consolidated Financial Results for the year ended March 31, 2023 whose financial statements reflect total assets of ₹ 11,510.27 Crores and total net assets of ₹ 8,250.40 Crores as at March 31, 2023, total revenues of ₹ 1,523.95 Crores, total net profit after tax of ₹ 614.94 Crores, total comprehensive income of ₹ 613.30 Crores and net cash inflows/ (outflows) of ₹ (220.40) Crores for the year ended on that date, as considered in the Consolidated Financial Results.

These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Parent's Management.

Our opinion on the Consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these Subsidiaries, is based solely on the reports of the other auditors.

Further, during the year, the Parent has made an impairment provision amounting to ₹ 105.56 Crores against the investment of ₹ 105.56 Crores made in Loktak Downstream Hydroelectric Corporation Limited (one of the subsidiaries of Parent) considering the delay in investment sanction (PIB & CCEA) and high projected tariff.

- b) The Consolidated Financial Results include the audited financial statements/ other financial information of one Subsidiary (i.e. Chenab Valley Power Projects Private Limited w.e.f. 21-Nov-2022) whose financial statements reflect total assets of ₹ 5,384.52 Crores and total net assets of ₹ 3,996.24 Crores as at March 31, 2023, total revenues of ₹ 19.63 Crores, total net profit after tax of ₹ 8.02 Crores, total comprehensive income of ₹ 8.02 Crores and net cash inflows/(outflows) of ₹ 426.02 Crores for the period from Nov 21, 2022 till March 31, 2023, as considered in the Consolidated Financial Results. These financial statements and other financial information have been audited by one of us (i.e. Joint Statutory Auditors).

Our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this Subsidiary, is based solely on the report of such auditor.

- c) The Consolidated Financial Results also include Group's share of total comprehensive income/ (loss) of ₹ (5.09) Crores for the year ended March 31, 2023 in respect of two Joint Ventures whose financial statements/ other financial information have not been audited. These financial statements and other financial information are unaudited and have been furnished to us by the Parent's Management.

Our opinion on the Consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these Joint Ventures, is based solely on such financial statements/ other financial information. According to the information and explanations given to us by the Parent's Management, these financial statements/ other financial information are not material to the Group.

Further, during the year, the Parent has made an additional impairment provision amounting to ₹ 16.33 Crores, in respect of the investment made in National High Power Test Laboratory Private Limited (one of the Joint Ventures of Parent) and ₹ 18.40 Crores in respect of loan provided to the said joint venture, due to continuing cash losses being incurred since incorporation.

- d) These Consolidated Financial Results include the results for the quarter ended March 31, being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to December 31, of the relevant financial year. These figures were subjected to limited review by us as required under the Listing Regulations.

Our opinion on Consolidated Financial Results in respect of our reliance on work performed and reports submitted by independent auditors on the financial statements of Subsidiaries and other matters as stated in para (a) to (d) above is not modified.

Cash and Cash Equivalents (Closing balance)	1,019.81	1,314.67

The above Statement of Cash Flows is prepared in accordance with the "Indirect Method" prescribed in Ind AS 7 - Statement of Cash Flows

Notes:

- 1 The above consolidated financial results including statement of assets and liabilities and statement of cash flows as given in Annexure I and II respectively have been reviewed by the Audit Committee and approved by the Board of Directors of the Parent Company in their respective meetings held on May 29, 2023 and are based on the consolidated financial statements audited by the Joint Statutory Auditors of the Parent Company.
- 2 Subsidiary Companies and Joint Venture Companies considered in the Consolidated Financial Results are as follows:-
 - a) Subsidiary Companies: NHPC Limited, Loktak Downstream Hydroelectric Corporation Limited, Bundelkhand Saur Urja Limited, Lanco Teesta Hydro Power Limited, Jalpower Corporation Limited, Ratle Hydroelectric Power Corporation Limited, NHPC Renewable Energy Limited and Chenab Valley Power Projects Private Limited (w.e.f. 21.11.2022).
 - b) Joint Venture Companies: Chenab Valley Power Projects Private Limited (upto 20.11.2022) and National High Power Test Laboratory Private Limited.
- 3 Pursuant to signing of Supplementary Promoters' Agreement of Chenab Valley Power Projects Private Ltd. (CVPPPL) between NHPC Limited and J&K State Power Development Corporation Limited on November 21, 2022, NHPC Limited has obtained majority representation on the Board of CVPPPL and has gained control over CVPPPL from that date. Accordingly, CVPPPL has been accounted for as a Subsidiary Company from ibid date.
- 4 In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- 5 Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Group has a single geographical segment as all its power stations are located within the country.
- 6 The Board of Directors of the Parent Company in its meeting held on December 7, 2021 had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power had been received on May 20, 2022. Application for approval of the Scheme has been filed before the Ministry of Corporate Affairs (MCA) on August 10, 2022. In this regard MCA has issued certain directions and the Parent Company is in the process of compliance of these directions.
- 7 The Board of Directors of the Parent Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India has been conveyed on April 26, 2023. Application for approval of the Scheme of Amalgamation/ Merger shall be filed before the Ministry of Corporate Affairs (MCA) in due course.
- 8 Considering the delay in Investment sanction (PIB & CCEA) and high projected tariff, expenditure incurred by Loktak Downstream Hydroelectric Corporation Limited (a Subsidiary Company) amounting to Rs 0.21 crore and Rs 161.30 crore has been provided for during the quarter and year ended March 31, 2023 respectively (Corresponding previous quarter and year Rs Nil).
- 9 As per the Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 notified by the Government of India on June 3, 2022, a beneficiary may liquidate the total outstanding dues as on the date of notification, in equated monthly instalments. Since no Late Payment Surcharge is receivable by the Group during the period over which the dues as on the date of notification shall be liquidated, fair value loss of Rs. 0.44 crore and Rs. 138.06 crore on trade receivables due to modification in cash flow as per Ind AS 109 has been recognized during the quarter and year ended March 31, 2023 respectively (corresponding previous quarter and year Rs. Nil), considering the Payment Adjustment Plan of the beneficiaries for sale of power. Out of the above, an amount of Rs. 20.32 crore and Rs. 69.57 crore for the quarter and year ended March 31, 2023 respectively (corresponding previous quarter and year Rs. Nil) has been accounted as interest income from trade receivables under Other Income.
- 10 During the current quarter and year ended March 31, 2023, the Group has recognised MAT Credit of Rs. Nil and Rs. 417.31 crore (corresponding previous quarter Rs. 22.38 crore and year Rs. 1478.62 crore). Out of the MAT Credit recognised, Rs. 85.78 crore and Rs. 517.91 crore has been utilised during the current quarter and year respectively (corresponding previous quarter Rs. 30.55 crore and year Rs. 70.34 crore).
- 11 All Non-Convertible Debt Securities of the Parent Company except those which are unsecured, are secured by way of pari-passu charge over certain immovable and movable assets of the Company. The available asset coverage complies with the requirement of terms of various issues/ offer documents and/or Debenture Trust Deeds and is sufficient to discharge the principal and interest for the said debt securities.
- 12 During the year ended March 31, 2023, Bundelkhand Saur Urja Limited (a Subsidiary Company) has commissioned 26MW out of 65MW Kalpi Solar PV Power Generation Project, Uttar Pradesh.
- 13 During the quarter, the Parent Company has paid an interim dividend @14.00% of the face value of Rs. 10 per share (Rs. 1.40 per equity share) for the financial year 2022-23. The Board of Directors has recommended final dividend @ 4.50% of the face value of Rs. 10 per share (Rs. 0.45 per equity share) for the financial year 2022-23. Total dividend (including interim dividend) is @ 18.50% of the face value of Rs. 10/- per share i.e. Rs 1.85 per equity share for the year.
- 14 The audited accounts for the year ended March 31, 2023 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 15 Figures for the quarter ended March 31, 2023 and March 31, 2022 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year.
- 16 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

For and on behalf of the Board of Directors of
NHPC Ltd.

Independent Auditors' Report

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the Standalone Financial Results of **NHPC Limited** ("the Company") for the year ended 31 March 2024 included in the accompanying Statement of 'Standalone Financial Results for the quarter and year ended 31 March 2024 ("the Statement")', being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirement of Regulations 33 and 52 of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the net profit and total comprehensive income and other financial information of the Company for the year ended 31 March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Statement

This Statement has been prepared on the basis of the Statement. The Company's Board of Directors are responsible for the preparation and presentation of this Statement that gives a true and fair view of the net profit, total comprehensive income and other financial information of the Company in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditors' Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion whether the Company has

adequate internal financial controls with respect to standalone financial statements in place and the operating effectiveness of such controls.

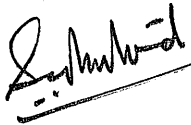

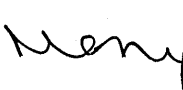

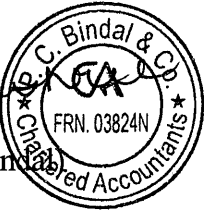

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

This Statement includes the results for the quarter ended 31 March 2024 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

* Cash and Cash Equivalents at the end of the year includes ₹ 14.38 crores (corresponding to the year ₹ 14.38 crores) held in earmarked Current Accounts which are not available for use by the Company.
The Statement of Cash Flows is prepared in accordance with the "Indirect Method" prescribed in Ind AS 7 - Statement of Cash

Notes to Audited Standalone Financial Results :

- 1 The above standalone financial results including statement of standalone assets and liabilities and statement of standalone cash flows have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on May 17, 2024 and are based on the standalone financial statements audited by the Joint Statutory Auditors of the Company.
- 2 In view of the seasonal nature of business, the standalone financial results of the Company vary from quarter to quarter.
- 3 Electricity generation is the principal business activity of the Company. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Company has a single geographical segment as all its power stations are located within the country.
- 4 The Board of Directors of the Company in its meeting held on December 7, 2021 had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (LTHPL) (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power, Government of India had been conveyed on May 20, 2022. Further, MCA has intimated May 30, 2024 as the hearing date for the said Scheme.
- 5 The Board of Directors of the Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023. NHPC and JPCL have filed 1st motion application with MCA on February 08, 2024 in respect of the said merger.
- 6 Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam - III & Teesta Low Dam - IV Power Stations. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and year ended March 31, 2024 have been recognised to the tune of Rs 32.28 crore and Rs 342.05 crore respectively and 'Other Expenses' of Rs 35.86 crore and Rs 380.05 crore for the quarter and year ended March 31, 2024 respectively have been recognised. Income on account of realization of loss due to Business Interruption amounting to Rs 112.50 crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the current quarter.
- 7 Liability towards water usage charges amounting to Rs 411.88 crore which includes Rs 57.22 crore pertaining to FY 2022-23 has been reversed in the current quarter in respect of power stations located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh. Further in the case of Sikkim, management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and year ended March 31, 2024 is lower by Rs 354.66 crore and 'Other Income' for the quarter and year ended March 31, 2024 is higher by Rs 57.22 crore.
- 8 The Company has recognised MAT Credit of Rs Nil and Rs 528.65 crore during the quarter and year ended March 31, 2024 respectively (corresponding previous quarter Rs Nil and year Rs 417.31 crore) on the basis of certainty of availability of future taxable profit. MAT Credit of Rs 129.20 crore and Rs 354.52 crore has been utilised during the quarter and year ended March 31, 2024 respectively (corresponding previous quarter Rs 42.93 crore and year Rs 328.94 crore).
- 9 The Company has maintained security cover of 100% or higher as per the terms of Offer Document/ Information Memorandum and/ or Debenture Trust Deed, sufficient to discharge the principal amount and the interest thereon, in respect of its secured listed non-convertible debt securities. Further, security has been created on specified assets of the Company through English/ Equitable mortgage as per the terms of respective Debenture Trust Deeds for all secured non-convertible debt securities issued by the Company. The Company is also in compliance with all the covenants, in respect of all listed non-convertible debt securities issued by the Company.
- 10 During the quarter, the Company has paid an interim dividend @14.00% of the face value of Rs 10 per share (Rs 1.40 per equity share) for the financial year 2023-24. The Board of Directors has recommended final dividend @ 5% of the face value of Rs 10 per share (Rs 0.50 per equity share) for the financial year 2023-24. Total dividend (including interim dividend) is @ 19% of the face value of Rs 10/- per share i.e. Rs 1.90 per equity share for the year.
- 11 The audited accounts for the year ended March 31, 2024 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 12 Figures for the quarter ended March 31, 2024 and March 31, 2023 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year.
- 13 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

6. Ratle Hydroelectric Power Corporation Limited
7. NHPC Renewable Energy Limited
8. Chenab Valley Power Projects Private Limited
Name of the Joint Venture
1. National High Power Test Laboratory Private Limited

- ii. is presented in accordance with the requirement of Regulations 33 and 52 of the Listing Regulations in this regard; and
- iii. gives a true and fair view in conformity with the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act 2013 (“the Act”) read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group and its Joint Venture for the year ended 31 March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors’ Responsibilities for the Audit of the Statement section of our report. We are independent of the Group and its Joint Venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“the ICAI”) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in “Other Matter” paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Management’s Responsibilities for the Statement

This Statement has been prepared on the basis of the Consolidated Annual Financial Statements. The Holding Company’s Board of Directors are responsible for the preparation and presentation of this Statement that gives a true and fair view of the consolidated net profit, consolidated total comprehensive income and other financial information of the Group and its Joint Venture in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. The respective Board of Directors of the Companies included in the Group and its Joint Venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Joint Venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement , the respective Board of Directors of the companies included in the Group and of its Joint Venture are responsible for assessing the ability of the Group and its Joint Venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and its Joint Venture or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its Joint Venture are responsible for overseeing the financial reporting process of the Group and its Joint Venture.

Auditors' Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement , whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its Joint Venture have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its Joint Venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Statement or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its Joint Venture to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / other financial information of the entities within the Group and its Joint Venture to express an opinion on Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Other Matters

- (a) We did not audit the financial statements of seven Subsidiaries included in the Statement for the year ended 31 March 2024 whose financial statements reflect total assets of ₹ 13,828.03 Crores and total net assets of ₹ 8,610.16 Crores as at 31 March 2024, total revenues of ₹ 311.10 Crores and ₹ 1,516.89 Crores , total net profit after tax of ₹ 125.73 and ₹ 813.17 Crores and total comprehensive income of ₹125.85 Crores and ₹ 812.05 Crores and for the quarter and year ended 31 March 2024 respectively and net cash inflows/ (outflows) of ₹ 204.47 Crores for the year ended 31 March 2024, as considered in the Statement. These financial statements have been audited by other auditors whose reports have been furnished to us by the Board of Directors and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the reports of such auditors.

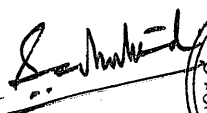

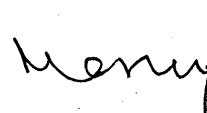

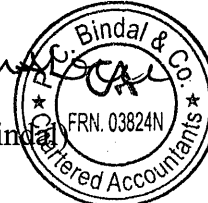

- (b) The Statement includes the audited financial statements/ other financial information of one Subsidiary (i.e. Chenab Valley Power Projects Private Limited) whose financial statements reflect total assets of ₹ 6,945.90 Crores and total net assets of ₹ 4,769.34 Crores as at 31 March 2024, total revenues of ₹ 5.45 Crores and ₹ 35.75 Crores, total net profit after tax of ₹ (0.89) Crores and ₹ 10.68 Crores, total comprehensive income of ₹ (0.89) Crores and ₹ 10.68 Crores for the quarter and year ended 31 March 2024 respectively and net cash inflows/(outflows) of ₹ (194.83) Crores for the year ended 31 March 2024, as considered in the Statement. These financial statements have been audited by one of us (i.e. Joint Statutory Auditors).

Our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors.

- (c) The Statement also includes Group's share of total comprehensive income of ₹ 3.72 Crores and ₹ 4.40 Crores for the quarter and year ended 31 March 2024 respectively in respect of one Joint Venture whose financial statements/ other financial information have not been audited by us. These financial statements and other financial information are unaudited and have been furnished to us by the Board of Directors and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this Joint Venture, is based solely on such financial statements/ other financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements/ other financial information are not material to the Group.

Our opinion on the Statement is not modified in respect of the above matter with respect to the Financial Results / financial information certified by the Board of Directors.

The Statement includes the results for the quarter ended 31 March 2024 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

The Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in Ind AS 7 - Statement of Cash Flows.

Notes to Audited Consolidated Financial Results :

- 1 The above consolidated financial results including consolidated statement of assets and liabilities and consolidated statement of cash flows have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Parent Company in their respective meetings held on May 17, 2024 and are based on the consolidated financial statements audited by the Joint Statutory Auditors of the Parent Company.
- 2 Subsidiary Companies and Joint Venture Companies considered in the Consolidated Financial Results are as follows:-
a) Subsidiary Companies: (1) NHDC Limited, (2) Loktak Downstream Hydroelectric Corporation Limited, (3) Bundelkhand Saur Urja Limited, (4) Lanco Teesta Hydro Power Limited, (5) Jalpower Corporation Limited, (6) Ratle Hydroelectric Power Corporation Limited, (7) NHPC Renewable Energy Limited and (8) Chenab Valley Power Projects Private Limited (w.e.f. 21.11.2022).
b) Joint Venture Companies: (1) Chenab Valley Power Projects Private Limited (upto 20.11.2022) and (2) National High Power Test Laboratory Private Limited.
- 3 In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- 4 Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Group has a single geographical segment as all its power stations are located within the country.
- 5 The Board of Directors of the Parent Company in its meeting held on December 7, 2021 had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (LTHPL) (a wholly owned subsidiary of NHPC Limited) with NHPC Limited under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power, Government of India had been conveyed on May 20, 2022. Further, MCA has intimated May 30, 2024 as the hearing date for the said Scheme.
- 6 The Board of Directors of the Parent Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary of NHPC Limited) with NHPC Limited as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023. NHPC and JPCL have filed 1st motion application with MCA on February 08, 2024 in respect of the said merger.
- 7 Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam - III & Teesta Low Dam - IV Power Stations of the Parent Company. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and year ended March 31, 2024 have been recognised to the tune of Rs 32.28 crore and Rs 342.05 crore respectively and 'Other Expenses' of Rs 35.86 crore and Rs 380.05 crore for the quarter and year ended March 31, 2024 respectively have been recognised. Income on account of realization of loss due to Business Interruption amounting to Rs 112.50 crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the current quarter.
- 8 Liability toward water usage charges amounting to Rs 411.88 crore which includes Rs 57.22 crore pertaining to FY 2022-23 has been reversed in the current quarter in respect of power stations of the Parent Company located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh. Further in the case of Sikkim, management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and year ended March 31, 2024 is lower by Rs 354.66 crore and 'Other Income' for the quarter and year ended March 31, 2024 is higher by Rs 57.22 crore.
- 9 The Group has recognised MAT Credit of Rs Nil and Rs 528.65 crore during the quarter and year ended March 31, 2024 respectively (corresponding previous quarter Rs Nil and year Rs 417.31 crore) on the basis of certainty of availability of future taxable profit. MAT Credit of Rs 161.08 crore and Rs 539.02 crore has been utilised during the quarter and year ended March 31, 2024 respectively (corresponding previous quarter Rs 85.78 crore and year Rs 517.91 crore).
- 10 During the quarter, the Parent Company has paid an interim dividend @14.00% of the face value of Rs. 10 per share (Rs. 1.40 per equity share) for the financial year 2023-24. The Board of Directors has recommended final dividend @ 5% of the face value of Rs. 10 per share (Rs. 0.50 per equity share) for the financial year 2023-24. Total dividend (including interim dividend) is @ 19% of the face value of Rs. 10/- per share i.e. Rs 1.90 per equity share for the year.
- 11 The audited accounts for the year ended March 31, 2024 are subject to review by the Comptroller and Auditor General of India under section 143 (6) of the Companies Act, 2013.
- 12 Figures for the quarter ended March 31, 2024 and March 31, 2023 are the balancing figures between the audited figures in respect of full financial year and the published year-to-date figures upto the 3rd quarter of the relevant Financial Year.
- 13 Figures for March 31, 2023 have been retrospectively re-classified/re-stated by NHDC Limited (a Subsidiary Company). Accordingly, the Group has presented a third Balance Sheet as at the beginning of the preceding period i.e. as at April 1, 2022. Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

For and on behalf of the Board of Directors of
NHPC Ltd.

Independent Statutory Auditor's Certificate for asset cover in respect listed debt securities of NHPC Limited

- 1) We understand that NHPC Limited ("the Company") having its registered office at NHPC Office Complex, Sector-33, Faridabad, Haryana-121003, India is required to obtain a certificate with respect to book values of the assets provided as security in respect listed debt securities of NHPC Limited as on 31st March 2024 and compliance with respect to covenants of the listed debt securities for quarter/year ending 31st March 2024 in terms of Requirement of Regulation 54 read with regulation 56(1)(d) of SEBI (LODR) Regulations, 2015 as amended ("LODR Regulations") and SEBI (Debenture Trustees) Regulations, 1993 as amended ("DT Regulations").

Management's Responsibility

- 2) The Company's Management is responsible for ensuring that the Company complies with the LODR Regulations and DT Regulations. Further, the Company is also responsible to comply with the requirements of Bond Trust Deed executed with respective Bond trustee.

Auditor's Responsibility

- 3) Our responsibility is to certify the book values of the assets provided as security in respect of listed debt securities of the Company as at 31st March 2024 based on the financial statements and compliance with respect to covenants of the listed debt securities for the quarter/year ended 31st March 2024 as specified in SEBI Circular No. SEBI/HO/DDHS/P/CIR/2023/50 Dated 31st March 2023.
- 4) We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- 5) We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC), Quality controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.
- 6) We have no responsibility to update this certificate for events and circumstances occurring after the date of this certificate.

Opinion

- 7) Based on examination of books of accounts and other relevant records/documents as provided to us by the Company's management for the purpose of issuing this Certificate, we hereby certify that:

- a) **Book values of the assets provided as security in respect of listed debt securities of the Company as at 31st March 2024 is as under:**

(Rs. in Crore)

Particulars of Assets provided as Security	Total Book Value (Property Plant & Equipment and Capital Work-in-Progress)(PPE+CWIP)
Chamera-II Power Station	818.34
Chamera-III Power Station	852.16
Parbati-II HE Project	11199.99
Parbati-III Power Station	1353.03
Dhauliganga Power Station	453.76
Teesta Low Dam Power Station-III	915.33
Teesta-V Power Station	1054.08
Uri-I Power Station	1237.62
Dulhasti Power Station (Movable)	878.12
Kishanganga Power Station (Movable)	905.95
Subansiri Lower HE Project(Movable)	2877.03
Total Book Value	22545.41

- b) **Compliance of covenants of the listed debt securities**

We have examined the compliances made by the NHPC Limited in respect of covenants of the listed debt securities (NCD's) and certify that all such covenants/terms of the issue have been complied by the NHPC Limited for the quarter/year ended 31st March 2024.

The above certificate has been given on the basis of information provided by the management and the records produced before us for verification

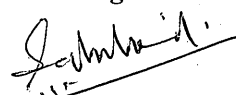

Restriction on Use

This certificate has been issued to the management of NHPC Limited to comply with requirements of LODR Regulations. Our certificate should not be used for any other purpose or by any person other than the Company. Accordingly, we do not accept or assume any liability or duty of care to any other person to whom this certificate is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Limited Review Report on Unaudited Standalone Financial Results for the Quarter and Half Year Ended 30 September 2024

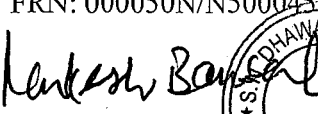

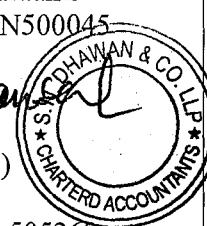

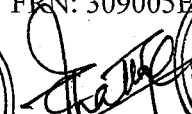

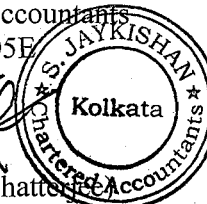

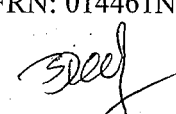

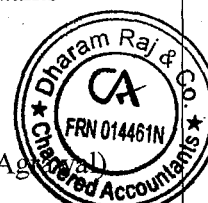

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **NHPC Limited** (the "Company") for the quarter and half year ended 30 September 2024 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. The comparative financial results of the Company for the corresponding quarter and half year ended 30 September 2023 and preceding quarter 30 June 2024 were reviewed by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor and the financial statements of the Company for the year ended 31 March 2024 was audited by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor who had expressed an unmodified conclusion/opinion on those financial results and financial statements on 06 November 2023, 07 August 2024 and 17 May 2024 respectively.

Our conclusion is not modified in respect of this matter.

Cash and Cash Equivalents at the end of the period includes ₹ 14.16 crores (corresponding half year ₹ 14.16 crores) held in earmarked current accounts which are not available for use by the Company.

Notes to Unaudited Standalone Financial Results :

- 1 The above standalone financial results including statement of standalone assets and liabilities and statement of standalone cash flows have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on November 07, 2024. The same have been reviewed by the Joint Statutory Auditors of the Company as required under Regulation 33 and 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2 In view of the seasonal nature of business, the standalone financial results of the Company vary from quarter to quarter.
- 3 Electricity generation is the principal business activity of the Company. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Company has a single geographical segment as all its power stations are located within the country.
- 4 The Central Electricity Regulatory Commission (CERC) has notified the tariff regulations for the tariff period 2024-29 vide order dated March 15, 2024. Pending finalization of tariff orders, Capacity Charges as approved by the CERC and applicable as on March 31, 2024 and Energy & Other Charges as per the operational norms specified in the ibid tariff regulations have been considered for recognition of revenue.
- 5 The Board of Directors of the Company in its meeting held on December 7, 2021 had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (LTHPL) (a wholly owned subsidiary) with the Company under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power, Government of India had been conveyed on May 20, 2022. Further, Ministry of Corporate Affairs (MCA) has held final hearing on May 30, 2024 on the matter. Formal communication regarding approval of the Scheme is awaited from MCA.
- 6 The Board of Directors of the Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary) with the Company as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023 following which NHPC Limited and JPCL have filed first motion application with MCA on February 08, 2024. Queries raised by the MCA are being addressed by the Management.
- 7 Liability against Water Cess has not been recognised in respect of power stations located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh and in the state of Sikkim, where management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and half year ended September 30, 2024 is lower by Rs 82.88 crore and Rs 321.21 crore as compared to the corresponding previous quarter and half year ended September 30, 2023 respectively. Government of Himachal Pradesh has filed Special Leave Petition in this matter with the Hon'ble Supreme Court, which is yet to be admitted.
- 8 Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam - III & Teesta Low Dam - IV Power Stations. Subsequently, another incident of landslide with certain consequential losses occurred at Teesta-V Power Station. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and half year ended September 30, 2024 have been recognised to the tune of Rs 63.96 crore and 'Other Expenses' of Rs 71.07 crore for the quarter and half year ended September 30, 2024 have been recognised. Income on account of realization of loss due to Business Interruption amounting to Rs 137.50 crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the quarter and half year ended September 30, 2024. Total income on account of realization of loss due to Business Interruption on the basis of certainty of realisation from Insurance Company amounting to Rs 250.00 crore has been recognised in the books of accounts till date.
- 9 In line with an opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, interest paid on Contractor claims settled under the Vivad se Vishwas II Scheme (Contractual Disputes) of the Government of India during the quarter and half year ended September 30, 2024 amounting to Rs 203.12 crore and Rs 338.13 crore respectively (corresponding previous quarter and half year Rs Nil) and interest payable to beneficiaries amounting to Rs Nil for the quarter and half year ended September 30, 2024 (corresponding previous quarter Rs 10.78 crore and half year Rs 15.46 crore) have been presented as 'Finance Costs' instead of 'Other Expenses' in the Statement of Profit & Loss. Previous period figures have been re-arranged accordingly. These changes have no impact on the profit of the Company for the quarter and half year ended September 30, 2024.
- 10 Expenditure incurred for preparation of DPR of Bursar Project amounting to Rs 226.94 crore was provided for in earlier years due to non-viability of tariff. Ministry of Jal Shakti, Government of India, vide letter dated August 05, 2024 has intimated that out of the expenditure incurred, an amount of Rs 99.26 crore shall be reimbursed to the Company. Accordingly, provision to the extent of amount to be reimbursed had been reversed during the quarter ended June 30, 2024.

- 11 The Company has maintained security cover of 100% or higher as per the terms of Offer Document/ Information Memorandum and/ or Debenture Trust Deed, sufficient to discharge the principal amount and the interest thereon, in respect of its secured listed non-convertible debt securities. Further, security has been created on specified assets of the Company through English/ Equitable mortgage as per the terms of respective Debenture Trust Deeds for all secured non-convertible debt securities issued by the Company. The Company is also in compliance with all the covenants, in respect of all listed non-convertible debt securities issued by the Company.
- 12 The shareholders of the Company had approved final dividend of Rs. 0.50 per share (Face value of Rs. 10/- each) for the Financial Year 2023-24 in the Annual General Meeting held on August 28, 2024, which has been paid in September, 2024.
- 13 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

Limited Review Report on Unaudited Consolidated Financial Results for the Quarter and Half Year Ended 30 September 2024

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **NHPC Limited** (the "Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as the "Group"), and its share of the net profit after tax and total comprehensive income of its associate for the quarter and half year ended 30 September 2024 (the "Statement"), being submitted by the Parent pursuant to the requirement of Regulations 33 and 52 of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express our conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Parent		
1. NHPC Limited		
		

Subsidiaries
1. NHDC Limited
2. Loktak Downstream Hydroelectric Corporation Limited
3. Bundelkhand Saur Urja Limited
4. Lanco Teesta Hydro Power Limited
5. Jalpower Corporation Limited
6. Ratle Hydroelectric Power Corporation Limited
7. NHPC Renewable Energy Limited
8. Chenab Valley Power Projects Limited
Associate
1. National High Power Test Laboratory Private Limited

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditor referred to in paragraph 6 and management certified interim financial results as referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the interim financial results of two subsidiaries included in the Statement, whose interim financial results reflect total assets of Rs. 16,721.65 crore as at 30 September 2024, total revenues of Rs 564.67 crore and Rs 904.09 crore, total net profit after tax of Rs. 327.05 crore and Rs.490.30 crore and total comprehensive income of Rs 326.78 crore and Rs. 489.75 crore for the quarter and half year ended 30 September 2024 respectively, and the cash flows (net) of Rs. 320.99 crore for the half year ended 30 September 2024 as considered in the Statement. These financial results have been reviewed by the other auditors whose report has been furnished to us by the Parent's Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter.

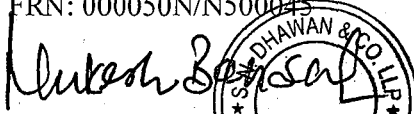

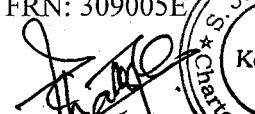

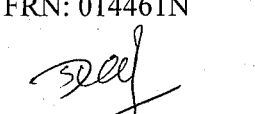

7. The Statement includes the interim financial results of six subsidiaries which have not been reviewed by their auditors, whose interim financial results reflect total assets of Rs 6521.30 crore as at 30 September 2024 and total revenues of Rs. 8.41 Crore and Rs 15.98 crore, total net profit / (loss) after tax of Rs. (1.14) crore and Rs (2.13) crore and total comprehensive income of Rs. (1.14) crore and Rs (2.13) crore for the quarter and half year ended 30 September 2024 respectively, and the cash flows (net) of Rs. (216.26) crore for the half year ended 30 September 2024 as considered in the Statement. The Statement also includes the Group's share of net profit after tax of Rs. 0.35 crore and Rs 1.06 crore and total comprehensive income of Rs 0.35 crore and Rs 1.06 crore for the quarter and half year ended 30 September 2024 respectively, as considered in the Statement, in respect of one associate, based on its interim financial results which have not been reviewed by its auditor. These interim financial statements have been furnished to us by the Parent's Management. Our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and an associate, is based solely on such management certified interim financial results. According to the information and explanations given to us by the Parent's Management, these interim financial results are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

8. The comparative financial results of the Group for the corresponding quarter and half year ended 30 September 2023 and preceding quarter 30 June 2024 were reviewed by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor and the financial statements of the Company for the year ended 31 March 2024 was audited by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor who had expressed an unmodified conclusion/opinion on those financial results and financial statements on 06 November 2023, 07 August 2024 and 17 May 2024 respectively.

Our conclusion on the Statement is not modified in respect of this matter.

Signature

Notes to Unaudited Consolidated Financial Results :

- The above consolidated financial results including statement of consolidated assets and liabilities and statement of consolidated cash flows have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on November 07, 2024. The same have been reviewed by the Joint Statutory Auditors of the Parent Company as required under Regulation 33 and 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

- The Subsidiary and Associate Companies considered in the Consolidated Financial Results are as follows:-

Name of Companies	Ownership (%)
a) Subsidiary Companies:-	As at 30.09.2024
(i) NHDC Limited	51.08
(ii) Loktak Downstream Hydroelectric Corporation Limited	74.00
(iii) Bundelkhand Saur Urja Limited	87.64
(iv) Lanco Teesta Hydro Power Limited	100.00
(v) Jalpower Corporation Limited	100.00
(vi) Ratle Hydroelectric Power Corporation Limited	58.48
(vii) NHPC Renewable Energy Limited	100.00
(viii) Chenab Valley Power Projects Limited	58.56
b) Associate Company:-	
(i) National High Power Test Laboratory Private Limited (earlier classified as Joint Venture)	12.50

All the above Companies are incorporated in India.

- In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Group has a single geographical segment as all its power stations are located within the country.
- The Central Electricity Regulatory Commission (CERC) has notified the tariff regulations for the tariff period 2024-29 vide order dated March 15, 2024. Pending finalization of tariff orders, Capacity Charges as approved by the CERC and applicable as on March 31, 2024 and Energy & Other Charges as per the operational norms specified in the ibid tariff regulations have been considered for recognition of revenue.
- The Board of Directors of the Parent Company in its meeting held on December 7, 2021, had approved the merger/amalgamation of Lanco Teesta Hydro Power Limited (LTHPL) (a wholly owned subsidiary) with the Parent Company under Section 230-232 of the Companies Act, 2013 and other statutory provisions as per the terms and conditions mentioned in the Scheme of Amalgamation (Scheme). Approval of the Ministry of Power, Government of India had been conveyed on May 20, 2022. Further, Ministry of Corporate Affairs (MCA) has held final hearing on May 30, 2024 on the matter. Formal communication regarding approval of the Scheme is awaited from MCA.
- The Board of Directors of the Parent Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary) with the Parent Company as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023 following which NHPC Limited and JPCL have filed first motion application with MCA on February 08, 2024. Queries raised by the MCA are being addressed by the Management.
- Liability against Water Cess has not been recognised by the Parent Company in respect of power stations located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh and in the state of Sikkim, where management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and half year ended September 30, 2024 is lower by Rs 82.88 crore and Rs 321.21 crore as compared to the corresponding previous quarter and half year ended September 30, 2023 respectively. Government of Himachal Pradesh has filed Special Leave Petition in this matter with the Hon'ble Supreme Court, which is yet to be admitted.
- Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam III & Teesta Low Dam - IV Power Stations of the Parent Company. Subsequently, another incident of landslide with certain consequential losses occurred at Teesta-V Power Station of the Parent Company. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and half year ended September 30, 2024 have been recognised to the tune of Rs 63.96 crore and 'Other Expenses' of Rs 71.07 crore for the quarter and half year ended September 30, 2024 have been recognised. Income on account of realization of loss due to Business Interruption amounting to Rs 137.50 crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the quarter and half year ended September 30, 2024. Total income on account of realization of loss due to Business Interruption on the basis of certainty of realisation from Insurance Company amounting to Rs 250.00 crore has been recognised in the books of accounts till date.

2A

- 10 In line with an opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, interest paid on Contractor claims settled under the Vivad se Vishwas II Scheme (Contractual Disputes) of the Government of India during the quarter and half year ended September 30, 2024 amounting to Rs 203.12 crore and Rs 350.03 crore respectively (corresponding previous quarter Rs Nil and half year Rs 0.03 crore) and interest payable to beneficiaries amounting to Rs Nil for the quarter and half year ended September 30, 2024 (corresponding previous quarter Rs 10.78 crore and half year Rs 15.46 crore) have been presented as 'Finance Costs' instead of 'Other Expenses' in the Statement of Profit & Loss. Previous period figures have been re-arranged accordingly. These changes have no impact on the profit of the Group for the quarter and half year ended September 30, 2024.
- 11 Expenditure incurred by the Parent Company for preparation of DPR of Bursar Project amounting to Rs 226.94 crore was provided for in earlier years due to non-viability of tariff. Ministry of Jal Shakti, Government of India, vide letter dated August 05, 2024 has intimated that out of the expenditure incurred, an amount of Rs 99.26 crore shall be reimbursed to the Parent Company. Accordingly, provision to the extent of amount to be reimbursed had been reversed during the quarter ended June 30, 2024.
- 12 The shareholders of the Parent Company had approved final dividend of Rs. 0.50 per share (Face value of Rs. 10/- each) for the Financial Year 2023-24 in the Annual General Meeting held on August 28, 2024, which has been paid in September, 2024.
- 13 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

For and on behalf of the Board of Directors of

Independent Statutory Auditor's Certificate for asset cover in respect listed debt securities of NHPC Limited

- 1) We understand that NHPC Limited ("the Company") having its registered office at NHPC Office Complex, Sector-33, Faridabad, Haryana-121003, India is required to obtain a certificate with respect to book values of the assets provided as security in respect listed debt securities of NHPC Limited as on 30th September 2024 and compliance with respect to covenants of the listed debt securities for quarter ending 30th September 2024 in terms of Requirement of Regulation 54 read with regulation 56(1)(d) of SEBI (LODR) Regulations, 2015 as amended ("LODR Regulations") and SEBI (Debenture Trustees) Regulations, 1993 as amended ("DT Regulations").

Management's Responsibility

- 2) The Company's Management is responsible for ensuring that the Company complies with the LODR Regulations and DT Regulations. Further, the Company is also responsible to comply with the requirements of Bond Trust Deed executed with respective Bond trustee.

Auditor's Responsibility

- 3) Our responsibility is to certify the book values of the assets provided as security in respect of listed debt securities of the Company as on 30th September 2024 based on the financial statements and compliance with respect to covenants of the listed debt securities for the quarter ended 30th September 2024 as specified in SEBI Circular No. SEBI/HO/DDHS/P/CIR/2023/50 Dated 31st March 2023.
- 4) We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- 5) We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC), Quality controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.
- 6) We have no responsibility to update this certificate for events and circumstances occurring after the date of this certificate.

Opinion

7) Based on examination of books of accounts and other relevant records/documents as provided to us by the Company's management for the purpose of issuing this Certificate, we hereby certify that:

- a) **Book values of the assets provided as security in respect of listed debt securities of the Company as on 30th September 2024 is as under:**

(Rs. in Crore)

Particulars of Assets provided as Security	Total Book Value (Property Plant & Equipment and Capital Work-in-Progress)(PPE+CWIP)
Chamera-II Power Station	802.07
Chamera-III Power Station	802.03
Parbati-II HE Project	11691.89
Parbati-III Power Station	1296.05
Dhauliganga Power Station	461.29
Teesta Low Dam Power Station-III	891.14
Teesta-V Power Station	1062.56
Uri-I Power Station	1202.67
Dulhasti Power Station (Movable)	861.23
Kishanganga Power Station (Movable)	874.55
Subansiri Lower HE Project(Movable)	2900.77
Total Book Value	22846.25

- b) **Compliance of covenants of the listed debt securities**

We have examined the compliances made by the NHPC Limited in respect of covenants of the listed debt securities (NCD's) and certify that all such covenants/terms of the issue have been complied by the NHPC Limited for the quarter ending 30th September 2024.

8. The above certificate has been given on the basis of information provided by the management and the records produced before us for verification

9. Restriction on Use

This certificate has been issued to the management of NHPC Limited to comply with requirements of LODR Regulations. Our certificate should not be used for any other purpose or by any person other than the Company. Accordingly, we do not accept or assume any liability or duty of care to any other person to whom this certificate is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

ISIN No. INE848E01016

Sub: Outcome of Meeting of Board of Directors of NHPC Limited held on Friday, 7th February, 2025
विषय: शुक्रवार, 7 फरवरी, 2025 को आयोजित एनएचपीसी लिमिटेड के निदेशक मंडल की बैठक का परिणाम

Sirs/महोदय,

In continuation to our intimation dated 31.01.2025 and in compliance to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, it is to inform that the Board of Directors of NHPC Limited in its meeting held today i.e. Friday, February 7, 2025 (meeting commenced at 4:40 P.M. and concluded at 7.10 P.M.) had inter-alia considered and approved the following:

- Un-audited (standalone and consolidated) financial results of the Company for the quarter and nine months ended on December 31, 2024, after review by the Audit Committee.
- Payment of interim dividend at the rate of 14% (₹1.40/- per equity share) on the face value of paid-up equity shares of ₹ 10/- each for the financial year 2024-25. Pursuant to Regulation 42 of SEBI LODR, the Board has fixed **Thursday, February 13, 2025** as record date for the purpose of ascertaining eligibility of shareholders for payment of interim dividend. The interim dividend shall be paid/ dispatched within the period as stipulated in the Companies Act, 2013.

A copy of the un-audited financial results along with Limited Review Report issued by Joint Statutory Auditors of the Company is **enclosed** herewith. The information as required under Regulation 52(4) of SEBI (LODR) Regulations, 2015 is covered in the Un-audited Financial Results (Standalone and Consolidated) submitted herewith. Further, the following are also submitted herewith:

- Statutory Auditors' Certificate with respect to listed debt securities of the Company as on 31st December, 2024, in terms of Regulation 54 read with Regulation 56(1)(d) of the SEBI (LODR) Regulations, 2015.
- Statement indicating no deviation or variation in the use of proceeds of issue of non-convertible securities for the quarter ended on 31st December, 2024, in terms of Regulation 52(7) and 52(7A) of the SEBI (LODR) Regulations, 2015.
- Disclosure of no default on loans and debt securities.

This above shall also be considered as the Integrated Filing (Financial) for the above-mentioned period, in accordance with the SEBI Circular No. SEBI/HO/CFD/CFD-PoD2/CIR/P/2024/185 dated 31 December 2024.

This is for your information and record.

Limited Review Report on Unaudited Standalone Quarterly and Year to Date Financial Results

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

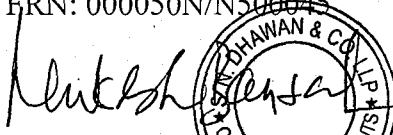

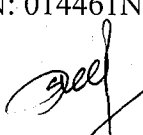

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **NHPC Limited** ("the Company") for the quarter ended 31 December 2024 and year to date results for the period 01 April 2024 to 31 December 2024 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed or that it contains any material misstatement.

Other Matters

5. We did not review the special purpose interim financial information of Lanco Teesta Hydro Power Limited (an erstwhile subsidiary now merged with the Company with effect from the appointed date of 01 April 2022) included in the Standalone Financial Results of the Company, which constitute total revenue of Rs. Nil and Rs. Nil, net loss after tax of Rs 0.13 crores and Rs. 0.28 crores and total comprehensive loss of Rs. 0.13 crores and Rs. 0.28 crores, for the quarter ended 31 December 2024 and for the period from 01 April 2024 to 31 December 2024 respectively. These special purpose interim financial information have been reviewed by the other auditor whose report has been furnished to us by the management, and our conclusion on the Standalone Financial Results, in so far as it relates to such special purpose interim financial information, is based solely on the report of such other auditor.
6. The comparative financial results of the Company for the corresponding quarter 31 December 2023 and year to date results for the period 01 April 2023 to 31 December 2023 were reviewed by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor and the financial statements of the Company for the year ended 31 March 2024 was audited by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor who had expressed an unmodified conclusion/opinion on those financial results and financial statements on 12 February 2024 and 17 May 2024 respectively.

Our conclusion is not modified in respect of these matters.

Notes to Unaudited Standalone Financial Results :

- 1 The above standalone financial results have been reviewed and recommended by the Audit Committee (consisting of one Independent Director, one Government Nominee Director and one functional Director, pending appointment of Independent Directors) and approved by the Board of Directors of the Company in their respective meetings held on February 7, 2025. The same have been reviewed by the Joint Statutory Auditors of the Company as required under Regulation 33 and 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2 In view of the seasonal nature of business, the standalone financial results of the Company vary from quarter to quarter.
- 3 Electricity generation is the principal business activity of the Company. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Company has a single geographical segment as all its power stations are located within the country.
- 4 The Central Electricity Regulatory Commission (CERC) has notified the Tariff Regulations for the period April 1, 2024 to March 31, 2029 vide notification dated March 15, 2024. Petitions for truing up of tariff for the period 2019-24 and for fixation of tariff for the period 2024-29 have been filed with the Commission. In accordance with these regulations and as per the operational parameter norms of the respective Power Stations, customers are billed as per the Annual Fixed Charge (AFC) approved by the Commission and applicable as on March 31, 2024 for the period starting from April 1, 2024 till approval of final AFC by the Commission. The difference of AFC filed in the aforesaid tariff petitions and billed sales amounting to Rs 153.48 Crore and Rs 494.89 Crore has been recognised as unbilled sales during the quarter and nine months ended December 31, 2024 respectively.
- 5 Order of the Hon'ble Punjab & Haryana High Court in the matter of NHPC Officers Association Vs. Union of India & Others and All India Diploma Engineers Council and Others Vs. Union of India & Others as per which pay anomalies in certain scales of pay were to be resolved w.e.f January 1, 1997 was received during the quarter ended December 31, 2024. Pursuant to the said Order, arrears payable to employees/ ex-employees has been estimated at Rs 534.82 Crore. Out of the same, Rs 161.92 Crore has been capitalized while Rs 372.90 Crore has been charged to the Statement of Profit & Loss, out of which Rs 108.26 Crore has been recognized as Unbilled Revenue, being the amount recoverable from beneficiaries as per applicable CERC Tariff regulations and earlier Tariff Orders. Accordingly, net profit after tax of the Company for the quarter and nine months ended December 31, 2024 is lower by Rs 198.27 Crore.
- 6 During the quarter ended December 31, 2024 an amount of Rs 1531.87 Crore being the amount earlier released to Contractors/ deposited in Court pursuant to the guidelines of the Niti Aayog / Court Orders in respect of disputed claims against which arbitration awards had been received and which were being disclosed as Contingent Liability, have been provided for. Out of the amount so provided, Rs 978.89 Crore being the principal amount has been capitalized and the balance amount of Rs 552.98 Crore being the interest component has been charged to the Statement of Profit & Loss. Out of the amount so charged, Rs 415.82 Crore has been recognized as Unbilled Revenue in line with CERC Tariff Regulations 2024-29. Accordingly, net profit after tax of the Company for the quarter and nine months ended December 31, 2024 is lower by Rs 102.76 Crore.
- 7 Order of the Ministry of Corporate Affairs (MCA) approving the Scheme of Amalgamation between Lanco Teesta Hydro Power Limited (LTHPL), the Transferor Company and NHPC Limited, the Transferee Company has been received on January 2, 2025 with the Appointed Date being April 1, 2022. Accordingly, during the quarter ended December 31, 2024 the aforesaid order has been accounted for as a Common-Control Merger as per Appendix-C of Ind AS 103- Business Combinations retrospectively for all periods presented in the standalone financial results / statement. The previous period figures, where applicable, in the standalone financial results have accordingly been restated. Consequent to the merger, LTHPL has been accounted for as a part of NHPC Limited in its Standalone Financial Statements. Impact of merger on the Financial Results of the Company for the quarter and nine months ended December 31, 2024 is not material.
- 8 The Board of Directors of the Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary) with the Company as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023 following which NHPC Limited and JPCL have filed first motion application with MCA on February 8, 2024. Queries raised by the MCA are being addressed by the Management.
- 9 Liability against Water Cess has not been recognised in respect of power stations located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh and in the state of Sikkim, where management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and nine months ended December 31, 2024 is lower by Rs 33.45 Crore and Rs 354.66 Crore as compared to the corresponding previous quarter and nine months ended December 31, 2023 respectively. Government of Himachal Pradesh has filed Special Leave Petition in this matter with the Hon'ble Supreme Court and the matter is listed for hearing on February 12, 2025.

22

- 10 Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam - III & Teesta Low Dam - IV Power Stations. Subsequently, another incident of landslide with certain consequential losses occurred at Teesta-V Power Station. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and nine months ended December 31, 2024 amounting to Rs 0.29 Crore and Rs 64.25 Crore respectively and 'Other Expenses' amounting to Rs Nil and Rs 71.07 Crore respectively for the quarter and nine months ended December 31, 2024 have been recognised in respect of Material Damage. Further, Income on account of realization of loss due to Business Interruption amounting to Rs 160.00 Crore and Rs 297.50 Crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the quarter and nine months ended December 31, 2024 respectively.
- 11 In line with an opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, interest paid on Contractor claims settled under the Vivad se Vishwas II Scheme (Contractual Disputes) of the Government of India during the quarter and nine months ended December 31, 2024 amounting to Rs Nil and Rs 338.13 Crore respectively (corresponding previous quarter and nine months Rs Nil) and interest payable to beneficiaries amounting to Rs Nil for the quarter and nine months ended December 31, 2024 (corresponding previous quarter Rs 31.18 Crore and nine months Rs 46.64 Crore) have been presented as 'Finance Costs' instead of 'Other Expenses' in the Statement of Profit & Loss. Previous period figures have been re-arranged accordingly. These changes have no impact on the profit of the Company for the quarter and nine months ended December 31, 2024.
- 12 Expenditure incurred for preparation of DPR of Bursar Project amounting to Rs 226.94 Crore was provided for in earlier years due to non-viability of tariff. Ministry of Jal Shakti, Government of India, vide letter dated August 5, 2024 has intimated that out of the expenditure incurred, an amount of Rs 99.26 Crore shall be reimbursed to the Company. Accordingly, provision to the extent of amount to be reimbursed had been reversed during the quarter ended June 30, 2024.
- 13 The Company has maintained security cover of 100% or higher as per the terms of Offer Document/ Information Memorandum and/ or Debenture Trust Deed, sufficient to discharge the principal amount and the interest thereon, in respect of its secured listed non-convertible debt securities. Further, security has been created on specified assets of the Company through English/ Equitable mortgage as per the terms of respective Debenture Trust Deeds for all secured non-convertible debt securities issued by the Company. The Company is also in compliance with all the covenants, in respect of all listed non-convertible debt securities issued by the Company.
- 14 Board of Directors of the Company in its meeting held on February 7, 2025 has declared an interim dividend of Rs 1.40 per equity share of Rs 10 each for the Financial Year 2024-25.
- 15 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

For and on behalf of the Board of Directors of
NHPC Ltd.

Limited Review Report on Unaudited Consolidated Quarterly and Year to Date Financial Results

To,
The Board of Directors,
NHPC Limited,
NHPC Office Complex,
Sector-33, Faridabad- 121003.

- We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **NHPC Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit after tax and total comprehensive income of its associate for the quarter ended 31 December 2024 and for the period from 01 April 2024 to 31 December 2024 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulations 33 and 52 of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express our conclusion on the Statement based on our review.
- We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- The Statement includes the results of the following entities:

Parent
1. NHPC Limited
Subsidiaries
1. NHPC Limited

2. Loktak Downstream Hydroelectric Corporation Limited
3. Bundelkhand Saur Urja Limited
4. Jalpower Corporation Limited
5. Ratle Hydroelectric Power Corporation Limited
6. NHPC Renewable Energy Limited
7. Chenab Valley Power Projects Limited
Associate
1. National High Power Test Laboratory Private Limited

Lanco Teesta Hydro Power Limited (an erstwhile subsidiary now merged with the Company with effect from the appointed date of 01 April 2022) Refer Note 8 to the Statement.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditor referred to in paragraph 6 and management certified interim financial results as referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results of two subsidiaries included in the Statement, whose interim financial results reflect total revenues of Rs 366.09 crore and Rs 1270.18 crore, total net profit after tax of Rs. 200.70 crore and Rs. 691.00 crore and total comprehensive income of Rs 200.42 crore and Rs. 690.16 crore for the quarter ended 31 December 2024 and for the period from 01 April 2024 to 31 December 2024, respectively, as considered in the Statement. These financial results have been reviewed by the other auditors whose report has been furnished to us by the Parent's Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matters.

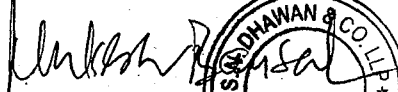

7. The Statement includes the interim financial results of five subsidiaries which have not been reviewed by their auditors, whose interim financial results reflect total revenues of Rs. 9.70 crore and Rs 25.68 crore, total net profit / (loss) after tax of Rs. 1.25 crore and Rs (0.73) crore and total comprehensive income of Rs. 1.25 crore and Rs (0.73) crore for the quarter ended 31 December 2024 and for the period from 01 April 2024 to 31 December 2024, respectively, as considered in the Statement. The Statement also includes the Group's share of net profit after tax of Rs. 1.19 crore and Rs 2.25 crore and total comprehensive income of Rs 1.19 crore and Rs 2.25 crore for the quarter ended 31 December 2024 and for the period from 01 April 2024 to 31 December 2024, respectively, as considered in the Statement, in respect of one associate, based on its interim financial results which have not been reviewed by its auditor. These interim financial statements have been furnished to us by the Parent's Management. Our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and an associate, is based solely on such management certified interim financial results. According to the information and explanations given to us by the Parent's Management, these interim financial results are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matters.

8. The comparative financial results of the Group for the corresponding quarter ended 31 December 2023 and the corresponding year to date results for the period 01 April 2023 to 31 December 2023 were reviewed by the then Joint Statutory Auditors of the Group, two of them were the predecessor auditor and the consolidated financial statements of the Group for the year ended 31 March 2024 were audited by the then Joint Statutory Auditors of the Company, two of them were the predecessor auditor, who had expressed an unmodified conclusion/opinion on those consolidated financial results and consolidated financial statements on 12 February 2024 and 17 May 2024 respectively.

Our conclusion on the Statement is not modified in respect of this matter.

# For the calculation of ISCR and DSCR, amount of interest and Principal repayments against the borrowings of the operational projects have been considered.							
* Restated (Refer Note No. 8)							

Notes to Unaudited Consolidated Financial Results :

- 1 The above consolidated financial results have been reviewed and recommended by the Audit Committee (consisting of one Independent Director, one Government Nominee Director and one functional Director, pending appointment of Independent Directors) and approved by the Board of Directors of the Company in their respective meetings held on February 7, 2025. The same have been reviewed by the Joint Statutory Auditors of the Company as required under Regulation 33 and 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

- 2 The Subsidiary and Associate Companies considered in the Consolidated Financial Results are as follows:-

Name of Companies	Ownership (%)
a) Subsidiary Companies:-	As at 31.12.2024
(i) NHDC Limited	51.08
(ii) Loktak Downstream Hydroelectric Corporation Limited	74.00
(iii) Bundelkhand Saur Urja Limited	87.64
(iv) Jalpower Corporation Limited	100.00
(v) Ratle Hydroelectric Power Corporation Limited	58.48
(vi) NHPC Renewable Energy Limited	100.00
(vii) Chenab Valley Power Projects Limited	59.04
b) Associate Company:-	
(i) National High Power Test Laboratory Private Limited (earlier classified as Joint Venture)	12.50

All the above Companies are incorporated in India.

Lanco Teesta Hydro Power Limited (a 100% subsidiary Company) merged with the Parent entity (Refer Note No. 8).

- 3 In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- 4 Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per Ind AS 108 - 'Operating Segments'. The Group has a single geographical segment as all its power stations are located within the country.
- 5 The Central Electricity Regulatory Commission (CERC) has notified the Tariff Regulations for the period April 1, 2024 to March 31, 2029 vide notification dated March 15, 2024. Petitions for truing up of tariff for the period 2019-24 and for fixation of tariff for the period 2024-29 have been filed with the Commission. In accordance with these regulations and as per the operational parameter norms of the respective Power Stations, customers are billed as per the Annual Fixed Charge (AFC) approved by the Commission and applicable as on March 31, 2024 for the period starting from April 1, 2024 till approval of final AFC by the Commission. The difference of AFC filed in the aforesaid tariff petitions and billed sales amounting to Rs 153.48 Crore and Rs 494.89 Crore has been recognised as unbilled sales during the quarter and nine months ended December 31, 2024 respectively by the Parent Company.
- 6 Order of the Hon'ble Punjab & Haryana High Court in the matter of NHPC Officers Association Vs. Union of India & Others and All India Diploma Engineers Council and Others Vs. Union of India & Others as per which pay anomalies in certain scales of pay were to be resolved w.e.f January 1, 1997 was received during the quarter ended December 31, 2024. Pursuant to the said Order, arrears payable to employees/ ex-employees has been estimated at Rs 534.82 Crore. Out of the same, Rs 161.92 Crore has been capitalized while Rs 372.90 Crore has been charged to the Statement of Profit & Loss, out of which Rs 108.26 Crore has been recognized as Unbilled Revenue, being the amount recoverable from beneficiaries as per applicable CERC Tariff regulations and earlier Tariff Orders. Accordingly, net profit after tax of the Group for the quarter and nine months ended December 31, 2024 is lower by Rs 198.27 Crore.
- 7 During the quarter ended December 31, 2024 an amount of Rs 1531.87 Crore being the amount earlier released to Contractors/ deposited in Court pursuant to the guidelines of the Niti Aayog / Court Orders in respect of disputed claims against which arbitration awards had been received and which were being disclosed as Contingent Liability, have been provided for. Out of the amount so provided, Rs 978.89 Crore being the principal amount has been capitalized and the balance amount of Rs 552.98 Crore being the interest component has been charged to the Statement of Profit & Loss. Out of the amount so charged, Rs 415.82 Crore has been recognized as Unbilled Revenue in line with CERC Tariff Regulations 2024-29. Accordingly, net profit after tax of the Group for the quarter and nine months ended December 31, 2024 is lower by Rs 102.76 Crore.
- 8 Order of the Ministry of Corporate Affairs (MCA) approving the Scheme of Amalgamation between Lanco Teesta Hydro Power Limited (LTHPL), the Transferor Company and NHPC Limited, the Transferee Company has been received on January 2, 2025 with the Appointed Date being April 1, 2022. Accordingly, during the quarter ended December 31, 2024 the aforesaid order has been accounted for as a Common-Control Merger as per Appendix-C of Ind AS 103- Business Combinations retrospectively for all periods presented in the standalone financial results / statement. The previous period figures, where applicable, in the standalone financial results have accordingly been restated. Consequent to the merger, LTHPL has been accounted for as a part of NHPC Limited in its Standalone Financial Statements. Impact of merger on the Financial Results of the Group for the quarter and nine months ended December 31, 2024 is not material.

[Handwritten signature]

- 9 The Board of Directors of the Parent Company in its meeting held on September 24, 2021 had approved the proposal to initiate the process of merger of Jalpower Corporation Limited (JPCL) (a wholly owned subsidiary) with the Company as per applicable provisions of the Companies Act, 2013. Approval of the Ministry of Power, Government of India had been conveyed on April 26, 2023 following which NHPC Limited and JPCL have filed first motion application with MCA on February 8, 2024. Queries raised by the MCA are being addressed by the Management.
- 10 Liability against Water Cess has not been recognised by the Parent Company in respect of power stations located in the state of Himachal Pradesh where the relevant act has been deemed unconstitutional by the Hon'ble High Court of Himachal Pradesh and in the state of Sikkim, where management has reassessed the probability of outflow on account of water usage charges beyond what has already been paid and is of the opinion that the same is at best contingent in nature. Accordingly, 'Sale of Power' & 'Generation Expenses' for the quarter and nine months ended December 31, 2024 is lower by Rs 33.45 Crore and Rs 354.66 Crore as compared to the corresponding previous quarter and nine months ended December 31, 2023 respectively. Government of Himachal Pradesh has filed Special Leave Petition in this matter with the Hon'ble Supreme Court and the matter is listed for hearing on February 12, 2025.
- 11 Due to flash flood in river Teesta on October 04, 2023, there were certain losses to the assets and consequential generation loss in Teesta-V, Teesta Low Dam - III & Teesta Low Dam - IV Power Stations of the Parent Company. Subsequently, another incident of landslide with certain consequential losses occurred at Teesta-V Power Station of the Parent Company. These losses are covered under Mega Insurance Policy and claims in this regard have been filed with the Insurance Company. Accordingly, 'Other Income' for the quarter and nine months ended December 31, 2024 amounting to Rs 0.29 Crore and Rs 64.25 Crore respectively and 'Other Expenses' amounting to Rs Nil and Rs 71.07 Crore respectively for the quarter and nine months ended December 31, 2024 have been recognised in respect of Material Damage. Further, Income on account of realization of loss due to Business Interruption amounting to Rs 160.00 Crore and Rs 297.50 Crore has been recognised in 'Other Income' on the basis of confirmation received from Insurance Company during the quarter and nine months ended December 31, 2024 respectively.
- 12 In line with an opinion of the Expert Advisory Committee of the Institute of Chartered Accountants of India, interest paid on Contractor claims settled under the Vivad se Vishwas II Scheme (Contractual Disputes) of the Government of India during the quarter and nine months ended December 31, 2024 amounting to Rs Nil and Rs 338.13 Crore respectively (corresponding previous quarter and nine months Rs Nil) and interest payable to beneficiaries amounting to Rs Nil for the quarter and nine months ended December 31, 2024 (corresponding previous quarter Rs 31.18 Crore and nine months Rs 46.64 Crore) have been presented as 'Finance Costs' instead of 'Other Expenses' in the Statement of Profit & Loss. Previous period figures have been re-arranged accordingly. These changes have no impact on the profit of the Group for the quarter and nine months ended December 31, 2024.
- 13 Expenditure incurred by the Parent Company for preparation of DPR of Bursar Project amounting to Rs 226.94 Crore was provided for in earlier years due to non-viability of tariff. Ministry of Jal Shakti, Government of India, vide letter dated August 5, 2024 has intimated that out of the expenditure incurred, an amount of Rs 99.26 Crore shall be reimbursed to the Parent Company. Accordingly, provision to the extent of amount to be reimbursed had been reversed during the quarter ended June 30, 2024.
- 14 Board of Directors of the Parent Company in its meeting held on February 7, 2025 has declared an interim dividend of Rs 1.40 per equity share of Rs 10 each for the Financial Year 2024-25.
- 15 Figures for the previous periods have been re-grouped/re-arranged/re-classified/re-stated wherever necessary.

For and on behalf of the Board of Directors of
NHPC Ltd.

Independent Statutory Auditor's Certificate for asset cover in respect of listed debt securities of NHPC Limited

1. We understand that NHPC Limited ("the Company") having its registered office at NHPC Office Complex, Sector-33, Faridabad, Haryana-121003, India is required to obtain a certificate with respect to book values of the assets provided as security in respect listed debt securities of NHPC Limited as on 31st December 2024 and compliance with respect to covenants of the listed debt securities for quarter ending 31st December 2024 in terms of Requirement of Regulation 54 read with regulation 56(1)(d) of SEBI (LODR) Regulations, 2015 as amended ("LODR Regulations") and SEBI (Debenture Trustees) Regulations, 1993 as amended ("DT Regulations").

Management's Responsibility

2. The Company's Management is responsible for ensuring that the Company complies with the LODR Regulations and DT Regulations. Further, the Company is also responsible to comply with the requirements of Bond Trust Deed executed with respective Bond trustee.

Auditor's Responsibility

3. Our responsibility is to certify the book values of the assets provided as security in respect of listed debt securities of the Company as on 31st December 2024 based on the financial statements and compliance with respect to covenants of the listed debt securities for the quarter ended 31st December 2024 as specified in SEBI Circular No. SEBI/HO/DDHS/P/CIR/2023/50 Dated 31st March 2023.
4. We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
5. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC), Quality controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.
6. We have no responsibility to update this certificate for events and circumstances occurring after the date of this certificate.

Opinion

7. Based on examination of books of accounts and other relevant records/documents as provided to us by the Company's management for the purpose of issuing this Certificate, we hereby certify that:

a) **Book values of the assets provided as security in respect of listed debt securities of the Company as on 31st December 2024 is as under:**

(Rs. in Crore)

Particulars of Assets provided as Security	Total Book Value (Property Plant & Equipment and Capital Work-in-Progress) (PPE+CWIP)
Chamera-II Power Station	796.41
Chamera-III Power Station	865.66
Parbati-II HE Project	12512.75
Parbati-III Power Station	1301.12
Dhauliganga Power Station	442.86
Teesta Low Dam Power Station-III	867.86
Teesta-V Power Station	1098.30
Uri-I Power Station	1187.10
Dulhasti Power Station (Movable)	859.11
Kishanganga Power Station (Movable)	874.69
Subansiri Lower HE Project (Movable)	2973.21
Total Book Value	23779.07

b) **Compliance of covenants of the listed debt securities**

We have examined the compliances made by the NHPC Limited in respect of covenants of the listed debt securities (NCD's) and certify that all such covenants/terms of the issue have been complied by the NHPC Limited for the quarter ending 31st December 2024.

8. The above certificate has been given on the basis of information provided by the management and the records produced before us for verification

Restriction on Use

9. This certificate has been issued to the management of NHPC Limited to comply with the requirements of LODR Regulations. Our certificate should not be used for any other purpose or by any person other than the Company. Accordingly, we do not accept or assume any liability or duty of care to any other person to whom this certificate is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

CERTIFIED TRUE COPY OF SPECIAL RESOLUTION PASSED IN THE 48TH ANNUAL GENERAL MEETING OF NHPC LIMITED HELD THROUGH VIDEO CONFERENCING ("VC")/ OTHER AUDIO VISUAL MEANS ("OAVM") ON 28TH AUGUST, 2024

ITEM NO. 7: TO INCREASE BORROWING LIMIT OF THE COMPANY FROM RS.40,000 CRORE TO RS.50,000 CRORE:

"RESOLVED THAT in supersession of the resolution approved by shareholders in 45th Annual General Meeting held on September 29, 2021, consent of the Company be and is hereby accorded to the Board of Directors (hereinafter referred to as "the Board" which term shall be deemed to include any Committee thereof constituted for this purpose) under Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and any other applicable laws, rules and regulations, guidelines etc. and provisions of the Articles of Association of the Company, to borrow money for the purposes of the business of the Company as may be required from time to time either in foreign currency and/ or in Indian rupees, as may be deemed necessary, on such terms and conditions and with or without security as the Board may think fit, which together with the monies already borrowed by the Company (apart from the temporary loans obtained from the bankers of the Company in the ordinary course of business) at any time shall not exceed in the aggregate Rs.50,000 Crore (Rupees Fifty Thousand Crore only) irrespective of the fact that such aggregate amount of borrowings outstanding at any one time may exceed the aggregate, for the time being, of the paid-up capital, securities premium and free reserves of the Company.

RESOLVED FURTHER THAT the Board be and is hereby authorised to do or cause to be done all such acts, matters, deeds and other things as may be required or considered necessary or incidental thereto, for giving effect to the aforesaid resolution."

April 28, 2025

Dear Sir/Madam,

Re: Rating Letter for non-convertible debenture (NCD) programme of NHPC Limited

This is in reference to the rating action commentary released on 1 August 2024.

India Ratings and Research (Ind-Ra) is pleased to communicate the following ratings of NHPC Limited:

Instrument Type	Size of Issue (billion)	Rating assigned along with Outlook/Watch
Unallocated Bonds	INR27.86 (Part of INR183.52)	IND AAA/Stable

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in India where the rated security is offered and sold, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible

for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please email us at infogrp@indiaratings.co.in

Sincerely,

India Ratings

Abhishek Bhattacharya
Senior Director

India Ratings Affirms NHPC and its Bonds at ‘IND AAA’/Stable; Rates Additional Limits

Aug 01, 2024 | Power Generation

India Ratings and Research (Ind-Ra) has taken the following rating actions on NHPC Limited and its debt instruments:

Details of Instruments

Instrument Type	Date of Issuance	Coupon Rate (%)	Maturity Date	Size of Issue (billion)	Rating assigned along with Outlook/Watch	Rating Action
Long-Term Issuer Rating	-	-	-	-	IND AAA/Stable	Affirmed
Term loan programme (bank facilities)	-	-	-	INR32.25	IND AAA/Stable	Affirmed
Working capital programme*	-	-	-	INR37	IND AAA/Stable/IND A1+	Affirmed
Bonds^	-	-	-	INR148.52	IND AAA/Stable	Affirmed
Government of India (GoI)-fully serviced bonds^	-	-	-	INR20.17	IND AAA/Stable	Affirmed
Term loan#	-	-	FY39	INR125.51	INDAAA/Stable	Affirmed
Bonds^	-	-	-	INR35	IND AAA/Stable	Assigned
Term loan programme (bank facilities)	-	-	-	INR26	IND AAA/Stable	Assigned

*Includes cash credit/bill discounting/working capital demand loan/short-term loan/bank guarantee/letter of credit

#Earlier, term loan amounting INR43.75 billion was rated as term loan programme (bank facilities)

^Details in Annexure I

Analytical Approach

Ind-Ra continues to take a fully consolidated view of NHPC and its subsidiaries and joint ventures (JVs) to arrive at the ratings, on account of the strong operational and strategic linkages among them.

Detailed Rationale of the Rating Action

The ratings reflect: i) NHPC’s operations on a cost-plus regime providing a post-tax return on equity of 15.5%-16.5% ensuring high cash flow visibility; ii) the likely commissioning of Parbati II and Subansiri Lower hydroelectric project (SLHEP) increasing regulated equity base by around INR100 billion, aiding cash flow generation; iii) a competitive tariff for the operational plants and levers to manage tariff for new plants; iv) GoI’s support given the strategic importance of NHPC in the hydro power sector; and v) an improvement in the receivables position. The ratings have factored in project execution risk, given the project delays and cost overruns associated with a significant under-construction capacity. Ind-Ra expects the net leverage (net debt/EBITDA) to remain elevated at 6.5x-7.5x over FY25-FY26 due to: a) debt for under-construction projects, b) dividend payout of around INR20 billion annually and c) leveraging the existing debt-free operational projects.

List of Key Rating Drivers

Strengths

- Regulated nature of operations ensures cash flow visibility
- Project commissioning to aid cash flow generation
- Diversification into solar power generation to continue
- Levers available to manage tariffs
- GoI’s support

Weaknesses

- Reduction in receivables, but likely to remain high
- Large capex pipeline to net leverage elevated

Detailed Description of Key Rating Drivers

Regulated Nature of Operations Ensures Cash Flow Visibility: NHPC operates its plants on a cost-plus regime, which provides a post-tax return on equity of 15.5%-16.5%, along with a reasonable recovery of all costs. This allows a high cash flow visibility. NHPC's regulated equity stood at INR129 billion at FYE24 (FYE23: INR129 billion), which Ind-Ra expects to increase to INR229 billion by 1HFYE27 after the commissioning of Parbati-II (800 MW) and SLHEP (2,000MW), thus aiding its cash flow generation. NHPC's core return on equity (RoE) also benefits from the incentives earned through secondary charges, capacity charges and deviation charges. The cumulative incentives stood at INR4.59 billion in FY24 (FY23: INR6.75 billion; FY22: INR7.52 billion). Given the additional incentive income, Ind-Ra expects NHPC's core RoE on its operational portfolio to be 19%-20%.

Project Commissioning to Aid Cash Flow Generation: NHPC's two large projects, Parbati-II and SLHEP, with a capex outlay of INR334 billion, saw a cumulative expenditure of INR320 billion at FYE24. The company expects to commission Parbati II by December 2024 while three units of SLHEP is likely to be commissioned by March 2025 and the balance five units by May 2026. The company has signed power purchase agreements (PPAs) for Parbati-II and SLHEP with various states across the northern, northeastern, and western regions. The tariff determination would be based on the Central Electricity Regulatory Authority's (CERC) regulations, with levelised tariff for Parbati II and SLHEP projects to be INR5.6-6.1/kWh with likely accretion of INR20 billion to the regulated equity.

The cabinet in 3QFY23 approved a project of 2,880MW in Dibang, Arunachal Pradesh, for a total capital cost of INR318.8 billion, of which INR67.3 billion would be through government's capital grant and the balance in a debt-equity ratio of 70:30. The project would be commissioned by FY32. Moreover, NHPC is merging two projects (Rangit-IV -120MW, project cost: INR18.7 billion and Teesta VI – 500 MW, project cost: INR57.5 billion) which were acquired under the National Company Law Tribunal, with itself, resulting in borrowing cost rationalisation and administrative easiness. The company incurred capex of INR45 billion as of March 2024 on the two projects, with the likely commissioning of Rangit-IV and Teesta VI by FY26 and FY28, respectively.

Furthermore, NHPC through its subsidiary, Chenab Valley Power Projects Private Limited, is executing three projects in Chenab basin of UT of Jammu and Kashmir (J&K), namely, Pakal Dul (1,000 MW); Kiru (624 MW) and Kwar (540 MW) for a total capital cost of INR170 billion, which saw a cumulative expenditure of INR66 billion at FYE24 and likely to be commissioned over FY27-FY28. The management expects the levelised tariff for these three projects to be INR4.3-4.7/kWh.

Diversification into Solar Power Generation to Continue: Under the Gol's targets for establishing renewable energy capacity, NHPC is operating a 50MW solar power plant in Tamil Nadu. In FY24, NHPC commissioned the 65MW of Kalpi Solar Power Project in Uttar Pradesh and 8MW Sanchi Solar Power Project in Madhya Pradesh through JVs. The company also has 1,000 MW under-construction solar projects, which are likely to be commissioned over FY25-FY26 and power usage agreement signed for a tariff of INR2.45 per unit. Furthermore, the company has projects of 1,690MW under pipeline and tender stages. In March 2024, NHPC has received letter of intent for setting up of a 200 MW solar project at Khavda, Gujarat, from Gujarat Urja Vikas Nigam Limited at a tariff rate of INR2.66/kWh.

Levers Available to Manage Tariffs: Given the new plants have higher tariffs of INR5.5/kWh-INR6.5/kWh, NHPC has been working on tariff reduction measures including longer depreciation period, structured and back-ended free energy to the home state, and seeking lower-than-normative operation and maintenance expenses, which will be more aligned to the actual operations and maintenance expenses. These measures have allowed NHPC to lower tariffs by 15%-25% in the initial years than those indicated by the CERC in the tariff regulations, while ensuring the levelised tariff remains the same. Teesta Low Dam Project (TLDP)-III and IV's tariffs have been negotiated on a bilateral basis as the entire energy has been tied with West Bengal while the other plants are being governed under CERC's regulations. Ind-Ra expects the new plants to have tariffs at INR4.5-5.5/kWh through these measures.

Gol Support: Ind-Ra has derived NHPC's ratings based on its business and financial profiles. The ratings are equivalent to that of its parent (Gol shareholding; 67.4%). However, if NHPC's ratings were to be lower than those of its parent, there is a one-notch support available to NHPC from the Gol, given its strategic importance. After its initial public offering in 2009, NHPC has depended on its own financial profile to raise capital for its planned capex.

Reduction in Receivables, but Remain High: NHPC's receivables, excluding unbilled revenue of INR23.5 billion in FY24 (FY23: INR31.4 billion; FY22: INR23.5 billion), decreased but remained high at INR21.0 billion (INR34.9 billion; INR28.3 billion), with around 60% of dues outstanding from distribution companies (discoms) of Uttar Pradesh, J&K, Punjab and West Bengal. The receivables days excluding unbilled revenue stood at 80 days at FYE24 (FYE23: 120 days; FYE22:113 days). Furthermore, the company plans to adjust the receivables from the discoms of J&K, against the water cess payable by the company to the state, as done in the past, which may further reduce its receivables in the short- to medium term.

NHPC has been able to manage its receivables, given its dominant position in the hydropower sector, low per unit price of around INR3.7/kWh, ownership by the Gol (67.4%), the presence of letters of credit from all its counterparties, its ability to regulate power and prompt payment discounts. To manage receivables, NHPC also provides bill discounting, interest on which is borne by the discoms.

Large Capex Pipeline to Keep Net Leverage Elevated: NHPC's net leverage (net debt/EBITDA) will remain at 6.5x-7.5x over FY25-FY26, due to: i) debt for under-construction projects, ii) dividend payout of around INR20 billion annually (FY24: INR23.2 billion; FY23: INR22.6 billion; FY22: INR19.5 billion), and iii) leveraging the existing debt-free operational projects. Furthermore, if NHPC continues to aggressively return cash to shareholders, it could register a higher net leverage.

NHPC had securitised RoE of Chamera-I power station to raise around INR10 billion in FY22, monetised INR18.7 billion free cash flows of Uri-I (480MW) in FY23 and securitised RoE of Kishanganga power station to raise INR20.5 billion in FY24, which would be utilised for funding its capex projects.

At FYE24, NHPC's gross debt increased to INR325 billion (FYE23: INR295 billion; FYE22: INR261 billion), with discounted subordinated debt of INR43.8 billion (INR41.1 billion; INR36.9 billion). The total subordinated debt stood at INR63.4 billion (INR57.6 billion; INR47.6 billion). The overall debt did not include INR20.17 billion of bonds raised by NHPC for Gol's funding requirement for the Scheme of Power System Development Fund, as these

shall be fully serviced by the GoI until maturity. The total gross term debt including discounted subordinated debt increased to IN322.6 billion at FYE24 (FYE23: INR285.4 billion; FYE22: INR247.5 billion) and short-term debt reduced to INR2.4 billion (INR9.5 billion; INR13.2 billion). Of the total term debt, INR222 billion was towards under construction projects majorly SLHEP and Parbati-II. Thus, the operating debt stood at around INR100 billion. The company generated an EBITDA of INR48.7 billion in FY24 (FY23: INR62.7 billion; FY22: INR51.9 billion), leading to a gross leverage (total gross debt/EBITDA) of 6.7x (4.7x; 5.0x). Furthermore, the interest coverage (EBITDA/interest expense) of the consolidated entity remained comfortable at 12.1x in FY24 (FY23: 13.2x; FY22: 9.8x). Ind-Ra expects the coverage to remain comfortable over FY25-FY26.

NHPC, on a consolidated basis, incurred capex of INR86.5 billion in FY24 and expects to spend INR117.6 billion and INR133.2 billion in FY25 and FY26, respectively. For FY25, NHPC plans to spend INR51.3 billion on a standalone basis with INR25 billion for ongoing Parbati II, SHELPA and Dibang projects, INR10 billion for new upcoming hydro projects and balance INR16.3 billion for solar projects. Furthermore, INR33.7 billion is planned for Chenab valley projects, followed by Teesta VI project (INR12 billion), Ranjit IV project (INR4.6 billion), Ratle project (INR9.5 billion) and solar projects under subsidiaries/JV (INR5.5 billion).

Liquidity

Adequate: NHPC had a healthy free cash balance of INR14.22 billion at FYE24 (FYE23: INR10.35 billion; FYE22: INR13.15 billion). The average monthly utilisation of the company’s sanctioned fund-based limits of INR13.26 billion was 9% and that of the non-fund-based limits of INR12.63 billion was 67% over the 12 months ended June 2024. NHPC borrows short-term loans regularly to avoid any cash flow mismatch. It has a strong capability to borrow from the capital markets to tie up funds for capex financing. Furthermore, the equity infusion pending for ongoing hydro projects (except Dibang) is INR5.75 billion at FYE24.

The overall debt was around 99% long-term in nature, of which around 3% was in foreign currency borrowings that are guaranteed by the GoI. The company has scheduled repayments of around INR21.7billion and INR29.2 billion in FY25 and FY26, respectively. The cash flow from operations (post interest payments) improved to INR52.1 billion in FY24 (FY23: INR33.1 billion; FY22: INR35.4 billion), led by a decrease in trade receivables. NHPC had contingent liabilities for estimated capital works of INR93.8 billion at FYE24 (FYE23:INR102.6 billion; FYE22: INR104.8 billion), on account of claims lodged by contractors pertaining to price and quantity deviation, cost relating to extension of time, idling charges due to stoppage of work/delays in handing over the site, among others. NHPC has contested these claims. According to the management, any materialisation of these claims would be recovered through tariffs in the project cost.

Rating Sensitivities

Positive: Not applicable

Negative: A significant build-up of receivables from buyers, capex exceeding the agency’s expectations over the medium term, or unfavourable regulatory changes could lead to a negative rating action.

Any Other Information

Standalone Performance: NHPC reported revenue of INR84 billion in FY24 (FY23: INR93 billion; FY22: INR83 billion), EBITDA of INR39.8 billion (INR53.7 billion; INR46.8 billion), the net leverage of 7.2x (5.2x;5.3x) and the interest coverage of 9.4x (11.3x;8.8x). The generation stood lower at 21608 million units (MUs) in FY24 (FY23: 24,452 MUs; FY22: 24,494 MUs) on account of plant outages owing to flash floods in Teesta river and low water availability.

ESG Issues

ESG Factors Minimally Relevant to Rating: Unless otherwise disclosed in this section, the ESG issues are credit neutral or have only a minimal credit impact on NHPC, due to either their nature or the way in which they are being managed by the entity. For answers to frequently asked questions regarding ESG Relevance Disclosures and their impact on ratings, please click [here](#).

About the Company

NHPC constructs and operates hydroelectric power plants in India. It had an installed capacity of 7,144 MW through 26 operational projects at a consolidated level in FY24. On a consolidated basis, NHPC contributes around 15% to India’s hydropower capacity. At a standalone level, NHPC has a capacity of 5,551 MW through 22 operational projects at FYE24.

About India Ratings and Research: India Ratings and Research (Ind-Ra) is committed to providing India's credit markets accurate, timely and prospective credit opinions. Built on a foundation of independent thinking, rigorous analytics, and an open and balanced approach towards credit research, Ind-Ra has grown rapidly during the past decade, gaining significant market presence in India's fixed income market. Ind-Ra currently maintains coverage of corporate issuers, financial institutions (including banks and insurance companies), finance and leasing companies, managed funds, urban local bodies and project finance companies. Headquartered in Mumbai, Ind-Ra has seven branch offices located in Ahmedabad, Bengaluru, Chennai, Delhi, Hyderabad, Kolkata and Pune. Ind-Ra is recognised by the Securities and Exchange Board of India, the Reserve Bank of India and National Housing Bank. India Ratings is a 100% owned subsidiary of the Fitch Group. For more information, visit www.indiaratings.co.in.

Solicitation Disclosures

Additional information is available at www.indiaratings.co.in. 7. The rationale for the rating will be communicated to you separately. A write-up (press release) on the above rating is proposed to be issued to the press shortly, a draft of which is enclosed for your perusal as **Annexure 2**. We request you to peruse the annexed document and offer your comments if any. We are doing this as a matter of courtesy to our clients and with a view to ensure that no factual inaccuracies have inadvertently crept in. Kindly revert as early as possible. In any case, if we do not hear from you by May 01, 2025, we will proceed on the basis that you have no any comments to offer.
8. CARE Ratings Ltd. reserves the right to undertake a surveillance/review of the rating from time to time, based on circumstances warranting such review, subject to at least one such review/surveillance every year.
9. CARE Ratings Ltd. reserves the right to revise/reaffirm/withdraw the rating assigned as also revise the outlook, as a result of periodic review/surveillance, based on any event or information which in the opinion of CARE Ratings Ltd. warrants such an action. In the event of failure on the part of the entity to furnish such information, material or clarifications as may be required by CARE Ratings Ltd. so as to enable it to carry out continuous monitoring of the rating of the bank facilities, CARE Ratings Ltd. shall carry out the review on the basis of best available information throughout the life time of such bank facilities. In such cases the credit rating symbol shall be accompanied by "ISSUER NOT COOPERATING". CARE Ratings Ltd. shall also be entitled to publicize/disseminate all the afore-mentioned rating actions in any manner considered appropriate by it, without reference to you.
10. Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.
11. Users of this rating may kindly refer our website www.careedge.in for latest update on the outstanding rating.
12. Our ratings are **not** recommendations to buy, sell or hold any securities.
13. If you need any clarification, you are welcome to approach us in this regard. We are indeed, grateful to you for entrusting this assignment to CARE Ratings Ltd.

Thanking you,

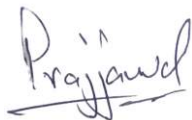

Yours faithfully,

Disclaimer

The ratings issued by CARE Ratings Limited are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. These ratings do not convey suitability or price for the investor. The agency does not constitute an audit on the rated entity. CARE Ratings Limited has based its ratings/outlooks based on information obtained from reliable and credible sources. CARE Ratings Limited does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions and the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE Ratings Limited have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE Ratings Limited or its subsidiaries/associates may also be involved with other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating /outlook assigned by CARE Ratings Limited is, inter-alia, based on the capital deployed by the partners/proprietor and the current financial strength of the firm. The rating/outlook may undergo a change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors. CARE Ratings Limited is not responsible for any errors and states that it has no financial liability whatsoever to the users of CARE Ratings Limited's rating.

Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.

Rationale and key rating drivers

Reaffirmation of the long-term rating assigned to the bonds of NHPC Limited (NHPC), India's largest hydropower producer with an operational capacity of 7,771 MW, reflects the company's strategic importance to the Government of India (GoI), which holds a majority stake of 67.4%. The rating continues to draw strength from the consistent support extended by the GoI over the years, as evidenced by grants, subordinated loans provided for select projects, and sovereign guarantees backing some of the company's senior borrowing programmes.

The rating continues to factor in the low sales risk by virtue of the long-term power purchase agreements (PPAs) of 40 years from commercial operations date (COD) with state distribution utilities (discoms) for its operational hydro power plants. Moreover, the tariff for hydro power projects is cost plus in nature and determined per Central Electricity Regulatory Commission's (CERC's) tariff regulations under Section 62, ensuring full cost recovery upon meeting the normative parameters and leading to stable cash flows. CARE Ratings Limited (CARE Ratings) notes significant tie-up of under-construction capacity through long-term PPAs, which supports the long-term revenue visibility. CARE Ratings notes that NHPC has commissioned Parbati II, an 800 MW hydro project in April 2025. This is likely to increase the revenue and earnings before interest, taxation, depreciation, and amortisation (EBITDA) from FY26 onwards. However, the approval of entire capital cost by CERC without major disallowances shall be a key rating monitorable. The generation and plant availability of operational hydro power projects of the company remained satisfactory in FY24 and 9M FY25 leading to substantial incentive income. The financial risk profile is characterised by low overall gearing owing to upfront deployment of large portion of equity requirement. The rating continues to favourably factor in geographical and counterparty diversification which mitigates asset concentration to a large extent.

The company remains exposed to counterparty credit risks, considering exposure to state electricity distribution utilities and departments which have relatively weak credit profiles. However, the payments in recent past have been timely, primarily owing to the implementation of Late Payment Surcharge (LPS) Rules in 2022. Counterparty risk is also mitigated owing to NHPC being one of the beneficiaries under the tripartite agreement (TPA) signed between some selected central government entities, the state governments, and the Reserve Bank of India (RBI). NHPC is also exposed to execution risks inherent in development of greenfield hydropower projects. The company's several under-development projects have seen time and cost overrun. The company's ability to commission under-construction projects on a timely basis and secure the regulator's approval for the incurred capital cost remains critical from a credit perspective.

Rating sensitivities: Factors likely to lead to rating actions

Negative factors

- Significant decrease in the GoI's shareholding, leading to reduction in financial and strategic importance of NHPC for GoI.
- Significant build up in the receivables on a sustained basis, adversely impacting the company's liquidity profile.

¹Complete definition of ratings assigned are available at www.careedge.in and other CARE Ratings Limited's publications.

- Any unfavourable change in regulatory regime for determining the tariffs of hydro projects, adversely impacting company's cash flows.
- Any major time and/or cost overruns in projects execution resulting in higher-than-expected leverage levels.

Analytical approach: Consolidated. The rating factors in NHPC's strategic importance to the Government of India (GOI) and its role as the largest hydro power company in India. The list of subsidiaries/JVs which have been consolidated is presented in **Annexure-6**.

Outlook: Stable

The 'stable' outlook of the company factors in presence of long-term PPAs with cost plus tariff, healthy operational performance which is expected to sustain, reasonable collection efficiency, and steady physical and financial progress in terms of capex in the medium term.

Detailed description of key rating drivers

Key strengths

Cost-plus tariff providing stable cash flow and assured returns

NHPC has low sales risk considering presence of long-term PPAs for 40 years from COD for its hydro-projects. The tariff for each hydropower station of NHPC is determined on cost plus basis per CERC tariff regulations under Section 62 of Electricity Act, 2003. The tariff comprises depreciation, interest on term loan, interest on working capital, operation and maintenance expenses and return on equity (post tax). While 50% of tariff is payable subject to availability being higher than normative availability, the rest is paid if generation is higher than design energy. Overall tariff of the hydro plants of the company continues to remain competitive at ₹4.0/unit as on March 31, 2024.

Healthy operational performance

NHPC's plants achieved an aggregate plant availability factor (PAF) of 77.6% and 78.9% in FY24 and 9MFY25, respectively, which is higher than the normative PAF (NAPAF) of 77.4%. In FY24, 10 of the 20 hydro power plants of NHPC (standalone) had surpassed the NAPAF target. Six plants had generation higher than their design energy (PY: 11 plants). The dip in generation was due to overall lower hydrology and adverse impact of flash floods on certain projects. Consequently, NHPC continued to booked incentive income in FY24 driven by incentives on capacity, deviation charges, and energy incentives considering superior plant availability.

Comfortable leverage and coverage metrics

NHPC's overall financial risk profile continued to remain comfortable characterised by low overall gearing despite large capex and dividend payout. Overall gearing remained low at 0.74x in FY24 (PY: 0.69x), while interest cover remained healthy at 8.50x in FY24 (PY: 12.13x) on consolidated basis. The company has significant capital expenditure plans in hydro and renewable which will lead to moderation in debt coverage indicators in the medium term.

Government support and majority ownership by GoI

NHPC benefits from its strong linkages with the GoI, with the GoI holding a majority stake (67.40% as on December 31, 2024). The GoI has provided support in the form of longer tenure subordinated debt to fund strategically important projects at concessional interest rates. Moreover, GoI has guaranteed certain loans of the company. NHPC benefits from supportive policy frameworks such as hydro purchase obligations, and budgetary support for hydro power projects among others.

Key weaknesses

Execution risks pertaining to projects under implementation

The expansion plans of NHPC exposes the company to the project execution and funding-related risks considering large capital expenditure plans in hydro and renewable segment on consolidated basis. NHPC has faced cost and time overrun for 2000-MW Subansiri Lower and 800 MW Parbati II projects in the past. While Parbati II has been commissioned in April 2025, Subansiri Lower is expected to be commissioned in phases starting May 2025 with all units commissioned by May 2026. The company has 15 under-construction projects with capacity of ~10 GW on consolidated basis as on April 20, 2025. The company's ability to commission projects without significant cost and/or time overrun and approval of capital cost from regulator without material disallowance shall be a key rating sensitivity.

Counterparty credit risk

The company is exposed to counter party credit risk considering exposure to state distribution utilities and departments which have moderate to weak credit profile. In the past, there has been accumulation of debtors, especially from Jammu & Kashmir Power Corporation Limited. However, several liquidity measures rolled out by the MoP has aided in reduction in overdue receivable of the company. Overdue receivables, which were 55% of the total as on March 31, 2021, is consistently moderating and thus has reduced to 8% and 11% of total as on March 31, 2024 and December 31, 2024, respectively.

NHPC's dominance in hydro power generation in India with fairly diversified off-taker base alleviates the risk to a great extent. Timely receipt of payment from off-takers, shall remain a key monitorable going forward.

Liquidity: Strong

There is sufficient headroom in the projected gross cash accrual with less internal accrual committed for capex in FY26 against the scheduled debt repayment. Since a portion of the scheduled repayment pertains to the debt raised for under-construction projects, the company is expected to elongate its debt maturity profile through refinancing and thus, ease its liquidity profile. The company's cash and bank balance stood at ~₹4,420 crore as on December 31, 2024. The reduction in overdue receivables aids the liquidity profile of the company. The company also has sanctioned fund-based limits of ₹1,326 crore, which remained largely un-utilised in the last 12 months ended March 2025. Considering the comfortable capital structure, the company has sufficient headroom, to raise additional debt for its planned capex.

Environment, social, and governance (ESG) risks

The ESG objective of NHPC is to produce clean energy from hydro, wind, and solar resources. NHPC seeks to promote sustainability, lessen carbon footprints, and safeguard the environment via its commercial activities. NHPC has put in place the necessary rules and processes to achieve the objectives of waste management that is scientific and water conservation that is a result of company activities. In accordance with the relevant Waste Management Rules of the Government, NHPC works toward efficient waste management via moral behaviour.

About the company and industry

Industry classification

Macro-economic indicator	Sector	Industry	Basic industry
Utilities	Power	Power	Power generation

NHPC, a Navratna and GoI enterprise, was incorporated in 1975 with an objective to plan, promote, and organise an integrated and efficient development of hydroelectric power in the country. The company is the largest hydro power generating company in the country with an aggregate installed hydropower capacity (including subsidiaries) of 7,771 MW as on April 20, 2025, which is ~15% of the installed hydro power capacity in India. The total installed capacity (hydro and renewable) of NHPC is 8,140 MW as on April 20, 2025. NHPC is present across 13 states, and currently operates 23 hydropower stations (including two through its subsidiary). As on December 30, 2024, GoI holds 67.4% stake in the company, while the rest is held by public.

About us:

Established in 1993, CARE Ratings is one of the leading credit rating agencies in India. Registered under the Securities and Exchange Board of India, it has been acknowledged as an External Credit Assessment Institution by the RBI. With an equitable position in the Indian capital market, CARE Ratings provides a wide array of credit rating services that help corporates raise capital and enable investors to make informed decisions. With an established track record of rating companies over almost three decades, CARE Ratings follows a robust and transparent rating process that leverages its domain and analytical expertise, backed by the methodologies congruent with the international best practices. CARE Ratings has played a pivotal role in developing bank debt and capital market instruments, including commercial papers, corporate bonds and debentures, and structured credit.

Disclaimer:

The ratings issued by CARE Ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse, or recall the concerned bank facilities or to buy, sell, or hold any security. These ratings do not convey suitability or price for the investor. The agency does not constitute an audit on the rated entity. CARE Ratings has based its ratings/outlook based on information obtained from reliable and credible sources. CARE Ratings does not, however, guarantee the accuracy, adequacy, or completeness of any information and is not responsible for any errors or omissions and the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating/outlook assigned by CARE Ratings is, inter-alia, based on the capital deployed by the partners/proprietors and the current financial strength of the firm. The ratings/outlook may change in case of withdrawal of capital, or the unsecured loans brought in by the partners/proprietors in addition to the financial performance and other relevant factors. CARE Ratings is not responsible for any errors and states that it has no financial liability whatsoever to the users of the ratings of CARE Ratings. The ratings of CARE Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades.

DEBENTURE TRUSTEE AGREEMENT

THIS DEBENTURE TRUSTEE AGREEMENT (“AGREEMENT”) IS MADE ON THIS April 25, 2025 (“EXECUTION DATE”) AT FARIDABAD.:-

NHPC LTD a company within the meaning of the Companies Act, 2013 (18 of 2013) with its Corporate Identity Number L40101HR1975GOI032564 and having its Registered Office at Office Complex, Sector-33, Faridabad and corporate office at Office Complex, Sector-33, Faridabad (hereinafter called the “**Company/Issuer Company**” which expression shall include its successors and permitted assigns wherever the context or meaning shall so require or permit) of **ONE PART.**

AND

BEACON TRUSTEESHIP LIMITED, a company within the meaning of the Companies Act, 2013 (1 of 2013), and having Corporate Identification Number L74999MH2015PLC271288 and having its Registered Office at 5W, 5th Floor, The Metropolitan, E-Block, Bandra Kurla Complex, Bandra (E), Mumbai 400051 acting through its Branch Office at 715, 7th Floor, Naurang House Building 21, Kasturba Gandhi Marg, New Delhi - 110 001 hereinafter called the “**Trustees/Debenture Trustee**” which expression shall include its successors and assigns and the

Company	Debenture Trustee

Trustees for the time being wherever the context or meaning shall so require or permit) of the **OTHER PART]**.

The Company and the Debenture Trustee are hereinafter individually referred to as a **"Party"** and collectively as **"Parties"**.

WHEREAS:

- A. With a view to raising debt to meet out the CAPEX requirement of the company including partly recoupment of CAPEX already incurred, the Company proposes to issue rated, Listed Unsecured, Non-Cumulative, Non-Convertible, Redeemable Taxable Bonds (AF Series) in the nature of Debenture each having a face value of Rs. 1,00,000/- (Rupees one lakh only) of the aggregate nominal value upto Rs. 2000,00,00,000 /- (Rupees two thousand crore only) (hereinafter referred to as the **"Debentures"**) on private placement basis in accordance with the provisions of the Companies Act 2013 and the regulations applicable to issue of debentures notified by Securities Exchange Board of India (**"SEBI"**), from time to time.
- B. The Company has vide the resolution of the board of directors under Section 179 of the Companies Act, 2013, passed at its meeting held on 19-03-2025, authorised the issuance of the Debentures. Accordingly, the Company pursuant to aforesaid resolutions and the shareholders resolution passed on 28-08-2024 under Section 180(1)(c) of the Companies Act 2013, proposes to allot the Debentures for cash at par on private placement basis in terms of the General Information Document & Key Information Document.
- C. Pursuant to the Companies Act, 2013, including any statutory modification or re-enactment or replacement thereof, for the time being in force (**"Companies Act"**), SEBI NCS Regulations, 2021 , as amended, varied or modified from time to time (**"Debt Listing Regulations"**) and the SEBI (Debenture Trustees) Regulations 1993 as amended, varied or modified from time to time (**"SEBI Debenture Trustee Regulations"**), the Company is required to appoint the Debenture Trustee for the benefit of the holders of the Debentures. The Debenture Trustee is registered with the Securities Exchange Board of India as a debenture trustee under the SEBI Debenture Regulations and has a valid and subsisting registration vide a certificate of registration bearing certificate no. IND000000569 dated 12th September 2024. Accordingly the Company has approached **BEACON TRUSTEESHIP LTD** to act as the Debenture Trustee for the Debenture holders and **BEACON TRUSTEESHIP LTD** have agreed to act as Debenture Trustee for the benefit of the Debenture holders of the proposed issue of the, subject to the disclosure of the information sought by the Debenture Trustee from the Company and completion of diligence of all relevant information to the satisfaction of the Debenture Trustee.
- D. Accordingly, the Company and the Debenture Trustee have agreed to execute this Agreement being these presents on the terms and conditions agreed upon and hereinafter set out.

NOW IT IS AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

Company	Debenture Trustee
	

Capitalized terms used but not otherwise defined in this Agreement, including in the Recitals and Schedules hereto, shall have the meanings ascribed thereto in the Debenture Trust Deed and if not defined therein, shall have the meaning given to them in the respective Transaction Documents. In the case of any discrepancy or inconsistency between the provisions of this Agreement and the provisions of the Debenture Trust Deed, the provisions of the Debenture Trust Deed shall prevail.

1. That the Company hereby appoints **BEACON TRUSTEESHIP LIMITED** as the Debenture Trustee for the Debenture holders of all the series of the Debentures aggregating upto Rs. 2000,00,00,000/- (Rupees two thousand crore only) to be issued by the Company from time to time and Beacon Trusteeship Ltd hereby agrees to act as Debenture Trustee for the Debenture holders, subject to the satisfaction of the Debenture Trustee. The Debenture Trustee and the Company shall also enter into a debenture trust deed (hereinafter referred to as the "**Debenture Trust Deed**") and such other documents as may be required from time to time in relation to the Debentures. If the Company fails to execute the Debenture Trust Deed within the timelines provided by extant SEBI regulations i.e. prior to filing of the application for listing of the Debentures, without prejudice to any liability arising on account of violation of the provisions of the SEBI NCS Act, the Company shall pay interest of two percent per annum or such other rate, as specified by the Board to the bondholder of debt securities, over and above the agreed coupon rate, till the execution of Debenture Trust Deed. The Debenture Trustee agrees to act as Debenture Trustee on behalf of and for the benefit of the Debenture holders and for the purposes related thereto, strictly in accordance with the provisions of the transaction documents and as more particularly provided in the Debenture Trust Deed. Notwithstanding anything to the contrary, the Debenture Trustee shall not act on any instructions of the Company and shall at all times only act in accordance with the instruction of the Debenture holders in accordance with Debenture Trust Deed.
2. The Debenture Trust Deed shall be finalized by the parties and consist of two parts: Part A containing statutory/standard information pertaining to the debt issue *inter alia* consisting of clauses pertaining to Form SH-12 in terms of Rule 18(5) of the Companies (Share Capital and Debentures) Rules, 2014; and Part B containing details specific to the particular debt issue.
3. The Company shall on such terms and conditions as disclosed in the General Information Document/ Key Information Document ("**Disclosure Documents**") execute the Debenture Trust Deed and other necessary documents for each series of Debentures as approved by the Debenture Trustee, [within a period of 3 days of closure of the issue/ prior to filing of the application for listing of the Debentures], in accordance with the extant Debt Listing Regulations.
4. The Company shall comply with the provisions of SEBI Debenture Trustee Regulations, Debt Listing Regulations, debt listing agreement, SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended from time to time), the Companies Act and other applicable provisions under applicable laws, regulations and guidelines ("**Relevant Laws**") in connection with the issuance, allotment, listing and ensuring continued compliance of the Debentures until the redemption in full of the Debentures. Further the Company undertakes to comply with all regulations/provisions of Companies Act, 2013 and guidelines of other regulatory authorities in respect of allotment of debentures till redemption of such Debentures.

Company	Debenture Trustee
	

5. The Company hereby declares and confirms that the Company, any person in control of the Company and its promoter have not been restrained or prohibited or debarred by the SEBI from accessing the securities market or dealing in securities. The Company further declares and confirms that, as on the date of this Agreement, and the date of filing the Disclosure Documents, it is an 'eligible issuer' in accordance with Regulation 5 (1) of the SEBI (Issue and Listing of Non-convertible Securities) Regulation, 2021.
6. The Company confirms that the Company is duly authorised to enter into this Agreement and each of the other transaction documents pertaining to the issue of the Debentures. The Company is validly existing and in good standing under the laws of India and each of the obligations contained herein shall be legal, valid and binding obligation enforceable against the Company.
7. The Debenture Trustee confirms that it: (a) does not beneficially hold shares in the Company; (b) is not a promoter, director or key managerial personnel or any other officer or an employee of the Company or of any holding company or a subsidiary or affiliate of the Company, under the Companies Act; (c) is not beneficially entitled to monies which are to be paid by the Company otherwise than as remuneration payable to the Debenture Trustee; (d) has not furnished any guarantee in respect of the Debentures or any interest thereon; (e) is not indebted to the Company, or its subsidiary or its holding or associate company or a subsidiary of such holding company; (f) does not have any pecuniary relationship with the Company amounting to 2% (two percent) or more of its gross turnover or total income or ₹50 lakhs, whichever is lower, during the two immediately preceding financial years or during the current financial year; and (g) is not a relative of any promoter or any person who is in the employment of the Company as a director or 'key managerial personnel', under the Companies Act.
8. This Agreement is in compliance with Regulation 13 of SEBI (Debenture Trustee) Regulations, 1993, pursuant to which the Company undertakes comply with all regulations/provisions of Companies Act, 2013, guidelines of other regulatory authorities in respect of allotment of debentures till redemption and also comply with the time limit within which the security for debentures shall be created in accordance with the Companies Act, 2013 or provisions as prescribed by any regulatory authority as applicable.
9. **Documents required to be submitted prior to or simultaneously with execution of this Agreement:**

The terms of this Agreement shall be effective only upon the submission by the Company of the requisite information and documents to the satisfaction of the Debenture Trustee to be submitted simultaneously with or prior to the execution of this Agreement. Without prejudice to the aforesaid, the Company shall provide all the information and documents as set out in Annexure A hereto.

Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee with respect to the issuance and allotment of the Debentures, in accordance with the Relevant Laws.

Company	Debenture Trustee
	

10. **Terms of carrying out due diligence:**

- (a) For the purpose of carrying out the due diligence as required in terms of the Relevant Laws, the Debenture Trustee, either through itself or its agents /advisors/consultants, shall have the power to examine the books of account of the Company and to have the Company's assets inspected by its officers and/or external auditors/valuers/consultants/lawyers/technical experts/management consultants appointed by the Debenture Trustee.
- (b) Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee to carry out the requisite diligence in connection with the issuance and allotment of the Debentures, in accordance with the Relevant Laws.
- (c) The Debenture Trustee shall have the power to either independently appoint, or direct the Company to (after consultation with the Debenture Trustee) appoint intermediaries, valuers, chartered accountant firms, practicing company secretaries, consultants, lawyers and other entities in order to assist in the diligence by the Debenture Trustee.

11. The Company shall pay to the Debenture Trustees so long as they hold the office of the Debenture Trustee, remuneration for their services as Debenture Trustee as per the Letter of Award No. NH/FIN/DFS/DT/2025-26/1446 dated 16-04-2025 as may be amended/modified from time to time.

12. The Company undertakes to promptly furnish all and any information as may be required by the Debenture Trustee, including such information as required to be furnished in terms of the Relevant Laws and the Debenture Trust Deed on a regular basis, including without limitation the following documents, as may be applicable:

- a. Disclosure Documents in relation to the issue of Debentures to facilitate the Debenture Trustee to review and provide comments, if any;
- b. The necessary corporate authorisations by way of board resolution and/or shareholder resolution necessary for the issue and allotment thereunder;

13. Information Accuracy and Storage

- (a) The Company declares that the information and data furnished by the Company to the Debenture Trustee is true and correct;
- (b) The Company confirms that the requisite disclosures made in the Disclosure Documents are true and correct;
- (c) The Company undertakes and acknowledges that the Debenture Trustee and any other authorized agency may use, process the information and data disclosed to the Debenture Trustee in the manner as deemed fit by them in relation to the issuance of the Debentures; and
- (d) The Company hereby agrees that the Debenture Trustee shall have an unqualified right to disclose to the Debenture holders (in accordance with the Applicable Law) information including the credit history and the conduct of the account(s) of the Company and other undertaking providers, in such manner and through such medium as the Debenture Trustee in its absolute discretion may think fit. The Company agrees that such disclosure shall not be considered to be breach of

Company	Debenture Trustee
	

confidentiality on the part of the Debenture Trustee.

Other Terms and Conditions

14. The Company agrees and confirms that the purpose of the Debentures is not for providing loan to or acquisitions of shares of any person who is a part of the same group or who is under the same management.
15. The Trustee, *ipso facto* does not have the obligations of a borrower or a principal debtor as to the monies paid/invested by investors for the Debentures.
16. The Company confirms that all necessary disclosures shall be made in the Disclosure Documents including but not limited to statutory and other regulatory disclosures.
17. The Company shall on or prior to the date of execution of Debenture Trust Deed, provide to the Debenture Trustee, the bank account details from which the Company proposes to make the payment of redemption amount due to the Debenture Holder. Further, the Company hereby undertakes that it shall preauthorize the Debenture Trustee to seek the redemption amount payment related information from such bank.
18. The Company further confirms that:
 - (i) All covenants proposed to be included in Debenture Trust Deed (including any side letter, accelerated payment clause, fees charged by the debenture trustee, etc.) are disclosed in Disclosure document or private placement memorandum/ information memorandum; and
 - (ii) Terms and conditions of this Agreement including fees charged by the Trustee shall be disclosed under the Disclosure Documents.
19. The Company hereby agrees and undertakes that all stamp duty and other expenses pertaining to the issue of the Debentures and execution of the transaction documents including the instrument of Debentures shall be solely borne by the Company.
20. The Company shall, pay on demand, all actual costs and expenses (including legal fees) incurred by the Debenture Trustee in connection with the preparation, negotiation of or entry into this Agreement and/or any amendment of, supplement to or waiver in respect of this Agreement and against submission of the requisite supporting documents. Apart from the Debenture Trustee fees, the Company shall, from time to time, make payment to/ reimburse the Debenture Trustee in respect of all expenses and out-of-pocket costs incurred by the Debenture Trustee (including without limitation), and fees and expenses of counsel appointed by the Debenture Trustee incurred in connection with the preparation and execution of the transaction documents or any related documentation requested by the Debenture Holders. The Company shall promptly pay, and in any event before any interest or penalty becomes payable, any stamp, documentary, registration or similar tax payable in connection with the entry into, registration, performance, enforcement or admissibility in evidence of this Agreement or any such other documents executed in connection to this transaction and/or any such amendment, supplement or waiver.

Company	Debenture Trustee
	

21. No change or modification of this Agreement shall be valid unless the same shall be in writing and signed by the Parties hereto, provided however that the Debenture Trustee shall not agree to any amendment to this Agreement which is likely to adversely affect the rights of the Debenture Holders, without the consent of the Debenture Holders in the manner as stipulated under the Debenture Trust Deed to be entered into.
22. This Agreement may be executed in any number of counterparts, each of which shall constitute an original and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of the signature page to this Agreement by facsimile shall be as effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall be effective on and from the date first hereinabove written and shall be in force till the monies in respect of the Debentures have been fully redeemed and paid-off and the requisite formalities for satisfaction of charge in all respects, have been complied with.
23. This Agreement shall be governed by and shall be construed in accordance with the existing laws of India. Any dispute arising thereof will be subject to the exclusive jurisdiction of the courts at Faridabad and that accordingly, any suit, action or proceedings arising out of or in connection with this Agreement may be brought before such courts.

IN WITNESS WHEREOF the Parties hereto have caused these presents to be executed the day and year first hereinabove written in the manner hereinafter appearing

Dear Sir/Madam

Re: Private Placement of Unsecured, Non-Cumulative, Non-Convertible, Redeemable Taxable Bonds under GID No. NHPC/BONDS/GID/2024-25/01 Dated January 20, 2025

We acknowledge receipt of your application on the online portal on January 20, 2025 seeking in-principle approval for issue of captioned security. In this regard, the Exchange is pleased to grant in-principle approval for listing of captioned security subject to fulfilling the following conditions at the time of seeking listing:

1. Filing of listing application.
2. Payment of fees as may be prescribed from time to time.
3. Compliance with SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 read with SEBI Circular No SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021 and circulars issued thereunder and also Compliance with provisions of Companies Act 2013.
4. Receipt of Statutory & other approvals & compliance of guidelines issued by the statutory authorities including SEBI, RBI, DCA etc. as may be applicable.
5. Compliance with change in the guidelines, regulations, directions, circulars of the Exchange, SEBI or any other statutory authorities, documentary requirements from time to time.
6. Compliance with below mentioned circular dated June 10, 2020 issued by BSE before opening of the issue to the investors.:
<https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20200610-31>
7. Issuers, for whom use of EBP is not mandatory, specific attention is drawn towards compliance with Chapter XV of SEBI Circular No SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021 and BSE Circular No 20210519-29 dated May 19, 2021. Accordingly, Issuers of privately placed debt securities in terms of SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 or ILDM Regulations for whom accessing the electronic book platform (EBP) is not mandatory shall upload details of the issue with any one of the EBPs within one working day of such issuance. The details can be uploaded using the following links Electronic Issuance - Bombay Stock Exchange Limited (bseindia.com).

8. It is advised that Face Value of NCDs issue through private placement basis should be kept as per Chapter V of SEBI Circular No SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021

9. ***Issuers are hereby advised to comply with signing of agreements with both the depositories as per Regulation 7 of SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 read with SEBI Circular No SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021.***

10. ***Company is further requested to comply with SEBI Circular SEBI/HO/DDHS/DDHS-RACPOD1/CIR/P/2023/56 dated April 13, 2023, (if applicable) read along with BSE Circular <https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20230428-18> and ensure compliance of the same.***

This In-Principle Approval is valid for a period of 1 year from the date of issue of this letter or period of 1 year from the date of opening of the first offer of debt securities under General information Documents which ever applicable. The Exchange reserves its right to withdraw its in-principle approval at any later stage if the information submitted to the Exchange is found to be incomplete/incorrect/misleading/false or for any contravention of Rules, Bye-laws and Regulations of the Exchange, SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 read with SEBI Circular No SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021 and circulars issued thereunder, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Guidelines/Regulations issued by the statutory authorities etc. Further, it is subject to payment of all applicable charges levied by the Exchange for usage of any system, software or similar such facilities provided by BSE which the Company shall avail to process the application of securities for which approval is given vide this letter.

Yours faithfully,

January 20, 2025

The Company Secretary
NHPC Limited

Dear Sir/Madam,

Sub.: In-principle approval for listing of unsecured, non-cumulative, non-convertible, redeemable taxable bonds to be issued on private placement basis

This is with reference to your application dated January 20, 2025 requesting for in-principle approval for the listing of unsecured, non-cumulative, non-convertible, redeemable taxable bonds, to be issued on private placement basis by NHPC Limited. In this regard, the Exchange is pleased to grant in-principle approval for the said issue, subject to adequate disclosures to be made in the Offer Document in terms of SEBI (Issue and Listing of Debt Securities) Regulations, 2008 as amended from time to time, applicable SEBI Circulars and other applicable laws in this regard and provided the Company prints the Disclaimer Clause as given below in the Offer Document after the SEBI disclaimer clause:

“As required, a copy of this Offer Document has been submitted to National Stock Exchange of India Limited (hereinafter referred to as NSE). It is to be distinctly understood that the aforesaid submission or in-principle approval given by NSE vide its letter Ref.: NSE/LIST/8584 dated January 20, 2025 or hosting the same on the website of NSE in terms of SEBI (Issue and Listing of Debt Securities) Regulations, 2008 as amended from time to time, should not in any way be deemed or construed that the offer document has been cleared or approved by NSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this offer document; nor does it warrant that this Issuer's securities will be listed or will continue to be listed on the Exchange; nor does it take any responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of this Issuer.

Every person who desires to apply for or otherwise acquire any securities of this Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Exchange whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription /acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever”

Please note that the approval given by us should not in any way be deemed or construed that the draft Offer Document has been cleared or approved by NSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this draft offer document; nor does it warrant that the securities will be listed or will continue to be listed on the

National Stock Exchange Of India Limited

Exchange; nor does it take any responsibility for the financial or other soundness of the Company, its promoters, its management or any scheme or project.

Kindly also note that these debt instruments may be listed on the Exchange after the allotment process has been completed, provided the securities of the issuer are eligible for listing on the Exchange as per our listing criteria and the issuer fulfills the listing requirements of the Exchange. The issuer is responsible to ensure compliance with all the applicable guidelines issued by appropriate authorities from time to time including SEBI (Issue and Listing of Debt Securities) Regulations, 2008 as amended from time to time, applicable SEBI Circulars and other applicable laws in this regard.

Yours faithfully,

For National Stock Exchange of India Limited

Veena Chandnani
